SAN JOSE, CALIFORNIA, WEDNESDAY, OCT. 4, 1950

Number 5

## Rally Featuring Student Talent Will Be Staged at Eight Tomorrow Evening

A rally featuring student talent will be held tomorrow evening at 8 o'clock in the Morris Dailey auditorium, according to John Piotti, assistant Rally committee chairman.

Introduction of the varsity football team will be made at the rally. This will be the first appearance of the team at a rally this fall.

The song, "Now and Then," written by Fred Cooper, San Jose State college student, will be sung by Doris Tyler. This will be the premiere playing of the number.

Directed by Ed Dickinson and John Piotti, the show will have music provided by a small combo. "The combo will feature current jazz selections, and should really be mellow," says Dickinson.

Piotti gives much of the credit for the successful preparations to members of his committee. "This has been one of the most enthusiastic committees in my experience. Most of them are members of the freshman class and are hard workers. Much credit must be given the working members of this committee for their enthusiasm and ideas."

"I wish you could mention all of them in the Spartan Daily, but there are about 50 on the committee which makes it impossible."

Both Dickinson and Piotti are enthused over the rally and say, "Don't stay home, because if you do you'll miss the best show of the year. The students themselves will put on the show, so be sure to make it."

Spartans will see the first marching band performance of the football season this Saturday at the San Jose-Santa Clara game under the direction of Sparta's new bandmaster, Mr. Robert Olson. Mr. Olson replaced Mr. Frederic Boots who is on military leave with the U.S. Army at Fort Ord.

## AWS to Have Tea In Quad Tomorrow

The Associated Women Students will have its big-little sister tea tomorrow afternoon at 4:30 in the inner quad, according to Miss Joan Hale, AWS president, who urges all new women students to attend.

A fashion show will be presented by women of the AWS and will be commented upon by Miss Marilyn Russell, ASB President. Dave Down will welcome the new women students with a brief talk.

Planning this first AWS activity of the year are: Miss Mildred Knowles, big-little sister chairman; Miss Patricia Flanagan, refreshment chairman; and Miss Lynn MacDonald, entertainment chairman.

## Revelries Committee Will Select Director

A holding committee on Spartan Revelries met in the Student Union Monday afternoon and discussed selection of a production director for the annual show.

Revelries is written, directed, and produced by students and depicts student life.

The holding committee announced it will receive the names and review the qualifications of any student body member who is interested and able to direct the production of the 1951 Spartan Revelries, conforming to an outline which was worked out by the Revelries board in conjunction with the College Life committee last year for the organization and operation of the production.

Dave Down, associated student body president; Herb Patnoe, representative from the Student Council; Bob Madsen, vice-president of the student body, and Mr. Theodore Balgooyen, faculty adviser, comprised the holding committee.

Bill Felse, graduate manager, and Joan Hale, AWS president, are the two other ex-officio members of the board.

The production director, a business director, and four student members appointed by the council will complete the group.

The production director, a business director, and four student members appointed by the council will complete the group.

## Hartranft Tells COP-SJS Athletic Relations

San Jose State college will make demands of College of Pacific that they follow Pacific Coast Conference regulations if the PCC "puts the pressure on us" in such a way as to jeopardize the school's game relations with PCC members, Glenn (Tiny) Hartranft, director of physical education, said today.

## Class of 1951 Forms Plans At First Meet

Senior class members mapped their activities for autumn quarter at a meeting held late Tuesday afternoon in the Student Union. President Fran McMahon presided.

Pat Goulder, assisted by Ron La Mar and Bob Madsen, will attend frosh meetings, it was decided. The seniors will plan to aid in frosh counseling "when we find out how we can help," Miss Goulder stated.

Class officer nominations will be held Friday, Oct. 13, it was announced.

Duke Deras was named chairman of a committee to plan a proposed senior overnight. No definite date or location for the overnight has been decided upon yet, it was learned.

Lee Oro is in charge of the class scrapbook.

