alumni association/marching band . . .

The SJSU Alumni Association is the center of many campus and community activities. We support such on-campus organizations as the International Center and the Marching Band, and commit ourselves to producing the finest yearbook possible each year. We offer work experience (both paid and Volunteer) to students. Each Spring the Alumni Association awards 32 Dean's Scholarships to students selected by the Deans of their academic departments on campus. In addition both a yearly and life-time membership program is offered to both students and alumni. Members receive discounts to amusement parks, travel discounts, huge saving on new cars, trucks and vans, as well as many on-campus discounts and privileges. So why not come and get involved with us here at the Alumni Association and find out how much fun "belonging" can be.

The trombone section of SJSU's all-brass band warms up for a half-time performance. Band directors P. Carl Chevallard and Scott Pierson have trained more than 100 young musicians in the art and style of marching bands.

What makes the "Marching Spartans" so special is the fact that they are the first SJSU Band to storm football fields in four years.

With the full support of San Jose State University's alumni Association, Nicolosi and Pierson have revived the vitality and enthusiasm that used to mark the Marching Band as one of the finest on the West Coast.

For more information contact: Carl Chevallard 277-3636.

WHAT IS ASSOCIATED STUDENT GOVERNMENT?

Located on the third floor of the Student Union, the Associated Students office represents all persons registered at SJSU who have paid their student body fees. A percentage of each student's fees goes towards the maintenance of an annual A.S. budget of over \$490,000. These monies are used to promote educational, social and cultural opportunities, govern and finance student activities and organizations, and to encourage all students to participate within the university community.

ASSOCIATED STUDENTS EXECUTIVE

The Executive team, headed this year by A.S. President Michael Medina, administers the affairs of Associated Students and puts into operation all laws passed by Student Council. This branch coordinates relations with other student associations and university administration, both on-campus and state-wide.

ASSOCIATED STUDENTS BOARD OF DIRECTORS

Performing as the Legislative branch of the A.S., the Board meets every Wednesday at 3 pm to represent the needs of the student body and adopt measures necessary for the general welfare and protection of student interests. Last year, the Associated Students changed their constitution. The 20 member Council was reduced to the present 12 member Board. Each Board member looks after a particular area of concern. The idea behind this change is to make Student Government at San Jose State more efficient, more responsive, and more accountable.

This year's A.S. Board of Directors are:

Academic Affairs Jim Rowen	Intercultural Affairs Ranjan Charan	Communications Eric Green	Sponsored Programs Bill Santi
Business Affairs Mark Meador	Non-Traditional Minority Affairs Sharon O'Connor	Community Affairs Bob Fudenna	Student Rights and Responsibilities Diane Varouchakis
California State Affairs Nancy McFadden	Personnel Larry Brightwell	Ethnic Affairs Virgil Brown	Student Services Michael Wangeman

ACADEMIC SENATE

The Academic Senate is the principal agency for the formulation and recommendation of University policy. Working with administration and faculty, A.S. Academic Senate members devise policies and procedures for matters affecting the general welfare of the University including

- * educational policies
- * faculty affairs
- * student affairs
- * budget and finance

Representing Associated Students in 1980-1981 are: Michael Melvern Brown, James Babb, Michael "Andy" Arias

ASSOCIATED STUDENT COMMITTEES

Committees within A.S. are too numerous to mention, but include Academic Fairness, Personnel Selection, Spartan Shops Board of Governors, and Winter Carnival amongst many others.

Applications for these positions are available year-round in the A.S. Office.

Watch for ads in the Spartan Daily and Independent Weekly for openings and application deadlines.

THE COLLEGE EXPERIENCE

*An Opportunity to Challenge yourself
today and develop your life.*

Continue to stimulate your intellectual curiosity.

Learn how to learn.

Practice communication skills.

Develop a clear set of standards which are inner directed and a guide for your life.

Learn to educate your feelings, spirit and inner soul through the arts.

Learn how to disagree without being disagreeable.

Know thyself — watch your health, keep in physical shape and exercise self control.

Do live with reality and don't become a slave to habit, fear or fantasy.

Learn how to earn a living.

Economically liberate yourself by learning how to manage your money.

"Great ideas come into the world as gently as doves.
Perhaps then, if we listen attentively, we shall hear
amid the uproar of empires and nations,
a faint flutter of wings, the gentle stirring of
life and hope."

— Albert Camus
