SAN JOSE, CALIFORNIA, THURSDAY, OCTOBER 19, 1950

Number 16

Polls Open Tomorrow For Student Elections

The polls will be open from 8 a.m.-4 p.m. tomorrow, Bob King, chief justice of the Student Court announced yesterday.

Candidates seeking office are:

Senior class: Ray Cox and Ed Gasper, president; Jeanne Thomas and Rob Pettengill, vice-president; Dorothy Alexander and Marilyn

Rowley, secretary; Robert Rojka

and Evorene Hatfield, treasurer.

Junior class: Dick "Ozzie" Os-

born and John Moeller, president;

Bill Severns, vice-president; Le-

verta Raley, Virginia Cox and

Elsie Lawson, secretary; Lloyd

Thompson and Jeanie Nieri, treas-

urer.

Sophomore class: Tom Sparling

and Jim Porter, president; Sey-

mour Abrahams, vice-president;

Alice Dougherty and Joyce Dalton,

secretary; Rosalie Young and Dave

Woods, treasurer.

Student court: Chuck Wing,

male sophomore justice; Jill Iver-

son and Marilou Borgen, female

sophomore justice.

Qualifications and backgrounds

of election candidates can be

found on page 2 of today's

Daily.

Planned and executed by the

four groups which have sparked

this "most spirited" freshman

class, the Mixer's picnic supper

will feature hot dogs, potato salad,

ice cream, and coffee, according to

Jacobs. The Mixer picnic supper

will be held at the barbecue pit

near the Women's gym.

Dancing from 8:30 to 11:30 p.m.

will take place in the Women's

gym.

Entertainment, 15 minutes from

each group, will be offered later in

the evening in the Student Union

building.

Tomorrow is the day to drop

courses, warns the office of Miss

Viola Palmer, registrar. Students

who have yet to file final pro-

grams are urged to do so as early

as possible.

A late fee of \$1 will be charged

to those who turn in programs to

the Registrar's office after the

deadline.

Students must obtain approval

by their deans: Dr. James C. De-

Voss, dean of professional educa-

tion; Dr. Jay C. Elder, dean of

general education; and Dr. Harri-

son F. Heath, coordinator of tech-

nical programs.

so, what kind they would want.

The council favored Dibble's

suggestion to hold a matinee tea

dance. "It would be informal, but

a social affair as nice as we could

plan. I hope we can provide a

small orchestra for dancing, as

well as hold the afternoon event

in some San Jose hotel," Dibble

stated.

His plans provide for mailing

personal postcards to the 150

graduates, asking them if they

desire such an activity, and if

Frosh Clubs Hold Class Social Mixer On Campus Sunday

Freshmen take over this campus Sunday, Oct. 22, when the Freshman Mixer's 8:30 to 11:30 p.m. eating, dancing and entertainment begin the freshman social season.

Admission, says James Jacobs, freshman adviser, will be 60 cents per person tax included. Tickets are on sale in the library arch now.

Planned and executed by the four groups which have sparked this "most spirited" freshman class, the Mixer's picnic supper will feature hot dogs, potato salad, ice cream, and coffee, according to Jacobs. The Mixer picnic supper will be held at the barbecue pit near the Women's gym.

Dancing from 8:30 to 11:30 p.m. will take place in the Women's gym.

Entertainment, 15 minutes from each group, will be offered later in the evening in the Student Union building.

Drop Courses By Tomorrow

Tomorrow is the day to drop courses, warns the office of Miss Viola Palmer, registrar. Students who have yet to file final programs are urged to do so as early as possible.

A late fee of \$1 will be charged to those who turn in programs to the Registrar's office after the deadline.

Students must obtain approval by their deans: Dr. James C. DeVoss, dean of professional education; Dr. Jay C. Elder, dean of general education; and Dr. Harrison F. Heath, coordinator of technical programs.

so, what kind they would want. The council favored Dibble's suggestion to hold a matinee tea dance. "It would be informal, but a social affair as nice as we could plan. I hope we can provide a small orchestra for dancing, as well as hold the afternoon event in some San Jose hotel," Dibble stated.

