

## 'MORN TO MIDNIGHT' SENSATIONAL SUCCESS

### Y.W. TO HONOR SENIOR CO-EDS AT BREAKFAST

Rev. Gould to Preach Special Sermon Following Ceremonies

### COLLEGE LAWN IS SITE

June 4th is Date Set for Annual Event for Senior Women

A lovely affair, the annual June Breakfast, given by the Y. W. C. A. in honor of all senior women, will take place this Sunday, June 4, at 9 a. m., on the lawn in front of the Home-Making building. Following this, all those who wish may go to the Congregational Church where Rev. Gould will preach a special sermon. All women students are invited to both events.

As a feature of the event, an impressive ceremony will take place in which all College Y. W. Cabinet members will be installed. The theme of this traditional event will be "Stars of the Plains and Mountains," and Miss Jenks, head of the Speech Arts department, will give a short talk.

Five girls of the Verse Speaking Choir will give several numbers. Joel Carter will sing, and Jean Stirling, accompanied by Jessie Stirling, will give a violin solo. A speech welcoming the senior women and other guests will be given by Kate Watanabe, former classman. Muriel Irwin, the present president of the College Y. W. C. A., will act as toastmistress.

Plans for the June Breakfast have been made under the direction of Marion Glenn, general chairman. Irene Wilde is in charge of the decoration. Katherine Fauquet has arranged the program. Erna Epperson and Kay Hooker have charge of the food, and Mary Howard and Mae Wilburn are arranging the decorations.

Tickets may be secured from Victorine Hough or may be obtained in the Y. W. room 14 for the price of twenty-five cents.

### Last Meeting of Religious Group To Be Held Monday

The final meeting of the group which has been meeting once a week, will be held Monday night at 8 o'clock, in room 14.

At this time questions which have been discussed will be again brought to light and finished.

Professors who have previously attended these meetings, will also enter the discussion.

### Mrs. Hanchett To Feature in Musical Half-Hour Today in Auditorium

Mrs. Hanchett, instructor of piano at State College, will be the artist featured at the Musical Half-Hour Friday, June 2, from 12:30 until 1 o'clock.

Mrs. Hanchett is well known for her interpretation of music, and will give an entirely modern program of music.

- The program is as follows:
- I  
Prelude, Opus 63, No. 9.....Arensky  
May night.....Palmgren
  - II  
Country Dance.....Scott  
Cradle Song.....MacFadyen
  - III  
Aurora.....Bartok  
Jeux d' Eau.....Ravel
  - IV  
Rhapsody in C Major.....Dohnenji  
Clair de Lune.....Debussy

### Bill 2347, Concerning Tax Payers To Be Considered Soon in Legislature

Bill No. 2345 by Assemblyman Rogers of Los Angeles, is soon to be taken up by the legislature. This bill will be of serious concern to tax payers in junior college districts, as well as adjacent communities.

The bill provides for an appropriation from the general fund to make an existing deficiency in the state appropriation for junior colleges.

The \$100 allowed by the state annually for each student in average daily attendance at junior colleges is absolutely necessary if the junior college is to exist. This year the allotment was reduced to \$48 because of the drawing on funds for budgeting, and if the Rogers bill is not passed by the legislature, the remaining amount per student will have to be made up by the junior college districts.

### Positions Are Open on Staff of Times

As there will be several vacancies on the Times staff for next fall, a meeting will be held Tuesday morning, June 6, at 10:30, in room 1 of the Home Making building to discuss matters of importance. Anyone interested in joining the fall staff is welcome to attend.

Jean Hawley Receives Vice-Presidency; Margaret Dunipace, Secretary

### ELECTION WEDNESDAY

### Second Highest Candidate for Presidency Receives Vice Presidency

Evelyn Pritchard, prominent Allenian, was elected president of the Associated Women Students at the annual election held Wednesday. The other officers elected were: Jean Hawley, vice-president; Margaret Dunipace, secretary; Inez Philbrick treasurer; and Corrine Kibler, reporter.

