

Conference Opens Tuesday

Local Delegates Named For Economic Parley

Cadman, U. C. Professor,
Delivers Opening Talk
Tuesday Evening

Explaining the serious prob-
lems confronting the world today
will be the work of the World
Economic Conference to be held
from February 21st to 23rd.
The Conference will be carried
out in the style of the London
Conference to be held in
London. All problems concerning
the world today such as interna-
tional trade, agriculture, world
peace, world debts and repara-
tions will be considered in round-
table discussions which will be
held during the Conference on the
21st.

Delegates to the Economic Con-
ference have been elected from
among the campus organizations
to represent the leading nations
of the world.

The official opening of the Con-
ference will occur February 21,
with both an informal registra-
tion tea and a lecture explaining
the significance of the World Econ-
omic and Financial Conference
to be given. The tea, sponsored
by Kappa Delta Pi, is being held
for the purpose of registering and
becoming acquainted with all del-
egates to the conference. It will
take place from 2:30 until 4:30
o'clock, Tuesday, in Room 1 of

Second Presentation Of One-Acts Given Tonight

Times Indebted To Iota Sigma Phi for Boxes

At last an adequate system
has been devised whereby the
Times papers will not be
spread all over the campus at
noons. The Iota Sigma Phi,
honor shop fraternity, present-
ed the Times Office with two
new boxes in which the papers
may be placed and kept with-
out danger of blowing away.

The school in general and the
Times Staff in particular, wish
to thank the Iota Sigmas very
sincerely for their splendid
work.

PAUL COX TO PLAY AT STUDENT DANCE SATURDAY EVENING

The Men's Gymnasium will be
the scene of another Student Body
dance this Saturday evening when
State students congregate to at-
tend the third student body dance
of the winter quarter.

Fortunately, the gym was pro-
curable for the evening as the
Varsity basketball team is playing
the Fresno team at Fresno this
week-end, and consequently will
not be using the home gym.

The usual large crowd of en-
thusiastic supporters is expected
to attend the dance, although the
number of unattached men, fam-
ilarly known as stags, who will
make an appearance will remain
undetermined until the big night.

Dario Simoni, chairman of stu-
dent affairs, and his committee,
has announced that Paul Cox's
popular campus orchestra, will
play the dance music, an an-
nouncement which should in itself
draw a crowd.

The admission price will be as
usual, a student body card and 25
cents for outsiders.

Kappa Delta Pi Will Meet Monday Evening

All members of Kappa Delta
Pi, national honorary society,
are requested to meet Monday,
February 20, at 7:30, at the
home of Dr. Freeland at 357
South 13th Street. This meet-
ing is sponsored by the alum-
nae members of this society.
As the meeting is important all
members are urged to attend.

FINAL PREPARATIONS BEING COMPLETED

Last preparations have been completed for the Miniature Economic
Conference to be held here next week. Above are Charles
Pinkham, President Sophomore Class; Lois Larry, Senior Class
Representative; Charlotte Rhines, Junior Class Representative.

CONVENTION DELEGATES TO ENJOY VARIOUS ACTIVITIES, EXHIBITIONS DURING MEET HERE

The World Economic Confer-
ence, which will take place next
week, will have cultural and so-
cial trimmings in addition to the
weighty discussions to be held.

Spice will be added to the con-
ference program by teas, lunch-
cons, a British dinner, a band
concert, exhibitions of art ob-
jects from foreign lands, a pre-
sentation of the folk life of the
countries of the world, an exhibi-
tion of music, dancing, poetry,
and drama to be presented by na-
tions, and other interesting events.

Chapel services in the Little
Theater, from twelve o'clock until
12:30, February 22, will be fol-
lowed by a program in the Quad-
rangle presenting the folk life of
the countries of the world. Music
and dancing by various nations
from South America, Hawaii,
and Spain will be exhibited. Food
will be served by the Language
clubs and Oriental groups. Pro-
fessor L. C. Newby will officiate
as master of ceremonies. Dr.
Raymond Barry, Miss Lydia Innes,
Dr. A. H. Lubowski, the San Jose
State Band, the Men's Glee Club,
Bel Canto, and members of the
Women's Phy Ed department will

Conference Schedule

The program for Tuesday, February 21, the
opening day of the World Economic conference, is
as follows:

2:30-5:00 p. m.—Informal tea in Room 1 of the
Art building. Registration of all delegates to
conference.

