

Big Pep Rally Will Be Broadcast Tonight

LA TORRE WILL PRESENT NEW DANCE FEATURES IN GYM SATURDAY NIGHT

Si Simoni Will Head Dance In Cooperation With La Torre And Student Affairs

Doorprize Is Pigskin Used In Pacific-State Game With Names of Gridders

As the grand finale to the Pacific-State Big Game, a dance sponsored by La Torre, will be given Saturday night in the Men's Gym at 9.

A large crowd is assured, with members from both the College of Pacific and San Jose State expected to attend.

The football used in that afternoon's fray will be given as a door prize with the signatures of the team members engraved on it.

With the Big Game idea and colors of both schools dominating the background those attending will dance to the rhythm of Sammy Ziegler's famed "Cavaliers."

In order to swell the much-depleted La Torre funds tickets will be sold for the prices of twenty-five and thirty-five cents. Twenty-five if purchased before the dance, thirty-five if purchased at the door. Tickets are on sale for it in the Quad every noon, and may also be purchased from the Controller's Office or the La Torre Office.

The dance, which is the first one being given this year by La Torre, is under the direction of Ray Rhodes, editor of La Torre, Russel Rankin, assistant editor, Si Simoni, general chairman of the dance, Ambrose Nichols, Harry Jennings, and Bob Threlkel, in cooperation with the Student Affairs Committee of which Nichols is the chairman, and other members of the La Torre staff.

Business Meet Held By Spartan Knights

The Spartan Knights, Honorary Service organization, held a regular business meeting in room 20, last Tuesday. Larry Engelson was elected Scribe, and Gus Standish was made Chancellor of Exchequer.

The organization is to be active in the NRA parade, by aiding Neil Thomas, Grand Master of State marching section. As the parade is to be organized at the Campus, the Spartan Knights will be busy directing different sections to their proper positions. Besides this, they handle all of the ushering at the rallies and the football games.

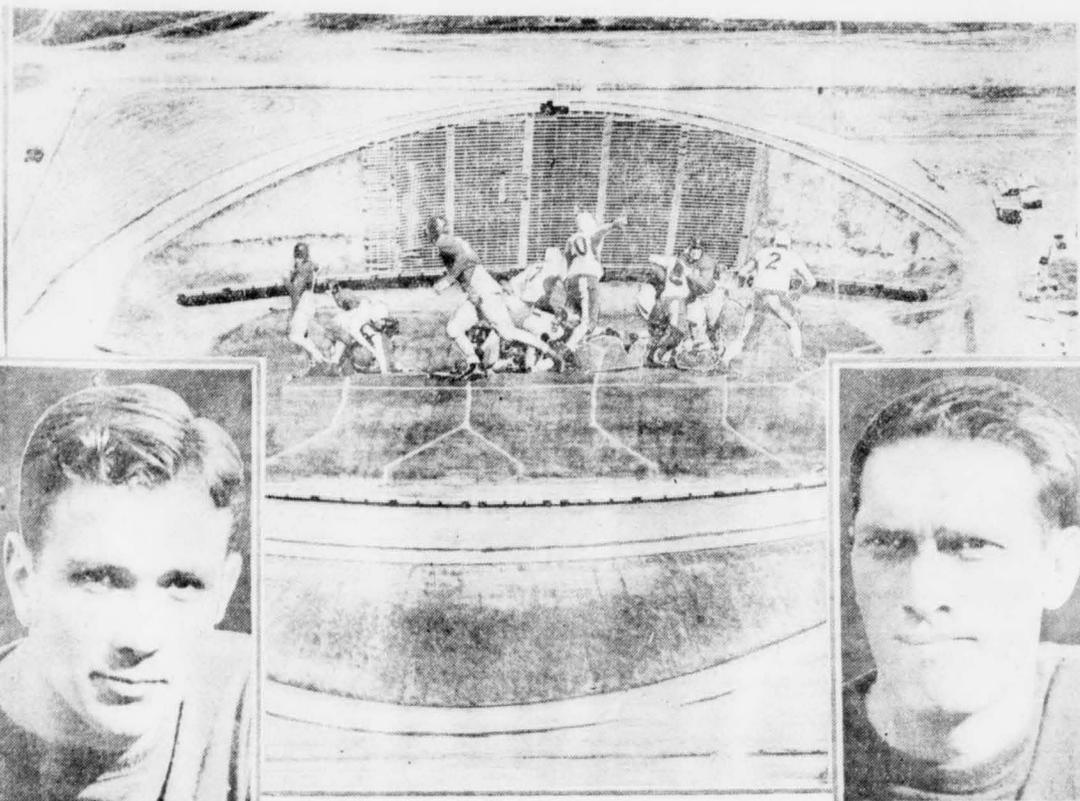

A committee was appointed by Ambrose Nichols, Duke of Spartan Knights, to select the Neophytes for the quarter.

Junior Orchestras meet every Tuesday afternoon at five o'clock and not on Thursday afternoons as has been erroneously stated in the Times.

Will all students whose ultimate objective is to teach commerce subjects in the junior or senior high schools, please sign their names on the blank provided on the commerce department bulletin board.