Queen Entrants To Participate In Game Rally

All of Sparta will have the opportunity to view the "real live dolls" who are candidates for Queen of 1950 Alumni Homecoming tonight at the football rally in Morris Dailey auditorium.

The 13 competing entrants, attired in formals, will be presented by Rally Co-chairman John Piotti about mid-way in the program which will begin at 8 p.m.

As the potential queen is presented, the name of the organization which is sponsoring her will be announced also.

Pictured above is Mona Logan, the 19-year-old, blue-eyed blond who was not included in Monday's picture of the 1950 Alumni Homecoming Queen candidates. —photo by Bill Ernst.

For the benefit of unbiased Spartans who wish to become prejudiced before seeing the entrants in person at the rally, Bob Baron, chairman of the contest, has erected a large bulletin board on which pictures of the candidates and names of their sponsors appear.

The bulletin board is situated at the south side of the Student Union, and is designed to give equal emphasis to each of the contestants' portraits, framed in purple metallic paper.

With such a large number of entrants, and with a relatively equal vote anticipated, Baron stresses the importance of having all ASB members participate in the election.

Working Students Must Sign Oath

San Jose State college students employed part-time by the Associated student body are being asked to sign mimeographed loyalty oaths issued by the Graduate Manager's office, the Spartan Daily learned yesterday.

The oaths are separate, but a duplicate of those taken by the faculty members Monday and Tuesday. No time has been established yet for the signing. Graduate Manager Bill Felse could not be reached at press time for comment.

Nine From Faculty To Attend Meet

Nine faculty members of the Women's Physical Education department will attend the annual conference of the Western Society for Physical Education of College Women, Thursday through Saturday, at Asilomar, Calif., Dr. Irene Palmer announced yesterday.

Dr. Palmer, head of the Women's Physical Education department at San Jose State college, will participate in a panel discussion at the conference Friday afternoon, presenting the graduate program in physical education.

Also attending the conference will be: Miss Janice Carlin, Miss Eleanor Coombe, Miss Margaretta Frisbee, Miss Ardith Frost, Dr. Elizabeth Prange, Dr. Hildegard Spreen, Miss Mary Wiley, and Mrs. Ethel Wright.

Rally to Feature Comedy, Dancing

The "Campus Funny Boys", Ed Dickinson and John Piotti will EmCee this evening's rally in the Morris Dailey auditorium at 8 o'clock, and the street dance immediately following, according to action taken at last night's Rally committee meeting in the Student Union.

Homecoming queen candidates, introduced on a decorated stage, will be one of the feature attractions of the rally, stated Dickinson and Piotti. The dress of the candidates has not as yet been decided, according to Dickinson, co-chairman in charge of rallies, but he said, "It would be mighty fine if they wore bathing suits."

A street dance, in front of the Student Union building will be held immediately following the rally. A combo will be present to furnish music for dancing, according to Rally committee reports.

Art Student Wins Red Cross Contest

"No matter what you think, mister... blood saves lives." These were the words written across a poster which yesterday won Bob Neal first prize, \$15, in a contest sponsored by the Red Cross public information committee.

Prizes of \$10 and \$5 also were given to the second and third place entries. Fred Fletcher, chairman of the blood donor recruit office, and Miss Joan Lauber made the presentations to the winners. The three top pictures were selected from approximately 25 entered by members of Miss Marian Moreland's commercial art class.

Jack Gangola's poster took the \$10 second prize, while \$5 went to Margaret Nakamura for third place.

Mr. Fletcher explained that the student entries were judged on the basis of their probable ability to increase blood donations. "Some of these posters may go on to win national recognition," Fletcher said.

All of the posters submitted by Miss Moreland's class will be used in the blood drive. They will be seen in downtown windows and office bulletin boards.

Students to Hear State Patrol Talk

Police school students enrolled in the basic course, General Administration of Criminal Justice, will be able to hear two outstanding speakers soon, Mr. Willard E. Schmidt, school head, announced today.