## Frosh Class Mixer Will Be Planned

This week's freshman group meetings will see plans laid for the first inter-class mixer of the quarter, according to Mr. James Jacobs, freshman adviser.

Temporary officers for group "A" elected yesterday include "Doc" Weaver, president; Charles Wilson, vice-president; Karol Hultberg, secretary; and Kit Hadley, treasurer. After serving one month these officers will be replaced by other freshmen.

Meeting in B25 today at 10:30 will be group "C", headed by Mr. Jacobs. Group "B" will meet Friday at 12:30 p.m. in B92.

## ROTC Rifle Team To Meet Today

All Air Force ROTC personnel who would like to join a rifle team are urged to be present at the college firing range near Spartan stadium, today at 1 o'clock.

Practice will be held at the college range each Monday and Wednesday thereafter, from 1 to 4 p.m., and rifles and ammunition will be furnished to those attending.

Further information may be obtained from Sgt. Dittich of the Air Force staff.

"San Jose State college has had a long relationship with COP," Hartranft noted, "and wishes to continue that relationship. But San Jose meets nearly all PCC members in one sport or another and in order to continue to meet those teams, we will have to ask COP to abide by PCC regulations if the conference decides to enforce COP's alleged infraction of the rules."

San Jose will try to include a clause calling for observance of PCC rules in its 1951 contract with the Pacific Tigers, Hartranft said.

Director Hartranft's statement came after PCC Commissioner Victor O. Schmidt said he was notifying conference schools that College of Pacific was using Stockton college players on its football team. (See Sports pg. 4).

Pacific and SJS are scheduled to meet Nov. 18 at Stockton.

## Spartan Daily Opens Doors For Visitors

Spartan students who have wondered what is going on in Barracks 93 these warm autumn afternoons will have an opportunity to satisfy their curiosity Friday when the Spartan Daily, newspaper of San Jose State college, has "open house."

The Daily will have open house Friday in conjunction with National Newspaper week, which closes Oct. 7, and to give the campus, students and faculty, a chance to see students of the Journalism department put out the SJS publication.

"Many students have expressed interest in watching the Daily staff and facilities operate," Editor Jack Russell said yesterday, "so the students now will have an opportunity to tour the department. In the past, only publicity chairmen and a few faculty members have visited the office, so our 'open house' will give everyone a chance to view the department's facilities."

Guides will explain the newspaper's various operations to visitors, who will see the United Press teletype and the advertising and editorial departments in action. The tours will be conducted between 2 and 4 p.m.

Forty students, working in a three-unit journalism course, cooperate in preparing the news for the Daily this quarter. Faculty advisers are Mr. Charles Kappen and Mr. William Gould.

## UP ROUNDUP

### General Cates Says Korean War Not Over

SEOUL, KOREA, Oct. 3—Marine Gen. Clifton B. Cates warned today that the war in Korea is "far from over" and that American troops are still suffering casualties.

Gen. Cates said that there was a "false impression that this war was over when Seoul was captured and everything was buttoned up."

The marine commandant said that it was well known that the North Koreans were re-grouping and re-forming their defense lines.

"The war will not be over as long as this continues," he said.

WASHINGTON, Oct. 3—California's population on April 1, 1950, was 10,490,070, according to a preliminary count released today by Roy V. Peel, director of the U.S. Bureau of Census.

The April 1 total represented a gain of 3,582,683 or 51.9 per cent, over the 6,907,387 inhabitants of the state in 1940.

Santa Clara county with a count of 288,938 showed an increase of 174,938 or 65.2 per cent.

### Miss Your Bus? APO Pools Cars

A lot of students are in the doghouse around here because they live out-of-town and find it hard to make bus connections to and from college, says Carl Ketcham, APO president.

Almost anyone will agree, he feels, that you can't get much out of college if the professor won't talk to you—which they won't if you get to class late. So anyway if you're on the dirty end of the bus just go to the student lounge where you'll find a bulletin board full of ride offers and car pools.

The people who put up the board belong to the APO, a national service organization which hates to see a good commuter let down.

