### ERO SOPHIANS' CHRISTMAS SHIP SIGN-UP EXTENDED 'TIL WEDNESDAY FOR CONTRIBUTIONS FROM STUDENTS

Extension of the signup for student contributions to the San Francisco Christmas Ship is announced by Ero Sophian society, sponsor.

Betty Doyle, chairman, says students may sign up to bring gifts for overseas service men and women every day until next Wednesday. Gifts must be brought to the campus, ready for mailing, by next Thursday noon. Everyone must bring a gift, as every contribution is counted on to bring a bit of Christmas to service men or women without families. No postage is necessary.

Betty James is assisting Betty Doyle with the administration of the signups, which take place at a booth in the Library arcade.

Suggestions for gifts include non-perishable food and candy, Boy Scout knives or hunting knives with the sharp edges protected, fountain pens, mechanical pencils with supply of lead, razor blades, stationery, harmonicas, playing cards, small games, etc. Gifts must be carefully packed in strong containers of wood, fiberboard, metal or strong cardboard. Size must not exceed 15 inches in length, or 36 inches in length and girth combined; weight must not exceed five pounds.

### 1945 LA TORRE TO GO ON SALE TODAY AT NOON

La Torres go on sale in the Publications office today at noon after the first meeting of the staff has been held. Members of the staff will be there every day from 9 to 5 to take yearbook orders and to issue 1944 books not yet distributed.

During the next two weeks the book can be purchased at the reduced rate of \$3.00. After that date students will be charged the regular price of \$3.25.

It is possible to reserve a book by depositing a dollar or more, but the balance must be paid before the close of winter quarter or the order will be cancelled. This is important as only a limited number of books will be published this year.

There are still a few 1944 editions for sale. Anyone interested in getting one should see Jeane Petrinovich in the Publications office.

### Service Flag Stars Total 3811; More Gold Stars Added

Latest reports place the total number of stars on San Jose State college's service flags at 3811. Included in this total are more than 220 women in all branches of the service.

Gold stars have been hung for 76 Spartans who have died in the service of their country. This represents an increase of six over the spring quarter total.

For the benefit of freshmen and new students who may not have noticed them, the flags are hanging in the Morris Dailey auditorium.

### Council Announces Nomination Dates At First Meeting

Dates were set for the first class nominations and elections, as well as for the War Chest drive, by the Student Council at the first meeting of the current quarter held Monday afternoon.

Class nominations will take place Tuesday with the election the following day. Seniors will meet in the Little Theater with Marge Howell and Jeane Petrinovich in charge of the nominations. Juniors will go to room S210 with Pat Dunlavy and Bruce Duke conducting. Sophomores will meet in room S112 with Pat Cavanaugh and Barbara Bressani helping with nominations. Freshmen will meet in the Morris Dailey auditorium.

#### ELECTION

Class election will be by preferential ballot. Nominations will be made from the floor with at least two for each office.

The date for the War Chest drive has been set for October 16 with Miss Bressani as chairman and Jo Harrison and Marge Howell as assistants.

#### ASB CARDS

It was announced during the meeting that 1400 student body cards were sold to the 1500 students who registered Monday. This is a higher per cent than was obtained last quarter, according to the council.

### HOWDY WEEK WILL END FRIDAY AT 12:30 IN QUAD

This year's Howdy Week, promoted by the Social Affairs committee, will officially end with a rally Friday in the Quad at 12:30.

Emcee for the occasion will be Ken McGill who handled last year's Spardi Gras program. As the main feature of the rally, Ken will travel through the audience with a hand mike, interviewing students.

Arrangements for the rally are in the charge of Pat Rhodes, this quarter's Social Affairs chairman, who asks that everyone wears his Howdy card to the rally.

### Union Ban Lifted; Orchestras Allowed To Play At Dances

Official information has been received in a letter from the secretary of the A.F. of M., stating that San Jose State college has been removed from the union blacklist, effective July, 1944.

The college had been listed under a ruling made by James C. Petrillo, Musicians' union president, as a result of a controversy between Paul Pendarvis, orchestra leader, and students at the Senior Ball held in the spring of 1942. Since that time, union orchestras have been forbidden to play at San Jose State functions.

After repeated efforts by representatives of the college, the case was reconsidered early in the summer and the decision reached. Ed Loudon, member of the junior council last year, was active in securing the removal from the defaulter list.

Union bands will now be permitted to play for college dances, which had been limited to "off-the-record" music under the Petrillo ban.

## ORIENTATION-DAY ACTIVITIES DRAW ATTENDANCE OF 950 FRESHMEN AND TRANSFERS IN NEW-TYPE PROGRAM

Approximately 950 freshmen and transfer students participated in San Jose State college's first "O"-Day (Orientation Day) Tuesday.