Captain Duryea of the California Highway patrol Commission's office in Sacramento will address the class today. His subject will concern functions and duties of the California Highway patrol.

On Tuesday, the class will hear a talk by Mr. Allen Lindsey, chief deputy of the District Attorney's office of Santa Clara county.

Student Council Okehs Plan For Student Participation

Plans for active participation of San Jose State college students in operating student government was approved by the student council Tuesday afternoon when they met in the Student Union.

The plan, as outlined by Dave Down, ASB president, will be put into effect as soon as possible. The reason for the plan is two-fold, according to Down. The plan will relieve some of the work ASB officers now do and also would give the students participating a chance to gain practical experience in their field.

Application cards will be distributed to the general student body soon. The types of help most needed are typists, artists, committeemen, and students to work on an ASB talent program.

The Student council also set the dates for the freshman class nominations and election of officers. Nominations will be held Nov. 24 and election will take place Dec. 1.

Suggestion boxes will be placed in several spots on the SJS campus in the near future, according to action taken at the meeting. The purpose of the boxes is to

A new song, "Through the Mists", written by Spartans Bill Pope and Charlie Cavanagh will be given its premier debut at the affair. Vocalizing the selection will be Miss Virginia Haldeman, SJSC co-ed.

Billy Mills, San Jose high school student, will be present to do a pantomime act. Dickinson says that reports from his committeemen indicate that Mills has a good act.

Also, the committee reported there may be 14 queen candidates instead of the anticipated 13. The additional candidate is a write-in, according to Dickinson.

Introduction of the USF student body president will be made at the

There will be no parking allowed on San Fernando street between Fourth and Fifth streets after 6 p.m. this evening, according to John Piotti, assistant Rally committee chairman. Through traffic will be allowed until the street dance starts.

Piotti explains that the street must be cleared early if the dance is to be held.

rally, according to Ed Mosher, Rally committee chairman.

Announcement was made at the meeting that there will be card stunts by the San Jose State college rooting section. "This is the first time card stunts have been tried at a Spartan game away from home," stated Mosher.

The Rally sub-committee in charge of the COP rooters' train, reported that at a meeting held this afternoon, only two organizations present favored reserving space for themselves on the train. Headed by John Melindás, the committee will continue to investigate the train trip, according to Melindás' report.

give students a chance to make suggestions on campus problems to the student council.

Three student council members were appointed to various positions at the meeting. They are: Pat McFadden, student council observer for ballot counting, Barbara Gale, historian for the council, and Tom Evans, chairman of the blood bank committee.

The Weather

This is no racket for a sensitive personality.

Yesterday we said it was going to rain, so what happens? Seven squirrels died of sunstroke, Alviso is now 12 miles inland and La Torre broke out in prickly heat. Next, Pepsi Cola will declare their first dividend in 238 years. Also, if this keeps up, those ingrates will improve their aim and hunks of asphalt, pine cones, and Mundt's Psychology won't just whistle pass our ears.

Fair, high of 75-85. There, we're safe if it doesn't snow.

Candidate Qualifications for Office

Senior Class

Ray Cox, senior class president candidate, is a 29-year-old engineering major from Pomona, Calif.

This is Ray's first year at San Jose State college. He is active in the Student Y. He served on the student council at Mount San Antonio junior college in Pomona.

Edward Gasper, 21, is a candidate for senior class president. An advertising major, Gasper has served on the student council ever since he came here from Merced, Calif. As chairman of the junior class Social Affairs committee, Gasper was in charge of winter quarter's Junior Prom. Gasper is a member of APO, Blue Key, Kappa Alpha, and Alpha Delta Sigma.

Jeanne Thomas, first quarter senior and senior vice-president candidate, feels her background as a journalism major and a Spartan Daily reporter will enable her to execute better the duties of the senior vice-president position.

A Sigma Kappa, she was publicity chairman of 1949 Revelries, a freshman camp counselor, and has spent two quarters on Spartan Daily.

