RALLY TODAY IN QUAD AT 12:30 IS PREVIEW TO 'CORRAL CAPERS'; ENTERTAINMENT HIGHLIGHTS SHOW

"All new entertainment" is what Ernestine DeFord, chairman of the A.W.A. rally committee, promises for the rally to be held today at 12:30. The rally will be in the inner quad, to show the student body, including men, some of the good entertainment to be provided at the "Corral Capers" for women students next Wednesday night from 8 to 10 o'clock.

Miss DeFord states that every performer for this rally is talented, and has never before been in any program here at the college.

TICKETS

Tickets are now on sale in the Inner Quad for fourteen cents. Also at the ticket booth is a heart-shaped box in which co-eds are urged to place their love problems on a piece of paper. "Madam ???" at the Jinx will answer these problems, and Betty Jean Jurras, program head, declares that questions about yourselves, your friends, and those you just wish to know about will be appreciated.

CHAIRMAN

The Jinx, "Corral Capers," is under the chairmanship of Mary Hooten, who announces that there will be food, music, drama, games, and novelty entertainment for the two hours.

Chairman Of USO Unit Requests Talent For Show

Organization of a USO unit, under the chairmanship of Dorothy Keesling, will be discussed at an important meeting today at 3:00 p. m. in Room S112 of the Science building, instead of the Little Theater, as originally scheduled. Mr. Hugh Gillis, speech head, will act as adviser.

After the unit has planned its show and has had it approved, the show will tour the army camps in the surrounding areas. Although many students have already volunteered, the following are needed: popular piano player, soloists, voices for the mixed chorus and choir, and students willing to participate in the skit, which has already been written and approved.

Miss Keesling asks the following students as well as any others interested to be at the meeting: Pat Beard, Marie Carman, Jewel Haddock, Lois Mendenhall, Jerry Beard, Nancy Lynne, Betty Kinney, Pat Jolliff, Ken McGiff, Jerry Evans, Bob Eldridge, Dadie McNeill, Don McNeill, Harriet Kennedy, Betty Doyle, June Robertson, Suzie Stern, Jackie Popp, Sandy Whiting, Edie Gates, Doug Pautz, and Betty Prouse.

NURSES' AID MEET TODAY AT NOON IN RED CROSS ROOM

Women students interested in taking Red Cross nurses' aid training will meet today at 12 o'clock in the Red Cross workroom, when information concerning the time the course will be given is to be announced.

With nurses' aid hours to be accredited to time spent in Red Cross work at the college, the class will begin this week at the San Jose hospital, providing at least 15 women students sign for the course.

Tentative schedule for the class is three days a week from 3:30 until 5:30 at the hospital. It is necessary that all interested women attend the meeting today, according to Red Cross co-chairmen June Storni and Joanne O'Brien. Application blanks will be passed out at that time.

In conjunction with the vital need for nurses' aids, approximately 25 tentative trainees have signed for the course, which will be instructed by Mrs. Maude Frost.

Women students now receiving nurses' aid training are Phyllis Edwards, Jean Palmer, Doris Snell, Virginia Miller, and Marsha Blase.

Those who have already completed the training are Vivian Young, Jane Turner, Henrietta Cooper, Louise E. Saso, Virginia Ashcroft, and Billie McNabb.

CHAPLAIN BARNES DISCUSSES SURVIVAL STRUGGLE; SHOWS GUADALCANAL FILM AT NAVY DAY ASSEMBLY

"This is a 20th century survival struggle! Men engaged in a struggle for freedom in early days could withdraw to the hills and caves if they were defeated, whittle out a new club, and renew the battle . . . but if the forces of freedom had lost this war, there would have been nowhere to go to whittle out a new P-38."

From this beginning, Chaplain Richard E. Barnes, on leave from

VARSITY DEFEATS FRESHMEN 5-4 IN WATER POLO TILT

San Jose State varsity water polo team defeated the frosh with a score of 5-4 Friday night, after coming from behind 3-2 at the half.

The frosh put up an unexpectedly rugged battle, and during the second quarter were ahead with a 3-1 score. Cecil Dumbalian, frosh captain, played his usual steady game at guard, while Sheets was outstanding offensively for the frosh.

Time after time Roy Mische broke up the varsity's offense, and also aided in setting up some of the frosh's scores. Ken O'Brien and Ted Meyers also played a fine game for the frosh.

For the varsity, Frank Goulette was outstanding, and also high point man with three goals. Captain Jack Reiserer, Howard Riddle, Bob Wallace, Bob Barton, Ted Wyman, and Bill Gray were also in there playing every minute for the varsity. It was Frank Goulette's three-quick goals that finally submerged the frosh team.

