SAN JOSE, CALIF., WEDNESDAY, MARCH 1, 1933

No. 77

Pinkham; Simoni Ulph; Murdock, Welz Nominated

Charles Pinkham Running
on White Ballot for
Forensics Manager

A general assembly was held
Thursday in Morris Dailey audi-
torium. The minutes were dis-
cussed, after which Coach Wal-
ter presented his soccer team
with awards and gave a short pep
talk in their behalf. The next
thing was the announcement of
the marionette show to be given
at four o'clock Wednesday after-
noon in the auditorium.

The Black Masque officiated in
installing twenty sophomore girls
to the new girls honor service or-
ganization, known as the Spartan
year. The organization was
sponsored by Black Masque and
W. S. council. After the two
expressive ceremonies, Paul Cox
and his orchestra, entertained
with three musical numbers,
which were thoroughly enjoyed.
The next thing to be brought
up was the nominations for the
quarterly offices of the execu-
tive board of school. The per-
sons nominated for the various
offices are as follows:

Student Affairs Chairman: Da-
vid Simoni and Owen Ulph; For-
ensics Manager: Charles Pink-
ham; and Music Representative:
Jack Murdock and Carl Welz. The
qualifications of the various can-
didates will be listed in a later
issue of the Times. The election
will be held March 8. The polls
will be open from eight o'clock
Wednesday morning until 5
o'clock. Every one is urged to
vote for his candidate.

The meeting closed with Stu-
dent Body President Leon Warm-
er pleading with the students to
write the local representatives
concerning the saving of the co-
operative stores on the campus.

Dr. MacQuarrie Describes Travels to Large Group

Dr. T. W. MacQuarrie described
his European travels to the mem-
bers of the three foreign language
honorary societies—French, Ger-
man, and Spanish, at a joint meet-
ing held at the home of Professor
L. C. Newby on Crest Drive.

Dr. MacQuarrie illustrated his
travelogue with moving pictures
taken by himself when he travel-
ed in different parts of Europe
last summer.

Representatives of the three
honorary societies: Leonard Ris-
ing and Vivian Leek, French;
Starr Pait, German; Francis Man-
nina and Arthur Wagner, Spanish,
made short addresses in the lan-
guage of the organization they
represented.

S. J. Debaters Meet Utah In New Type of Debate On Debt Question Thursday

Novel Marionette Show Scheduled for Today in Morris Dailey

A marionette show will take
place at four o'clock this after-
noon in the Morris Dailey audi-
torium.

A brief performance of Mother
Goose characters will be followed
by a cleverly done play of Jack
and the Bean Stalk. The contrast
of the little human-like actors
with that of the giant is being
shown in an original manner by
having the giant's part played by
a real person.

The play will be of interest to
student-teachers, and is being well
handled by one who had teaching
experience and dramatic work.

Tickets can be obtained at the
door for the prices of fifteen
cents for students and children,
and twenty-five cents for adults.

State Symphony Concert Presented March 7th by State Orchestra

Tuesday evening, March 7, the
San Jose State symphony orches-
tra, under the direction of Mr. Ol-
terstein, will present its annual
concert in Morris Dailey audi-
torium. Practice has been progress-
ing rapidly for over two months
in preparation of the concert,
which means that the presenta-
tion will surpass any previous en-
deavors of the orchestra.

Mr. Miller and Mr. Eagan of the
music faculty, are the assistant
conductors. The hard working
concert master is Doris Kinne.

Jean Stirling, prominent mem-
ber of the campus, will be the
soloist of the evening. Her piano
playing has been a by-word of the
campus for several quarters, and
the fact that she will act as solo-
ist will further add to the already
colorful performance of the even-
ing.

Admission to the concert is ab-
solutely free. Last year Morris
Dailey was filled to capacity ten
minutes before the symphony be-
gan, which indicates that those
who wish to obtain good seats
should come early. The exact
starting time will be announced in
a later issue of the Times. Don't
forget to reserve the date for one
of the outstanding performances
of the entire year.

New Form of Argumentation Will Prove More Popular With Audiences

Thursday night will feature a
radically new type of debating at
San Jose State. It is called the
"direct clash," and has been in-
troduced into this part of the
State by Debate Coach Ralph Eck-
ert. The subject will concern war
debts, being worded: Resolved,
That the United States Should
Cancel Her Inter-Allied War
Debts.