8:00-9:30 p. m.—Address by Dr. Paul F. Cadman,
Associate Professor of Economics in the Uni-
versity of California, on "The Significance of
the World Economic and Financial Confer-
ence," in the Morris Dailey Auditorium.

Mendenhall Has Competent Cast For French Play

Postscript and Stepmother
Also Well Received
By Audience

Long weeks of tiring rehearsals
and unceasing effort on the part
of both the directors and the
casts were culminated last night
with the presentation of the first
public performance of the first
evening of three one-act plays to
an audience who were brought to
the realization that ingenuity and
careful direction can make one-
act plays, whether comedy or dra-
ma, as interesting and emotion-
ally sustaining as the longer three
act presentations.

A drama, a farce, and a gro-
tesquery! The varied selection of
plays intrigued the interest of the
audience, and the entirely differ-
ent types of interpretations in the
three plays kept the audience
stimulated.

The most spectacular and stupen-
dous production of the evening
was, without a doubt, the costume
play of the French Revolutionary
days, "The Green Cockatoo," and
making the best of the poor sight-
lines in the Little Theatre, Mr.
Mendenhall used a very effective
and original set. The large cast

San Jose Debaters Will Meet With Fresno, Stockton Soon

A debate with the College of the
Pacific, and one with Fresno
State, are scheduled for next
week. The debate with Pacific
will take place on Monday, Febru-
ary 20, at Pacific. The debate
with Fresno State will occur on
Thursday evening at Fresno on
February 24.

The subject for the debate with
Pacific will be on the cancella-
tion of war debts. This debate
will be a women's debate with
Anne Isawson and Alice Culbert-
son upholding the affirmative for
San Jose State.

"Resolved, That 20th Century
Emancipation of Women Is De-
feating Its Purpose," is the sub-
ject to be discussed at Fresno
State. This will be a mixed
school and a mixed team debate.
Katherine Hodges of State will
join with the girl from Fresno on
the affirmative side, and Joel Car-
ter will side with the boy from
Fresno in upholding the negative.

San Jose State College Times

Clarence Naas Editor, Dick Sanders Business Manager, Society Editor Grace Murray, Copy Editor Mary Tracy, Faculty Adviser Dr. Carl Holliday, Published every school day, except Monday, by the Associated Students of San Jose State College.

UNEMPLOYMENT AND EDUCATION

The serious condition of the intinerant young men of the United States is realized by the Senate, which, last Monday, voted an appropriation of twenty-two million dollars for their benefit.

Under the Senate's bill, the money will throw open the Citizen's Military Training Camps to those roaming boys between the ages of 15 and 21 years, who are American citizens, sound of body, and unemployed for at least 6 months.

Realizing the future need for men of character and ability, the Senate has taken this means of eliminating pitfalls of unemployment, into which young men so easily fall. Unemployment breeds physical and mental degeneration, for which the following generation must pay.

Thus, California's actions are not in accordance with the Senate's realizations. California proposes to raise the tuition fees of her colleges in order to balance her budget. Balancing her budget at the cost of her colleges will demand its fearful price in future years.

The increase in tuition fees will mean that hundreds of young men must leave California's colleges. The proposed fee is not large to an employed person, but to a student who must maintain himself on practically no income, that fee is prohibitive.

Hence, to raise tuition fees at this time is dangerous. Rather, now is the time to encourage education, and perhaps the next generation will prove more capable of solving the world's problems.

POLITICS AND POLITICIANS

One of the items of greatest importance to many students of San Jose State College is our politics. The only people to whom it is of such vast importance are those who run for office. Our politicians are being well schooled in the art of ballyhoo.

These people take the school politics quite seriously. The whole system is profoundly trivial. In order to show the triviality just look at the statistics recording the number of people who take the trouble to vote.

