Spardi Gras Will Give Chance For Financial Gains

Committee Heads Named for Carnival by Pres. Warmke

The announcement has been forthcoming that all organizations who have selected their concessions for the annual Spardi Gras must hand a list of the articles needed for the construction of their concessions to Leon Warmke by Wednesday, April 5th. For the information of these organizations, the Student Body will stand minimum expenses for the construction of the concessions, and after the carnival is over, half of the net profits will be re-distributed to participating organizations in proportion to the amount the respective concessions take in.

As part of the grand celebration a group will be given to the organization taking in the most money, and a cup will also be given to the sorority which has been of greatest service to the school during the year, 50 per cent of their services being determined by their participation in the carnival. A list of those who head the various committees connected with the carnival follows:

Supervising chairman, Leon Warmke, General chairman, Junior Wil-

Concession chairman, Jack

Concession contact manager, Harry Jennings.

Construction managers: Bill Jones, Bill Towner.

Prize chairman, Ray Rhodes.

Publicity managers: Clarence Jones, Monroe Ledyard.

Planning manager, Bud Apple-

Auditorium show, Chester Hess.

In charge of getting respective

out for the event: Frank

Ada Mae Rhoades.

Organizations Slack In La Torre Pictures

Members of the organizations listed below have their picture appointments made before Friday, April 7, they will appear in the La Torre. It is absolutely imperative that they be in at this time as the picture is being prepared to go to press. Will all members of the following organizations make their appointments immediately: Spartan Knights, Black

Knights, Tau Delta Phi, Kappa

Phi, Delta Phi Upsilon,

Phi Ma Alpha, Iota Sigma Phi,

W. S. Council, W. A. A.

Council, D. T. O., S. G. O., Al-

pha, Beta Gamma Chi, Ero-

gamma, Phi Kappa Pi, Sappho,

Kappa Sigma, Inter So-

ciety Council, Executive Board, Times Staff.

Spardi Gras Notice

There will be a special meeting of the Spardi Gras Carnival Executive Committee on Wednesday, April 5th, at five o'clock in the Little Theatre.

Members of the Ex-Board and the Spartan Council, composed of presidents of all on-campus organizations, must attend. Roll call will be taken. Students who are interested are also urged to attend.

LEON WARMKE,

Student Body President.

JUNIOR WILSON,

Chairman,

Spardi Gras Carnival.

"2033 or Bust" Is Theme of A. W. S. Annual Co-Ed Capers

With the annual presentation of Co-Ed Capers on the horizon in the form of "2033 or Bust," to take place in the Morris Dailey Auditorium on April 7th, much attention has been turned to the individual organization acts to be presented.

The idea of this year's performance will give a peek in at conditions in the world a hundred years hence, and a great deal of effort and time has been expended to make this year's show the unique success that it will be.

Nine women's organizations will be represented in a dazzling display of color, music, song and dance. Of particular interest will be some charming little maidens who are pupils of Miss Ruth Adele Roberts' dancing school and are being sponsored by Phi Kappa Pi sorority. A novel act coming direct from Mars by television will feature renowned artists of song and dance and will be sponsored by Beta Gamma Chi.

The proceeds will be given to perhaps the most worthy cause on the campus, the Student Loan Fund, which provides a limited amount of money to students working their way through college. Tickets will go on sale today at noon, general admission being twenty-five cents, and reserved seats, thirty-five cents.

Dario Simoni, student affairs chairman, announces that an afternoon dance will be held this afternoon from 4 to 6 o'clock, in Room 1 of the Art Building.

Sammy Ziegler's orchestra will play, and the admission price will be 10 cents a person with student body cards.

On Carnival Day, April 21, a prize will be offered to the person with the most luxurious growth of beard, regardless of when the growth was started.

Also, another prize will be offered for the quickest growing beard, the contest to open next Wednesday at the noon dance. Contestants for this contest must be clean shaven at that time.

San Jose Debaters Mix With Stanford, California In Symposium At 8 P.M.

'Which Way Out' Is Question In College Little Theater Tonight

One of the most important speaking events in the history of State's forensics activities will take place this evening in the Little Theatre. The occasion is the symposium debate between Stanford, California, and State.