Also please indicate your year in this college. This information is very essential and is needed by the department of commerce office, the purpose of which will be revealed later.

To Be Dedicated by Spartan-Tiger Battle Tomorrow

Tomorrow will see San Jose's new 24,000 dollar stadium (pictured above) dedicated when the Spartans coached by Dud DeGroot (right) and his assistant Bill Hubbard (left) do battle with Amos Alonzo Stagg's College of Pacific Tigers on the floor of the new bowl. The dedication ceremonies will take place at 2 o'clock while the game gets under way shortly afterward. —Photo courtesy "Buddy" Leitch, San Jose News

HOLBERT IS PRESIDENT OF PRE-MEDICAL GROUP

At the initial meeting of the Pre Med Club, an election was held, with the following results: President, Duncan Holbert; Vice-president, Ruth Whidden; Secretary, Anne Stillwell. Worthington Prince, former San Jose State student now attending the University of California at Berkeley, acted as chairman of the organization until the election was completed.

The club at present consists of sixty-one students, of which fifty-two are men and nine are women. The various committees of the Pre-Med Club will be announced later.

The next meeting will be held October 26. Dr. Jay C. Elder will be the speaker of the evening.

Week-end Sports Schedule Crowded With Many Events

Here is a list of the sport attractions of this weekend. Plan to attend one or more of them.

- Friday evening—Radio Rally, San Antonio St. 8:30 p. m.
- Saturday morning—Varsity and Reserve soccer games, San Carlos Turf.
- Saturday noon—Freshman football, Spartan Stadium.
- Saturday afternoon—Pacific Game, Spartan Stadium. 2:15 p. m.
- Saturday evening—Big Game Dance, Men's Gym. 9:00 p. m.

Kublai Khan Solves Economic Troubles In Ancient Mongolia

When Marco Polo visited the court of Kublai Khan in the latter part of the 13th Century, he found a fiat money system in operation that would minimize all modern schemes proposed for solution of economic difficulties.

The Great Khan's mint was in the city of Cambaluc - Peking - Peiping. The fine white bast or fibrous inner layer of bark of the mulberry tree was processed and cut up into pieces of different sizes. These were stamped with red ink with the seal of the chief office of treasury. Different denominations were represented by different sized pieces of bark. Every year vast quantities of the money, which cost the Khan nothing, were put into circulation.

Anyone forging counterfeit money, or anyone who refused these pieces in payment for goods, was punished with death.

Foreign merchants were prohibited from selling gold or goods to anyone but the emperor who purchased all imported materials with bark money. The merchants in turn were able to purchase goods anywhere in the empire with this money. Several times in the year proclamations were issued ordering those who had gold, silver, gems, or pearls to exchange them at the mint for money. In that way all of the valuables in the country came into the Khan's possession, and there was always plenty of money in circulation.

Students expecting to attend the Radio Rally meet in front of the quad at 8:10. Band please meet on Fourth street ready to go at 8:05 in front of Men's Gym. Glee Club please meet in front of Science building at 8:05. Parade to station in body.

Tigers Stalk San Jose Spartans In Stadium's Dedication Contest

By GIL BISHOP

The Big Game! All thoughts of other gridiron battles are pushed aside, for tomorrow is the contest with the rampant Tigers of Pacific. The oval tossing proteges of Stagg will invade the New Spartan Stadium to meet Dud DeGroot's determined eleven in what promises to be the game of the season. Under-dogs, the Spartans are determined to hand the Stockton team another trimming to go with the 1932 game.

Friday, 13th, Means Nothing to College Co-ed Equestrians

The Riding Club will go for its first ride Friday afternoon, October 13, between 4:30 and 6 o'clock. The girls with THE riding habit, not A riding habit, are asked to meet at the Women's Gym at 4 o'clock Friday and sign the list on the Bulletin Board if they wish to ride.

Miss Doris Dean of the Women's P. E. Department will act as sponsor of the club. Others who will accompany the group are: Mrs. Maude Knapp, Miss Gail Tucker, Miss Helen Hardenbergh, Miss Lydia Innes, Miss Marie Curtis, and Miss Caroline Bailey.

It is hoped that everyone who has previously signed up will be among those present as the frequency and length of the rides will be decided upon at this first meeting.

SPARTAN SPEARS ASK SUPPORT OF STUDENTS

Support the team of course, but do this by supporting the Spartan Spears. If you don't follow, here is the explanation.

The Spartan Spears, a group of very charming Coeds are selling Chrysanthemums for the women rooters and Buttoneers for men at the State C. O. P. game Saturday.

DeGroot and Hubbard are in what is known as "the big quandary" when it comes to naming the starting lineup. Unknown reserves are forcing their way into the foreground and fighting for recognition, while some of the regulars are being pushed down the scale. Fight predominates—and fight will win the Pacific game!

MEYERS AT CENTER

At center, Ralph Meyers will again probably get the starting call. The sensation of last year's Frosh is playing consistent football, although still lacking in experience. Jerry Whitaker failed to see service in the San Francisco game because of a broken nose suffered in scrimmage. The veteran center almost a certainty to get into the Tiger contest of the Spartan defense is sorely pressed. As a diagnostician, Whitaker takes a back seat to no one.