### New Procedure

This year the A. W. S. Council feeling that it would be fairer, ruled to have no separate election for vice president, but to have the second highest candidate for president automatically elected vice president. Both girls were felt to be so nearly equally qualified for the office and as the two necessarily have much the same work to do, this new practice was adopted. Jean Hawley was has been advertising chairman for the last year, was elected to this office. Among her many duties will be the organizing and presenting of next year's Co-ed Capers, a position Miss Hawley should fill very well if one is to judge by the fine job she did as chairman of the committee on the organization of Spartan Spears, the new Sophomore girls' society.

### Installation Banquet

The installation banquet will be held next Thursday evening at 6:30, at O'Brien's. At this time the newly elected officers will be welcomed and installed in their respective offices. Dean Helen Dimmick, Miss Plant, and Miss Kinze will be the guest of honor.

### "Snap That Picture"; Today Is Camera Day

Today is Camera Day, and all those who pay attention to this slogan, "Snap That Picture," have a fair chance of winning either a prize for the most humorous picture or one for the most artistic scene. The prizes will be awarded on Recognition Day by the A. W. S. organization, which is sponsoring the Camera Day.

There are no rules for the contest other than taking the specified pictures, and placing the developed pictures with your name in the Co-Op box in care of A. W. S. on or before June 6.

### Sherman McFedries Is Stellar Player In Play Last Night

Will Be Repeated Tonight; Hugh Gillis Director of Cast of Sixty

By Gail Baldwin

George Kaiser's internationally famous production "From Morn to Midnight" went on the boards for the first time last night at San Jose State College when Hugh Gillis presented the play in one of the few United States productions.

It is a production immense in detail and costume, original in sets and staging, and one that every student should find the opportunity of attending.

In producing one of his finest pieces of work Hugh Gillis has departed from one of his most fine precedents, that of having a balanced cast. In "From Morn to Midnight," Sherman McFedries carrying the role of the cashier is the only character to appear in the entire seven scenes of the production. In responding to the various emotions and situations, McFedries is showing a definite dramatic ability.

### Brilliant Work

Supporting McFedries is one of the most excellent casts ever assembled on the State stage. In the supporting cast are: Jim Fitzgerald, Frank Hamilton, Marie Anderson, Marjorie Collis, Carl Palmer, Mary Elizabeth Smith, Anby Nichols, Mae Wilburn, Al Dunn, Edwin Olmstead, Dale Dorns, Victor O'Neill. The entire cast embodies a group of over sixty people, and Hugh Gillis has created outstanding effects on the Little Theater stage.

### Production Sets

Marjorie Collis, undoubtedly State College's most outstanding scene designer, has planned and executed the sets for the entire production, and probably reaches her greatest heights in the presentation of the sixth scene.

The concentrated use of a black eye, clever lighting and make-up on an expressionistic line makes "From Morn to Midnight" perhaps the weirdest, most fascinating production that San Jose State has ever seen.

Last night's performance was an outstanding success, and the students unable to attend are urged to do so this evening. Admission is fifty cents, obtainable at the door or at any time today in the Quad, or through Miss Jenks of the Speech department, or Dolly Culbertson, ticket chairman.

era, take either a humorous picture or an artistic one, and win a prize!

### SYMPHONY TO GIVE CONCERT NEXT TUESDAY

Adolf Otterstein to Direct College Orchestra in Concert

CONCERT BEGINS AT 8:15

Raymond Miller and Thomas Egan Assisting in Presentation

Drawing to a successful close a year of hard and faithful practice, the San Jose State Symphony Orchestra, under the direction of Adolf Otterstein, will give its final concert Tuesday evening, June 6, at 8:15, in the Morris Dailey auditorium. The concert will be free to the public, and college students are especially invited.