The team of debaters from
Utah are experienced men and at
the present time are engaged in
making a tour of the Pacific Coast
States debating on this and other
subjects. Ronald Linn and Wilbur
Hogevoll will uphold the honor of
State in the Thursday evening tilt.

The term "direct clash" is ap-
plied to this kind of debating be-
cause, instead of lengthy disserta-
tions, each speaker is allowed but
five minutes to speak on each of
the issues which are decided on
beforehand and limited to three
or four in number. Each speaker
has the right to question his op-
ponents and at the conclusion of
the issues the question for debate
will be open to audience discus-
sion. Economic conferences of last
week will probably be very much
in evidence.

The important thing to remem-
ber is that State is debating Utah
University Thursday evening,
March 2nd, at eight o'clock, in
room 1 of the Art building. As
aforementioned, this is a new ex-
periment in this part of the State
and gives every indication of be-
ing as lively a show as you might
find anywhere.

See you at the debate!!

Max Friemark to Address College Chapel This Wednesday Noon

Wednesday noon from 12 to
12:15, the weekly all-college chap-
el will be held in the Little The-
ater. The featured speaker is the
Rev. Max Friemark. His topic is
"Christianity at the Crossroads."

Each week the attendance at
the chapel has been larger, until
now nearly half the seats in the
Little Theatre have been filled.
There are only three more of
these meetings this quarter, so
those who have not attended one
should do so before it is too late.
Emily Schwartz will be the pian-
ist on the musical program.

Spartan Debate Tryouts Scheduled for Tomorrow

Debate tryouts will be held
Thursday from four to six in
the Little Theatre for the sym-
posium to take place here on
March thirty-first.

Anyone may participate in
this triangle debate on Com-
munism, Capitalism, or Social-
ism. The tryouts for this de-
bate will be on some phase of
Communism or Technocracy,
and will be limited to five min-
ute speeches.

Dr. Barry States Phelan Contest Returns Are Few in Number

The latest developments of the
Phelan Literary Contest show
that so far only twenty-five poems
and three short stories have been
received. Although not sufficient
entries have come in yet, Dr. Barry
states that many students are
working on their contributions
and he expects to receive many
entries before April 15, which is
the deadline.

This contest is open to all San
Jose State students, and is made
possible through the untiring ef-
forts of the late Dr. Bland, who
interested his friend the late Sen-
ator James Phelan, in literature.
The Senator set aside \$10,000 in his
will, the yearly interest of which
will be awarded as prizes to the
best works of literature by our
college students.

A total of twenty-one prizes
will be awarded as follows:

I. Poetry—

1. Lyric—First prize, \$40; sec-
ond prize, \$20; third prize, \$10.
2. Blank verse: First prize,
\$40; second prize, \$20; third
prize, \$10.
3. Free verse: First prize, \$40;
second prize, \$20; third prize, \$10.
4. Narrative verse: First prize,
\$40; second prize, \$20; third prize,
\$10.

II. Essay (formal or informal)—

1. First prize, \$30; second
prize, \$20; third prize, \$10.

III. One-Act Play—

1. First prize, \$30; second
prize, \$20; third prize \$10.

A program will be held on or
about the middle of May in which
the best prize-winning one-act
play will be presented under the
auspices of the Speech Arts de-
partment. The prize-winning po-
ems will also be read and the
trustees will award the prizes to
the winners of the contest.

Any student can compete and
enter in all the different divi-
sions of the contest, but no stu-
dent can win more than two
prizes. No certain length for
short stories is required, but from
3000 to 5000 words is preferable.

Junior Prom Will Climax Quarter's Social Activities

Bids Will Be \$1.50 and May
Be Purchased from
Any Junior

The Junior Class will step into
Big Time this Friday night when
they present their annual Junior
Prom at the San Jose Women's
Club.

As the peak of the Junior so-
cial year nears, efforts are being
redoubled to make the coming
formal affair one that will go
down in State College annals as
having made a definite and last-
ing mark on the social calendar
of San Jose State College.

Bids have been on sale since
Friday, and as only a few "out-
side" bids were offered to the
Student Body at large, there has
consequently been a grand rush to
obtain these few.

Circulating rumors have it that
the Juniors are going to score
another success with their annual
formal, which is looked forward
to eagerly each year by those
students who are aware of the
class' reputation for successful
social presentations.

Carl Palmer and Pearl Bohnett,
co-chairmen, aided by Frances
Gifford and Dan Mendelowitz,
have spent much time and used
much originality in planning for
the dance.