The right guard spot will be amply filled by Art Collins, outstanding of the Spartan linemen. Collins has played a bang-up game all year and is being counted on to bust Stagg's running attack and everything else that comes his way. The other guard is a toss-up, with Carl Sandholds and Al Azevedo fighting for the starting berth. Azevedo is coming up with a rush and is playing a heads-up game. Sandholdt is the faster and more experienced of the two.

HARDIMAN AT TACKLE

At right tackle, Harry Hardiman or Dario Simoni are choices. Harry played a great game against the Gators last (Continued on page four)

RADIO RALLY IS SLATED OVER STATION K.Q.W. AT 8:15 P.M. THIS EVENING

Spartan Program Goes On Air At 8:30; Students Meet At 8

Students Asked to Assemble In Front of Quad Promptly Tonight for Rally

Everyone who is to participate or witness the radio pep rally tonight is requested to meet in the quad at 8:00 o'clock this evening. The group will start to the radio station at 8:10 and arrive there at 8:15. Since the program is scheduled to start at 8:30 sharp, it is imperative that this request be observed.

Elmo Higgins, chairman of the program, has worked faithfully to guarantee a successful broadcast. Because Radio KQW can accommodate only a few musicians in the studio, it was arranged to stage the rally outside; therefore Mr. Raymond Miller will direct a sixty-piece band instead of a fifteen, and students will be allowed to attend, San Antonio Street will be blocked off for the rally, with the Spartan Knights acting as policemen.

Important features of the broadcast will be talks by Coach Dudley DeGroot, President Frank Covello, and student yell.

- The program follows:
1. Band and yell.
 2. Glee Club directed by Chas Hansan
 3. Band.
 4. Talk by Coach De Groot.
 5. Glee Club.
 6. Band.
 7. Message from President Covello.
 8. Talk by Captain Hubbard.
 9. Students' Hymn.

Popular Violinist Features Today's Musical Half-hour

Don Lima, violinist, and Norma Pezzola, talented accompanist, will feature the shorter violin works of Fritz Kreisler, world famous Austrian violinist, in the musical half hour today at twelve-thirty.

- The program is as follows:
1. Love's Sorrow — Kreisler (Liebeslied)
 2. Rondino — Kreisler (on a theme by Beethoven)
 3. Serenade — Kreisler (cadenza by Don Lima)
 4. Cradle Song — Don Lima (dedicated to Ailma Pezzola)
 5. Love's Joy — Kreisler (Liebesfreud)

- Intermission—
1. Indian Lament — Kreisler (on a melody by Dvorak) (cadenza by Don Lima)
 2. Fair Rosemarin — Kreisler (Schoen Rosemarin)
 3. Viennese Caprice — Kreisler (Caprice Viennois)
 4. Fountain of Youth — Don Lima (repeated by request) (based on an old Spanish legend which depicts the following events in chronological order:)

1. the announcement of the discovery.
2. the joyous emotions of the Spaniards.
3. The weird, musical strains of the bubbling fountain. (No. 3 is built on the Pentatonic or five tone scale.)

SPARTAN SPASMS

By MURDOCK & BISHOP

Amos Alonzo Stagg, dean of American football with fifty years of coaching experience behind him!

His dazzling Pacific Tigers with their "Flanker" attack and their brilliant air offensive.

Coach Dudley S. DeGroot, moulder of fighting football teams and Sparta's "Miracle Man"!

San Jose's Spartans with their smashing defensive play and their intricate Warner attack with its reverses and spinners!

The opening of the Far Western Conference season!

The dedication of a new \$25,000 stadium.

Those ladies and gentlemen, are the attractions which ought to send you flocking to the big earthen bowl at the end of Seventh Street tomorrow afternoon to see what ought to be one bang-up football game from the word "go".

San Jose always fights to the last ditch against Pacific and tomorrow will be no exception. Fight was the factor which turned last year's battle in favor of the Spartans. Why shouldn't it be this year?

With the possible exception of "Si" Simoni, who may not be able to go the whole route, DeGroot's Spartans are ready for the Tiger, and when we say ready we mean "Bring him on!"

Get out for the frosh game too. It ought to be good.

Just a word of explanation as to this much publicized "flanker" attack formation which Pacific uses. The Tigers revolve out of their huddle counting out loud and together in rhythm. (They may have eliminated the out-loud part by now). After a number of counts (during which time they are shifting around) they arrive in formation.

This formation consists of a simple balanced line and backfield, only the backfield appears to have three men in it. The fourth, the quarterback, is standing out ten or fifteen yards toward the side line facing the team. From this position he shouts signals to his team-mates and is eligible for passes which are frequently thrown to him.

We're certainly glad to see Jack Wilson back out in gridiron togs. Jack is a letterman and should be a great help to Dud's convalescing line. During spring practice, Wilson was the victim of misfortune, getting a foot planted in his face and breaking his nose. This kept him out of the rest of spring work and the first of the season this fall. However, with a specially constructed helmet, Jack is back in harness and should see a good deal of action from now on.

