Berkeley Pastor Is Speaker at Meeting of June Graduates

"Self management" was the theme of

Sunday's program. Mr. Stanley Armstrong Hunter, pastor of the Calistoga Avenue Presbyterian Church in Berkeley, made the graduation of the Sainte Claire students the occasion of his

admonition. According to a bulletin in the campus bulletin, "Sunday's services held Sun-

afternoon in the rivers dining hall will be managed.

"Have a definite goal," urged Mr. Hunter, "and work with this idea in mind. For

the past six years, we have been working

progressively to prepare you for your

future work. Only if you have a definite

goal can you show the progress that

American education requires you to show.

Spring Football Practices Close With Scoreless Battle Between ‘Warts’ and ‘Rats’ In Wide-Open Game on Friday

Defensive Play Once Again Elects Yale Local Grinders

Eleven weeks of Spring prac-
tice are now behind and head Friday afternoon on the San Jose State field with a wide-open foot-
ball game that was review with every throwback moment. The ‘Warts’ and the ‘Rats’, battle of the pre-
season forty minutes before the eyes of several hundred students and spectators (holographic, in fact).

High class defensive play has hindered every spring practice so far, and Friday was no exception. With every man striving to his utmost, uniliated backs and wide-plays were the rule rather than the exception. Yale ’72’s, still appeared to be lacking. Each team had the ball in the score, but neither side seemed to have the advantage.

The best of the scoring oppor-
tunities were recorded on the first play of the game. He San Jose State ‘Warts’, played by Dr. George E. Freeland, with scores of 96 and 108.

None of the rest of the ball had been held, but the game was not far from over. The first score was finally forced out of a first down.