Paul Cox's orchestra, always
popular, and always excellent,
will play the dance music, which,
even omitting the spacious set-
ting of the Women's Club, and the
dignified and beautiful air of a
formal dance, would be an im-
mense attraction in itself.

To those enterprising young
men who are worrying slightly
about their financial condition, it
might be added that the bids are
selling for \$1.50 each, and the
once popular idea of having cor-
sages has been abolished. (That
announcement should bring many
a sigh of relief.) Yes, it's going
to be a grand affair, and one that
is going to be well worth attend-
ing. Come and find out how the
Junior Class puts things over!

Miss Marguarite Shannon Will Address 'High' Group

The combination general ele-
mentary and junior high school
group of the college will hear an
address by Miss Marguarite Shan-
non, vice principal of Herbert
Hoover Junior High School to-
night at 7:30, in room one of the
Home-Making building. Short
talks on experiences in student
teaching will be given by Spence
Amick, Mary Lou Carmichael, and
Wallace Murray.

THE WORLD ECONOMIC CONFERENCE

The students of San Jose State owe their eminent economist, Dr. William Poytress, and his efficient assistants, many bouquets for their faith and ability in promoting the World Economic Conference.

A gratifying success, the conference reached its desired objective, that of acquainting interested observers with national and world economic conditions.

Opportunities that are seldom presented were offered to San Jose State students by Dr. Poytress in the form of addresses by men of national and international prominence.

Careful planning of even minute details was evident throughout the entire conference. For this fact we are very grateful, and cannot help feeling that a deeper appreciation of Dr. Poytress' efforts will be realized as time lends a truer perspective to San Jose State's World Economic Conference.

He-Men Draw List of Traits of Ideal Woman

Out in the West, where men are men—and women are too—a group of he-men have drawn up their idea of what a woman should be, according to the ideal of an engineer.

- 1—She must be a regular student at the university. 2—She must smoke mild, inexpensive cigarettes. 3—She must detest strong cigars and pipes.

To the already mounting traditions of the Arizona State Teacher's College is added another one. The new addition is a brightly burnished axe, moulded from 25 pounds of pure Arizona copper.

Southern Pacific Offers Novel Trip to Monterey

Thanks to the Southern Pacific a trip to the scenic and historic places in and around Monterey will be possible for all San Jose students on Saturday, March 4.

The feature of this trip is the price, which is 65 cents round-trip.

The train leaves San Jose at 9:06, and leaves Monterey to return at 4:30 after a complete day of sight-seeing in a series of conducted tours around the city.

Or if you do not wish to join in on the sight-seeing, advantage may be taken of the day's low price and a pleasant day of fishing or swimming may be enjoyed in the famous Monterey Bay at a price cheaper than would take you to Santa Cruz.

Superior as this issue is by comparison, those compositions which do not improve it are still with us. Places of honor in the dog house for this month are "Another Day, Another Dollar" by Herman Wise, and "C2m Gm 0H", by Mildred Kurtz.

College "Y" Members Enjoy Interesting Meet

The College "Y" members held a very interesting meeting in the City "Y" Thursday, February 16, from five-thirty to seven-thirty o'clock.

Dinner was first had at the City "Y" and after that a business meeting was held on the mezzanine floor of the "Y." It was decided that there would be regular meetings held. A discussion was held to talk over the family affairs of the College "Y."

Victorian Toffee, Amazon Brazil Nut Bars and Chocolatair Bars are a Delightful Delicacy and a Perfect Food. For Sale at the Co-Op 5 cents

The Phantom Cargo

A Serial Novel by Owen Ulph—Louis Scales—and Frances Ayres. CHAPTER FOUR THE STOLEN GEM. Up til now—Pauline, who has lived all her life with the hicks in the sticks, has come to London to claim a share of her fortune.

El Portal Review

The El Portal is with us again, and so is spring, if you would believe the indications of this issue, replete as it is with airy fantasies upon such subjects as butterflies, misty mornings, and Carmel moods.

The bouquet of the month goes to Mary Liles of "Smilin Thru" fame for "Your Spirits Still Delight," which proves that Miss Liles is capable of other things besides doing herself proud in a play.

It was well on toward afternoon, before Count Ivanoff arrived at the London House of Lady Ogle. "Drive the car out by the tennis courts and wait for me, Yunkavitch," he ordered as he got out at Lady Ogle's front door.

"I do not think that Lady Ogle is expecting me," said the count, "but you may inform her that an old friend has come to make a call."

