# On the Road to Flipping

ON THE ROAD TO FLIPPING

by Raji Lukkoor

## Key Results

- Phased implementation
- The benefits of planning
- Navigating challenges

## **IMPORTANT RESULTS**

### **Resources:**

- Existing video clips and pdf files
- Material accessible through LMT (Canvas) and faculty website

### **Discussion (More in Poster Session):**

- To Flip or not! Making the decision...
- Setting up the framework for a partial flip
- Developing content in under 4 weeks
- Role played by support network
- Fine-tuning for Fall and beyond

### **Format:**

- Before-class Activities (Reading/Quiz)
- In-class Activities (Example problem followed by Group problem solving)
- After-class Activities (Doing HW)

### **Conclusion:**

- The Flip model is a good choice to have students take more responsibility
- Phased implementation allowed for gradual acceptance and smoother transition
- Planning promoted efficient time management