## Dance Tops Plans Of Soph Council

The sophomore class council will inaugurate the new quarter with a full agenda at today's 3:30 p.m. session in Room 39. Top matter to be discussed by the council will be the SJS-Loyola after game dance. The treasurer will have some recommendations to put before the group.

The following sophomore class officers will continue in office for a period of three more weeks. Tom Arvin, president; Joey Baldwin, vice president; Ingrid Anderson, secretary; Seymour Abraham, treasurer.

## The Weather

You can have it as we got it: "Fair today, tonight and tomorrow, slightly warmer tonight; high both days, 82-90; low tonight 45-52." What jokers in that Weather Bureau! Granted that 45-52 is cool, but 82-90, fair?

## Council Sets Voting Date

Nominations for class officers will be held Friday, Oct. 13, according to Student Council action taken yesterday afternoon at the council meeting in the Student Union building.

Nominations will be made under the system used previously at San Jose State college. Blanks will be provided for use at the nominating assembly.

Elections for class officers will be held Friday, Oct. 20, in the Student Union building. The preferential system of balloting will be used and the rules governing elections and campaigning will be released to prospective candidates soon.

The council accepted the resignation of Elizabeth Kilgallen, Fairness committee member. Miss Kilgallen tendered her resignation because of a conflicting class schedule.

ASB President Dave Down appointed council members to several positions. Appointed were: Dick Vaum, Student Activities board; Tom Evans, Spartan Shop board; Lud Spolyar, Freshman camp committee; and Bob Madsen, Student Council parliamentarian.

Positions available for student committees are: one student for the Freshman camp committee, one student equipment custodian, three representatives at large for the Student Activities board, three members for the Spartan Shop board, two men and one woman for the Fairness committee, one junior justice, and one chief justice for the Student Court.

Students interested in these appointments should submit their applications in writing to the Student Council by noon Tuesday. For appointment the applicant must be present at the ASB council meeting in the Student Union building next Tuesday afternoon at 3:45 o'clock, according to Down.

Students interested in these appointments should submit their applications in writing to the Student Council by noon Tuesday. For appointment the applicant must be present at the ASB council meeting in the Student Union building next Tuesday afternoon at 3:45 o'clock, according to Down.

## Thrust and Parry Writers Take Notice!

There is nothing like starting the quarter off on the right foot—no sir, absolutely nothin'. This is true especially for those ASB card holders who wish to let off steam through the Thrust and Parry column in the Spartan Daily.

The fall quarter was only two days old this year when the Daily had two signed letters from students, but the signers had neglected to affix their ASB card numbers after the signatures. With more than 7000 persons on campus, we have no way of knowing whether a student is a card holder.

Yes, we could probably wheedle the information out of the graduate manager's office, but that task and responsibility is not ours. If the contributors to our column are too negligent or careless to include their ASB numbers on the letters, we should worry about what they have to say. Hence the "un-numbered" epistles go straight into the round file.

Another line of thought is that the sender does not have a student body card. In which case we are further justified to commit the letters to oblivion. The Thrust and Parry column is devoted exclusively to ASB card holders; it is one of the benefits derived from the student's \$15.

Please do not get the idea that we here on the Daily feel obligated to print your letters. We want to print them. We sincerely desire contributions. We wish that hundreds of letters would pour into this office daily. However, if you will not cooperate, neither will we.

So then, if you are a card holder, please write and communicate your grievances to the whole student body; and if you write, please be sure that your ASB number is included alongside your signature. We will delete your name if you so specify, but we must print your ASB number in lieu thereof.

## La Torre Portrait Sign-up Will Begin The Activities for 1950-51 Graduates

By JACK GALLAGHER

With signing-up for a sitting with the La Torre portrait photographer, the first skirmish in what perennially proves to be a long and often arduous Battle of Graduation will be over for hundreds of seniors who anticipate (and we use the term advisedly) being graduated in Dec. 1950, or March or June 1951.

