Community Chest Drive Hits Campus Monday

The 1950 Community Chest drive will get under way on Washington Square Monday and Tuesday, according to Bob Madsen, student chairman of the campus Red Feather committee.

Personal solicitation through classes meeting on those two days will be made by members of the Spartan Spears, Blue Key, Alpha Phi Omega, and Student Y organizations.

Spartan Quota is \$2000

Spartan students are expected to fulfill a quota of \$2000, as set by the San Jose Community Chest committee, Madsen said. Classes meeting at 9:30 and 10:30 Monday morning and 9:30 Tuesday morning will be visited by solicitors.

Word has been received from the San Jose Red Feather committee that \$50,971 of the \$265,000 goal has been received from various divisions of the drive. Many divisions, such as the campus, will be holding drives throughout the week.

Student Y Budget Set

A budget of \$3,619 has been granted the Student Y organization, and \$7,400 has been granted the Catholic Women's Center for social service programs involving many Spartan co-eds.

In addition to the many Civic agencies, such as the Boy Scouts, Girl Scouts, Home of Benevolence, PTA Milk fund, and Salvation Army, aided by the Community Chest, two campus groups receive funds for their programs.

Dr. George G. Bruntz, chairman of the faculty drive, reported that the faculty and employee campaign is in progress now and should be completed late today. These contributions may be turned in at the President's office, Dr. Bruntz said.

Just Among Ourselves

By PRES. T. W. MacQUARRIE

Some years ago a young woman brought in a hundred dollar bill for the Community Chest. We didn't take it, of course, although she insisted. She said, "There's lots more where that came from; look, I've got two more right here."

Still we didn't take it, and finally settled for ten dollars.

Don't put in more than you can afford, but you should put in something. College people are presumably the coming leaders of our communities and must learn how to give as well as get. If college people are not trained for leadership, there's no use whatever in a college education. To make democracy work, and work better all the time, is a serious business.

I suppose every one of you could spare a dollar, even if you had to go without lunch a couple of times. Still that would be too much of a shock for the people who are running the chest—\$8400 from the San Jose State student body! We could do it, however, and not miss it.

Some of you who live in communities where there is no Chest, will want to represent your families and put in more than a dollar. In former years there have been contributions of twenty-five dollars and more, and many fives and tens.

Some will find a dollar fairly difficult, but be sure to put in something. You'll need that education in giving—it will expand your soul.

Poet's Day Lunch Tickets Available

The Edwin Markham poetry society of San Jose will meet for a special Poet's Day program and luncheon at 12:30 p.m. Saturday, Oct. 15, at Lou's Village, 1465 W. San Carlos street, according to Gertrude A. Casad, corresponding secretary of the group.

William Hermanns will be the featured speaker at the event. He will speak on the subject "Goethe, the Man and Poet."

San Jose State students are invited to participate. Tickets and reservations are available at the Sherman-Clay Music company until Wednesday, Oct. 12, at student price of \$1.

Rooters To Wear White For Game

"WEAR WHITE FOR THE GAME TONIGHT" is the cry of the Rally committee as they urge all Spartan rooters to bring their rooting caps and megaphones to the grid classic tonight at Spartan stadium.

"Anything white is good as long as it covers the chest," declared Rally committee chairman Glen Stewart. "The girls can use a white dish towel or a white scarf if they can't get hold of a sweater or white shirt."

"Five fellows last year got together and sat behind a white sheet. This worked very well," commented the Rally chairman. "Several excellent card stunts, worked out in conjunction with the marching band, are scheduled for this evening, but we must have an all-white rooting section to make them effective."

After the half time activities the rooters may put on topcoats.