(To be continued)

Viennese Nights Playing Last Times Tonight; Low Student Prices

Due to an error, the Times last week ran an advertisement of the Hester Theater announcing the tenth engagement of "Viennese Nights" for last week.

The picture is being shown Tuesday and Wednesday this week and the many students who clipped last week's coupon from the ad in order to take advantage of the reduction to State students, and who were not able to see "Viennese Nights" may be sure that the date is right now and that if they wish to take advantage of the 20 cent price, see "Viennese Nights" tonight, or "Fess of the Storm Country," the rest of the week.

HESTER 1433 The Alameda Columbia 1920 Last Times Tonight! WEDNESDAY "Viennese Nights" THURSDAY and FRIDAY "Tess of the Storm Country" SATURDAY ONLY! ZANE GREY'S "Heritage of the Desert" ADMISSION 30c NOTE! S. J. State College students will be admitted for 20 cents upon presentation of this ad at our box office. Good until Saturday, Mar. 4

CHINATOWN DINNER PLANNED BY HOME-MAKING CLUB

The annual winter quarter Home-Making dinner will be held March 6th in Chinatown. All Home-Making majors, minors, and technicals, are included. Tickets for the event were placed on sale Monday, and will be sold until 4 o'clock Thursday. The price is thirty-five cents.

Following are the committees for the dinner, which is the main social event of the year for the Home-Making department: Reception committee: Bertha Florian (chairman), Winifred Wallace, Mary Buckman. Place cards: Maurine Vandergrind (chairman), Adele Schwallie, Rose Lindberg. Tickets: Grace Aldries and Della Larson.

CHAMBER AGAINST PROPOSED RAISE IN TUITION FEES

Proposals to increase tuition fees at San Jose State College met with opposition from the educational committee of San Jose Chamber of Commerce at a meeting recently.

Dr. Thomas W. MacQuarrie, president of the local college, who discussed legislation affecting the school, was authorized to present the proposed removal of the student co-operative store from the college to the local Merchants' Association for action.

HOME-MAKING CLUB PLANS FINAL MEETING

Thursday evening the Home-Making Club will hold its last business meeting of the quarter, in combination with a quilting bee.

After school the girls will work on the quilt, and supper will be enjoyed afterwards.

HOME-MAKING MEMBERS FETED AT JOLLY PARTY

Room 1 of the Home-Making building was the scene of a merry "odds and ends" party Thursday evening, at which Home-Making majors, minors, and faculty members were guests.

A waltz contest, novel decorations, interesting entertainment, and delicious refreshments were features of the evening.

Committees working for the success of the evening, were headed by Bertha Florian as general chairman, Marion Gless as music chairman, while Dorothy Givens, Elizabeth Savstrom, and Eleanor Rye took charge of refreshments.

Heading the entertainment committee, Ermina Selby planned the evening's program.

At summer school a student may earn a maximum of four and one-half units for a three-week term or nine units for the whole session.

The time schedule will be issued some time during May.

DR. CARL HOLLIDAY GRANTS MAGAZINE REPRINT RIGHTS

Of interest to student body members comes the information that the Reader's Digest has telegraphed Dr. Carl Holliday of the State English department for permission to reprint in an early issue his recent article on popular American songs.

YOUTH EDUCATION IS TOPIC OF U. C. PROFESSOR

In an address before the National Vocational Guidance Association at Minneapolis, Dr. Edwin A. Lee, professor of education and director of the division of vocational education of the University of California, made an appeal in behalf of what he characterized as "the confused and bewildered youth of the nation."

McDONALD, SCRIBE PICK FIRST ALL-CONFERENCE TEAM

Nevada, Pacific Each Place Two Men on All-Star Team

By Adam Vagts

An all-conference team was chosen yesterday by Coach H. C. McDonald of the Spartans in conjunction with a Times staff sports writer. In all probability this team will be turned in by the local mentor as his official All-Conference selection.

Nevada placed two men, Pacific two, and Fresno one, while Chico, California Aggies and San Jose were forced to be content with representatives on the second team.

Center position proved to be the hardest to pick, with Odale of Pacific winning the coveted honor over Gould of Nevada on a basis of experience and team leadership. Gould was a higher scorer, but Odale more consistent.

Bledsoe of Nevada is without a doubt the class of the circuit at forward. Chosen as his running mate is tall, rangy, Hoene of Pacific, whose consistent play all season was the Tiger's main source of victory.