Although the brass behind this operation, Co-editors of the 1951 La Torre Iris Elwood and Ted Breeden, have restricted the making of appointments to this week, they have facilitated the process by greatly simplifying it to five easy steps. All you have to do is:

1. Be eligible for graduation in Dec., March, or June.

2. Locate the La Torre booth, between 9:30 a.m. and 3:30 p.m., which is situated beneath the Library arch. (For the benefit of P.E. majors, the Library is near the northwest corner of the campus).

3. Spell your name correctly. (If unable to meet this requirement, you may petition the Fairness committee for leniency).

4. Fill out a sign-up sheet, and two duplicate cards.

5. Keep your appointment. Students who are presently serving internships or are on teacher training must also make appointments this week.

The editors suggest that all persons who are in doubt concerning their graduation check immediately with the registrar's office. They add that the La Torre deadline must be met and will not permit the taking of portraits after Oct. 31.

## Zoology Class Meets Chaos

Chaos chaos!

They had it in Dr. Charles G. Sibley's 9:30 General Zoology class on Monday, yet the students were unable to find it.

Even microscopes failed to uncover the elusive "it". The great search, however, ended favorably—in chaos, that is—for such was the name of a specific amoeba that the students had been instructed to find from among their various specimen bottles.

After encountering chaotic conditions in their search under the name "amoeba", students finally found the sample under its proper listing of "Chaos chaos".

## Students Can See Operas for Less Via Opera Guild

The Opera Guild, organized by Dr. William Hermanns of the Modern Language department, is again in operation.

The Guild enables students to see operas at the San Francisco opera house for the reduced price of \$2.40.

Dr. Hermanns has made arrangements with the manager of the opera house to give students standing room and then seat them in box seats, or others that are available, after the first act is finished.

Students who are interested in seeing "The Marriage of Figaro" by Mozart, tonight, are to contact Dr. Hermanns this afternoon in B-61, between 12:30 and 1 o'clock, or immediately after one of his classes.

Transportation to San Francisco must be furnished by the students. Neither Dr. Hermanns nor the college assumes any responsibility.

The Guild has no connection with San Jose State college but is sponsored by Dr. Hermanns. It began as an undertaking of Dr. Hermanns' classes alone, but other students became interested so that the Guild is now open to all.

Last year approximately 300 students attended the operas. Some of the operas seen were, "Carmen", "The Master Singers", and Verdi's "Aida."

## Quartet Try-outs Will Be Tomorrow

Everyone interested in becoming a member of the varsity male quartet is invited to try out in Room M106 in the Music building Thursday at 4:30 p.m., according to Mr. Gus C. Lease, instructor in music.

When formed, the quartet will welcome opportunities to perform on the campus.

## Announcements

Delta Phi Delta: Business meeting in Room A1 today at 3:30 p.m.

Math Majors-Minors, Gamma Pi Epsilon: 7:30 p.m. meet in Room 117. Information concerning requirements for admission will be available there or in Room-119A.

California Vets: Mr. J. D. Murchison of the California Veterans Administration will be in Room 32 from 9 a.m. to 12 noon today to answer any questions by students enrolled under the California Veterans Bill.

Aquarium Club: Outline of activities for the coming year to be discussed tonight, 7:30 o'clock in Room S306.

AWs: Discussion of Big, Little Sister get-together this afternoon at 4:30 in Room 24. Old members only.

Wildlife Conservation: Tomorrow, 4:30 p.m. meeting in Room S210. Anyone interested in conservation welcome.

Junior Class Council: All Junior class members invited to attend 3:30 p.m. meeting in Student Union today.

Newman Club: Open house at Newman club tomorrow night after rally. There will be dancing and refreshments.

## Rehearsals Begin For First Drama

Rehearsals for Richard Brinsley Sheridan's light-hearted comedy, "School for Scandal", began last night in the Little Theater, according to Mrs. Verda B. Jackson, secretary of the Speech and Drama department.

The cast chosen from tryouts held Thursday and Friday, is as follows, although still subject to possible change:

## Autumn Staff Has Started Work on 'Lyke'

An experienced staff and a new, but also experienced, faculty adviser now are arranging preliminary matters regarding the autumn issue of Lyke—the quarterly student magazine, according to Publicity Manager Bob Neal.

