The San Jose State Spartans are well prepared to face the Tigers in the return contest to be played here tomorrow night. Leading Pacific through all but one game of the season, the Spartans have won their share of spectacular games, but the most spectacular of all was the one played last Saturday night in the Stockton Armory. During Wednesday evening's tilt, and from what we hear and know of a short time in the past, the game was considered the greatest ever staged between the two teams.

While mentioning Hotne it must be stated that the All-conference football men were somewhat prevailed over by Al RHINES, Assistant Dick Bertrandias, Sports Editor PAUL CONDLY, Assistant

**Break for State**

And in case you forgot, the San Jose State basketball team will be in town tomorrow night as well. The team is coming off a huge win over the University of California last weekend, and they are looking to continue their winning streak.

This is the Sixth of a weekly series by Randy Smith, former San Jose State basketball player, and current State Provost. This week, we take a look at the athletic success of the San Jose State basketball team.

He had to get up to church. Well, not exactly. It wasn't the going to church that he minded so much. It was the doing the same thing every Sunday at 6 a.m. just to get to church. Now if church had been held at 10 a.m. or 11 a.m. he might have been a little less upset. But Brother had devised the novel method of getting young fellows out of bed by pulling their hair very roughly, it didn't do any harm to his own tastes.

But he didn't like to have his hair pulled at all and for the privilege of attending church at 6 a.m. if they didn't choose to, and further, there was no menace fearing standing ever erect till a full hour after the very routine fasting.

The boys came through in splendid shape Wednesday night up at Pac- life, and the fact that they did so clear the way for a clean up by dumping that last animal only tends to make us feel the warmer. You know, if Pacific had swamped these fellows, the San Jose Spartans we wouldn't feel at all bad about it. But it always hurts more to think that this is the result.

In any case, we are all ready for the tip-off, the meeting to be held at Pacific, the best of luck for tomorrow night for the boys of both bands. The quickest way out is to realize that you have no television whatsoever. If you are watching TV too much, you are probably missing out on something more exciting. Try to balance your time between watching TV and other activities like reading, exercising, or spending time with friends.