A 10 o'clock assembly opened the program, with Dr. P. Victor Peterson in charge. He introduced President T. W. MacQuarrie, Dean J. C. DeVoss of the upper division, Dean J. C. Elder of the lower division, Dean of Women Helen Dimmick, Registrar Joe West, and Comptroller E. S. Thompson. Dr. MacQuarrie welcomed the group, and succeeding speakers described the functions of their respective departments.

#### TOUR CAMPUS

Dr. Robert Rhodes, who schemed the intricate program of tours which followed the assembly, organized the 950 students into six

groups of four sections each, different colored tags and numbers distinguishing the various groups. Five faculty members served as guides for each section. Groups of from 30 to 40 students each visited six stations on the campus during the day: Natural Science, Library, Health, Home Economics and Industrial Arts, and Art. Brief programs were given in each department.

#### LUNCHEON

The entire group of students and faculty guides were guests of the Spartan Shop and Associated Students for luncheon on the south lawn, where a program was presented while Spartan Spears directed by Miss Martha Thomas served the free meal. Hugh Johnston, chairman, introduced Student Body President Howard Riddle, who in turn introduced members

## ASB Card Sales Reach 1580 To Date: Expected To Exceed 1600 Mark

With 1580 student body cards already sold, the total is expected to reach the 1600 mark before the end of this week.

Advertising the benefits of buying ASB cards are colored comic posters of "Buggs" Bunny and his pals distributed throughout the campus.

S. Glenn "Tiny" Hartranft, director of athletics at San Jose State, gives his viewpoint on buying an ASB card: "One of the most important factors of college life is its athletic program, and although San Jose State's athletics have been greatly reduced during the war period, every effort has been made to keep some parts of it alive. It has been the ambition of the department to offer as many sports as there are boys capable of carrying them on."

#### SPORTS

"Participation in intercollegiate sports requires a student body card and a student body membership. Attendance at the games and the opportunity to enjoy them, can only be achieved through a student body card."

"Don't miss the most exciting part of college life, namely athletic activities, by failing to buy a student body card."

ASB cards will be sold in the Business office starting today.

#### BENEFITS

Benefits of an ASB card include admission to all campus recreation activities, either free or at reduced rates, complete library privileges and medical care.

No student may hold office or belong to any campus organization unless he or she is a student body member. Cards may be purchased for \$11.

### MISS E. V. GRATZ IS NAMED ON EMERITUS LIST

Another name has been added to the Emeritus list of San Jose State college faculty, Miss Eleanor V. Gratz.

Miss Gratz, associate professor of mathematics, retired this summer after being on the faculty since 1915 teaching both mathematics and English.

Receiving her A. B. from San Jose Normal school in 1921, Miss Gratz later received her M. A. from Stanford university in 1930.

Dr. Raymond Barry, who has worked with Miss Gratz in the English department, stated, "Miss Gratz was very cooperative and conscientious in her work in the department."

## ENROLLMENT TOTALS 1932 STUDENTS

Latest registration figures released by the Registrar's office give the total SJS enrollment as 1932, as of eleven o'clock Wednesday, an increase of 812 students over the 1620 enrolled for the autumn quarter of last year.

Registrar Joe West reports that 311 men and 1621 women have registered, as compared with 231 men and 1389 women last autumn. New students this year number 936, nearly 200 over last autumn's figures.

### New Students Welcomed At Churches

Upperclassmen active in the college church groups cooperating in the "get-acquainted" program for new students will hold a reception tonight at 7:30 o'clock at individual churches for newcomers of their denominations.

This event is the first project on the College Religious Conference calendar for the year. Churches participating in the plan include the Christian church, South Fifth between Santa Clara and San Fernando streets; the Congregational, San Antonio street between third and fourth; the First Methodist, corner of Fifth and Santa Clara streets; the First Presbyterian, North Third between Santa Clara and Julian streets; and the Grace Baptist, Tenth and San Fernando streets. Episcopal and Lutheran students will be welcomed in their churches on Sunday.

CRC is an inter-denominational agency dedicated to strengthening religious activities at San Jose State college, according to Robert James, executive secretary. Other religious groups which are not members of the conference will announce special plans for "get-acquainted" events later.

Scheduled on tonight's program are recreation, refreshments, and a preview of the year's activities. All new students are included in the invitation to attend.

### LIBRARY SCHEDULE

Following is the new Library schedule:

8 a. m. to 5 p. m., Monday through Friday, all rooms;  
7 to 9:30 p. m., all but the reserve book room.  
9 a. m. to 1 p. m. on Saturday, all rooms.

