*** PROGRAM NOTES ***

ANNA K adapted by Eugenie Leontovich from Leo Tolstoy's masterpiece of Russian fiction, ANNA KARENINA opened Off Broadway last season and played for an extended run. We feel most fortunate to present The West Coast Premiere of this show. Historically, it is true that Tolstoy became infatuated with his own heroine. Anna Karenina towers so far above all the other characters that the author was forced to give the book her name. The inscription, "Vengeance is mine; I will repay," (Romans 12:19) bears out the idea that Anna's fall proceeds from a decision by some higher authority, divine and without appeal. The novel and the adaptation are concerned with the dark, unhappy marriage triangle of Anna, Vronsky and Karenin, and the light happy marriage of Kitty and Levin, which was his own marriage. Levin is, in truth, the young Tolstoy.
