SAN JOSE STATE UNIVERSITY

Presents

**22nd Annual
Chicano Commencement Ceremony
Saturday, May 23, 1992**

MESSAGE FROM THE CHICANO COMMENCEMENT COMMITTEE

The Chicano Commencement Committee of San Jose University proudly welcomes you to the 22nd Annual Graduation Ceremony. This special and unique celebration is designed to acknowledge the struggles of Chicanos and Latinos students for their self-determination and perseverance in achieving a college degree. We would also like to take this opportunity to recognize their families, university faculty and staff members, peers, and friends who have supported them in their academic endeavors.

In the memorable occasion, we would like to commemorate the Graduates for their triumphs and grand success. Throughout the years, these graduates have sacrificed endless hours into their studies, in order to attain their desired goals and dreams. Many faced obstacles along their journey that made it almost impossible to continue their education; however, regardless of how narrow the road became, they did not give up, and are here with us today celebrating their achievements.

It is our sincere wish that each graduate returns to their respective communities to share and serve their expertise. We hope that this celebration reach the minds of our youth and motivate them to continue their education and onto higher roles to serve as leaders of tomorrow.

Finally, with this message in mind, we would like to extend our deep appreciation, and thanks to the families, staff and community that have made this commencement.

A todos aquellos amigos que formaron parte de mi familia en la universidad, muchisimas gracias por toda su ayuda (Dr. Curtis Cook, Nancy, Dea. Paul, Jose, Joan, Bea Coronado, Maria). Mis hermanos de Gamma Zeta Alpha, les agradezco todo el apoyo y la amistad que me brindaron. Que Nuestro Senor los bendiga, y que nuestra hermandad viva para siempre. A todos mis amigos, Gracias.

Jesus Mota..... B.A. Liberal Studies

Me llamo Jesus, and I would like to make a difference in my community. My academic studies have given me a well rounded education. However, I see this as only the beginning for I have aspirations of higher education. As a Chicano instructor, and hopefully an administrator, I would like to be a role model, a motivator, and a positive influence for students, especially for my Chicano brothers and sisters. Quiero agradecerles a mi abuelita, Aurora Espino, quien me inspiro, a mi familia y a mis amigos allegados por su apollo y ayuda en llegar a este nivel de mi educacion. Gracias.

She is the third in her family to pursue a university degree. Stella largely put herself through school. As she has always had an intense interest in teaching, she worked for California Mini-Corps throughout her university years. Her experience ranges from pre-school to eighth grade within four different schools throughout the San Jose area; experience which she will put to good use after she completes her teaching credential program. Stella plans on being a bilingual teacher and to not only help and influence all children, but also repay those who have supported her by giving their children understanding and by becoming a role model to Chicano children.

**Julia Elizabeth Vergara Hernandez..... B.S. Public Relations

Well I made it, but it could have never happened without the support of many people who have given me unconditional love, this includes all the people my brother mentioned, plus Sandra, Geny, Valerie, Cecilia, Lucia, the AJ's, Candelario Franco, Ana and Roberto, Mr. and Mrs. Martinez, Yolanda, Raymond and Fernando, Hilda and their family. But most important THANK YOU Mami and Papi for your sacrifices so I could carry out my dream. The dream you instilled in me ever since I could remember. I know that I will always be able to count on you for anything, just as I have in the past. Abuelita, gracias por su amor y apoyo, usted es mi segunda madre. Luis, I' m happy and proud to have you as my brother, you are my role model. Roger, thank-you for your love and for letting me be ME. Last but not least a heart-warming THANK-YOU to my sisters of Lambda Sigma Gamma and Lupe Zuniga for your support, the laughs, our special moments, the inspiration and pride you've given me, but most of all for giving me that extra push and a shoulder to lean on. I LOVE YOU ALL, GOD BLESS YOU!