Another lineman, Mel Hornbeek of 1932 All-Conference fame, is working out in an effort to be in shape for the Pacific game. Mel and Charlie Baracchi went under the ether this summer in operations and are endeavoring to work back in time to help DeGroot through the rest of a tough schedule. Both boys will be of use if they can reach their 1932 peak.

PAGE 2

PACIFIC HAS VETERAN LINE TO LEAD WAY FOR NOTED BACKFIELD AGES

One of the greatest teams in the history of the College of Pacific comes into San Jose State's new \$24,000 stadium tomorrow afternoon determined to open their Far Western Conference season with a victory over Coach Dud DeGroot's Spartans.

A heavy and experienced line will lead one of the most versatile backfields on the Pacific Coast into tomorrow's gridiron "rigantic" when Amos Alonzo Stagg's Tigers flash their "Flanker" attack at the walls of Sparta.

GREAT FORWARD WALL
At one end of this great Tiger forward wall is George Truckell, all-Conference end, and an outstanding wingman on both defense and offense. Pete McCain, "Eastie" Easterbrook, Paul Wilson, and George Hench alternate at the other wing post and do a good job of it.

At one tackle is 200 pound Carl Brown who seems certain to be headed for All-Conference honors. Ijams, the other regular tackle, has been injured and it is doubtful if he will play. His place will be taken by Moke Edwards, another capable 200 pounder.

Leading the guards is Chris Kjeldson, a veteran of two Tiger varsities. He is an aggressive 190 pounder who is seldom taken out of a play. "Red" McQueen, the other regular guard is also injured, but his spot is being well taken care of by one Fred Dodge who tips the beams at 185.

George Gerson, now a senior, is playing his last year at center and doing a corking good job of it. He has to in order to keep Charlie Oliver, captain of last year's Sacramento Junior College team, from taking over his position.

BACKFIELD EXCEPTIONAL
However, it is Pacific's backfield that is really exceptional. Coach Stagg fell heir to a host of talent in the secondary department when he took over the reins at Pacific, and he is making good use of it.

Tom Wilson, rated as the best passer on the coast and key man in the Tiger's "Air Circus", can also kick and run to advantage. Elton Hamilton, who holds down the left halfback berth, is really a four threat man. For he throws dazzling left handed passes, runs exceptionally well, punts beautifully, and place kicks with deadly accuracy. It was his 47 yard boot from placement that beat the California Ramblers two weeks ago.

Backing up these sensational performers at the halfback posts are George Challis, Bob Farina, Jimmy Thompson, and "Bunny" Lenhart. Farina and Thompson are fast, tricky backs who, when once broken into the open, are exceedingly dangerous.

Fullbacking for the Tigers is that 185 pound bundle of dynamite, "Biff" Strowbridge who created such havoc with the Spartans last year. Dividing

Smashing Full

"Biff" Strowbridge, fullback.

"Biff" Strowbridge, hard hitting Pacific fullback, who won All-Conference honors at that position last year. The stocky Lodi lad went great guns against the Spartans last year and is scheduled to repeat tomorrow time with him is Jim Brainbridge of Tiger basketball fame.

The quarterback of this outfit is Buddy Gould, field general of two previous Pacific varsities. It is "Buddy" who directs the famous "Flanker" attack. Watch him.

Gould's sub is Bob Randall, captain of last year's Tiger frosh. It was this lad, you may remember who got off that sensational 70 yard punt against the Spartan Babes.

That is the squad that Coach Stagg and his assistants, Laurie Apitz and Paul Stagg have developed into formidable contenders for the Far Western Conference crown.

SPARTAN FROSH MEET TOUGH PACIFIC BABES IN PRELIMINARY CONTEST

Tomorrow at 11:30 the Spartan Yearlings will mix it with the College of Pacific Babes as a preliminary game for the Varsities of the same institutions, and from all reports, it should be a game worth watching. Both teams claim they are the best their school has ever seen, and are out to prove it.

The Pacific boys are rated highly, and are pointing for the San Jose State Frosh with no uncertain directness. They, along with their varsity, are bent on wiping out the stigma of a 7-0 defeat in their own stadium last year.

The San Jose Frosh, with last week's taste of blood still fresh from their win over the Monterey Presidio will be in the mood to go places and that is decidedly their intention. Now, draw your own conclusions. Undoubtedly it will be a hotly contested battle.

FROSH END OUT
Ledyard, end of the frosh team, is laid up possibly for the remainder of the season. His place will be filled by Echardt, who turns in a nice game at the wing position himself.

Baldwin who played a good game last week, will start at the other end. The guard positions will find DuBose and Cannell, while Daily and Scofield will work in at the tackles. Swartzell will hold down the pivot spot.

Rose will be at left half and Cammack at the right half. Willis should start at back man, while either Carpenter or Sanders will start at up man.

The Pacific Freshmen claim a fine pair of tackles in Emmett and Cechini, two boys from Stockton High's team of last year. Mann is supposed to be a good guard from Nevada City. Dearham, a 300 pound tackle from Montezuma is out of the game Saturday with an injured knee.

Little is known about the individual backfield men, except that the Cubs boast a fine punter in Cortey, their fullback.

The team as a whole is said to be fast and peppy, and is under the able tutelage of Paul Stagg, son of the famous Alonzo Stagg, now coaching the Pacific Varsity.

