Help Us Interpret the Game

Is there a football game on Friday after-
noon?

From the spirit on the campus we can nearly feel the anticipation.

One would imagine that the students would feel the same spirit and

energize the campus as it is usually a pleasant day. However, when the

game is played, the campus is quite lively.

ments if we follow the campus on a Friday afternoon.

The game is one of the most

important events of the week.

They will if we