The straw vote for the Hoover-Roosevelt campaign polled a larger vote than our own elections. There is absolutely no interest among the students. It is a wonder that both the voters and the politicians can't adjust themselves to a more sane level and get a sense of balance.

THEMES FOR SALE

There's a "squealer" in every racket and the illegal bootlegging of freshman compositions is no exception. There is a rumor that some of the brainstorms handed to instructors as compositions are bought for the sum of ten cents from an employee of a local corporation who finds this profitable to do on the side.

Just Among Ourselves

Note—This column is personal between the president and the college. Outsiders are requested not to make use of the material.

So the ol' man's schlippping. Not surprised. Could not possibly compete with modern youth. Congratia tions, Dick. (I don't know whether spot's on you, or you're on the spot.) Rate a picture at the head of your column now.

Wish you'd help me advertise that "Worlds Economic Conference" for next week, Dick. Or isn't your column commercialized? Ol' Bill and his cohorts are putting on a most ambitious program Tuesday, et seq.

Doubt if we are showing enough interest in the move to put the Co-Op off the campus. Not more than five or six people in San Jose are really trying to injure the store, but they are well organized and we haven't made much progress against them.

Had a mass meeting Tuesday evening, but not many were present. We are following our usual custom of doing nothing about it. But the howl that will go up when students find they have to pay \$2.60 for a \$2.00 book!

Been hearing some rumors hostile to the stadium. If there's anything you don't understand, please come in and let me tell you what I know about it. We're making a big effort to get that stadium, and if we're wrong I'd like to know it before the contracts are signed.

I wish more of you would come in and let me tell you personally about these things. A senior was in yesterday. Been here four years and that's the first time he's been in my office.

Quad Wrangles

The Bastille fell again last night. While a Parisian mob celebrated the outbreak of the French Revolution, roaring cries of "the Duke is dead!" echoed in a 18th century speakeasy run by none other than Melvin Newcombe.

COMMUNICATIONS

We have been hearing things lately about the construction of a stadium for San Jose State, and we have also been hearing rumors of a proposed raise in tuition.

We wonder, then, how far for a new stadium can be appropriated in such hard-pressed times, as these. Perhaps the have been obtained from some more-or-less private source.

FACULTY PARTY LAUDED AS A HUGE SUCCESS BY THE ATTENDING GROUP

St. Valentine Honored at Tuesday Gathering

The Faculty Party held Tuesday evening for members of the faculty, their wives and husbands was considered a grand success by all who attended.

The party was divided into groups, and each group was instructed to complete the Valentine verse, of which one line was given them, and to act out the result, with Dr. MacQuarrie doing his famous rope trick, and Dr. Postress being the girl friend who was very popular with the boys.

The group under Miss Jenks gave an interesting interpretation of their Valentine verse, with Miss Jenks reciting it in Verse Choir while the action took place. Mrs. Dowdle and Mrs. Mallett were in charge of the refreshments, and the hot spiced cider and doughnuts served were enjoyed by everyone.

Ms. Turner and her group of students and faculty did the decorating. Mrs. Stevenson had charge of the finances.

NOTICE

An announcement has been made by Jim Fitzgerald, chairman of the Forum, that the coming weekly meeting of that organization will be postponed until a week from Monday. The purpose of the postponement is to avoid conflict with the Economic Conference, which is being held here at State next week.

CO-OP FIGHT CARRIED TO NORTHERN SCHOOLS BY PRESIDENT WARMKE

Monroe Ledyard, B. Threlkel Aid Local Movement

Monday noon Student Body President Leon Warmke, Monroe Ledyard, and Bob Threlkel will carry their fight to save the Co-Op to the schools of Northern California. Progress has been decidedly forward in the campaign thus far, but unless the proper pressure is exerted, the plan will not succeed.

During their stay in Sacramento, they intend to contact the Educational Committee of the Legislature and present their viewpoints.

The trip will take three days to accomplish. Thursday morning the young men will return to State with the results of their journey.

Leon Warmke received a telephone call from George Sykes, student body president of Fresno State in which he stated that progress was very evident throughout the school and city. He wanted to know if there was anything further that Fresno could do in order to help the campaign. A splendid spirit of enthusiasm and co-operation.