Outstanding surprise of the night was the play of Floyd Hobbs at goalie for the varsity. Floyd, playing his first game of water polo, broke up many a frosh threat, breaking many a frosh gal's heart with his fine defensive play against "their team."

FROSH ORIENTATION RULES ARE LISTED

Large charts of the seating arrangement in the auditorium will be posted outside the Morris Dailey auditorium—center, right, and left sections—so that all students may be sure of taking their proper seats next Thursday.

Any student who is not in his seat while roll is being taken will be marked absent.

In order that we may be sure that every student has verified his position on these charts, he will be asked to make a small pencil check beside the seat number.

There is also a card file alphabetically arranged in the Dean of Men's office.

Moffett Field before returning to duty in the Pacific, went on at the Navy Day assembly Friday to show just how true his statement was by showing two reels of color film depicting the invasion of Guadalcanal by the first Marine division.

On the lighter side were some of his characterizations of life on a destroyer.

Donations Received In Campus Campaign Fall Short Of Quota

At the close of the War Chest drive Friday, San Jose State college had fallen short of the \$2500 quota, lacking \$383.15, after the donations made in the assembly and those received in the booths, amounting to \$439.36, were added to the previous day's quota.

In the contest between the organizations grouped under the Tokyo and Berlin brigades, the Tokyo unit was the winner with a total of \$777.66 collected. The other group followed up with collections totalling \$764.86 to their credit.

Organizations in the Tokyo brigade included Beta Gamma Chi, Entomology club, Pi Epsilon Tau, Allenian, Kappa Phi, Women's P.E., Beta Chi Sigma, Ero Sophian, Beta Beta Beta, Sappho, Theta Mu Sigma, Pi Mu Alpha, Spartan Spears, Tau Gamma, Pi Omega Pi, and Delta Phi Epsilon.

In the Berlin group were Delta Beta Sigma, Iota Delta Phi, San Jose Players, Zeta Chi, Sigma Delta Pi, Pan-American League, Phi

Kappa Pi, Smock and Tam, Eta Epsilon, Delta Nu Theta, Kappa Kappa Sigma, War Veterans, Delta Epsilon, Gamma Phi Sigma, Mu Phi Epsilon, and Epsilon Pi Tau.

The two units manned the booths set up to receive contributions on alternate days during the two-week campaign. The progress of the contest between the two units was recorded on poster indicators, representing a Jap and a German, placed near the Library arch. One collection booth was located near the Library and one in the Quad.

Organizations in the Tokyo brigade manned the booths on Monday, October 16; Wednesday, October 18; Friday, October 20; Tuesday, October 24; and Thursday, October 26. Those included in the Berlin brigade collected contributions on Tuesday, October 17; Thursday, October 19; Monday, October 23; Wednesday, October 25; and Friday, October 27.

The faculty quota was assigned separately and handled independently under the direction of Dr. T. W. MacQuarrie, president of the college, assisted by Mr. Mel Wright. The faculty quota also fell short of the assigned total.

SENIORS!

"Deposits for senior sweaters must be made by Wednesday, November 1," states Marilyn Wilson, senior class president.

It is imperative that orders be placed before the deadline and the \$4.50 deposit be paid so that the sweaters will arrive in early January.

Students shall be measured for their sweaters individually, so that there will be no question as to fit. Sweater plus emblem which will probably be leather with a Spartan head, will cost \$9.00.

Thompson Heads Business Meet

E. S. Thompson, comptroller, presided over meetings of the Western Association of College and University Business Officers October 22, 23, and 24 at Whitcomb Hotel in San Francisco.

Approximately 75 business officers from five western states attended the conference, which elected O. D. Garrison of the University of Idaho to succeed Mr. Thompson, who has served as president for three years.

Subjects discussed at the meetings included the Veterans Administration program in the colleges and universities, and the distribution of surplus war properties.

Bulletin!

Word was received Friday that Harrison (Benny) McCreath, 1943 graduate, was wounded seriously in the European theater. The telegram was received by his wife, the former Mary E. Kirtley, who at present is employed in the Speech office. While attending State, McCreath majored in speech.

Campus Groups Open Drive Today For Rehabilitated

Beta Gamma Chi and Delta Sigma Gamma are combining efforts in a drive for rehabilitated men at Camp Shoemaker. The drive starts today and will last until Friday, November 4.

Old buttons, zippers, materials, silk hose and yarn are to be collected in the drive for the men who are unable to be out of bed but must have something to do. These articles are used by the men to make purses, afghans and other handicraft articles.

A rally will be held Wednesday in the Inner Quad at 12:30 to aid the drive. Members of the Camp Shoemaker personnel are to be present. Pledges of the DSG's will entertain.

