There will be a fan system driving the air through the gym, and since the false ceiling will be 10 feet higher than it was for the last dance, perfect ventilation is assured.

Unique lighting will be one of the features of this dance, which incorporates one of the most ambitious systems of decoration yet attempted. On the floor will be a rock garden, with a tumbling waterfall, while around the sides will be small trellises with spring flowers upon them. Baseball Team to Meet Menlo J. C. Saturday, There

The Spartan baseball team will have another busy week-end this Friday and Saturday, playing San Leandro High on Friday, and on the following day traveling to Menlo to play the Junior College on their home diamond.

Last week-end the Spartans easily won their two games over the San Mateo High and Alameda High. Simoni and DeSelle won one game apiece.

The San Leandro High game of Friday will no doubt be close and interesting. The high school has a farflung reputation of turning out championship teams. Coach Crawford will take no chances