The students have been very lax in writing to their local representatives concerning the Co-Op. Member, if this store goes off our campus, textbooks will be higher and more trouble to secure. The down town stores will not benefit materially, and we, the students, will be the ones to lose by it.

Again, the Student Body president asks you to write to the representatives and present your side of the case.

California Principals To Meet Here in April

The annual convention of the California Association of Secondary School Principals will be held in San Jose on April 10 to 12.

Mr. Vierling Kersey, State Superintendent of Schools, mailed 613 letters inviting members of the association.

Mr. Nicholas Biceardi, head of the State Division of Secondary Education, conferred with Walter L. Bachrodt, City Superintendent of Schools for San Jose, on plans for the convention.

Plant Victims of Frost Are Being Replaced

Frost killed plants are being replaced, and improvements are being made in the grounds, according to J. C. Stillwell, superintendent of buildings and grounds.

Iris plants have been transplanted to bed by the Art building, and some Coral Bells have been put in the bed beside the Commerce building, and a new bed has been made at the North end of this building.

The Rose Garden in the court between the Art and Commerce buildings has had a rose tree and 40 new roses added. The garden between the Home-Making building and the Women's Gym is to be made into a cut flower bed. Hollyhocks, Sweet William, Poppies, Cinnerarias, Sea Pinks, White Daisies, and Columbine are to be planted here.

About 35 plants were killed by the frost, among them an Australian Tea plant. Those which stood the frost are the Toyon Berries, the Barberry Shrubs and the Cotoneasters.

Valentine Party Given by Art Department

With Valentines as the main motif, a delightful Valentine party was held by members of the Art department Tuesday afternoon in Room 1 of the Art Building.

An attractive silver screen with red as the dominant foreground color, was a part of the decorations arranged by the art classes under the leadership of Miss Berry, faculty member. A tree dripping beautiful Valentine hearts from its branches, with Colonial dames holding a heart in each one's hand were portrayed on this silver screen.

Second Performance of One-Act Plays Tonight

(Continued from Page One)

dressed in the striking costumes of that day and period, the entire play was one of color and excitement.

"Postscript," subtly played by Grace Murray and Robert Gieler, was consistently sophisticated, while "Stepmother," directed and played in by Joy Arps, who delivered one of the best performances of the evening in her part of the mother, was intensely realistic with a cast composed of Dick Glyer, Sherman McFriedies and Dick Sanders.

Tonight the same performances will be repeated before what is expected to be an even larger audience. For the information of those who neglected to purchase their tickets, tickets may still be bought for 50 cents each.

A meeting of the San Jose Chapter of the State Employees Association will be held on Monday, February 20, at 4:00 o'clock, in Room T-7. Mr. George will report on the meeting of the General Council held in Sacramento on February 11 and 12.

SPARTANS, FRESNO IN TWO GAME BILL IN RAISIN CITY GYM

Locals Invade Bulldog Den
For Conference Tilts;
Fresno Favored

Entering their final traveling series of conference games with the odds decidedly against them, the San Jose State basketball squad will step on the court tonight at Fresno with a firm determination to upset the Far Western dope bucket with at least one victory.

The two games in the raisin town take on the nature of a crucial series so far as the Bulldogs are concerned, for the hometowners must win both contests to stay in the race for top honors. To San Jose supporters, the games are also "crucial" in that they represent one of the Spartans last two chances to chalk up a league victory.

Good Condition

Coach McDonald's hoopsters are in first class condition and showed plenty of fight and pep in yesterday's workout. Evidently their last week-end rest from tough conference competition was just what the local team needed to pull them over the low spots.

Fresno Powerful

The southern college this year has a court aggregation with a record behind it of having dumped two leaders off their undefeated spots on the conference ladder. Fresno also dropped both Whittier and Occidental in practice contests.

