El Portal Review

By Gail Baldwin

This edition of "El Portal" reveals the fact that all the contributions to the paper have been turned over to our new editor, Gail Baldwin. She is the new chief of the staff, and it is her responsibility to see that the paper is published on time.

The issue starts out with a story on the subject of comedy, which is quite as popular in the college as in the community. There have been no reports of any disturbances in the college in the last few months, so the situation should remain unchanged.

The issue also contains a story on the subject of football, which is always a popular topic among college students. The game is in full swing, and the students are looking forward to the big game against the new college at the end of the month.

The issue also contains a story on the subject of education, which is always a popular topic among college students. The college is in full swing, and the students are looking forward to the big game against the new college at the end of the month.

There are also stories on the subject of music, which is always a popular topic among college students. The college is in full swing, and the students are looking forward to the big game against the new college at the end of the month.

The issue also contains a story on the subject of sports, which is always a popular topic among college students. The college is in full swing, and the students are looking forward to the big game against the new college at the end of the month.

The issue also contains a story on the subject of drama, which is always a popular topic among college students. The college is in full swing, and the students are looking forward to the big game against the new college at the end of the month.

There are also stories on the subject of literature, which is always a popular topic among college students. The college is in full swing, and the students are looking forward to the big game against the new college at the end of the month.

The issue also contains a story on the subject of art, which is always a popular topic among college students. The college is in full swing, and the students are looking forward to the big game against the new college at the end of the month.