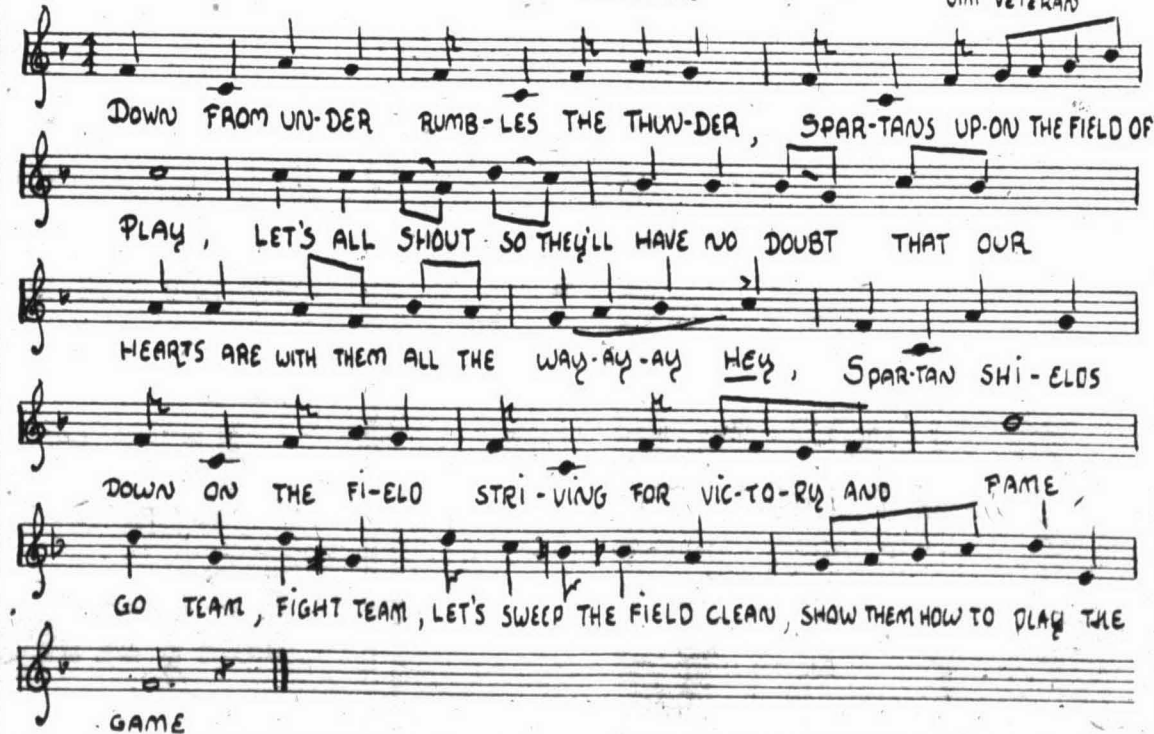

A song is born! Let's not let it die.

All Spartans are requested to bring a copy of this paper to the game tonight so that it will be possible to make an on-the-spot introduction of "Down from Under," the new Spartan fight song.

"Down from Under" was written by Jim Veteran, who has a proven talent for writing catchy tunes and haunting refrains. Several production numbers in last year's presentation of "Revelries" were built around Jim's original melodies.

"Down From Under"

Dons Favored Over SJS

Big Ollie Matson takes a hand-off from USF quarterback Jim Ryan and thunders into the line. Matson, a 207 pounder, has times under 50 seconds for the 440, and tours the 100 yard dash in 9.6.

Matson's Legs Carry Visitors; Menges' Arm Powers State

By JOHN ROMERO

USF power versus Spartan speed and deception!

The payoff comes tonight when Coach Joe Kuharich's San Francisco Dons, led by the great Ollie Matson, collide head-on with Coach Bill Hubbard's fast stepping San Jose State Spartans in one of the grid titanic of the year in Spartan stadium. The kickoff is slated for 8 p.m.

The question in fans' minds from both schools, which will be answered tonight, is if the aggressive State line can check the searing, bull-like rushes of the big 207 pound Matson, and if the brilliant pinpoint passing of San Jose quarterback Gene Menges can produce enough points to conquer the favored Dons.

Spartans Are Underdogs

Underdogs from 6 to 12 points in betting circles, the Spartans will have to be at their best tonight for a victory over USF. The

Sparta by Six-UP

Hal Wood, U.P. sports writer, picks the Spartans to win over USF by six points. Wood cautions, however, that if Ollie Matson rolls, the Spartans will have trouble.

Dons have slaughtered their last three opponents in no uncertain terms and are quite confident of a win tonight.