The subject to be discussed will be, "Which Way Out?" California will advocate either the use of a New Capitalism or Communism, Stanford will uphold some form of Socialism, and State will contend that a compromise between Capitalism and Communism is the best way to get out of this economic crisis.

Joel Carter and Charles Pinkham will uphold State's opinion against Stanford and California.

Preceding this triangular debate a banquet will be given at which Dr. and Mrs. T. W. MacQuarrie, Dr. and Mrs. James De Voss, Debate Coaches from Stanford, California, and State, and members of the Spartan Senate will be present.

Freshman Display Unusual Humor at Thursday Orientation Meet

Cheering at everything that appeared, throwing pennies at the performers, and balking at community dancing and singing, the Freshmen made a conspicuous occasion of registering for orientation yesterday in the men's gym.

After a selection by the German band, President Feeley announced that personnel tests would be given today and tomorrow for all new and transferred students, and that nominations for the Spring quarter's officers would be held next Thursday.

Hugh Staffelbach introduced Herr Von Pretzel, who energetically led his German band in several numbers, and gratefully pocketed the coins thrown by the over-appreciative audience.

After lengthy persuasion, most of the freshmen condescended to come down to the floor and yell "School Days" and "Long, Long Trail" with the band. A group of the bravest ones remained for dancing.

SPARTAN SPEARS ATTENTION!

Special lunch meeting in Tea Room on April 3rd. Leona Saunders, national vice president of Spears, honor guest. All Spears be there if possible.

LOCAL DELEGATES WILL ATTEND STANFORD CONFERENCE

Several delegates from State College will leave for Stanford University this afternoon to attend the peace conference sponsored by that institution.

Although the conference will not be as great an undertaking as our recent Economic Conference, nevertheless, it will be attended by representatives from all of the larger colleges throughout the state.

The conference is under the direction of Seldon Osborne, a graduate student of Stanford, and he will take charge of all the details of the conference. His lecture yesterday noon in the quad here at State was given in an effort to stimulate interest in the student body for the conference.

The parley will open tonight and will last until tomorrow evening. There will be a charge of 50 cents for meals and a 50 cent registration fee.

Mr. Osborne has planned an interesting program of speakers, among them Rose Terlin, widely known throughout the state for her work with the Y. W. C. A., and a member of the Socialist party; and Clark Kerr, a peace organizer who spends a great deal of his time traveling throughout the state visiting various institutions and lecturing.

Among the delegates from State who plan to attend the conference are Mr. Ralph Eckert, Bill Jones, Miss Anne Aalfs, Joel Carter, Elbert Eaton, and Harry Krytzer. Any student who is interested in making the trip is welcome. Further information may be obtained from Miss Aalfs.

Passion Play Tickets On Sale at State Co-Op

For the convenience of students of San Jose State College the ticket committee for the Passion Play of Santa Clara has made arrangements by which tickets may be secured at the Co-Op for the student matinees on Monday and Tuesday, April 3 and 4, at 2:00 p. m. All seats are reserved, admission being 35 cents. These two performances are limited to high school and college students. The price, 35 cents, applies only on the two days mentioned. This arrangement affects student matinee tickets only.

Students desiring tickets may apply at the Co-Op any time before 4 p. m. Friday.

Surprise Action In Assembly Hits Co-Op Store Bill

State Campus Co-Op Store Will Keep Same Status Here

The recent surprise action of the State Assembly in voting down Assembly Bill 1906, introduced by Meekers and Powers of Fresno, expressly permitting the operation of student Co-Operative stores on the campus, leaves the store situation in the same status as it was prior to its recent consideration.

The two bills prohibiting the operation of student stores on the campus having been killed in committee, there is no possibility that legislative action will be taken which will forbid such stores.

The only bill still eligible for consideration is Senate Bill 757, authored by Herbert C. Jones of Santa Clara County. Its context is similar to that of the Meekers and Powers bill, just adversely decided upon. Should Jones' bill receive favorable consideration by the Senate, it will go to the Assembly for concurrence, in which event the matter will be again opened for debate in the lower house.

Indications are that the Co-Operative store will continue its operation just as it has in the past.