In order to function as a well-integrated whole, the orchestra has made use of many rehearsals. Most of these rehearsals have been sectional. Raymond Miller has aided by drilling the bass instrument players; Thomas Egan, the reed players; and Adolf Otterstein, the players of stringed instruments. After several practices of this kind, the orchestra rehearses as a single unit. Miss Doris Kinne, popular Senior student and soloist, is concert mistress.

The program is one of proven popularity. Audiences throughout the country have set their seal of approval on the composers and compositions which will be played Tuesday evening. The program opens with the "Coriolan" overture of Beethoven; following this will be the Symphony No. 8 in B minor (Unfinished) by Franz Schubert. The remainder of the program will be taken by the Suite, "Scheherazade," Opus 35 by Rimsky-Korsakov. In the Suite are included: "The Sea and Sindbad's Ship," "The Narrative of the Kaleuder Prince," "The Young Prince and the Young Princess," "Festival at Bagdad," "The Sea," "The Ship Goes to Pieces on a Rock Surmounted by the Bronze Statue of a Warrior," "Conclusion."

The program promises to interest anyone of almost any kind of musical taste, and everyone is urged to come. Remember the date: June 6, Tuesday evening, 8:15; Morris Dailey auditorium; and FREE!

### NOTICE

All Speech Arts majors who expect to do their practice teaching next year meet in room 165, Wednesday, June 7th, at 12:00 o'clock.

I don't go to my own Home Coming, so I haven't much of a case in urging you to come to yours.

Really, a college home coming is just what you make it. Mine isn't much, because I don't make any effort about it.

I wish I had graduated from San Jose in the old days, say thirty or forty years ago. Then I would have a line for you.

That's the trouble with most states. When the young folks grow up, they just scatter.

Do You Know?

There is a rumor at large that a member of the Times staff was found using one of the typewriters in the Times office.

A freshman named Wallace Wiget, is spending lots of his time at 267 South 8th street.

It seems that Dick Glycer measured the sets for "Morn to Midnight," but when the thing arrived it was too large.

The other day someone asked Ullph what was on his mind—"Nothing", he replied.

# Louis Salvato Is Elected Spartan Cinder Captain

## Diminutive Sprinter Will Lead Trackmen During 1934 Season

### Coach Blesh Is Optimistic Over Next Season's Outlook

The track men of 1933 held their annual banquet at the cafeteria last night, an affair which culminated in the election of Lou Salvato, curly-haired Spartan sprinter, to the captaincy for next year. Salvato is a Junior and Far Western Conference champion for both the 100 and 220 yard dashes.

Hovey C. McDonald was master of ceremonies for the evening, introducing Coach Erwin Blesh, who expressed his thanks for the co-operation shown him during the season by his track charges. The young Spartan coach also expressed his confidence that the returning Spartans would be up in the money next season.

Coach McDonald lauded the efforts of Captain Doug Taylor and Frank Cunningham, broad jumper and javelin tosser respectively, for carrying the Spartan colors upward in the field of athletics.

Men who earned letters in 1933 were announced as follows: Taylor, Murphy, Cunningham, Knight, Harper, Salvato, Orem, Clemo, McPhetres, McFedries, Wittenburg, Stevens, Prouty, Wool, Murdock, Marshall, Francis, Marquis, Shehtanian, Lyda.

## PHILBRICK, GLOVER AND WETZEL WILL COMPETE IN WRESTLING FINALS

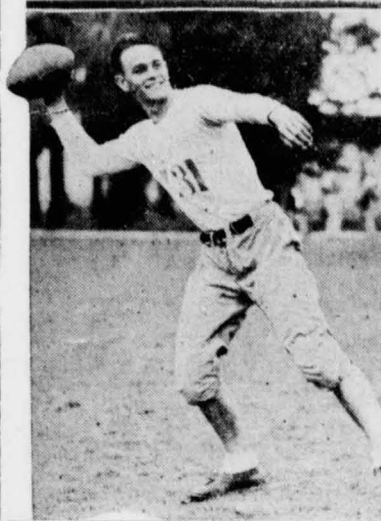

Tonight's wrestling watches at Forman's arena will find three San Jose State simon-pures entered in the finals. In the 145 pound class, Don Philbrick of the Staters, is one of the finalists. Philbrick won two preliminary matches, both by falls, last Wednesday night to reach the last bracket.