Boxes for student contributions are placed in the Science building, Dean Dimmick's office, outside the Morris Dailey auditorium, in the Co-op, Women's gym, and Home Economics building.

"These men at Shoemaker have no other way to obtain these materials other than through such a drive, so look around at home and ask your friends to do the same and contribute to this drive," stated Nancy Page, chairman. Co-chairman is Betty Hilton. DSG's chairmen are Vernon Parrish and Stan Black.

Barnes' address, Dr. T. W. MacQuarrie introduced the chairman of the War Chest drive in San Jose, Mr. Walter Bachrodt, city superintendent of schools. Mr. Bachrodt fulfilled a dual purpose when he spoke on both the War Chest and Proposition 9 on the California state ballot.

The assembly was led by Student Council member Hugh Johnston.

Integration Of Activities

San Jose State is lacking in a very important part of the make-up of a well integrated college life. That is the over-all vitalizing spirit of working together and producing together.

Perhaps the obvious answer to this would be to say that if football and other sports, and all the normal peacetime activities were in full swing, this spirit would manifest itself in a normal contribution of all and sundry to the integrated life of the college. Maybe that is true, or maybe it's just harder to see in normal times through all the fuss and bother of campus life.

A student commented to me the other day on the difference between San Jose State and the college from which she had transferred, saying that at her first school there had been such a different sense of a co-ordinate whole, working together for the good of the school, rather than for the private glory of the individual or of any certain clique or organization. Groups are fine, and a necessary part of campus life, but everybody isn't in an organization, whether for one reason or another, and those that are not are simply outside the pale of most campus activities. In this one way, organizations help to break down the unity of the campus. They break the active students down into small units, all working for their own betterment and advantage.

What this campus needs is more effort in welding its energy into an integrated drive.

I think real co-operative enterprise among interested groups on campus would add a new interest and vitality to the various campaigns, drives, student body functions and other campus activities. How about some big all-campus activity, something in which people, students and faculty from every branch, could participate? Could State put on a big inter-departmental show, maybe an operetta or some other activity which would require the co-ordinated effort of the whole campus? There is plenty of talent running around loose outside the Speech department halls. Let's hear something besides recitals from the Music department. The Revelries is a student production, but it still doesn't make use of all the ability in this institution. Let's make something of it.

Webster.

PRE-MEDICAL STUDENTS MEET TODAY AT 12:30

Pre-medical students will meet today at 12:30 p. m. in room 107 for the purpose of discussing the feasibility of reorganizing a pre-medical club.

Previous to November, 1943, the pre-medical students at San Jose State College maintained a club, donating their time to sponsoring certain projects and activities which were beneficial to students preparing for service in the various fields of medicine.

In November 1943, the club became inactive when most of its members were called into the war service.

At the beginning of this school year a number of pre-medical students registered. "It may be profitable to restore at this time the organization, whose activities were dropped last year," stated Dr. J. C. Elder.

A Chinese theme will be used in the decorations. In charge of decorations is Lois Mendenhall.

Entertainment will be presented, including a dance by a Chinese girl, and songs by Jewel Haddock. Co-chairmen for entertainment are Jeanne Arrants and Beverly Lusardi.

In charge of refreshments is Clorinda Buresci. Jody Harrison is publicity chairman.

IN SOCIETY

By PHIL GINN

Delta Beta Sigma

During the summer the Delta Beta Sigma women spent a very eventful vacation. A swimming party was held at Dottie Simmonds' house in Los Gatos; an old fashion picnic was enjoyed at Los Gatos; and two birthday surprise parties were held for Marge Howell and Dottie Simmonds. A Sunday get-together at the home of Miss Eleanor Joy, sorority adviser, was also enjoyed by the women.

This quarter the sorority has been busy buying silver trays for Virginia McCue, Virginia Birmingham Turner, La Verne DeSmet Fuller, Grace Brown, Carolyn Allen Wiley, and Coral Elder, who marched down the middle aisle this summer.

Ruth McCue and Shirley Bertilotti passed the traditional box of candy at the first meeting of the Delta Beta's to announce their engagements. They have no immediate wedding plans.

Phi Kappa Pi

A five-pound box of chocolates announced engagement and marriage of Claire Laws to S. Q. Maine.

Mrs. Maine left in the fall of '43 to take flying lessons, and, in true story-book fashion, married her instructor.

Mrs. Maine was president of Phi Kap in the fall of '43. She was also very active on campus.

Sociology Text Urgently Needed

"Sociology" by Ogburn and Nimcoff, text used in Milton Rendahl's sociology classes cannot be obtained at the book stores.

Rendahl claims that 5000 copies were supposed to be printed but the college could only secure 112 texts. "This leaves us very short on the number of copies needed, and the Social Science department would appreciate all the copies it can get," he stated.