Pre-Historic Indian Village Is Discovered on New Stadium Site

When San Jose opposes Pacific in the opening football game of next season, they will be playing over ash heaps of pre-historic ruins. This fact was disclosed last week when Charlie Curtis and Coach MacDonald unearthed a mortar and two pestles.

Dr. Count, of our Science faculty, examined the ash heaps from which the tools were taken and expressed the belief that they were used over a thousand years ago when the Indians were forced by flood waters or other circumstances to leave their sites. In addition to the tolos, bones of animals, birds and fishes were found. As yet no gold or other valuable metal was found so the contractors may proceed with their excavations without fear of being engulfed in a mad rush of some kind or another.

Incidentally, the stadium is progressing rapidly, and it would be a good idea for the students and faculty to drop over and examine the proceedings.

Phelan Contest Deadline Is April 15; Numerous Awards Are Available

Attention, students! Only a little over two weeks remain until April 15, which has been set as the deadline on Phelan Contest contributions. After this date, those articles or poems turned in will be null and void, as far as eligibility in the contest is concerned.

According to Dr. Raymond Barry, head of the English department, comparatively few articles have been turned in, though the time remaining is expected to bring forth many more.

Through the beneficence of the late Senator Phelan, patron of the arts, sums of forty and thirty dollars are offered as first prizes for poetry and prose respectively. Forms of poetry include ode, sonnet, ballade, epic, and also those types of verse coming under miscellaneous. Prose covers short story, one-acts, and essay. Second and third awards are from thirty dollars to ten.

Ruth Comfort Mitchell, Dr. Barry, and others, will be on the judging committee, whose decisions will be announced sometime in May, when a special prize-winning edition of "El Portal" will be issued.

SPARTAN SENATE

The first meeting of the quarter for the Spartan Senate is to be held at the home of J. D. Strauss at 670 S. 11th street, next Monday evening at 7:30. All members are urged to attend, as plans for the quarter's activity in debating will be made at that time, as will the choice of a pin for the organization.

Laking Club Hold Overnight Jaunt to Alum Rock

An overnight outing at Alum Rock was enjoyed Saturday night and Sunday, by 55 Santa Clara county and San Francisco district members of the Sierra Club.

A trip was scheduled to Lick Observatory, but because of the stormy weather this trip had to be postponed. Dr. W. H. Wright, who was to have conducted the party on the trip through the observatory was also ill.

The party, after staying at the Lion's Den overnight, enjoyed a dance and impromptu program.

Sunday morning the members enjoyed hiking through different parts of Alum Rock park.

Frank Lewis, Professor Elmo Robinson and Don Woods were the local leaders.

Miss Mabel Crumby of the Education department visited in the vicinity of Boulder Dam last week.

"There is enough water blocked up for Boulder Dam to submerge the entire State of New York in one foot of water," she declared.

Miss Crumby explained that from work in cable baskets.

"It is of special interest to note that while it was expected that eight years would be necessary to complete the project, it will be completed in six years," she concluded.

E A T S LIGHT Lunches AT LESS THAN **DRINKS** Beer PRICES AT **Green Room** San Fernando Opp. High School

Just Among Ourselves

Wish we had a student who earned his way by catching rattlesnakes, or something. Let U. C. L. A. get ahead of us that time. We seem to do such prosy things. No front page stuff at all. One boy, I know, earns his fees by hunting wild cats, three others gain fitful rest in mortuaries, and at least two sell their blood for transfusion purposes, but most of us just milk cows, or hash, or peddle papers, or mow lawns. Nothing startling. If some one had only pulled up in front of the gym last Monday with a good sized pig to pay his fees, that would have been stimulating, would certainly have gone out A. P.

Good College project too, that pig. The Econ. people could have held a conference to decide its value, when, as, and if. Home-making could have established food values and suggested proper distribution, while the famous Thompson-Thomas duo would certainly have been on the job to protect the interests of Sacramento and the Health Cottage.

Going to have most of your high school principals here week after next. I suppose they'll be asking how you are doing. I'll say, "Very well, would you like to visit their classes?" Then your principal will say, well, what will he say? Tell you what, it would be a good idea to beat the gun and get up a little entertainment for him. Have a meeting of your high school crowd here and invite the old boy to luncheon or tea, or take him around and show him the campus. (You'd see it, too.)