Carroll of the Wolfpack, is first choice for guard position. A powerful and aggressive defensive player, this boy handles the ball with left or right hand equally well. Some disagreement may be found in awarding the final place to Franke of Fresno over Jensen of the California Aggies. Franke was the man who proved ruinous to the Spartans in the two-game series at Fresno. He is an aggressive player, fast, and a good scorer.

Henry "Hank" Leibrandt, of San Jose, was awarded a guard spot on the second team.

First Team

Bledsoe (Nev.), forward.
Hoene (P.), forward.
Odale (P.), center.
Carroll (Nev.), guard.
Franke (F.), guard.

Second Team

Lambrecht (C.), forward.
Stevens (C. A.), forward.
Gould (Nev.), center.
Jensen (C. A.), guard.
Leibrandt (S. J.), guard.

ANNOUNCEMENT

All members of the Y. W. C. A. are urged to please come to room 14, Y. W. office between 12 and 2 o'clock, March 1, Wednesday, to try out for the play the "Y" is putting on as its part of the Co-ed Capers.

Because of his splendid record as a trackster, John Hickey was unanimously elected captain of the Compton Junior College upper division track team this year.

Intra-Mural

By Dick Bertrandias

In a game of lesser quality than expected, the Frosh B's finally established their undisputed supremacy in the Spartan league by barely edging out the Junior A's, 18-17. It was a close game all through, and an extra five minutes had to be played. Bob Elliot

RESULTS OF LAST NIGHT'S INTRA-MURAL PLAY

Spartan League

Soph C 43, Frosh D 13.
Senior A 39, Junior A 24.
Frosh Z 2, Senior C 0 (forfeit).

Gold and White

Soph B 31, Soph A 26.
Frosh A 2, Frosh C 0 (forfeit).
Junior C 0, Frosh X 0 (double forfeit).

of the Juniors, was the outstanding man of the game, and scored 12 of his team's 17 points, to take high point honors. Keeble, a freshman, was runner up, with 9 digits.

Friday, March 3rd, is the deadline set for all who wish to sign for the intra-mural swim. See Coach Walker and enter the events you wish.

And here we thought Ed Atkinson would win the foul-shooting tournament without a struggle but along comes Earl Goodell who thought differently, and so proved between halves of the Chico-San Jose game Saturday night. Goodell rung up a neat 46 out of 50 to take the championship, while Atkinson, not in his best form, made a score of 43. However, Ed is credited with the highest score of the tourney, which is a grand 48 out of 50.

Running opposition to the IDKDY we find the UTWOHB aggregation which, incidentally, when translated means, Old Usta Was's Or Has Beens. The personnel of this bunch indicates the truth in the title, but that doesn't mean they are not good. We find Vagts, Goodell, Kalas, and Moore getting together again, and reinforced by Atkinson, Leibrandt, and Rea. Now I ask you, isn't that sumpin'!

Make up your lists and hand them in now. Once in they will not be changed, and the sooner in, the sooner the games start.

Frosh La Torre Pictures

Will the Frosh basketball players, manager and coach please meet at the Men's Gym Tuesday afternoon, March 7, at 3:30 o'clock for La Torre pictures. This is the last chance, so will all please be there? Next Tuesday!

LA TORRE STAFF.

Stellar Spartan Guard To Lead Five; Squad Selects All-Star Team

Hank Leibrandt

In their annual post season banquet held last night the varsity basketball team elected Henry "Shoulders" Leibrandt of Santa Cruz, captain for the 1934 season. Leibrandt has played an outstanding game at guard for the varsity all season, particularly in the Fresno games, where he was mentioned as a possible All-Conference selection.

Another feature of the banquet was the selection of an All-Conference team by the squad.

Although the University of Nevada finished second in the Conference race, the Spartans awarded the Wolves three places on their all-star team. Pacific, who won the championship, received but one, while the other position was filled by Fresno.

Dan Bledsoe, for three years a All-Conference forward from Nevada, was again given this berth by the locals. The other forward was awarded to Hoene, 6 foot 4 Pacific star. The center position fell to Mike Gould of Nevada after a closely contested race with Captain Odale of Pacific. Carroll of Nevada won one of the guard posts without any argument, while the other fell to Franke of Fresno State.

SPARTAN SLUGGERS PLAY RETURN GAME WITH MENLO HERE

The local baseball nine will meet Johnny Morey's Menlo J. C. team today at Spartan Field in a return engagement. State already holds one victory over the Jays, who have improved rapidly since the first tussle.

Either Bill Horstman or Carol DeSelle will climb the hill to start the proceedings.