After losing badly to Stanford, Hubbard's men have looked very well in three succeeding games. The Staters dropped a 14-13 verdict to Santa Clara, then massacred Brigham Young university and Pepperdine college.

USF has been equally impressive in their last three contests, however, and tonight the Dons will be at full strength.

Quarterback Jim Ryan, the handsomest signal caller in collegiate circles, backed by Gene Sweeters, give USF a top-notch pair of "T" men. And Ryan and Sweeters will be handing off to such stars as Matson, John Finney, the ex-Compton college wonder, Roy Barni, a 175-pound jack-rabbit, and Ed Brown, a 200-pounder.

Don Line Heavy

In the Don forward wall are 190 pound Phil Gastineau at right end, 200 pound Ray Conegeski at right tackle, and big Dick Stanfel, who weighs 230 pounds wringing wet, and is a whale of a right guard.

At center is Harry Skoog, a three year veteran, at left guard is 192 pound Paul Braunreiter, at left tackle huge Gino Marchetti, an avoirdupois gent topping 220, and at left end, pass catching Merrill Peacock.

Against this aggregation, the Spartans will pit the same lineup, with one exception, which has started the past three games. Left end Junior Morgan may not start because of a hip pointer in which case Mel Stein, a 175 pound offensive minded veteran, will fill in.

Right end Bill "Snuff" Wilson, co-captain tackles Jack Faulk and Harley Dow, guards Carl DeSalvo and Dick Harding, and center Bob Chelm will comprise the State line. They will average 200 pounds as compared with the Dons' 202.

Starting in the backfield for the Spartans will be Harry Russell and Marv Johnson at the halves, Jack Donaldson at fullback, and Gene "The Flipper" Menges at quarterback.

USF Game Ducats

Tickets to the USF-San Jose football game tonight are still available and will be given out until section Z is filled, according to the Graduate Manager's office.

The office staff announced that students must present ASB cards in order to receive tickets. Deadline for tickets is noon today.

Approximately 5500 student tickets for the game had been called for at noon yesterday.

Faculty Parking Now In New Area

Jerry Vroom, manager of athletics, has announced today that the faculty parking area is not in use this year. The area formerly used was on South Eighth and, since this is no longer available, the faculty will have to use the regular parking areas on South 6th and South 10th.

The 15 Percenters

An essential part of college life is membership in the associated students organization. Proof that a student body card is of utmost importance at San Jose State is the fact that an overwhelming majority of the school's population now possess membership.

At this writing, 85 percent of the college's total enrollment are vitally aware that their ASB cards will help broaden student activities and privileges.

The benefits derived from being a member of the Associated Students of San Jose State are too numerous to be listed here in their entirety.

The 15 percent who have yet to purchase their cards can get full information at the Graduate Manager's office when they buy cards, or, better still, Ask the Man Who Owns One!

A paragraph full of benefits is as follows: admission to home athletic games, 30 days hospitalization (McFadden Health Cottage), the Spartan Daily, injury insurance on a two-thirds basis, and admission to all ASB dances and parties; plus many other equally fair benefits and privileges.

A 100 percent membership in the Associated Students is perfectly logical in view of the tremendous savings for the comparatively small amount of \$15.

Every student a member of the ASB is not out of line. Join the line now at the Graduate Manager's office for your share of college life.

Thrust and Parry

News Suppression Brown Parries

Dear Thrust and Parry:

There are a dissident few who for reasons unapparent, withhold news and information of the college from student reporters of the Spartan Daily.

This is certainly a lamentable situation. It not only deprives the beginning reporter opportunity to report the news he is responsible for, but also deprives the student body and faculty of information that is of interest to them.

There is no justifiable reason for withholding information of any nature. At times the local city papers have "scooped" the college daily of news directly concerned with the college. It is recognized that sometimes this may be the fault of an unwary reporter; however, absolute blame cannot be assessed to the staff member responsible for the reporting of the news.

Information has been purposely withheld on occasions for no good reason except that the source has denied information on the grounds that it cannot or should not be printed. It should be understood that the source does not necessarily have exclusive control of the news; responsibility for the news lies with the reporter. Control or suppression of news is not compatible with our democratic institution.

