Dope Sheet Gives Sparta Slight Edge in Coast's Leading Battle

With everything pointing toward a nip and tuck battle all the way, the Sacramento Junior Che lleague trackstrikers come to San Jose Saturday afternoon on col lecting a victory over Coach Er win Bliss's Spartan Cinder artists.

The locals gave evidence of the strength on their surprise victory over the S. F. U. Dons two weeks ago, but since that time the training of the boys has been seriously retarded by the spring vacation and the weather, so the score was about the weather under conditions. Consequently, the Jaycee kids, fresh from their vict ory, will probably enter the meet with the advantage of an unexpected surprise.

Sacramento boasts an unusually strong squad, which features John Wood, a 144 high hurdler; Torney, a 4:20 mile; Lemon, a 12 foot 6 inch pole vault, and Bukhala, a 12 foot 6 inch pole vault, among its more outstanding members.

Captain Don Taylor will once again carry the brunt of the Spar tan attack on the track on first places in both sprints and the broad jump, as well as doing duty as anchor man on the mile relay team.

A dope sheet, based on relative performances given, the locals have a 65-57 advantage which indicates that the slightest upset can swing the meet either way.