Mac will take his entire squad of twelve men on the trip. The starting line-up will either be composed of Countryman, Downs, Rea, George, and Liebrandt, or a second five of Concannon, Tueller,

Coach Blesh Schedules Big Time Meets for Track Team

Coach Erwin Blesh has just completed negotiations for a dual track meet with the San Francisco University. Having already scheduled the Olympic Club, this gives the Spartan team two meets with the "big timers". The meet was originally planned to be held in San Francisco, but as no track and field was available the Hilltoppers will come to San Jose on March 18.

It is expected that the Olympic Club and S. F. U. will present the same squads, as Charles Hunter coaches both aggregations. Last year's Olympic Club has moved over to the university.

The Olympic Club has been definitely scheduled for April 29. One open date remains on the Spartan track program, that is March 25. Blesh says that a meet will be held on that date, as it is during the vacation and he wants to keep his men working.

The regular weekly time trials will be held this Saturday morning at 10:00.

Lourie Apitz Is Named Assistant to Alonzo Stagg

Lourie Apitz, end coach at the University of Chicago for four years, was chosen by Amos Alonzo Stagg as his first assistant when the "Old Man" becomes football coach at the College of the Pacific, Stockton, Cal., this spring.

Apitz was a star end on the Maroon teams of 1925, '26, and '27. He also participated in track as a quarter-miler and in basketball. His home is Bessemer, Mich.

Stagg, a ranking member of the football rules committee, attended the national meeting of the committee in Philadelphia, Friday and Saturday.

SAN JOSE RUGGERS MEET STANFORD

San Jose fans will get their second glimpse of the great English sport, Rugby, Saturday afternoon, when the San Jose team, now sponsored by the American Legion, meets the Stanford Ruggers. According to Dud DeGroot, coach of the local team, the place of meeting has not definitely been decided upon, but will more than likely be played on Reed Field at 2:30 p. m.

These two teams engaged in an informal contest two weeks ago. The Stanford players were divided, some playing on the San Jose squad, to give the San Jose boys an idea of what the game was about. The San Jose team has had quite a few workouts since then and will be in a position to give the Stanford team a fair tussle.

The San Jose team will present many of the members of the football team that tied with Nevada for the Far Western Conference championship, among whom will be, Barracchi, Barr, Sandholdt, and Wolfe.

SPARTANS IN FRESNO FOR TWO GAME SERIES THIS WEEK-END

On the eve of a two-game series with San Jose State, the Far Western Conference ruled two Fresno basketball stars ineligible. The decision came after a vote on a protest entered by Nevada on the status of Rambo and Secrist, star Fresno cagers.

According to Dr. Peterson, conference secretary and member of the Board of Athletic Control, San Jose, Nevada, Chico and Cal Aggies supported the protest, while Fresno alone stood against the mandate.

This decision coupled with Pacific's one-sided 44-16 win over the Cal Aggies at Stockton last night again puts the Wolves on top of the conference heap with seven wins and one loss—having been awarded the contest they dropped to the Bulldogs under protest.

The Tigers and Aggies clash again tomorrow night at Davis in a game that will see one or the other drop to third place. They are now tied for second with six wins and one defeat.

San Jose, Chico and the Spartans trail the top three with no wins.

Fresno has announced their intention to play the disputed team, Charles "Chuck" Secrist, center, and Gilbert Rambo, forward, no matter what the conference officials think about it.

Secrist, a transfer from Wisconsin, was voted ineligible on the evidence that he played against Whittier, a four-year college, last year, which was his first year at Fresno.

Rambo was likewise barred because he carried only a part time or incomplete number of college units of study.

Fresno waives the ruling on the ground that the conference body has no jurisdiction over athletes competing in non-conference games.

Spartans Show Strength in Win Over Menlo Junior College

Locals Administer 17 to 3
Drubbing to Weak
Menlo Squad

With Joe Blacow holding the opposition under his thumb, the State baseball team had little trouble subduing the Menlo J. C. nine at Menlo Wednesday afternoon. The final score was 17-3. The Spartan batters finding little bother in either Campbell's curves or reputation, Sammy Filice and Dick Tykol led the hitters, the captain getting four for six and Tykol three for four. Gil Bishop clouted a home run in the early stages of the first inning.