A newspaper is of little worth if it or the news it disseminates is restrained. This holds true for large metropolitan publications as well as small college publications.

News is a universal commodity. It does not stand to be suppressed. The despotic principle this situation exhibits is of more concern than the degree to which it has been perpetrated.

SJS Show on KLOK

Herb Patnoe, Homecoming publicity chairman and Nick Lickwar, in charge of the Homecoming Talent Show, will be guest on Bob Custer's Saturday Oct. 15, radio program, "Campus Caravan".

Custer will interview Patnoe and Lickwar concerning student body plans for San Jose State college Fall Homecoming commencing Oct. 25.

Custer's program features the favorite recordings of college campuses throughout Northern California.

Dear Thrust and Parry:

In Wednesday's paper there was a short letter regarding the plan to seat S.J. rooters and the C.O.P. rooters on the same side. The writer of that letter was evidently ignorant of the facts of this situation, because he asked whether the rumor was true. But he still referred to it as a "dastardly plan." The complete facts of this plan will probably come out soon, and I suggest that before anyone makes any rash statement regarding this subject, that he do a little investigating himself.

This plan was recommended without any dissenting votes by all the members at State Camp to be presented to the S.J. students. The reasons date back several years, due partly to a misunderstanding.

So please, everybody, before you start any more rumors on this subject, be sure you know what you are talking about.

New Director of Band Prof. Frederic Boots

By FRED BAUMBERGER

Half-time capers and drill maneuvers of the Spartan marching band have bright possibilities this season under the direction of a newcomer to the San Jose State music department, Frederic W. Boots, assistant professor of music and director of the marching band.

Bandmaster Boots, who is seen regularly on the south drill field putting the new all-male Spartan band through its paces, hails from Wisconsin where he obtained his masters degree while study under Prof. Raymond F. Dvorak of the University of Wisconsin.

Mr. Boots likes to stress three points while working toward more spectacular and impressive field exhibitions of the Spartan marching band. In the order of their importance they are: (1) past experience (2) suggestions (3) imagination. In fact, any thoughtful or imaginative student on campus, whether he be a music major or not, is welcome to offer suggestions through any one of several convenient channels. Prof. Boots has an office in room 103 of the music building and also a mail box.

Prof. Boots has had a wide variety of band experience in both military service and public instruction. He was a staff member of the music department of the Madison, Wis., public schools two years and served six years on the staff of the summer music clinic at the University of Wisconsin where he was associated with many bandmen, including Gerald Prescott, Carlton Stewart, Mark Hindsley, and Lee Chrisman.

During the war Prof. Boots was director of the 763rd. Military Police battalion band at Ironwood, Mich., and director of the Fort Wayne post military band at Detroit, Mich. He collaborated with Wayne King and Harold Bachman in formation of army road shows and touring bands.

In addition to directing the Spartan marching band, Prof. Boots will instruct classes in symphonic band, intermediate and advanced French horn, advanced trumpet, and advanced brass choir. His own principal instrument is the French horn.

In commenting on the possibilities of this year's marching band, Prof. Boots said, "We especially need more sousaphone, piccolo,

baritone horn, and saxophone players, but we can use more of everything."

"A new band leader," he said, "is inclined to be apprehensive about the initial attitude with

FREDERIC W. BOOTS

which he'll be received, but I was immensely pleased to discover a unanimous spirit of willingness and cooperation among the men of the Spartan band."

Sales End Today For Drama Books

Deadline for the purchase of season drama books is 5 p.m. today, according to Dr. Hugh Gillis, Speech department head.

Season ticket books to the six plays of the year are on sale to students for \$2.40, representing a saving of one-third of the original price.

Today is the deadline for speech and drama students and faculty to pick up their season books now on reserve in room 57, Speech office, Dr. Gillis said.

Plays for the coming drama season are Goethe's "Faust," now in rehearsal for November 10, 11, 12, 14 and 15 presentation, "John Loves Mary," "Taming of the Shrew," "Tonight at 8:30," "The Corn Is Green," and "Time and the Conways."