On the 7-8-9, that's Thursday, Friday and Saturday of next week, the State Board of Education, State Superintendent Kersey, and probably all of the Teachers College Presidents will meet here. Most of them have never seen the place. I am particularly glad to have them come. They have everything to do with our development, and I shall be glad to have them become acquainted with our plant and faculty.

Don't you love to hear a tractor? Not a pleasant sound, but inspiring. Suggests progress. Chance for another poem. Try a ballad this time. Play up the inspiration that comes with the rattle of a tractor in the morning.

So that's the end of the front driveway. Well, well. Built for the old days, of course, and long out of date. Methods of transportation change, human nature remains the same. Blind alleys were not made for autos and selfish people. Rather think the change will be an improvement. Will certainly improve the appearance of the front campus.

FOUND

In front of French Bakery on West Santa Clara street, near Mercury office, and left with proprietor; Purse, marked with letter C. Containing couple handkerchiefs, small change, compact, check made to D. Nelson, Piedmont; and a note "Betty Hahn meet Irma Epperson on Campus."

 - 4. Chaperones shall be conveyed to and from all dances.

- J. Hours.
 - 1. The hours of closing shall be 12:00 o'clock on Friday and Saturday nights for informal parties, and 1:00 o'clock for formals except on school nights.
 - 2. All parties or initiations on school nights shall close at ten o'clock.

- K. This group stands for:
 - 1. No talking in assembly.
 - 2. No talking in the library.
 - 3. No sneaking of books from the library.
 - 4. There shall be no leaving of the hall during dances.
 - 5. That the societies should take the lead toward furthering these things and help to promote all things which will uphold the honor of the college.

- L. The Council.
 - 1. The Inter-Society Council shall consist of three persons from each society.
 - 2. These persons shall be: President, Vice-President, and one other girl who shall serve for two semesters and who was an active member in September.
 - 3. Every term a list of the officers and members of each society shall be left in the Dean's office.

- M. Each society is to have one faculty adviser.
- N. Honorary Members.
 - 1. All faculty members, who are to be asked to join as Honorary member of a society, shall be rushed and bidden by that society at the regular rushing and bidding time.

Members of Phi Kappa Pi Are Guests at San Francisco Party

The members of the Phi Kappa Pi society motored to San Francisco, where they were the guests of Mrs. Richard Lipman (Miss Porter).

The meeting was preceded by a luncheon at Luca's.

Present were the Misses: Misses Elma Boyer and Hope Thomas entertained at the summer home of Faith Thomas; Mr. and Mrs. Jack Griffith (Frances Hoover), Alden French, Melvin Iseberger, Kay Lindsay and Dick Sanders. The guests were entertained with bridge and swimming.

Society Editor Asks Girls To Co-operate

In order that all the societies and organizations may have news of their meetings and their social functions on the Society page of the Times it is absolutely necessary that the reporters of every organization get in touch with the Society Editor not later than Tuesday, April 4th, at five o'clock.

As the Spring rushing season begins on April 5th, and the six societies are planning many parties and social functions, it is requested that their reporter co-operate with the paper.

Come to the Times office either on Monday at 12 to 1, or Tuesday morning from 8:00 to 8:45, and from 11 to 12 o'clock.

RUTH MONTGOMERY.

GWEN INTERPRETS THE MODES

Sunny days, blossoms everywhere! Doesn't it make you want to put away the old winter wardrobe and get into something fresh and gay? Spring is just the time when you really have that desire to be collegiate—I mean, donning white sandals and light sports clothes (which only a college girl can wear to the best advantage).

The campus is beginning to beam too. It looks as though other people are getting Spring fever besides just me.

Have you been introduced to a little Spring number known as the shirt waist dress? It is presented by Lucille Paray and just seems to be adapted for warm campus days. My dears, and so many variations in plaits and collars and sleeves! You can have a different one for every day in the week.

Then, of course, to go with the shirt waist dress, you must have a box coat jacket of the Cardigan variety, and oh! the colors that go with white. There's really no end! You may even try something with stripes and plaids—they are just abounding—but do be wary, for they are so hard to wear, especially for those of us who have not watched the diet charts and scales these past winter months and have a tendency to be slightly overweight.