The 155 pound final will probably be the most interesting of the card when Earl Glover, one of De Groot's ends and Frosh star, meets Don Bernardo, former State student and a luminary on Blesh's 1932 Frosh. Glover reached the finals by winning over Herb Miller, another State mat man, while Bernardo won his two matches by straight falls.

The third State man to enter the ring tonight will be Bill Wetzel, 175 pounder, and erstwhile guard on the De Groot eleven. Wetzel entered the finals after a hard fought match with his fellow-collegian Murie in one of the best matches of the semi-finals.

A silver medal will be given for first place with a bronze duplicate for the loser of tonight's matches. The first match will start at 8:00 sharp at Forman's Arena. The referee will be Jerry Thomas of California, Pacific Coast 145 pound champ.

## Palo Alto Boy Looks Good at Full

Jack Kellogg, former Palo Alto High School star, and stellar member of last year's Frosh, who is showing great promise as a fullback in spring practice sessions. He scored his team's only touchdown in one of the inter-squad games held last Wednesday.

## Poor Tackling and "Fumbleitis" Mars First Two Spring Gridiron Battles

Last Wednesday afternoon the first two of five games were held on the San Carlos street turf and were featured by football that was good, bad, and indifferent. The first game, held between the supposedly strongest and weakest teams, ended in a scoreless tie and provided some of the worst football yet displayed in spring practice. The game was featured by "fumbleitis", which occurred in critical moments. The only man that was consistently good on Captain Whitaker's team was Bud Hubbard. Whitaker turned in some nice work on defense. The blocking was bad and the tackling was particularly poor. Whitaker's bunch figured the other team a push-over and the resulting punk football gummed the works.

### Second Game

The second game, from all angles, was a much better game than the first, for the teams were more evenly matched both offensively and defensively. The team captained and quarterbacked by Jim Francis defeated the Wolfe outfit 12 to 6.

### Games Today

Today at 4:15 Whitaker's team will meet Francis' team, and at 5:00 Wolfe's team will play the team captained by Kelley. After today's games the men will be divided into two squads who will work out Monday, Tuesday, and Wednesday of next week. On Friday these two squads will meet in the final game of the practice. On the basis of these games and, of course, what is already known about the men, De Groot and Hubbard will select the 35 men who will be asked to come back in preparation for the Stanford game on September 23.

## Simoni, Arjo Star as Goiks Score Victory In Tilt With Sheiks

### Air Tight Defense Featured As Yoiks and Geeks Battle To Tie

Amid much fumbling and several flashes of good football, the first of a series of inter-squad football games, which have as their ultimate objective the selection of next fall's varsity squad, were run off during last Wednesday afternoon's practice.

In the first contest the Geeks and the Yoiks battled to a scoreless tie after 30 minutes of see-saw football that saw fumbles featuring in almost every other play.

Then the Sheiks and Goiks took the field, and the result was a rip-roaring battle with the Goiks finally emerging on the long end of a 12-6 count.

The first game saw a fumbling, hesitant Yoik machine threaten the Geek goal repeatedly in the first half, but a stout Geek defense featuring Leo, Wulfig, Jackson, and Lamphear saved the day. The second half of this contest saw the Geeks take advantage of Yoik mistakes and do a little threatening on their own account. Their efforts were in vain, however, as the old Hubbard, Buchler, Sandholt, Whitaker, Barracl, & Co. defense of last fall made itself evident.

The second contest started fast and finished in the same manner. Ray Arjo, Goik right halfback, broke away around his own left end on a reverse and galloped 40 yards to a touchdown on the prettiest individual run of the day.