#### COMMITTEE

## SAN JOSE STATE ART FACULTY, STUDENTS DESIGN OFFICIAL FLAG FOR SUBMARINE USS HALIBUT

San Jose State college has her own submarine fighting in enemy waters, following successful efforts by the Art department to design an official flag for the USS Halibut.

Miss Elizabeth Frembling, assistant in the Art department, designed the winning flag, a six by four foot banner containing a large fish swallowing 20 smaller fish (representing the Jap craft sunk by the Halibut). Miss Frembling was assisted by Donald Sevens, instructor, and the following students: Thelma Walthen, Marguerite Proll, Gene Stratton, Peggy Adams, and Alice Covert, in making the flag.

## 71 NEW STUDENTS PARTICIPATE IN CAMP ACTIVITY

Seventy-one freshmen attended the college-sponsored camp last week, organized as a part of the new orientation program under the co-direction of Milt Levy and Audrey Backenstoe, and assisted by faculty and student advisers. Transportation was provided from the Student Union to and from the camp in the Santa Cruz mountains. Busses left the school at 9 o'clock September 30, and returned Monday afternoon, October 2.

### FIRST DAY

The first afternoon at the camp was devoted to the assigning of rooms, introductions, and recreation. The first "bull-session" was held Saturday evening. Howard Riddle, student body president, discussed various school activities, traditions, and points of campus etiquette.

Sunday morning at 10 o'clock morning worship was held in the camp's outdoor chapel. In the afternoon, the freshmen hiked, swam, played baseball, or went boating.

The last fireside session was held Sunday evening. A short program was given. During this meeting the freshmen received advice from the upper classmen. Community singing and refreshments accompanied the evening's entertainment.

### COUNSELORS

The freshmen boys were housed in the camp lodge, while the girls camped in tents outdoors. Each tent had one or more student counselors who helped schedule classes, and answered questions about the college.

Counselors were Pat Cavanaugh, Virginia Cook, Pat Dunlavy, Frieda Hinck, Nancy Lynn, Dolores Mobley, Jackie Popp, Roberta Ramsay, June Robertson, Mary Margaret Thompson, and Marilyn Wilson for the girls. Advisers for the boys were: Jack Reiserer, Lee Ross, and Hugh Johnston. The adult counselors were: Miss Dimmick, Mrs. Pritchard, and Mr. Sevens, from the college faculty; Mrs. Brooks and Miss Bell, from the YWCA; Mr. Belland, and Mr. and Mrs. Robert James Jr.

All transportation to and from the camp was arranged with the approval of the Office of Defense Transportation.

### NOTICE

Christian Science Organization meeting today 12:10 to 12:30, room 155. Students and faculty invited.

Future conquests of the submarine will be tallied on the flag by adding more fish, which the artists provided.

Ensign William Kidwell, former Spartan, now a submarine officer, requested the art work of Dr. Marques Reitzel, department head. When Miss Frembling's design was chosen, the officers and men of the Halibut gave a party at which she was guest of honor. They presented her with a silver compact, with her name engraved on it.

The large fish is in red, against a background of a white torpedo on a blue-green field. One of the small fishes represents an island shelled by the sub.

### NOTICE

The first Inter-Fraternity Council meeting of the year will be held Monday, October 9. Both new and old members should attend. The meeting will be held in the Gamma Phi room at 7:30.

—Stan Black

Miss Elizabeth Fleming and Dr. Marques E. Reitzel are pictured with flag which faculty members and students of the San Jose State college Art department de-

signed for the United States submarine Halibut. The little fish decorating the banner represent 14 merchantmen, six men-of-war and three campons sunk by the

ship, and the one island it shelled. Further conquests of the Halibut will be recorded by adding more fish. Colors displayed in the flag are red, white and blue-green.

### NOTICE

The girls who have signed up to work on the Thursday night USO dance committee please meet in Mrs. Pritchard's office Monday, October 9 at 4 p. m.

Students will be offered a two-year course on the junior college level in Horology (watchmaking) in the Industrial Arts department under the instruction of Theron O. Sowers, new faculty member.

Sowers has had 26 years experience as a watchmaker and 18 years as a teacher of horology. He is a graduate of Bowman Technical School, Lancaster, Pa., and received the certified watchmaker's certificate of the Horological Institute of America.

This watchmaking course is being given in cooperation with the California Retail Jewelers' association, and with the aid of local jewelers. It will be the only state-sponsored horological course on the west coast, with Bradley Polytechnic School in Peoria, Ill., the nearest private institution operating a program on a like scale, according to Dr. H. A. Sotzin, head of the Industrial Arts department.

