This Presentation is brought to you for free and open access by the Library at SJSU ScholarWorks. It has been accepted for inclusion in Faculty and Staff Publications by an authorized administrator of SJSU ScholarWorks. For more information, please contact scholarworks@sjsu.edu.
Preconference: *In N’ Out*

Reaching OUT to the community from within our student body

Ann Fiegen, Business & Economics Librarian, CSU San Marcos
Michael A. Germano, Business Librarian, CSU Los Angeles
Julie Shen, Business & Computer Science Librarian, Cal Poly Pomona
Jordan Nielsen, Entrepreneurship, Marketing, and Business Data Librarian, San Diego State
Diana Wu, Business Librarian, San Jose State University
Agenda

1. Definitions of community engagement
2. How to measure up: community needs & academic libraries
3. Library resources to support community engagement
4. Big idea to workable concept
Outcomes

Identify opportunities for librarians to provide direct and indirect support to local communities;

Compare and contrast the different resources that support local communities; and

Demonstrate the usefulness of resources such as census data, geographic information systems (GIS), and subscription-based databases to local communities.
Definitions of Community Engagement
Service Learning

Service learning defined

Differentiated from other forms of experiential learning

Endgame for student, university and community
Service Learning

Accounting class, Volunteer Income Tax Assistance
Internships

Cal Poly Pomona Engineering & Business students intern on NASA Commercialization Projects
Engaged University

Past Winners

CONGRATULATIONS TO THE WINNERS OF THE 2015 SILICON VALLEY BUSINESS PLAN COMPETITION

1st prize: Storsh - 1st Prize: Bill Barton award of $10,000
Costa Bakouros, Nicole Ingersoll, Anthony Leonard, Dylan Neu
STORSH: Have you ever heard anyone complain about storage running up on his/her IPhone? We’ve heard it numerous times from our families, classmates, and colleagues. Storsh is a local storage case company for the IPhone. The idea is simple; buy the case, turn on the app, and use your new storage.

2nd prize: EZ-Stem - 2nd Prize: Solon Suarez award of $5,000
Sally Lvvsantsen
EZSTEM: We are repurposing an existing ferromagnetic nanoparticle technology for application in cell culture laboratories. Our technology eliminates the need for chemical cell passaging and effectively improves the quality of cell cultures with a mechanical passaging method.

3rd prize: EasyReader - 3rd Prize: Dan Doles award of $2,500
Andrew Perez
EASYREADER: Our application scans (takes pictures of) physical text, and converts this text...

Community Engagement
5 MINUTE BREAK
How to Measure Up: Community Needs & Academic Libraries

CA county level economic forecast

![Graphs showing Non-Farm Employment Growth and Real Personal Income Growth](image-url)
Small Business Centers and Academic Library Engagement

**BENEFITS**

- Research assistance
- Training
- Access to databases
- Classroom space

**CHALLENGES**

- Parking
- License restrictions
- Time of Academic Librarian
- Presentation skills
- Unmet expectations for summary and analysis
- Lack of time and interest of business to research

Collaboration Opportunities In N’ Out

1. Build awareness, informal collaboration and referral
   include public libraries

2. Workshops -- Careful planning and joint presentations

3. Location -- Not on college campuses

4. Develop referral and interest of business to community
   engaged courses and programs
Survey of Business & Community Needs

- Business age, revenue
- Participation in networking groups
- Competitor data
- Industry and market trends
- Customer data
- What can’t you find
- Where do you look for info?

Professional service needs —
- Financial
- Legal
- Tax / Accounting
- Human Resources
Your Turn: Case Studies of Community Engagement

Marketing project for San Diego County Casino

Sales for Social Impact

Marketing plan and advertising budget branching into home improvement market

Community based social marketing GE class analyze local community
Your Turn!

Case studies of community engagement

1. What questions would you ask in this scenario to get more information?

2. What are some reference sources that would be useful in this scenario?

3. What special considerations do we as librarians have when working with real world scenarios like this?

Challenges

Keeping up with new trends in local industry

Entrepreneurship a growing trend

Cross discipline projects

Varied emphasis on business information literacy across campuses (AACSB accreditation does not include information literacy)
Your Turn!

What library resources do you use for community engagement?

What works well?

What challenges do you have?

Recommendations to meet challenges?
Big Idea to Workable Concept

Rubric for engaging a community

Marketing problem more than a librarian or researcher one

Community engagement must put community first

PESTLE provides a roadmap
