EL ENLACE DE NUESTRA GENTE HACIA UN NUEVO SIGLO

Class of 2000

Congratulations

Commencement is not only the culmination of your college career, it is also the beginning of your life as alumni of San José State University. Today you join the ranks of leaders and professionals who have graduated from this institution. Your role, too, will be to help shape our society's development. You, as well as your family and friends should be proud of the contributions you have already made as students at San José State. As you continue your intellectual accomplishments and personal growth, I hope you will find that education is a life-long process.

On behalf of the entire SJSU community, Felicidades!

EL ENLACE DE NUESTRA GENTE HACIA UN NUEVO SIGLO

WELCOME RAZA, TO THE 30TH ANNUAL CHICANO COMMENCEMENT. THIS YEAR WE DECIDED TO TAKE "COMMENCEMENT" BACK TO ITS ROOTS. AS GRADUATES, WE HAVE REFERRED TO OURSELVES AS CHICANOS, LATINOS, MEXICANOS, MEXICAN-AMERICANS AND HISPANICS. HOWEVER, WE MUST PAY HOMAGE TO THE CHICANOS WHO BROKE DOWN BARRIERS TO PUT THIS VERY ORGANIZATION TOGETHER. WE WOULD LIKE TO DEDICATE THIS MILESTONE ANNIVERSARY IN HONOR OF THE HANDFUL THAT PUSHED THE ENVELOPE TO PUT THE FIRST CHICANO COMMENCEMENT TOGETHER. AS WE ENTER THIS NEW CENTURY, WE MUST NOT FORGET THEIR ACCOMPLISHMENTS.

THE THEME FOR THIS YEAR'S COMMENCEMENT IS "THE EMBRACE OF OUR PEOPLE TOWARDS A NEW CENTURY." WE WOULD LIKE TO ACKNOWLEDGE THE SUCCESSES OF YESTERYEAR; WHILE AT THE SAME TIME REALIZING OUR JOURNEY IS NOT COMPLETE. WE ARE OPTIMISTIC FOR THE CONTINUED STRUGGLE WE AS A RAZA FACE IN THE NEW MILLENNIUM.

SAN JOSÉ STATE UNIVERSITY'S CHICANO COMMENCEMENT IS ONE OF THE LONGEST RUNNING AND MOST RESPECTED CHICANO GRADUATIONS. WE HAVE TAKEN ON THE CHALLENGE TO ORGANIZE SUCH AN EVENT BECAUSE WE BELIEVE IT IS IMPORTANT NOT ONLY TO CELEBRATE OUR ACCOMPLISHMENTS, BUT OUR CULTURAL HERITAGE AS WELL. PUTTING ON AN EVENT OF THIS CAPACITY WAS NO SMALL FEAT, AND FOR THIS REASON, WE ARE HONORED BY YOUR PRESENCE ON THIS GLORIOUS DAY.

OUR SUCCESS IS DUE TO OUR OWN COURAGE AND STRENGTH, YET IT IS THE SUPPORT OF OUR FAMILIES AND FRIENDS THAT IT HAS PROSPERED AND FLOURISHED. FINALLY, WE NOW STRIVE TO SERVE AS INSPIRATION FOR THOSE WHO WILL FOLLOW IN OUR PATHS.

"WE TEACH WHAT WE LEARN, AND THE CYCLE GOES ON."

DR. CONSUELO RODRIGUEZ

Dr. Consuelo Rodriguez grew up in San Jose, in a neighborhood of different ethnic groups. At a very young age Dr. Rodriguez knew that she wanted to advocate for diverse racial groups. She graduated from California State University at Chico with a BA in Social Science. Dr. Rodriguez wanted more than a BA so she went back to school to get her MA in Education at San José State University. Later graduated with a EdD. in Administrative and Policy Studies in Education at the University of California at Los Angeles (UCLA). While attending UCLA Dr. Rodriguez was one of four chicanas that were in the Ph.D. programs. Realizing that the numbers of women and minorities were very small and the support was not available, the women decided form their own support group. With the support of each other the group grew to six women and all were successful in attaining their goals. Today Dr. Rodriguez works as Program Development and Program Analyst. She is currently teaching Education Psychology in the credential program at National Hispanic University. Dr. Rodriguez is a strong advocate for community outreach.

DR. GEORGE CASTRO

Dr. George Castro grew up in East Los Angeles during the 1940's and 1950's. Castro's experience growing up with African-American, American Indian, Asian, and poor White children gave him a strong awareness and appreciation of diverse cultures and the common struggles that all persons have. His fascination with the sciences brought him to study physics at University of California, Los Angeles (UCLA). He would later switch his major to chemistry and received his bachelor's degree. Subsequently, he attended UC Riverside, where he successfully completed his Ph.D.. Due to the success of his post-doctoral research, IBM hired him soon after. He worked with IBM for 27 years. Dr.

Castro came to San José State University in 1995 as part of a partnership with IBM, the California Department of Education and the CSU system. His goal was to provide opportunities for all students to succeed in learning, especially those from groups historically underrepresented in the sciences. Since then, he has developed a partnership between San José State University and the Eastside Union High School District. He has also developed partnerships with elementary, middle, and high schools adjoining the campus to improve the learning of math and science under SJSU's Community Outreach Partnership Program and 21st Century Community Learning Program. Dr. Castro is now the Associate Dean of the College of Science at San José State University.

30th ANNIVERSARY
CHICANO COMMENCEMENT

The Mechistas of SJSU would like to congratulate the graduating class of 2000.

In a time when there is only a limited number of Chican@ graduates, these students overcame the obstacles they faced and exemplified the idea that where there is a will there is a way.

With Raza like this leading the way, we will succeed.