Rob Pettengill, commerce major out for the office of senior class vice-president, wants to help the December and March graduates by seeing that they get something for the \$9 graduation fee besides "tea, crumpets and a handshake."

Rob, a local resident, attended San Jose High school.

Dorothy Alexander, candidate for senior secretary, is a business administration major from Kerman, Calif. Miss Alexander has been active on the student council and rally committee during her time at SJS. As to qualifications, she says, "My business background has given me experience along secretarial lines. If elected, I'll do my best to be a high efficient class secretary."

Junior Class

John Moeller is a candidate for junior class president. Moeller, a Blue Key member, was active in the sophomore and junior class councils. Moeller believes that, "There should be enough well-planned council activities to keep all members interested. More students should take part in student government both for their own betterment and the betterment of the college."

Bill Severns, 22, from Los Gatos, running for junior class vice-president, is out-going treasurer of the sophomore class and has been active on his class council since entering school.

"If elected I shall give my full cooperation to the council in all activities undertaken," Bill said.

Elsie Lawson, a candidate for secretary of the junior class, is a general elementary major from Willits, Calif. Elsie was secretary of the student body in Willits high school and has been active here in council and AWS affairs.

She feels that her past experience in student government qualifies her for the position.

Virginia Cox, 20-year-old candidate for junior class secretary, has been active on the student council since her freshman year. Hailing from Oakland high school, Miss Cox has headed several social chairmanships during her terms on the council. She now serves on the card-stunt section of the rally committee. A member of Gamma Phi Beta, Miss Cox looks to "a bigger Prom."

Leverta Raley, a 20-year-old junior recreation major, is competing for the position of junior class secretary. Miss Raley has accumulated experience for the position she seeks via student council activities, rally committee work, and an extra-curricular high school background. She states, "I think the students on the council are grand. I've enjoyed cooperating with them in the past and would like to continue doing so in the future."

Jean Nieri is seeking the office of junior class treasurer. Miss Nieri was publicity chairman for the sophomore council for a year; one quarter, sophomore representative to Inter-Class council; active in AWS committees for two quarters; in 1948 Revelries; memorial chapel worker; treasurer, Sequoia

Union high school and just appointed to College Life committee.

Lloyda Thompson is a candidate for junior class treasurer. Activity in YWCA marked Miss Thompson's Santa Cruz high school career. She is now the publicity chairman for the WAA; publicity chairman for the PE-Rec major club; president of Tau Gamma honor society; and a member of the junior council. "If elected," Miss Thompson said, "I will apply my experience to the job."

Sophomore Class

Jim Porter, 19, is a candidate for sophomore class president. Porter, coming here from Sequoia high school in Redwood City, is an advertising major. He has served on the freshman class council. Porter is a member of the Spartan Shield sophomore honor society; a member of the student activities board; a member of the Campus Chest committee; and a member of Student Y.

Seymour Abrahams is a candidate for the office of sophomore class vice-president. Hailing from Sequoia high school in Redwood City, Abrahams has served as the temporary treasurer of the freshman class council. He is a member of the Spartan Shields; a member of the Fairness committee; and chairman of the committee of sophomore class "get-togethers" and meetings.

Dave Woods is running for sophomore treasurer. He has a long list of active positions to his credit. He is, at present, treasurer of Spartan Shields, and a member of sophomore council, Radio Guild, and Lambda Chi Alpha.

"The sophomore council said it wants some new blood... I offer to bleed. I'll live up to my nickname of Old Tight Wad if I am elected," Woods said.

Alice Dougherty is competing for the office of sophomore council representative. A sophomore majoring in education from Whittier, Calif., Alice can point to a term on freshman council as past experience.

She is mainly interested in furthering the scope of sophomore council activity and making it more representative of the class as a whole.

Student Court

Jill Iverson, candidate for sophomore justice, is a music-general elementary major hailing from Palo Alto. Her qualifications for office include experience as a year's service on the frosh council; chairman of the frosh constitution committee. Miss Iverson is a member of AWS, rally committee, and social affairs committee, and is treasurer of the Spartan Spears. If elected, she promises, "To do the best I can in whatever I undertake."