With the score standing 6-0 against them, the Sheiks came back and drove 50 yards down the field to score, with Jack Kellogg doing most of the work and finally going over for the tally.

Having once more obtained their lead, the Sheiks made a valiant bid to hold it, but the closing minutes of the game saw them finally succumb to the Goiks, 12-8.

The final Goik tally came about in this manner. Bennett, Sheik half, finding himself trapped on his own 15 yard line, threw a wobbly pass which was intercepted by Rose, Goik quarter. Mr. Rose rambled said ball back to the five yard line where he was thrown out of bounds by Bert Watson. Three tries at the Sheik line produced the winning score with Simoni and Rose alternating at packing the apple, and Simoni going over.

## Intra-Mural

By Bob Leland

This afternoon at 2 o'clock is the deadline for entering the intra-mural golf tournament. Sign with your class manager or Mr. Walker at once.

The tournament will not be run in the usual way, but in the following manner: All entrants will be allowed to shoot as many rounds as they please, so long as someone goes with them to OK the score. The best score will be the official score for the tournament. The highest score will be divided by the number of participants to determine the number of points to be subtracted from 100, the winner's total. The individual scores will be added to determine the class total.

The baseball set-up is still doubtful with the Sophs and Senior B teams all tied up. The Seniors downed the Soph 5-4, in the league opener, but the second-year men have been coming with a rush to defeat the Frosh A, and Fac-PG squads.

They have yet to play the Frosh B and Senior A outfits. They must win both games to insure a tie, while the Seniors must dump the strong Frosh A or lose the title.

The Senior A and Frosh A teams are not out of the running, and either could sneak under the wire ahead of the favorites.

Flash—Seniors win intra-mural track meet. Frosh second, Sophs third, Juniors last. This win places the Seniors within striking distance of the Frosh.

Although excessive fumbling on the part of almost everyone concerned featured last Wednesday's inter-squad spring practice games, we see no reason to become unduly alarmed over the situation.

It has been our notice that excessive fumbling is the rule rather than the exception in spring practice. A certain nervous edge brought on by active competition seems to be present in the fall which does not pervade the spring sessions.

Aside from the fumbling, the boys seemed to be going at their work with vim and vigor that attests the ability of Coach De Groot to handle his spring practice sessions properly. The men were all tackling and blocking for all they were worth, which is a very good sign indeed. For it indicates that they have not been overworked and that spring practice has not been a drudgery.

A quick piece of headwork in Wednesday's game was a lateral pass from Sammy Filice to George MacLachlan after the former had intercepted a pass and had become cornered. MacLachlan was able to advance the ball about five yards further.

Dave Barr looked good at the fullback post Wednesday, as also did Simoni and Kellogg. Barr showed plenty of power on his drives through the line. On several occasions he drove off tackle or over the guards for first downs.

Jackie Mengel now feels himself to be a qualified track mentor of the first water. His Woodrow Wilson Junior High School team, which he and Wallace Leslie and Joe Dieu coached won the city Junior High School championship last Wednesday.

Skinny Mathiesen tells us of an embryonic Walt Marty in the form of a junior high lad named Speers from Mayfield. This lad jumped 5 feet 8 inches in a meet recently and has cleared 5 feet 10 inches at the Stanford pits.

Ray Arjo's touchdown dash of last Wednesday stamps him as a man to watch at that right halfback post next fall. The Palo Alto boy showed last year that he was a comer, and everything indicates toward his developing into a highly dangerous ball packer. Inexperience was the only thing that held him back last fall, and with the groundwork he has and is acquiring he ought to be a finished ball player by next fall.

That time of 57 flat for the intramural 440 turned in by Murray, one of Charlie Walker's divers, is plenty good when all factors are considered. The runners are required to wear tennis shoes and on the sadly crumbling Spartan track, it is some job to even stay on top, let alone turn in any kind of decent time. Perhaps Coach Blesh should try to acquire Murray for the one-lap event next year. Or maybe Charlie wouldn't like that?