GOLFERS!

SJS Students can get a complete new set of golf clubs for only \$5.63 per month. No money down! Take 10 to 12 months to pay.

The following letter was received from Oregon State college and was addressed to Student Body President Don Schaeffer.

Dear President:

"Next fall we hope to include in our student budget some allowances for an agricultural stock judging team. Since your student body supports your stock judging team I would appreciate a letter on its merits and why you believe we should adopt a similar plan. I will appreciate an early reply so that work may be started on that project as soon as possible."

Human Remains Found Near San Jose Campus

By HARRY BRITTON

Following discovery of human skeletal remains during excavation for a storm sewer, Stanley J. Kocal, city engineer staff member in charge of the project, notified the college Science department. Failure to follow up the call has forced the skeletons to be turned over to the San Jose Historical Landmarks commission.

SJS Grad Fights Swarms of Gnats

Swarms of tiny gnats were subjected to treatment at Clear Lake this summer by the U. S. Department of Agriculture in an effort to eliminate the troublesome pests.

One of the fighters who helped dump 14,000 gallons of TDE, a new insecticide, into the insect fight was John R. Walker, a '38 graduate of San Jose State college.

Before joining the California Department of Public Health, Walker taught at Watsonville high, collected data on public health and sanitation and served in the U. S. Navy. He was graduated here with a pre-secondary degree in biology and specialized in entomology.

Hillel Barbecue

Hillel club will hold a get-acquainted barbecue for all Jewish students Sunday afternoon at Lo-Bue's ranch, according to Arnold Levine, Hillel president.

Steaks, beans, and salad will be served. There will be games and entertainment. Admission is free. Levine asks those who attend to meet in front of the Student Union at 2:30 p.m. for transportation.

Although not all portions of the bodies are present, they are believed important enough to add to the knowledge of Indian settlements in this area. It is known that, Costanoan Indians lived here long before the arrival of the Spaniards. A heavy stone mortar for grinding corn and a string of beads were also in the excavation.

The bodies were three-and-one-half and four feet down and 20 feet apart. Storm sewer excavations are proceeding at the site of the find, Virginia street and Almaden avenue.

Saturday Deadline For Joining CSTA

The California Student Teachers association will hold its first meeting of the quarter today in room 124, at 2:30 p.m.

Clyde Hewitt, former president of the group, will report on the CSTA Bay Section conference which was held last week-end in San Francisco. Nearly 100 new members will be welcomed into the local chapter.

All upper division candidates for teaching credentials are advised to join CSTA at this meeting, as on Saturday the entire roster of members will be sent to more than 200 companies.

Dr. Mark Rifembark Officiates At Lyman-Bischoff Wedding

Trinity Episcopal church was the scene of the marriage of Miss Mary Jane Lyman and Richard O. Bischoff, who exchanged nuptial vows in a double ring ceremony late in August. Dr. Mark Rifembark officiated.

The former Miss Lyman was escorted to the altar by her father Lee P. Lyman. Miss Virginia Lyman preceded her sister as maid of honor. Secondary attendants were Miss Joyce Reid, Miss Joyce Call, and Mrs. Marcus Tatum.

Acting as best man was Donald Bischoff, brother of the bride. Robert Bischoff, Earl Wright, and Ronald Moore were ushers.

White stock and gladioli decorated the church altar.

The bride's dress was fashioned with fitted bodice and full train skirt which was caught up by seed pearls to reveal a lace-trimmed petticoat. Her veil was edged in a wide band of lace falling from a coronet of orange blossoms. The bride carried a bouquet of stephanotis, fleur d'amour, and a white orchid.

The honor attendant's frock of pale green marquisette followed the bride's pattern. She wore a matching bonnet and gloves and carried a cascade bouquet of white carnations.

Mrs. Lyman, mother of the bride, donned a summer silk print

suit of black and white for the rites. A green orchid corsage and white accessories complemented her attire.

Bridesmaids In Orchids
Orchid marquisette fashioned the bridesmaids' dresses. They also wore matching bonnets and gloves, and orchid carnations were combined in their bouquets.

