In 2003 the Cultural Heritage Center opened in the new library. While the Center can celebrate a 5 year anniversary, the celebration of our students, our departments, and the individual collections housed in the Center are much older with a history that is richer than we know.

Join us on September 6, 2008, from 2:00-3:00 p.m. for an Open House and tour of an exhibit celebrating our past and our present.

Without the efforts of our students and faculty, these collections may not be on our campus. We recognize that this exhibit is incomplete and welcome additional contributions from you.

This exhibit will be up for the Fall Semester. Look for additional programming.