Oh! Oh! Just as I begin to dissertate on Spring fashions, the sun goes hiding behind a cloud. Those April showers again! I suppose while we're packing away the winter apparel, we'd better leave out the slicker. And maybe just to be on the safe side we'd better leave out some of our

Sappho Girls Spent Week at Carmel-by-the-Sea

One of the loveliest social events of the vacation week was that by the Sappho society. The girls spent the entire week at the charming summer resort and art colony, Carmel-by-the-Sea. It was a no-hostess party, the chaperone was Miss Celine Delmas, aunt of Marie Delmas, past president of the Sapphos.

Many unique diversions were participated in, some of them being swimming, horse-back riding, golf and tennis. The beautiful surroundings lent themselves beautifully to these outside activities. A group of the girls spent several delightful evenings dancing at Del Monte.

Those present during the week were the Misses Jerry Christmas, Janet Ghatti, Barbara Bruch, Barbara Blauer, Frances O'Keefe, Frances Van Dalsen, Lenore Ghatti, Betty Chapman, Marie Delmas, Lucretia Martin, Dorothy Rifenburg, Jane Haskins, Jean Struk, Beth Craft, Betty O'Brien, Kay O'Bannon, Jerry Swickard, Dorothy Turner, and Mrs. Jack Griffin (Frances Hoover).

The last meeting of the Winter quarter of the Alienian society was held at the home of Marguerite Meldrim and Ruth Linhart. The meeting was of a social nature, bridge was played, and an oil painting belonging to Marian Hall, an Alienian alumnus, was exhibited.

Phi Kappa Pi Elects New Officers for Quarter

Under this capable group of officers the society is looking forward to a delightful season. Plans for rushing are being made under the leadership of Dorothy Cockerell.

During the vacation members of Kappa Kappa Sigma sorority were guests of Jane Martin, an officer in the sorority, at Edgemere Manor in Oakland. Miss Martin entertained her guests at bridge, after which a delicious luncheon was served in the patio. Prizes at bridge were won by Ann Epperson and Mary Ada Moran. The wearing of lounging pajamas was a novel feature of the affair.

Rushing Season Will Open Monday Afternoon When Girls Receive Bids

The second rushing period of the school year opens April 5th at which time many delightful and unique parties will be given by the six campus societies. Guests will be bidden to tea dances, formal teas, bridge, colorful evening parties of original and clever aspects, and formal dinners.

The presidents of the societies representing their organizations and leading in the rushing plans are the Misses Dorothy Cockerell, Phi Kappa Pi; Mary Carmichael, Ero Sophian; Jane Elliot, Alienian; Belle Butler, Sappho; Elda Beth Hamilton, Beta Gamma Chi; Betty Hickey, Kappa Kappa Sigma.

The rushing season will, as usual, be brought to a colorful climax with the preference dinners on April 15th. At this time the societies invite the girls who they wish to have as members. This is one of the most outstanding events of the social season, and the dinner is followed, by many of the societies, with an impressive formal pledging service executed by the presidents.

The new officers for the Phi Kappa Pi society are the Misses Dorothy Cockerell, president; Helen McDaniels, vice president; Margaret Scherner, secretary; Georgia Baker, treasurer; Adele Melone, reporter; and Ruth Adele Roberts, inter-society representative.

Spartan Track Men Battle Sacramento J.C. Here Tomorrow

Dope Sheet Gives Sparta
Slight Edge in
Annual Battle

With everything pointing toward a nip and tuck battle all the way, the Sacramento Junior College tracksters come to San Jose Saturday afternoon bent on collecting a victory over Coach Erwin Blesh's Spartan cinder artists.

The locals gave evidence of the strength on their surprise victory over the S. F. U. Dons two weeks ago, but since that time the training of the squad has been seriously retarded by the spring vacation and the recent unfavorable weather conditions. Consequently, the Jaysee lads, fresh from their victory over Modesto, will probably enter the meet with the advantage of superior condition.

Sacramento boasts an unusually strong squad, which features John Wood, a 14.8 high hurdler; Tormey, a 4:30 miler; Lemon, a 1:59 half miler; and Rubkla, a 12 foot 6 inch pole valuter, among its more outstanding members.