The Spartans got off to a four run lead in the first inning, when Filice singled and scored on Bishop's homer. Bletchen doubled, Blacow doubled, and Tykol tripled to clean the bags. In the fourth inning, Tykol's second hit came for two bases. Carlson singled, Hardiman singled, Thurber walked, Filice singled, Bishop singled, and Blacow got on on an error. When the inning ended, State had six more runs. Another run came in the seventh when Beratta got on by an error and Filice scored him with a single. The eighth found five more Spartan runs. Strong singled, Blacow singled, Nelson singled, Lindner singled, Amyx walked, Beratta walked, Filice singled, Bishop walked and the inning ended with the bags still bulging. The final run came in the ninth when Amyx got on by an error and scored for the seventeenth run.

The track team will indulge in its second set of time trials at Spartan Field Saturday morning. Drop around and get a line on the boys. The inter-class meet is only a week away.

Baseball Team To Meet San Mateo Hi Tomorrow

Captain Sammy Filice, and his Spartan baseballers will travel to San Mateo tomorrow morning to meet the local team. Coach Bill Hubbard will probably start his most dependable battery, DeSelle and DeSelle.

Forty-Two Percent of State Students Are Men

According to figures released from the office of Registrar Joe West, over 42 per cent of the students at State are men.

Representing a 2 per cent proportionate increase and an actual increase of 8 per cent over last year, this is the highest percentage of men students in the history of the college. 2458 students are registered at present, of whom 1432 are women and 1026 men. The total registration for the winter quarter represents a gain of 120 over the 2338 students registered last year at this time.

Invitations to bid on the new stadium construction have been sent to contractors, and within two weeks the figures will be called in. At that time the definite cost of building the plant will be known.

Mark Temple, sensational half-back, and Bernie Hughes, All-Coast center, will lead the University of Oregon football team next fall. Their election marks the inauguration of the two-captain system at the Webfoot school.

We have been greatly chagrined of late over the poor showing of this column and the sport page in the recent popularity poll. Indeed we suspect that our ego has been very severely injured by the blow. However, we are taking refuge in the idea that there were dirty feet at work (pardon us, dirty work, foot). Yes, we strongly suspect treachery. For who counted the ballots? Yes, who counted the ballots? The feature editor counted the ballots and counted them all by himself! And how did the feature page come out? The feature page came out first! And how did the feature editor's pet column (although it appeared only twice) come out? The feature editor's pet column came out ahead of ours! Yes, we strongly suspect treachery (notice we only say "suspect"). We are willing to concede "The Muckraker" and possibly "Let Among Ourselves" some ground, but "Caliban's Columnist" Never!

Here are some of the boys that "Mac's" cagers will come up against in their invasion of Fresno this week-end.

Chuck Secrist—6 feet 4, 180 pound all-State High School center from Indiana, who jumped "Mike" Gould of Nevada when the Bulldogs met the Webpack recently.

Captain Sim Mathieson—a punter of the football squad who uses his 6 feet of height to advantage from a guard position.

Gib Rambo—6 foot 2 track and football star, who "tanks his in" from a forward position.

Erwin Franke—a North Dakota boy, who teams up with Captain Mathieson at guard.

Nate Herman—A native Fresno, who takes care of the other forward position.

Marty Kauffman, whom Spartan fans will remember as an important cog in the Bulldogs' famous "Beef Trust" line, of late fall, is also a member of Coach Leo Harris's cage squad.

Ray Brack, veteran of the Spartan track teams who Coach Blesh is counting on to bring honors for the locals in the two mile this year, reported he has been practicing for the first time in several weeks, yesterday. He has been suffering from a bad case of blood poisoning which has retarded his training severely.

Manager Bill Burt of the baseball team was rudely stopped in his way to Menlo Wednesday. An ambitious Santa Clara decided Bill was covering distance at too fast a pace and interfered. The cop said Bill was doing 65. Bill said he was doing 45, and the speedometer said 58. Pretty fast, Bill.

And now the Soph A's are strutting around, thinking they have cinched the race in the Gold and White League. The Frosh B's seem to be winners of the Spartan League. Wouldn't it be queer if neither one would