Promising stories and features which will appeal to college students. Editor Stan Bennett announced that the autumn issue will feature a pictorial football story, a short about "The Last Veteran on Campus", and an abundance of cartoons.

Mr. Owen Atkinson is faculty adviser.

Although the photography will be handled by Lyke photographers Bob Stone and "Doc" Gmelin, the cartoons will originate from student body members.

Cartoons may be about any aspect of college life, and must be in the editor's office at B-95 before Nov. 10.

Nory Pitney, Bob McKenzie, and Ray Lyon are other members of the staff.

## Application Forms Should Be Filed By Dec. Graduates

Candidates for December graduation must file applications in the Registrar's office not later than Oct. 13, announces Mrs. Margaret Henningsen of the Registrar's office.

She states that this applies to candidates for post-graduate credentials as well as bachelors' degrees.

Mrs. Henningsen says that department head's approvals of majors (except Education majors) and minors should be filed in the Registrar's office before applying for graduation. Forms for this purpose are available in the office.

Urging candidates to apply early, Mrs. Henningsen warns that graduates who fail to file by Oct. 13 will not have diplomas at the close of the autumn quarter.

Other members of the cast are: Servant to Joseph Surface, Richard Rizzo; Servant to Lady Teazle, Enid Cardena; and, Servant to Mrs. Sneerwell, Lee Leidig. The roles of Sir Harry and Trip are still open.

Miss Elizabeth M. Loeffler is director for this initial offering of the 1950-51 season. Robert Scruggs is stage manager.

## Churches Plan Sunday Meet

San Jose College Religious conference will sponsor a United Church reception for all college students next Sunday at 4 p.m. in the inner quad, according to James A. Martin, executive secretary of the Student Y.

Principal speaker for the occasion will be Dr. Vere Loper, pastor of the First Congregational church of Berkeley. Loper is National Moderator of Congregational churches and was selected "Man of the Year" in Berkeley for 1949.

During World War II Loper was a member of a Catholic-Protestant-Jewish trio that lectured to U.S. troops in Alaska and the Aleutians. He has spoken many times on various college campuses throughout the nation as a member of the University Christian mission.

Dr. Joyce Farr, pastor of the First Methodist church, is chairman of the event. Martin will introduce the pastors and youth group leaders of the various churches participating.

The CRC is composed of all churches having college-age youth groups. It is affiliated with the College Christian association, parent body of the YM-YWCA youth groups.

# Declaration of Freedom To Be on SJS Campus

San Jose State college students, faculty members and clerical employees will have an opportunity this week to add their names to the Declarations of Freedom which are being signed all over the nation in connection with the Crusade for Freedom.

President T. W. MacQuarrie is sending a communication to each member of the faculty asking that attention to the campaign be called in each class and an opportunity provided for students to sign a Declaration of Freedom scroll. The signing of the scrolls is entirely voluntary.

The declaration which Americans of all political faiths may sign reads as follows:

"I believe in the sacredness and dignity of the individual. I believe that all men derive the right to

freedom equally from God. I pledge to resist aggression and tyranny wherever they appear on earth. I am proud to enlist in the Crusade for Freedom. I am proud to help make the Freedom Bell possible, to be a signer of this

## Society Plans First Smoker Friday Night

Members of the Engineering society will hold a smoker in the Student Union Friday evening at 7:30, for all freshmen and transfer engineering students, according to Fu Tse Huang, publicity chairman.

This meeting is the first smoker of the year and will feature a speaker as well as refreshments and movies.

Officers for the new term will be introduced as follows: William Sarbo, president; Ray Scoffone, vice-president; William Richeson, recording secretary; George Cashman, corresponding secretary and Dave Nerell, treasurer.

All engineering students are urged by Dr. R. J. Smith, department head, and Ray M. Schumacher, club adviser, to attend the meeting and become acquainted with the society. "The purpose of the organization is to establish strong professional and fraternal associations among the students," Dr. Smith said, "and also to build better student-faculty relationships."