Just a note anent, Merrill Rose, who had a great time Saturday ripping thru the Army line. Mr. Rose is not from Watsonville. Emphatically, NO! At least, that's what Mr. Rose informs us—and really are our respective faces crimson, because we knew all the time that the P.G. (Pacific Grove to you) Flash was from that little town by the ocean. Our humblest apologies.

FRESNO TEAM TO MEET CALIFORNIA RAMBLERS IN RAISIN CITY CONTEST

FRESNO, Oct. 12.—Fresno State's Bulldogs were sharpening their teeth today as they pointed for the University of California Ramblers, who invade the local stadium Saturday night for what should be the best game of the season thus far.

The Bulldogs unleashed a powerful last period rally last Saturday to defeat a fighting La Verne team, 14-7. Showing evident superiority after the beginning minutes of play, the locals couldn't find a scoring punch until after La Verne passed its way to a score after intercepting a Fresno pass early in the final quarter. The Fresnoans then took the ball and marched straight down the field in a sustained drive of 76 yards, with Van Osdel and Horner supplying the power and Coles breaking loose for short but tricky runs. The latter finally swept around end to score from 13 yards out as the Fresno forward wall blocked out every La Verne man.

Coles scored again a few minutes later as he again weaved his way around end, using the same scoring play, from the 15-yard line. This drive had started from the La Verne 44-yard line, as Walter Marty, world's champion high jumper, raced 24 yards on a double reverse. Van Osdel converted both touchdowns with place-kicks.

SPARTANS SET FOR PACIFIC TIGER

STAGG STRESSES TIGER POWER ATTACK INSTEAD OF FAMED PASS PLAYS

Word from Stockton indicates that Coach Amos Alonzo Stagg of the college of Pacific fears that Dud DeGroot will concoct a pass defense which will check his famous "air circus" and, as a result has been laboring all the past week to develop his running attack which heretofore has not worked any too well.

TOM WILSON - HALF

If Stagg continues with the idea, George Challis and Jimmy Thompson may replace the two passing demons, Tom Wilson and "Ham" Hamilton in the starting backfield.

GOOD RUNNING BACKS

Challis is a hard running half who has shown more drive than any of the other Tiger backs to date while Thompson is a fast, shifty type of runner who gained 19 yards in two plays against Modesto.

In the three games Pacific has played to date, their running attack has not functioned any too well. It has been the sensational passing of Tom Wilson and "Ham" Hamilton and also the place kicking of this same Hamilton that has gained ground and points for the Tigers. Now it appears that Stagg is striving to develop an additional threat in the ball carrying department.

PASSES STILL THREAT

In spite of any changes the Tigers are bound to flash their air force sometime in the game. Indeed, a strong running attack will make their overhead game all the more dangerous as the defense will have to be prepared to meet both.

It is this little matter of defense that is worrying Coach DeGroot. He has worked hard and long during the secret practices of the past week to develop a defense against the long Tiger tosses as well as their running attack. How well the strenuous sessions which the Spartans have been through have taken effect will be shown Saturday.

CRIPPLES READY

Most of the Spartan "cripples" who were out of the San Francisco State game are back in harness and ready to go. "Si" Simoni, all-Conference tackle, had a suit on Wednesday night for the second time since the Sacramento game.

Pacific Center

GEORGE CORSON - CENTER

George Corson, veteran Pacific center, who will hold down the pivot position for the Tigers when they tangle with the Spartans tomorrow afternoon. Corson looked good so far this season and may be headed for All-Conference honors.

SOCCER MEN HURT ON EVE OF BIG STRUGGLE

The heavy hand of fate dealt the S.J. soccer team a blow in the well known face. In fact it dealt three of them. All in the form of injuries to first string players, Johnnie Stratton, Doug Taylor and Bob Leland. The first is of a more serious nature than the last two.

The red-thatched halfback sustained a rather serious injury to his ankle in the Stanford game, and has not been able to practice this week. However, he will probably be in the fray, but how long his ankle will permit him to play remains an uncertainty.

Doug Taylor is fast recovering from his injury and may be in fine shape for Saturday's fray. In the Stanford game he was forced to play strictly a defensive game.

It is not likely, however, that he will be able to see a great deal of action against the Tigers.

Mel Hornbeck, guard, and Charlie Baracchi, end, both members of the 1932 team who were thought lost for the season through operations indulged in during the summer have been taking light workouts and may break into the line-ups for a few minutes but this is also highly doubtful.

SPARTAN SOCCER TEAM MEETS SAN MATEO IN LEAGUE OPENER HERE

The opening conference soccer contest for San Jose will bring the San Mateo Jaysees to the local turf already to trim the Spartans, as usual. However, this year the Spartans are going to do a little trimming themselves! The locals have won their first two starts and are primed to take the San Mateos.

Coach Walker has a veteran squad that possesses the requisits of a championship team. Doug Taylor, Bob Clemo, Anson Hayes, Cy Wood, Anton Hofstede and Bob Leland form a fine defensive unit. The forward wall is another story. Grafi, Mengell, Jacobsen, Higgins and Donahoo are capable of fine work, but so far have shown little of it. They can do a fine job of piercing the opponents defense, and with a little of it. They can do a fine job of piercing the opponents defense, and with a little fight should be one of the strongest forward lines in the conference. Without that fight they will be one of the worst.