The benedict's mother, Mrs. Ernest Hamner, wore a blue suit with brown and beige accessories and an orchid corsage.

The Lyman home on Pine avenue was the setting of the reception. Tall white tapers flanked the four-tiered cake which centered the table.

Mrs. Bischoff chose a grey worsted sharkskin suit for her going-away outfit. Black accessories, red hat, and red corsage complemented her attire.

Mrs. Bischoff was graduated from Los Gatos high school, and attended San Jose State college for two years. She is affiliated with Kappa Kappa Gamma sorority.

The bridegroom is the son of Mrs. Hamner and O. E. Bischoff. He has one sister, Mrs. Robert McDonald. A graduate of Abraham Lincoln high school, he is a junior engineering student at San Jose State. He is affiliated with Beta Phi Sigma fraternity.

Seven San Jose State Co-eds Model Fashions At Monday Night Style Show

San Jose State college girls, members of campus sororities, will model various ensembles in "Fashion Date with Coke," style show sponsored by Frank More.

The show will be presented Monday, Oct. 17, at 7:30 p.m. in the Civic auditorium.

Sandler of Boston, famous name in sport shoes, is cooperating with Frank More shoes at Mademoiselle's new shop, 149 S. First street, San Jose. Together, they are staging a fashion show for shoes.

"All types of shoes which the college girl will want throughout the year will be modeled," states Ted Weaver, local manager for Frank More.

"Mademoiselle's" theme in clothing will feature around the clock fashions which the college girl should wear, stressing 9 a.m. to 9 p.m. wear.

Girls will model morning casual wear, afternoon dress-up, and 9 o'clock evening wear for theater or date.

Weaver stated that "more and more manufacturers are styling more attractive and unusual, low heel shoes than before."

Seven college girls will model for the fashion show and act as

hostesses. They are Joanne Becker, Alpha Omicron Pi; Betty Boehmke, Chi Omega; Ruth Brannaman, Delta Gamma; Joyce Dow, Kappa Kappa Gamma; Joanne Moody, Alpha Phi; June Pereira, Gamma Phi Beta, and "Pinky" Stone, Kappa Alpha Theta.

The style show is exclusively for San Jose State college students and their friends.

"This will be our first all-

college style show," stressed Weaver. "We would like to attract a large group of girls," he added and urges all State co-eds to attend.

Henry Wolf, president of Frank More Shoe company, San Francisco, will act as MC for the event.

Free tickets for admission are available at "Mademoiselle's." Girls who plan to model will pass out tickets.

Spartan Instructor Takes Nuptial Vows

Miss Beverly May Cavendar of Worcester, Mass., was wed to Mr. Edgar Hornig, instructor in the Social Science department at San Jose State college, recently. Stanford University chapel was the scene of the informal, private ceremony, Sept. 24. Wedding dinner followed the ceremony at The Magnolia.

John Naismith, retired San Jose lawyer, gave his niece away. Matron of honor was Mrs. Richard Naismith, wife of the bride's cousin.

Professor John Gilbert, history teacher on the college faculty, was Mr. Hornig's best man.

The bride wore a light brown ensemble. A white orchid and prayer book complemented her outfit.

New Mrs. Hornig is a medical secretary. The couple met while the former Miss Cavendar was at San Jose State college.

Following a Carmel honeymoon, the Hornigs are residing in Los Gatos. Mr. Hornig announced that they are looking for an apartment in San Jose.

"SAN JOSE'S STORE FOR YARDAGE"—For Over 22 Years

KKG Group to Hold Founders Day Fete In Los Gatos Inn

Hotel Lyndon in Los Gatos will be the scene of Kappa Kappa Gamma's annual Founders' Day celebration Saturday, October 15. Honorees at the formal affair will be five new Kappa members, whose initiation into the group will be complete Saturday. Ruth Forster, Lee Hayes, Ruth Holthouse, and Jo Anne Keeler will join the active group. Polly Colvin will become a Kappa alumna.

The joint Kappa alumna associations of San Jose, Palo Alto, San Mateo, Santa Cruz, and Delta Chi chapter will honor 18 members who have been affiliated with the group for 50 years.