Future events planned by the group in addition to the monthly smokers and bi-weekly meetings, include field trips, barbecues, dinners and picnics.

Declaration of Freedom, to have my name included as a permanent part of the Freedom Shrine in Berlin, and to join with the millions of men and women throughout the world who hold the cause of freedom sacred."

Milk cartons will be placed at convenient places on the campus, such as in the Library, Business office, Student Union, in which students, faculty and other members of the college staff may place their quarters, dimes or nickels if they wish to have a share in this project.

The college has been asked to participate in this campaign by Alex Hart, Jr., chairman of the San Jose committee for the Crusade for Freedom.

## Radio Guild Meets To Plan Schedule

Election of officers will be held at tomorrow's meeting of the Radio Guild in Room 165C at 3:30 o'clock, said Dr. Edgar E. Willis, group sponsor, yesterday.

An audition schedule for the quarter's program will also be planned.

"It is extremely important that all members be on hand for this first meeting of the quarter," said Dr. Willis.

## Engineering Faculty Sports Summer Vacation Sun Tans

Summer sun tans have been well in evidence among faculty members of the engineering department, as the staff returned to fall classes from summer vacation.

Actual vacationing was enjoyed by only two of the instructors, however. They were Hubert L. Morgan who spent the summer in North Carolina, and Ray M. Schumacher, who traveled east to purchase a new automobile.

As for the rest of the department, James Anderson and S. Brooks Walton taught in summer session at San Jose State college, Sherwood J. Brady was employed as a mechanical engineer in Westinghouse's Sunnyvale plant, and Norman Gunderson was engineer for the Heple Construction company of San Jose.

Traveling down to Brazil, O. Allen Israelsen acted as consulting engineer on an irrigation project, T. E. Leonard was at Hiller Helicopter corporation in Palo Alto—to which he was invited as a special trainee, Jesse M. Zimmerman went to the industrial relations department of Crown-Zel-

lerbach Paper company in San Francisco, Dr. Ralph J. Smith was visiting professor of electrical engineering at Stanford university, and James D. Ross was employed by the Schwartz Construction company, a local firm.

## CCF Plans Party

Collegiate Christian Fellowship will hold a "get acquainted" party at 7:30 p.m. tomorrow in the Student Union.

The event is especially for freshmen and transfer students.

## Science Dept. Asks For Needed Texts

Former students of Entomology 51 who are interested in selling their copies of the text, "World of Insects", by Duncan and Pickwell, are asked to bring their books to the Natural Science department, according to Dr. Carl Duncan.

Because of a much greater enrollment in the course this quarter than was anticipated and the fact that the text is no longer being published, there is a shortage of about 35 copies, the needs of one entire section.

Students responding to this call are asked to contact some one at the Biology storeroom or Mr. James Tilden in the Entomology laboratory, number 213.

NO MINIMUM - NO COVER

Santa Clara's hopes for a Prune Belt victory against San Jose State college Saturday night will be riding on the tosses of Quarterback Johnny Pasco, Bronco passing ace. Pasco started the season opener against the University of California with 164 air yards but was almost ineffective against their recent conquerors, Rice, only completing five passes for 48 yards.

## Veteran Pugilists Can Be Challenged; Predict Top Team

With a goodly amount of varsity material back in harness, Boxing Coach Dee Portal is predicting a bang-up season for the San Jose State college pugilist squad.

Not all of these ring veterans, however, are cinched for the leading berth in any weight division. "Any boxer can challenge the present SJS champs and take over as top man in his weight," assured the ring mentor.

The present weight division leaders are, in the 125 lb. class, Mac Martinez and Ernie Paramo; 130 lb., Al Tafoya and Vic Harris; 135 lb., Ted Ratliff and Don Camp; 145 lb., Johnny Johnson and Joe DeSoto; 155 lb., Stan Marcell; 165 lb., Nick Diez and Paul Reuter; and heavyweight, Jack Scheberies.