The Jaysees will bring a comparatively green team to battle the locals, but one that has played six games to our two. They will be in fine physical condition and ready to take the Spartans. The Jaysees have lost their only conference game to California by a 4-2 score, and they will be out to even the count.

State has not played a conference game but the team holds a nonconfer-

Tiger End

Pete McCain, pass snatching Pacific end, who forms an important cog in the Tiger's famous "Air Circus". If the Spartans can stop this overhead game they stand a good chance of emerging victorious tomorrow afternoon.

ence decision over Stanford. In that game the Spartans showed a vastly improved defense, one that will make San Mateo hustle for any score she may get. However in practice some of the so-called "big shots" have not been out for practice and the forward line may still be as ragged this week as it was last.

"CZAR" DANA RENDERS DECISION AGAINST SAN JOSE IN CLEAT MIX-UP

Herb Dana's first action as "czar" of the Far Western Conference concerned tomorrow's San Jose-Pacific struggle it was revealed earlier in the week. Strange as it may seem, the decision of the "czar" was about such a small item as football cleats.

It seems that Pacific protested the aluminum cleats worn by San Jose players. Coach Dud DeGroot felt that he was within his rights, and, as a result, the matter was taken to Dana for arbitration.

The commissioner ruled in favor of Pacific which means that the Spartans will have to switch back to the regulation bakelite cleats for the game.

Soccer Injury

Leland's injury is of the freak nature. He sustained a bruise on the ball of his foot that has necessitated his wearing street shoes in practice. He will be okay to play in all probability, as soon as the foot heals.

"Dee"-mon Spartan

"Dee" Shehtanian, demon Spartan left halfback, who may be one of Sparta's leading lights in the "Big Game" with Pacific tomorrow. Shehtanian played sensational defensive ball against Stanford and won the plaudits of all who saw him. If he repeats tomorrow the Tigers are not going to soon forget him.

The Stadium Dedication

It is regrettable indeed that Governor James Rolph, Jr. will be unable to attend the dedication ceremonies planned for Spartan Stadium tomorrow in conjunction with the State-Pacific football game.

The colorful program was robbed of one of its most magnetic personalities when it was announced that the governor must adhere strictly to his physicians orders, and not plan any strenuous trips or activities. Although completely out of danger, Rolph must be careful not to invite a recurrence of the affliction.

Regardless of the keen disappointment we feel over the absence of our State's Chief Executive, we would not desire that he endanger his health because of our invitation. We know that he is behind us in all constructive activities, and desires to be of all assistance possible. We all unite in wishing him a rapid and complete recovery.

W.A.A. Inaugurates Recreation Idea for Students, Faculty

A "Middy Bracer," in the form of recreational sports, is to be started next Monday noon and will be held every Thursday and Monday thereafter. The Women's Athletic Association is sponsoring this group activity and desires that anyone who is interested will go to the Women's Gym next Monday noon, October 16. ALL students and faculty—both men and women—are eligible to participate in this activity.

Such recreational sports as Badminton, Deck Tennis, Paddle Tennis, and Ping Pong will be played and the equipment will be set up on the lawn between the Women's Gym and the Home Making Building. In case of bad weather, however, the participants will adjourn to the Gym for their sport.

Balls, et cetera, must be obtained from and returned to the person in charge at the Gym and it is asked that the players take reasonable care of the equipment as it has been purchased by W. A. A. just for the purpose of having the students enjoy the pleasure of such activity.

There will also be a member of the P. E. Staff on hand to explain how to play these games if you don't know the rules. Miss Gail Tucker will be in charge for the first week and will be capably assisted by members of W. A. A.

Dance Schedule

Ambrose Nichols, Chairman of the Student Affairs Committee, announces the schedule for Student Body dances as follows:

Saturday, October 28—Evening Dance November 16, (Approximate date)—Afternoon dance.
 Friday, December 8—Evening Dance Eight more noon dances during the quarter.

The Student Affairs Committee is still in need of new members, and anyone interested in serving the School in this capacity should see Mr. Nichols as soon as possible.

Just Among Ourselves

Note—This column is personal between the president and the college. Outsiders are requested not to make use of the material.

No matter how the games come out this Saturday, we can always remember that the very first games in our new Stadium resulted to our complete satisfaction.

Those of you who missed the freshman game with the Monterey Presidio missed a real one. It was something to a loyal San Jose rooster to be on hand for that very first kick-off. If you're interested, you may know that it occurred at 12:03 p.m. P.S.T. Saturday, October 7, 1933. I was glad the honor of that first kick-off came to our boys. The very first touchdown was pushed over by the same fighting Frosh at just twenty-one and one-half minutes past one o'clock, same date. Clocked these events myself for fear the professional scribes might not realize their importance.

We have a grand freshman team. They play bang-up football, nothing short of vicious at times. The army outweighed them many pounds, and the big fellows were rough. The freshmen kept coming back for more, however, and soon the scores began to roll in. I was sitting beside Mrs. Blesh. She thought a few more touchdowns would have been acceptable, but didn't indicate the number. I suspect it was up in the thousands, to judge by her general attitude. The soldiers had a way of throwing an opponent to the ground without the formality of a tackle. It looked rough and Mrs. Blesh didn't like that either. I wasn't so wild about it myself.

