COVID 19 Project

"When given lemons—make lemon-aide"

Each of you will create your video with the Coronavirus topic as the primary backbone of the project. Although the focus of this video is centered around Coronavirus and its effect, this **does not limit** you to focusing only on the virus itself. You can touch upon its effects on our community as a whole. You can think outside the box—let your creative juices flow. This is "your" piece, so let it convey "your" thoughts and "your" voice.