Captain Doug Taylor will once again carry the brunt of the Spartan attack, being depended on for first places in both sprints and the broad jump, as well as doing duty as anchor man on the mile relay team.

A dope sheet, based on relative performances given, the locals have a 65-57 advantage which indicates that the slightest upset can swing the meet either way.

Dope Sheet

100 yard dash—Taylor (SJ), Salvato (SJ), Milsap (Sac).
220 yard dash—Taylor (SJ), Salvato (SJ), Robinson (SJ).
440 yard dash—McRea (Sac), McFriedies (SJ), Hubbard (SJ).
880 yard run—Lemon (Sac), Clemo (SJ), Orem (SJ).
Mile run—Tormey (Sac), Harper (SJ), Gwinn or Lemon (Sac).
High hurdles—Wood (Sac), Moore (Sac), Knight (SJ).

STATE BASEBALL TEAM SCHEDULES FINAL GAME WITH S. F. KOFFEE KIDS

The curtain will be rung down on the current State baseball season Saturday afternoon when the Spartans tackle the formidable M. J. B. Koffee Kids of San Francisco in what promises to be the climax of the season. The Koffee Kids are considered one of the strongest semi-pro teams in the bay region and it looks like a tough afternoon for the men of Sparta, who seems to be slipping. They dropped a game to San Mateo J. C. Wednesday by an 8-5 score, showing dismaying lapses in the playing field, which may be blamed somewhat upon the two-week layoff.

Coach Bill Hubbard will probably shoot Carol DeSelle at the visitors Saturday in an effort to pull the last game into the win column. Either Hardiman or Erwin DeSelle will be behind the bat, although Jerry Whitaker looks as though he has found himself at the bat. Lindner, Thurber, Filice and Carlson look to start in the inner sector, with Amyx, Beratta, and Hague in line for a job. The outfield of Blacov, Blethen, and Bishop will be in the sticks, with Pura and Tykol having a chance to break into the starting nine.

The game will start at 2 o'clock at Spartan Field.

Low hurdles—Wood (Sac), Knight (SJ), Wishback (Sac).
Relay—San Jose.
Shot put—Nova (Sac), Peterson (Sac), Marshall (SJ).
Discus—McPheters (SJ), Marquis (SJ), Jensen (Sac).
Javelin—Cunningham (SJ), Nova (Sac), Peterson (Sac).
High jump—Tie: Murphy (SJ), and Moore (Sac), Swords (Sac) 3rd.
Pole vault—Tie: Prouty (SJ) and Rubkla (Sac); Stevens (SJ) 3rd.
Broad jump—Taylor (SJ), Benn (Sac), Bennett (SJ).
Final score—San Jose 65; Sac, J. C. 57.

San Jose Mermen Trounce Cal Frosh To Break Records

Houser, Draper, Martin, and
Holt Take Firsts
For Locals

Wednesday night in the State College tank the Spartan mermen splashed to a thrilling victory over the Cal Frosh. Three records were swept into the discard by the determined rush of the Staters. The 200 yard relay was the first mark to fall as Lynn, Holt, Platt and MacQuarrie thrashed through the water to win by eight yards in 1:48.7. Not to be outdone Houser proceeded to take the 100 yard breast stroke hands down in 1:13.4. The medley relay team climaxed the meet by smashing the record in 1:34.4. Holt gave a fine performance to win the diving; while Draper and Martin each annexed a first and a second. Dozier of the Babes, with firsts in the 220 and 440 yard free style races, was high scorer for the evening. The final count was San Jose 51, Cal. Frosh 33.

Frosh Tracksters Meet Stockton and Sequoia Hi's Saturday Morning

San Jose State's first official freshmen track team enters its second quarter of competition tomorrow morning when they meet Stockton and Sequoia High Schools in a triangular meet at Spartan Field.

The local squad has been strengthened by the addition to its ranks of Provan, red-headed sprint flash from San Jose High School. This lanky lad is capable of 10 flat in the hundred, and 23 flat or better in the 220.

Stockton has a strong team and should be installed as pre-meet favorites. Among the luminaries on the valley out fit are Wright, a sprinter; Wierhauser, 440 man; Fields, high jumper; and Odell, pole valuter.