Incidentally, I think our programs might well have included the players in the preliminary game. Programs were well done and quite big gamey, but I prefer less art and more information.

I sat with President Roberts of San Francisco State during the varsity game. Had to be courteous and fair. Almost choked once or twice. Doubt if I enjoy a game so well under such limitations. I was quite comfortable, however, as things turned out. Glad to see evidences of real drive on our part. It was a good game and I predict that the day will come when we shall call it our Big Game. The two colleges are near enough for large student groups to accompany the teams. That will add color and interest as the years go by.

Did you notice our new "Downs" marker? If it's any satisfaction to you to be able to read the "down" on your own side, without an exasperating if not insurmountable mathematical calculation each time, you may just thank Mr. Spaulding and Ed Lynch.

How we missed Skinny Matheisen behind that water cart. Come back some day, Skinny, and we'll let you shove it once again just for old time's sake. Bring your overcoats to the games. Gets cold late in the afternoons. Glad they didn't sell us any lights for night games. Had a narrow escape that time.

The Hiking Club will meet at the Seventh Street entrance of the college Sunday, October 15th, at 8:15 o'clock, for the start of their first hike to Lime Kiln Gulch. Those with cars are asked to bring them as the hike actually starts from Villa Avenue in back of the town hall in Los Gatos, at 9:00 o'clock. There will be a charge for gas. All college students are invited to attend.

regained his place with the fair sex.
 Chet Huddleston and Virginia Hamilton have been overheard in the midst of a quarrel, the causes of which were Dee Shehtanian and Allan Davis.

Famous last words: I understand you are interested in sheep herding, Mr. Laughlin!

Football Program Presents Many Features

The souvenir football program for the Pacific-San Jose football game tomorrow will be of real interest to all keen followers of the Spartan football team.

This week's issue will contain a full page of pictures of the San Jose team made especially for this issue of the program. Two pages of cuts will be featured of the Tigers. These were loaned for the occasion by the College of the Pacific.

The pre-view of the game was written by Steve Murdock, sports editor of the Times. Squad numbers of both the varsities and the freshman team, together with the dedication program are also included.

The front page will be graced with a full-page, brightly colored design of the same high quality featured on football programs issued by other leading colleges on the coast.

Dr. Carl D. Duncan Offers New Course To Science Majors

A non unit course of instruction on the essentials of laboratory drawings will be offered by Dr. Carl D. Duncan, member of the natural science department of San Jose State for approximately four or five weeks.

Students interested should see the instructor and make arrangements. There are two hours which the individual may choose.

On Wednesday and Friday at four o'clock the course is available at 12:15 to 12:45 Tuesday and Thursday. This Thursday the course, however, will not be given because of the conflict with the NRA parade.

Briefly the reasons why the course is offered is: (1) to develop proportions of drawings, (2) to obtain the line technique, (3) to show the methods of perspective, (4) shading of drawings, (5) aim to bring out drawing ability.

Al Pearce and Gang Return to San Jose

Al Pearce and his Gang of 22 NBC radio stars are booked for personal appearances at the Padre Theatre tonight and tomorrow. They will offer two complete performances on the Padre stage tonight and will be seen at all Saturday shows.

All popular Pearce favorites are coming with the troupe for their local engagement. Besides Al and Cal Pearce, the company includes Andy Andrews, Morey Amsterdam, Tizzy Lish, Carlyle Bennett, Tony Romano, The Rhythettes, The Three Cheers, Homer Smith, Jackie Archer, Mabel Todd, Lord Bilgewater and others.

According to Floyd Rice, operator of the Padre, Pearce and his Gang will not be seen in San Jose again for at least a year as they are planning an Eastern tour which will keep them away from the Pacific Coast for quite some time.

The feature screen attraction at the Padre Friday and Saturday is Zane Grey's "The Last Trail," starring George O'Brien, El Brendel, and Claire Trevor. It is a first run Fox Film production abounding in both thrills and humor—the latter being supplied in generous measure by the Swede comic Brendel.

Fascism will be discussed at the next meeting of the "Ism of Economics Group" Monday night in Room 14 of the main building.

Special reference will be given to the topic of Fascism in the United States. Tentative plans have been made to secure a member of the Fascist party as the main speaker of the evening.

This meeting is open to both men and women students who are interested in world economic problems. Miss Rose Terlin is in charge of the meeting.

Spartan Songs

Pep Song
 Onward! Oh, onward Spartans to the fray!
 Gold and White shall ever be the colors that will lead the way,
 Onward to victory! Yes, always faithful we will be
 We'll fight our way to victory.
 For San Jose!

Praises We Sing
 Praises we sing, our noble Gold and White,
 In thee, our Alma Mater, is wisdom, truth and light.
 Forever will be praises to the Gold and White.
 Praises we sing, for lo! the sun shines bright,
 Upon the glorious colors, the College Gold and White.
 And when at last we reach that final goal,
 All glory will be due to the Gold and White.