Mrs. Eugen Andres, past national president, national director of chapters, and president of the local alumna association, will be Toastmistress for the affair. Seated at the speaker's table will be Mrs. Edward de Laveaga, Kappa Kappa Gamma Province president, and Mrs. Seabory Wood, Province vice-president.

Founded in 1870 at Monmouth college in Monmouth, Ill., there are now 82 active Kappa chapters in the United States and Canada. There are 250 alumna associations throughout the world.

All active chapters, alumna associations and clubs gather annually to observe Founders' Day.

Theta Chi Presents Inter-Frat Meeting

Theta Chi fraternity will present the first annual inter-fraternity, panhellenic joint meeting at Memory Post American Legion hall, 325 N. Third street, Monday evening, Oct. 24 at 8.

This will be the first affair of its kind given by a San Jose State college group. The purpose of the gathering is to promote closer, more harmonious relations between on-campus social organizations.

Each fraternity will present some form of entertainment in a variety show to open the program. Dancing and the serving of refreshments will follow, according to Ed Case, Theta Chi social chairman.

June Pereira Announces Intentions to Wed Fromm

Miss June Pereira added her name to the "engaged" list of Gamma Phi Beta sorority when she announced her intentions to marry Harry Fromm of San Francisco recently.

Miss Pereira also told close friends at a going-away party honoring Miss Ann Lawrence of San Jose recently. The affair was held at the home of Mrs. Len Cavanaugh, formerly Miss Jeanne Cunningham.

The bride-elect is majoring in commerce. She was a Spartan Spear and was featured as a "Golden Girl" in the 1949 La Torre.

The future benedict is a graduate of Polytechnic high school in San Francisco. He attended the University of California and the University of Santa Clara before entering San Jose State college. He is majoring in business administration.

No date has been set for the wedding.

Att: Newman Club

The Homecoming committee request that a representative of the Newman club contact them as soon as possible concerning Homecoming participation.

Trett - Bernier Recently Wed

Chantilly lace and marquisette highlighted the old-fashioned wedding gown of Miss Eleanor Trett when she became Mrs. Mervin J. Bernier recently.

The formal wedding was held at the First Presbyterian church in San Jose. Five bridal attendants were in the wedding party. They wore marquisette gowns of chartruese, pink, blue, yellow, and orchid. Headbands matched their old-fashioned bouquets.

Miss Neva Trett was her sister's maid of honor. Donald Waterhouse was best man.

Attendants were Miss Barbara Richmond, Miss Martha Craft, Mrs. Robert Worthington, and Mrs. Wallace Johnson.

The couple was graduated from Heald's Business college. Mrs. Bernier attended San Jose State college.

The bride now holds a position in the Placement office here.

Gibbons-Parks Exchange Vows of Marriage Here

Miss Jewel Ann Gibbons became Mrs. Patrick Ernest Parks when the couple took wedding vows before the altar at Trinity Episcopal church in San Jose recently.

Both the bride and bridegroom attended San Jose State college.

A pink organdy gown was chosen as the bride's wedding ensemble. Daisies composed her headpiece and bouquet.

The couple greeted guests in the patio of the Sainte Claire hotel after the ceremony.

In the bridal party were Mrs. Lorraine Leatham, matron of honor, Miss Patricia Mason, and Mrs. Elizabeth Arends.

Best man was James Geary, and ushers were Jim Fowler and Earl Lewis.

Ellie Acuff Tells Engagement Plans

Miss Eleanor Acuff surprised her Kappa Kappa Gamma sorority sisters at their first fall meeting, when she told of her plans to wed Bill Lemon of Santa Rosa early next summer.

Miss Acuff is the daughter of Mr. and Mrs. P. M. Acuff of Santa Rosa. She is in her junior year of general elementary teacher training.

The future benedict is the son of Mr. and Mrs. J. C. Lemon and is a member of Theta Chi. He will receive his degree in business administration here next June.

Roos knows the campus!

Take the case of Herbert MacTavish...