SPRING WORK PREPARES INDIVIDUALS FOR GRID CARNIVAL AT PACIFIC

Last Wednesday afternoon sixty odd aspiring candidates for positions on the 1933 Far Western Conference championship team, inaugurated Spring football practice, showing plenty of pep and ambition, with Head Coach De Groot, as usual, showing the way. Practice will last eleven weeks, with the first five weeks devoted to fundamentals, and the last six weeks to team practice.

The first five weeks will give each man a complete course in individual fundamentals. These will consist of all kinds of kicking, passing, receiving, tackling, and blocking. Although every man will not have use for these fundamentals they are being taught because every player is a prospective coach. Competitive tests will be devised, such as place-kicking and punting for distance and accuracy, passing for distance and accuracy, passing on the run, and lateral passing. Drills for centers, guards, tackles, and ends will consist of passing for accuracy and punts for centers, breaking up interference for guards, sifting through interference for tackles, and evading blockers for ends. One week will be devoted to individual competition and the winners in these events will go to Stockton to compete in the Pacific Coast Football Carnival to be held in the Pacific stadium on April 29. There will be competition of all sorts, including both individual and team events. This carnival will be to football as the Fresno Relays are to track. Players from the Pacific Coast Conference, the Far Western Conference, and the independents, such as St. Mary's and Santa Clara, will be present.

The last six weeks will be scrimmage so that Dud can get a line on next season's team in general and make ready for Stanford, on September 23, in particular.

Prospects for next fall are particularly bright, inasmuch as last year's championship team is returning almost intact. However, the appearance of the famous Stagg, and a team which loses but two men from last season's squad at Stockton, the fact that Nevada loses but three men from the powerful squad that held San Jose to a scoreless tie, and Fresno's new coach, Leo Harris, and his powerful aggregation of football luminaries are tough hurdles for any man's team. Coach De Groot will have a plenty tough row to hoe next fall, so, in preparation for that, he is to get as much done this spring as possible.

Block S. J. Meeting

There will be a Block S. J. Society meeting Monday night in Room 17 at 7 o'clock. All letter men please be present as the meeting is important.

Spartan Spasms

By Murdock and Bishop

An exceptionally strong Sacramento Junior College team makes its appearance here this Saturday determined to take the measure of Coach Erwin Blesh's charges. Indeed the Panthers are stronger than last year's outfit which eked out a narrow victory over the locals. Everything points to another close meet this year.

Lauded by none other than "Dink" Templeton as one of Coast's leading hurdle prospects on the basis of his 14.8 performance in the highs against Stanford Frosh, John Wood Sacramento cannot be installed as anything but the favorite for the 120 yard barrier event Saturday. The former Berkeley high star and N. C. S. champion shown a great improvement in his last year's form, and he appears destined to go far in hurdling world.

However, the low hurdles are not to be disposed of so easily. Noel Knight, Spartan star, has been coming along rapidly this event, and he will not be to the Capitol City ace with a battle. Knight, you remember, holds a decision over S. F. Charlie Stith, who is considered no small pumpkins as a low hurdler himself.

Sacramento's ace miler, Tormey, who has done 4:30 year, is totally deaf. In spite of his handicap he has made himself into one of the great milers ever to come out of the Capitol City Junior College, order to give him an even chance with the other contestants in the race, the starter stands in front of, rather than behind, the runner, and Tormey goes by the finish line the gun. Watch this lad for the four laps here Saturday.

Contrary to the condition which existed last year, Coach Erwin Blesh's track squad through the Winter quarter with their eligibility unscathed, in addition, had their forces augmented by the return of "Red" Wool to school. "Red," whose real name is Robert, is a younger brother of Sparta's immortal Jack. Last year he cleared the feet consistently in the pole vault and tied for second place in the Far Western Conference meet. He is also a football player of note, having won his letter here in 1931. Like his brother he is a yackfield man, excellent particularly as a punter.

Little Floyd Wilson is not only broad jumping threat down at Fresno State. Ellis Kenner, who held the Conference record a few years ago, is now back at school and is going great guns. He sailed out 23 feet 10 inches week ago and gives promise of going further. Wilson holds the record at the present time at 23 feet 3 3/4 inches.