National and Pacific coast champion Mac Martinez will enter his last year of collegiate boxing with the Spartan ringmen this year as will Ted Ratliff, Joe DeSoto, Nick Diez and Jack Scheberies.

# Broncs Drop Iron Men, Use Platoon

By MANNY ALVES  
Spartan Daily Sports Editor

When the smoke clears away from the Spartan stadium turf Saturday night the expected 15,000 fans will finally learn who the winner of this year's Prune Belt title is.

Renewing a grid rivalry, started last year after a 12-year layoff, Santa Clara's Broncos meet the SJS Spartans Saturday night in a "must" for both teams.

The cross-townners must win — their first game of the season, and the San Jose squad must win to keep up appearances in their first year in the "major" field, and take the Prune Belt title.

Sixty-minute men on the Santa Clara squad are finally on their way out according to Coach Dick Gallagher who is expected to unveil the Bronco's first efforts with the big school platoon system.

Losing the season opener to the University of California, 27-9, the Broncos dropped their second decision to Rice, 27-0.

Last year the Spartans lost to Santa Clara, after leading 13-0, by a 14-13 count in the final minutes. Both Bronzan and Gallagher will be fielding squads on the local turf for the first time as head coaches.

San Jose State's attack can be figured to feature the best efforts of the Menges-Wilson duo. The air lanes in Bronco territory should see plenty of action since it was in this department that Rice poured it to the Californians.

The Orange Bowl champions have shown sturdy line play so far, with some brilliant goal line stands.

Quarterback John Pasco will be expected to keep the red shirts in the game although his passing

game was a little off last Saturday; he only completed five passes for a total of 48 yards.

No serious injuries have been announced by Gallagher who has already made up his two platoons. San Jose State forces were dropped a little with the announcement that Tackle Jim Moulton may be off to the Marines, he's a reservist and that Gibby Mendonsa, left half star will probably have to sit this one out with an ankle injury suffered in the SDS game.

### Platoon Men

Gallagher has made up his two squads with the following probably being on the offensive team: Dick Wiborn and Gern Nagler, ends; Basil Cunningham and Gene Pisenti, tackles; John Justice and Joe Ramona at guard; Ed Rotticci at center; quarterback, Johnny Pasco; Fran Hare and Jack Kaplan, halfbacks; and Saxon Wraith at fullback.

The newly-formed defensive squad will be comprised of ends Eugene Lynch and Bill Payne; tackles Jim Cozad and Bob Dominick; Pat Malley and Bill Risco at guard; Marv Ferreira at center; Del Rasmussen and Marte Formico at halfbacks, Abe Dung, quarterbacking and Joe McCarthy at the fullback slot.

## Series Opener Starts Today

PHILADELPHIA, (UP) — Veteran Jim Konstanty, noted as a relief pitcher, was nominated by Manager Eddie Sawyer to start today's opening game of the World Series for the Philadelphia Phillies against the New York Yankees. Vic Raschi, 21-game winner, Yankee Manager Casey Stengel also picked Allie Reynolds for the Thursday game.

**Wot,  
No  
Winners?**

**A FEW  
NEAR  
MISSES**

Here we are, all set to hand out at least 100 gallons of FREE gasoline, and what happens? Not a single expert guessed last week's score on the nose! Yes, we've checked and rechecked but all we can find on hundreds of score cards are NEAR MISSES. We're sorry, too... but better luck this week. Another 100 gallons of FREE gas has been added to the prize!

**THIS WEEK IT'S  
200  
FREE  
GALLONS OF  
GASOLINE**

**Just guess the score  
on next Saturday's  
game!**

**San Jose State.....?**

**Santa Clara .....**

Just drive into the Dividend Station and write your score on an OFFICIAL DIVIDEND SCORE CARD. One winner receives 200 gallons of Ethyl gasoline. If there are more winners, the prize is equally divided. But no one gets less than 10 gallons of gas... even if there are 1000 winners! DEADLINE FOR CONTEST IS 2 HOURS BEFORE GAME TIME!