The course will deal with time measuring devices, such as chronographs, clocks, watches, and chronometers. Students will be taught to make parts of watches and to repair them. Upon completion of the course, they will be qualified to work as watchmakers with jewelry companies.

## THE LOW DOWN

By JIM BEACOCK

### Water Polo

San Jose State seems to be heading for a successful season as far as water polo is concerned. Our team will be more experienced and better balanced this year due to returning members of last year's squad and some fine freshmen and transfer prospects. Howard Riddle will coach the team this season with the aid of Everett Olson. About twenty men students will be on hand to try out for the squad. Among these will be "Happy" Hyman, Frank Goulette, Jack Reiserer, and Bob Barton, all holdovers from last year's squad.

### Ex-Athlete

I don't know who we're indebted to for sending in the following story about one of our ex-athletes, but it's good to know that somebody has our best interests at heart. This story appeared in the Aug. 25, 1944, edition of "Yank," the servicemen's magazine. It's about a track and field meet

staged in Italy and called the **Allied Track and Field Championships**. Of special interest to us here at State is that Pfc. Willie Steele won both the broad-jump and the high-jump in this meet. Pfc. Steele was a track and football star at San Jose State before he entered the service. Willie also holds the National Junior broad-jump title at 25 feet 7 inches.

### Sinclair

Well, Mal Sinclair did it again. Not content with making his letters in water polo, basketball, and baseball while at State, he has now transferred to the College of Pacific and is playing football for Coach Amos Alonzo Stagg. By the way, Mal's doing all right, too; at present he's playing end on the first string.

## SOCIAL AFFAIRS COMMITTEE MEETS OCTOBER 10

Student body members interested in joining the Social Affairs committee are invited to attend the first meeting of the quarter, Tuesday, October 10, at 4:00 in the Student Union. Future members will be chosen from those attending.

Plans for all student body social affairs, including dances, mixers, and special programs, are formulated by this committee. Those attending are asked to bring their student body cards.

### Lost And Found

A coat, a sizable amount of money, and several other valuable articles are being held in the Lost and Found for owners to claim.

The Lost and Found service is in the Information office; Miss Ethlyn Fuller, switchboard operator, should be consulted. Found articles may be turned in there; and people who have lost articles may inquire there.

...or giving a returned soldier a taste of home

There's an easy way to make a soldier on furlough feel right at home. It's to offer him refreshing Coca-Cola. Have a "Coke" is always the hospitable thing to say. In many lands overseas, as in your own living room, Coca-Cola stands for the pause that refreshes, —has become a happy symbol of hospitality, at home as everywhere else.

## SJS RED CROSS ROOM WILL BE OPENED FRIDAY

Campus Red Cross room opens tomorrow morning for the first time this quarter. Faculty director Miss Bernice Tompkins issues an earnest call for women to serve as "captain" in the work room, and for freshmen women to work during spare hours in the week.

The State College unit is represented on the San Jose chapter's board of directors by Miss Tompkins, in recognition of the work of the campus unit last year.

Mrs. Morgan Dillon Baker, chairman of the Volunteers Special Service for the San Jose chapter, commended the college unit in a recent letter, declaring: "We never figure in dollars and cents, but we did total the hours and it was very edifying when we realized that there were over 3800 hours of loving service given by your unit for the American Red Cross. It has been such a privilege to work with your group this year, having such wonderful cooperation and understanding from you."

Faculty executive board meets Monday noon in room 17 of the Home Economics building. The student council of the Red Cross meets Tuesday noon in the Red Cross room. Work starts with hospital bags and slippers uncompleted last year.

## NEW ADDRESS LIST FOR SENDING DAILY

A new list is being prepared as most of the addresses have been changed during the summer. Students may bring in names and addresses of ex-Spartans whom they think would like to receive a Daily this school year.

Papers are also being sent overseas as well as in the States, but contributors must be sure that the recipient wants the Daily, as some overseas service men have no time to call for them or read them.

## INFORMATION ON G-I BILL OF RIGHTS AVAILABLE NOW

Information regarding the so-called G. I. Bill of Rights may be obtained from Registrar Joe West or from Dr. J. C. DeVoss, upper division dean.

Of interest to servicemen returning to college is the provision in the bill that a man or woman who has been in the service for 90 days (exclusive of time in army or navy college training programs) is entitled to college training at government expense. The maximum amount of training is one year, plus the actual time spent in active service.

Upon application to San Francisco, the veteran receives \$50 maintenance per month, plus his school expenses. Married veterans receive \$75 per month.

Veterans with more than ten per cent disability may qualify through the Veterans' Rehabilitation act.
