In the Wine Time

by Ed Bullins

Directed by Sedic L. Bynum

Director's Notes

In the Wine Time was originally written to happen in the urban North, during the early fifties. However, I've taken this story and placed it in the deep-South, during the later fifties. I've chosen this particular piece because it is very close to my heart, being from the South, I feel that I've known these characters most of my life. Enjoy the story!