Hardiman or E. DeSelle will be behind the platter. The infield of Lindner, Thurber, Filice and Carlson will probably start, with Blacow, Blethen, and Bishop in the outfield.

Johnny Campbell, Menlo chucker, who did not fare so well at the hands of Sparta's sluggers in the previous set-to, will probably be the nominee to take over the invader's pitching chores, although Morey has been grooming Hall for possible duty. The game will start at 3 o'clock sharp.

Girls' Sports

By Virginia Gardner

Well, the battle's on! Interclass basketball started with a bang last Thursday when the Freshmen and Sophomores had a little elimination contest. The result was that eight girls were chosen as the most possible prospects for Freshman and Sophomore class teams.

That Sophomore team may be a little bit freakish, but it's a cinch they have plenty of variety. The tallest on the team is five feet seven inches and the shortest is four feet six inches. It just happens that the latter, Vera (Midge) Moss, leads the team in more than shortness, since she was elected captain by the Sophomores.

Now here is a coincident for you. Out of the eight people on the team, six are from the one team in the four o'clock M. W. F. class that asked Miss Hardenburg if they could play together the first of the quarter. They have worked together every time the class played, its just another little example of the advantage of co-operation and practice, that gets people places. There are several bets among the girls that they will be The Team; it might be interesting to see if they are right.

Next Thursday at four o'clock is the time scheduled for the Sophomore minors to play the Sophomore majors.

Enjoying a mid-term is rather unknown in most classes, but here is an exception. The Social Dancing class actually enjoyed the mid-quarter exam, in spite of the fact that they were a little feet-conscious when they danced by Mrs. Wilson who was busily jotting down grades. But she took time out every once in a while when some conscientious dancing sought to impress her swinging her around the room. These people are getting places, and moreover, they are doing it with much less stepping on each other's toes. This seems to be the solution, attractive programs, good orchestra music and plenty company—an enjoyable mid-term. (That is in Social Dancing classes.)

Wallace Leslie Down With Appendicitis

Wallace Leslie, senior hurdler, sprinter, and high jumper on Coach Erwin Blesh's track squad, was operated on for appendicitis Sunday evening, and is resting easily in the Health Cottage. His illness comes as a blow to Spartan track hopes as the lanky star was being counted on to gain points in the high jump. He was stricken Friday evening after he had taken third in the 100 yard dash earlier in the afternoon.

Well, it's all over now. It hasn't been a "successful" season in the commonly accepted sense of the term but the boys have always been in there fighting and giving all they had. What more can be asked of any players?

If nothing else, local fans have seen some great teams and games here this winter. What with Oregon and those sensational "Scarlet Hurricanes" from Davis-Elkins playing here at Christmas time, that thrills with the Athens Club, the champion with Menlo, the hectic second Nevada game, the rough and tumble Amblers affair, and finally Friday night's last minutes opus featuring Mr. Concerning no one can complain of dullness even if the boys weren't on the long end of the count all the time.

Dee Shehtanian's leap of 2 feet 2 inches in the broad jump last Friday is perhaps one of the most outstanding accomplishments of the entire season to date. For the jumps that Shehtanian took Friday were the first that he has taken in three years and the first with his now famous "glass knee," and 22 is far is jumping for a man who is considered all "washed up" as far as track was concerned. Congratulations Dee. Keep it the good work.

Congratulations are in order for "Svede" Righter and the College of Pacific Tigers. They have a great ball club and deserve all the credit in the world for winning the championship after the "wise ones," ourselves included, had practically given it to Nevada hands down and to questions asked. It seems fitting that, after so many years of service, "Svede" should present Pacific with a championship team as his act in a coaching way for the Bengal school.

The score is now Clemons Harper 1, and Orem 0, at the end of three weeks of play. We're referring to that battle for distinction among Sparta's half-milers. Clemons took the encounter in 2:06. A week ago Harper ran him into the ground in 2:03. Then Saturday, he came back to gain his second win in 2:02, with Harper and Orem battling to practically dead heat behind him. In fairness to Orem we might remark that his training has been hindered of late by a vaccination. Watch this column for further developments on this struggle. The present pace will be the time under two minutes before long or we miss our guess.

The Stockton Rotary Club apparently possess a sense of humor. For when they learned that Stagg was to become Pacific's new football coach, they first Dr. Tully Knoles, president of the college, "50 cents for having Stagg without tag, license, permit."

LOST

A black fabric woolen crop belt with jet buckle at the dance Saturday night. Return to Ed Reeder, Y. W. C. A.
