A "hard-boiled" Miss Temple.

"Hard-boiled" Miss Temple.

"Door opening, Miss Temple," said the professor, "as you have requested, I have come to situate your little case and take steps to remove it." Miss Temple, at one number of the Home-Making department, is well known for her hard-boiled attitude. She has a number of the cases, and several of them are of the hard-boiled type.

"With his nose up to the air, he was walking around the room, his shoes clicking against the floor. He was wearing a brown suit and a white shirt. His hair was curly and his eyes were brown."

The children's laboratory is a place where many students are enrolled, and it is an interesting place. Miss Temple has worked with the students in their work in the laboratory.

Evelyn Hartman's article on the subject of general interest is being discussed by the students at the moment.

"He was a very smart little fellow, but he didn't know much about the world."

Miss Temple is very wise, and she always has a lot of advice to give. She never takes the easy way out, and she always has something to say.

Work Department

There is a routine program for the children attending this laboratory class. They come to class each day and are given a daily assignment. The assignment may be a lab project or a project to be done in the laboratory.

Spartans Dope To Win from Stanford Cardinals: 13 to 0

ANNUAL GAAME-BOMBOC HILL WILL BE "MATERIAL"

By Thomas Fox

Stanford won the statistic battle in this year's annual game, played on the lawn. But under the prevailing conditions, Stanford will not be able to win the game. The only college in the country that seems able to knock down the Stanford's one or two enough to prevent that is not one, but Oregon State.

The only college that ever had a chance of winning this game was Oregon State. The only college that was able to lay claim to winning this game was Oregon State.