Chuck Wing is the uncontested male candidate for sophomore justice. Wing was a member of sophomore council, a member of the Spartan Shop board, co-chairman of the Campus Chest, affiliated with Alpha Phi Omega, national service organization, veteran of the Army provost marshal's office, and a graduate of George Washington high school in San Francisco.

Miss Mary Lou Borgen is a candidate for the office of sophomore justice. Miss Borgen was active in freshman class council, was active in AWS, helped with the last Community Chest drive on campus, and is affiliated with Sigma Kappa. Miss Borgen believes that the position of sophomore justice is one of the most important and desirable of student offices.

Beck Leads SJS Ground Play; Menges Hits .400

San Jose State college will attempt to add the highly-touted University of San Francisco Dons to their win record Friday night at Kezar stadium.

Slipping from the national rankings, as far as statistics are concerned, the Spartans will try to re-enter the national picture by unleashing an aerial and ground offense that will stop the Dons' "Matson Liner", Ollie Matson, regarded as one of the best fullbacks in the country.

Harry Beck still leads San Jose State ball carriers in the percentage column. Below are the team figures for the past four games, two wins and two losses.

RUSHING	TCB	YG	YL	Net	Avg.

Perry Requests Football Results

Coach Bill Perry, intramural sports director, is requesting that captains of the winning touch football teams turn in the scores of their respective games by noon of the following day that the contests have been played.

Failure to do so will result in a loss for both teams, instead of just the losing team receiving the loss as would be the case if the results of the games are reported before the deadline, he added.

"The fraternities are the worst offenders," Perry pointed out. "If any of the results of the games of Monday, Tuesday, or yesterday have not been turned in yet, the captains of the winning teams may turn in the results by noon today without being penalized. However, all late reports after today will not be recorded."

Portal Urges Rank Starters To Box Novice

Boxing Coach Dee Portal is urging every man who is aware that the sport of boxing is in existence to turn out and learn along with other "grass green beginners" every afternoon in the small gym from 3:30 to 5 o'clock.

"Too many men are putting off their opportunity to learn boxing and compete in the forthcoming Novice tournament," says Portal. "We're not looking for hot-shot world champions for the tournament. I'd like to see guys out who have never laced a glove on before. This is strictly a novice tournament, and anyone who has competed in even one public bout is excluded from it."

A number of varsity boxers have signed up as managers for fraternal and independent organizations and are constantly on the

Needs Managers

Managers for the varsity boxing team are badly needed, according to George Anderson, senior manager.

Anderson is asking for two freshmen and one sophomore, preferably PE majors, to fill the managerial berths as soon as possible.

Men interested may contact Anderson in the small men's gym at 3:30 p.m. Monday through Friday.

lookout for men to train and enter in the tournament. Potential novice boxers may contact these men in the small gym at 3:30 each afternoon.

Bldg. Nears Completion Says Calif. Engineer

By HOMER SLATER

Most of the essential work has been finished on the addition to the Women's gym here, reported Mr. George Otto, senior construction engineer for California, yesterday.

All offices, halls, conference rooms and classrooms, the adaptive gymnasium, the dance gymnasium, and the natatorium have been turned over to the college, Mr. Otto said.

The dressing installations, Mr. Otto continued, in the big dressing room should have been put in by last night, and painters were standing by to start painting immediately.

But from Dr. Irene Palmer, Womens' PE department head, comes information that the new structure will not be ready for complete use until December.

Difficulty in obtaining steel is responsible for the prolongation of time for steel gym lockers and baskets probably will not be delivered until December, Dr. Palmer explained.

"We have water coming to some of the areas now," Dr. Palmer reported, "and we should have heat by the middle of November. Starting next week the offices in the original Women's gym will be repainted."

Dr. Palmer selected all the colors for the interior of the building. Her color combinations were approved by the California Division of Architecture. Pastels are used exclusively in the interior except for the north wall of the natatorium, which is a Christmas green.