Mr. MacTavish is the chesty lad to the right. As you can clearly see, he radiates pride, well-being and what we call clothes confidence. (And thanks, Mac, you can get down now). You see, MacTavish, like many a college freshman, is a Roos man... and a Roos man from head to toe. (O.K., Mac. We'll take it from here). That means that when it comes to campus clothes Mac is right...(will you kindly pull in that chest and get down, son?)...and the reason lies in the Roos know-how, in many a year's experience of what college men want and need. (STILL there, Mac?). So, if you're new to college and have any clothing problems, why don't you see Roos Bros? You'll find something for every budget, even if your name's MacTavish...and Mac, will you PLEASE get down!

EXHIBIT A

Although MacTavish bears plenty of similarity to plenty of smart people, in this case his name is quite fictional.

Roos Bros knows the campus!

SPARTANS ARE SUBMERGED

Water Poloists Beaten 15-9 by Olympic Club

By GEORGE McDONALD

Knowing just what to do with the ball every second, the Olympic club of San Francisco beat San Jose State at water polo, 15-9, last night in Spartan pool.

Sparked by San Jose graduate Ed Rudloff, who threw in 7 goals, the Clubbers passed the ball with the accuracy that went with their experience.

The Spartans, who at one time in the second half pulled to within a single goal of the visitors, threw too many passes away and did not utilize their "extra" man when they had the chance.

Forward Norm Keeler was the outstanding San Jose man. He scored five goals and was all over his half of the pool. George Haines tossed in the other four goals, all on spectacular shots.

Captain Fred Hanssen started the second half, but the strain was too much for his injured ankle.

Other Spartan starters were: Goalie Jack Hibner, Forward Wally Hofman, and Guards Bob Hamilton, Chesley Douglas and Dick Garrett. Garrett did a good job on the huge Rudloff in the second half.

In the preliminary game, the Olympic club J.V.'s won out over a combined State frosh and J.V. team, 11-3.

Tom Nillson, who scored all three goals for San Jose, dueled against a former coach and teammate of his from Sequoia high, Denny Dennison.

May Not Play

A hip pointer may keep end Junior Morgan, a fine pass-catching end from seeing action against the Dons tonight. Morgan has not scrimmaged this week. He has been on the receiving end of six passes for 182 yards and four touchdowns. The Spartans will be hard put if Morgan is definitely out.

State Freshmen Open Grid Slate With Lassen JC

Having had less than two weeks of practice, Coach Tom Cureton's frosh football team makes its bid for an undefeated season tomorrow evening against Lassen J.C. in Susanville. Game time, 8 p.m.

Lassen enters the game with an advantage as far as experience goes. Already this season Lassen has played three games, winning two and losing one. Lassen is basically an offensive team, boasting an excellent passer, who transforms two thirds of their plays into an aerial barrage.

The Frosh starting lineup for tomorrow's game will have Wacholz and Sweet at the ends, Orr and Henderson at tackles, O'Steen and Salvadelana at guards and Sobek at center. Barbier, Hadama, Jordan and Farmer will open in the backfield.

Cross Country Men Run Today

San Jose State's cross country team swings into action this afternoon at 4:30 with the running of the annual interclass meet.

With so many newcomers on this year's squad the meet will not only serve as a test of team strength, but will also familiarize the competitors with the route.

The following men will compete: Norman Bottelo, Ted Breeden, Marion Day, Darrell Dukes, Al Weber, Frank Bettencourt, Bob Weber, Bob Nicoloi, Douglas Prestage, Dore Purdy, Elwood Millar, Jim Simpson, Neil Williams, Jim Lund, Bill Head and Ed Hass.

First Indians, Now "Moskitos" Feast

Have you been bitten lately? Well, even if you haven't, Bill Hubbard, Bob Bronzan, and Bud Winter—all football strategists for the Spartans—are getting darned tired of having swarms of moskitos—yeah I said m-o-s-k-i-t-o-s—chasing our dear men of Sparta to the showers each night.

Hubbard has taken to the air. This morning, long before most of us had been roused out of bed, Bud Henry's squadron (well anyway one plane) of crop dusters zoomed low over Spartan stadium and surrounding areas of the athletic plant, and slipped a mickey of DDT to the pests.