Hail, Oh Alma Mater
 Hail! Oh Alma Mater, Hail, Hail! to Thee!
 Hail to thy tower rising gloriously.

All thy children praise thee on sea and land,
 Hail, three times Hail, Alma Mater grand.
 Hail thy halls of learning, Thy quad so fine,
 Hail beauteous campus crowned with palm and pine.
 How our memories cluster round Washington Square.
 Hail, three times Hail, Alma Mater fair.

Hail, Spartans, Hail
 Hail, Spartans, Hail! Hail, Gold and White!
 We pledge our hearts to keep thy colors ever bright.
 Forward we go! We will not fail!
 Sing to our Alma Mater, Hail! Hail! Hail! Hail!
 Sing to our Alma Mater, Hail! Hail! Hail!
 Hail, Spartans, Hail! All hail to thee!
 Hail to thy cloistered halls and Tower standing straight and free.
 Thy Gold and White, long may they sail!
 To thee we sing forever, Hail! Hail! Hail.

THE WORLD AT LARGE

Under presidential pressure the administration plans for reopening banks. Liberalizing credit and building low cost homes was moving rapidly ahead. Secretary of the Interior Ickes disclosed he was considering plans for setting up a new corporation to handle leasing and sale of low cost housing projects on a vast scale. Articles of incorporation which would allow the corporation to go into cities and buy up or condemn lands and build houses to be sold or rented with the proceeds being used to repay the Treasury for involved expenses, have already been drafted. It was intimated that several hundred million dollars might be spent on this project of making available low cost homes and the abolishment of slums and the provision of work. This is just what social workers have wanted for a long while. It seems almost too good to be true that perhaps the day will come when the terrible slums of those of New York City and Chicago, which are the worst in the country, will be done away with. Any one who has seen them will, I think, agree with me that an act that will abolish "Little Hells" like these is a very humanitarian project.

Poland in contrast with Germany is not suffering from the unemployment that Germany is. Poland's factories are running and her other industries are on Government credit, much like the R.F.C. in this country. Warsaw, her capital is a bustling busy city, where few are out of jobs and most of the people are happy. This was the report of Frederick T. Birchall, foreign correspondent of the New York Times. This is indeed a contrast to the idle factories of Germany. Perhaps the latter could learn a lesson or two from her neighbor about the unemployment problem.

Part of the delegation of the Senate and House Committee on Naval Affairs arrived in San Francisco Wednesday. They listened with sympathetic ears to San Francisco's explanation as to why she should have the navy base. If this city makes its plea strong enough, we may yet have a naval base in San Francisco Bay. Let's hope that we do, it would mean more money spent here.

Cenacle Mormus, the lower division French Club, held its first meeting of the quarter Wednesday, October 11, for the purpose of electing officers. Those elected were:

Wesley Goddard, president; Byrne McKee, vice-president; Helen Storm, secretary; Kathleen Norris, reporter.

Lois Wool, outgoing president, conducted the meeting. Notice of the next regular meeting will appear in an early issue of the Times.

Gil Bishop Previews Tiger-Spartan Game

(Continued from page 1)
 Saturday and is to be reckoned on as in the money. Simoni was out because of sickness an may not be in shape to start Saturday. The other tackle finds the two "Moose" Merle Buehler and Fred Saunders leading the parade. Buehler was hit with the flu last week and failed to see much action, while Saunders was the mainstay in the line against San Francisco.

Captain Bud Hubbard will be back at his old post at left end when the game starts. Hubbard seems to have snapped out of his tense form of early season, relaxed, and is rapidly rounding back to first class condition. Either Horace Laughlin or Jim Francis will be at right end. Both are aggressive, good pass catchers and fine defensive men.

Ted "Sarge" Corbela and his 235 pounds will start the game at quarterback, which bodes ill for the Tiger defense. When Corbela hits, things move and crack—it may be the Pacific line tomorrow.

RIGHT HALFBACK

The right half will either be Ray Arjo or George McLachlan. Arjo showed flashes of greatness against San Francisco and may be the man to start the Spartan offense rolling. The Palo Alto boy is fast and shifty. McLachlan holds the advantage of experience in the Warner system and a header football general would be hard to find. There is plenty of speed in "Tobe's" old bones, as the Stag men will discover.

It's a case of take your choice at left half. "Dee" Shehtanian, Freddie Bennett or Francis Pura. Shehtanian has been slowed by injuries all season, but if in shape will be in the money. Bennett has been coming up by leaps and bounds after a slow start and the "Tricky Turk" is a hard man to bring down. Pura has shown the most decided improvement of any backfield man, and has been a sensation in the last two games.

HINES OR EMBURY

Either Johnny Hines or Embury will be at fullback. Hines with his weight advantage is the hardest hitting man in the backfield and may start if DeGroot decides to run the Tigers off their feet. Embury is a fine signal caller and defensive man and ranks with Hines in kicking. George has snapped out of his lethargy and may be the hero tomorrow night.

The Faculty Recreational Hour has gotten off to a good start this year and according to reports "a jolly good time is had by all."

All those who have not yet joined and are interested are asked to come next Friday, October 13, at 11 o'clock.