An outstanding feature of the new structure is the natatorium, whose dimensions are 60 by 100 feet. The swimming pool in the natatorium is a standard-sized one measuring 42 by 75 feet and sloping from ten feet to three feet in depth, Mr. Otto stated.

"The first time we turned on the underwater lights, last Thursday," Mr. Otto related, "I saw the most beautiful effect that I've ever seen in a swimming pool."

"From the pool was thrown up a big blue halo, and the circulation of the water caused thousands of diamond lights to glitter all over the ceiling. This is the best effect that I've ever seen, and I've seen Billy Rose's Aquacades, too!"

Mr. Otto added that the pool has a capacity of 164,000 gallons, and the water circulator completely changes the water three times a day.

The walls of all corridors, offices, conference rooms, and classrooms are finished with 3 ft. 6 in. wainscots of unselected birch, finished with a lacquer with a gray effect, Mr. Otto pointed out; all the floors are maple.

Apply for Training

"Teacher training students should not wait until the end of the quarter to apply for teacher training," warns Mrs. Joyce Johnson of the Personnel department.

Those who have completed teacher training requirements are urged by Mrs. Johnson to make appointments in the Personnel office soon.

Office Lists 1950 Budget

The Graduate Manager's office yesterday released the new school year budget. The recommendations are made to the Board of Control of the Student Council and they all have been accepted except the debate team budget which is being reviewed.

Allocations are as follows: Music department, \$3000; Speech department (drama), \$1465; Radio Guild, \$100; MacFadden Health cottage, \$12,500; Mens' athletics, \$30,000; AWS, \$1680; Co-Rec activities, \$250; Council fund, \$2400; Homecoming committee, \$325; insurance fund, \$800.

Inter-collegiate rifle team, \$200; La Torre, \$1000; Lycurgus (campus magazine loan), \$180; Graduate Manager's office expenses, \$10,000; Police school pistol and judo team, \$450; public relations, \$50; rally committee, \$1200.

The Reed (literary magazine), \$100; reserve for refund on ASB cards, \$3000; social affairs committee, \$2700; Spartan Daily, \$9500; Student Court, \$65; Student union, \$2300; WAA \$1500.

Guttormsen, Thompson Fly To Conference

E. S. Thompson, business manager, and Glen Guttormsen of the business office, left yesterday by plane for San Diego to attend the semi-annual meeting of the state college business officers.

The meeting will be in session today and tomorrow. According to Guttormsen, the two men probably will return Friday night.

Business officers from all the state colleges will attend. Discussion is round-table fashion and includes suggestions for new methods as well as interpretation of new laws which are enacted.

Freshman class, \$75; Sophomore class, \$45; Junior class, \$25; Senior class, \$20 and Freshman camp \$350.

Grand total of this year's budget is \$85,280, about \$17,000 less than last year's budget.

R. Schotzko Wins \$500

Richard R. Schotzko, 26-year-old San Jose State college student, learned Monday that his photo, "Desert Sands", had won him \$500.

The 12th annual \$10,000 Newspaper National Snapshot awards in Washington, D.C. gave Schotzko's picture first prize in Class C entries.

"Desert Sands" earlier this year won first place in the

scenes and still life division of the San Jose Mercury-News Amateur Snapshot contest.

The prize-winning photo was taken in Death Valley and is a study of the soft, shadowy Mojave desert.

Campus Interviews on Cigarette Tests

Number 5...THE GNU

"I gnu the answers...but I wasn't talking!"

The debating team couldn't make much use of this non-talkative baby...but one look at his "literary leanings" tells you that tests don't buffalo him. 'Specially those tricky cigarette tests! As a smoker, you probably know, too, that one puff or one sniff—or a mere one-inhale comparison can't prove very much about a cigarette!

Why not make the sensible test—the 30-Day Camel Mildness Test. You judge Camel mildness and flavor in your own "T-Zone" (T for Throat, T for Taste)...for 30 days. Yes, test Camels as a steady smoke and you'll see why...

More People Smoke Camels than any other cigarette!

We specialize in fine and delicate garments. Formals — Blouses
Sweaters — Knit Suits
