## **Hubbard Is Chosen** Grid Captain Again For '33 Campaign

DE GROOT LAUDS STELLAR END FOR INSPIRING LEADERSHIP

Bud Hubbard, who captained the Spartans to their first Far-Conference championship, has been re-elected to lead the team for 1933, it was announced at the annual football banquet held in the school cafe-teria Tuesday evening. An outstanding performer for the three years, Hubbard reached his greatest heights in the season just passed when he demonstrated himself to be the leading end of the Far Western Conference. making the announcement of the selection, which came as the re-sult of a vote cast after the Cal. Aggie came in Sacramento two weeks ago, Coach Dud DeGroot lauded Hubbard's inspirational as one of the greatest factors in the team's success this year. He pointed out that the fact that the team had selected Hubbard as their leader for two successive seasons was indicative of the re spect that they held for him.

Entering San Jose in 1930, Bud made the varsity as a freshman and turned in some sparkling performances. Carrying on in 1931, he was one of the bright spots on a losing team, even dropping into the backfield to do duty when Wool was forced from the fray with injuries. As a result of this stellar play, he was rewarded stellar play, he was rewarded with the captaincy for the current season, a trust which he more than justified with his splendid leadership. With the prospects for 1933 exceedingly bright, everything point toward another big year for Bud. It will, incidentally, be his last.

#### FROSH HOOPSTERS OPEN SEASON AGAINST MT. VIEW HI

With their first game coming up next week with the formidable Mountain View High School quintet, Erwin Blesh's Freshmen bas ketball squad has been working out nightly after Varsity prac-tice. There are twenty-six men on the squad and all are fighting for a position. Most of them are experienced, with two or three years of experience in high school behind them.

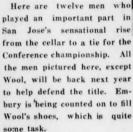

This year's schedule will probably be considerably larger than Games with that of last season. Santa Clara Hi, Monterey Hi, Montezuma Hi, and a number of other high schools have been lined up, with a good many more being scheduled at the present time. The Frosh will be in line for all preliminary games to the home Varsity contests. The completed schedule will be published within a few days.

SPECIAL!! After weeks of deiberation and hour upon hour of heated debate, your hard-working correspondents have arrived at a momentous decision. We have chosen our All-Conference team. All we hope is-that you don't know any more about the players than we do. Here they are! Let the storm begin!

mier (Fresno). Center-Whitaker (San Jose). Quarterback-Wolfe (Cal. Aggies) Halfbacks-Jenks (Chico), Wilson (Pacific).

Fullback-Carroll (Nevada).

It may seem like favoritism to place five San Jose men on the first team, but it is not out of order when one considers that there were SIX Pacific men on the OF-FICIAL All-Conference team for

Points that entered into our seection were:

Performance of men in games which we SAW.

Final ranking of teams in

3. Amount of time which men in question played in Conference

To explain all of our reasons for picking certain men would up too much space, but we feel that there is one case that needs mention. Backer of Navada was given one of the halfback berths because of his blocking ability, which was one of the greatest single factors in Nevada's power offense, Blocking backs get all too little credit anyhow.
