

Dons Trample Spartans, 42-7

Class Officer Applications Due Thursday

Application blanks for the nomination of Sophomore, junior and senior class officers and sophomore justices are available in the ASB office in the Student Union and in the Graduate Manager's office today, according to Harlow Lloyd, chief justice of Student Court.

"Thursday at 5 p.m. will be the deadline for these applications, which must be placed in a box in the Student Union," Lloyd warned.

Petitions may be obtained from the Graduate Manager's office after each application is filed, he said. Tuesday, Oct. 23, will be the deadline for petitions. The election will be held Oct. 26.

According to the new Constitution of the Associated Students, which was accepted by the Student Council last quarter, several qualifications are required for class officers.

"The candidate must be a member of the Associated Student Body," the Constitution states, "a declared member of his class, on clear standing, not more than six units deficient for his class, not hold any other Associated Student elective office and shall have been an active member of his respective class council for at least one of the three quarters previous to nomination, with the exception of all Freshman Class officers.

"An active member of a Class Council shall be one who has attended at least three-quarters of his Class council meetings during the quarter."

Junior College Contract Received by President

President T. W. MacQuarrie has announced that he received the contract from the State Department of Education which approves the use of SJS facilities by the San Jose Junior college for the 1951-52 school year.

The delay in signing the contract was caused by two statements

which appear in the Strayer report of 1948.

Spartan Daily Sweater Week Contest Opens

This is Spartan Daily Sweater Fashion week.

The spotlight shines on sweater stylings worn by the typical SJS co-ed.

The girl with the best taste in combining scarf, pin, necklace, or other accessories with her sweater will be chosen the contest winner. Judging criteria are originality and individuality.

The contest is open to all women students, independents and sorority sisters alike. Anyone interested may register now on the right-hand bulletin board at the Spartan Daily office.

Registrants are to return for judging to the Daily office at 2:30 p.m. Wednesday.

Several downtown merchants have donated prizes for the contest winner.

Tryouts for Plays Will Start Today

Tryouts will be held at 3:30 today and tomorrow in the Actor's Lab—Room 53—for roles in "The Wandering Scholar from Paradise," "The Boor," "Rising of the Moon," "The Twelve-Pound Look," "Hello Out There," and "Riders to the Sea," Miss Elizabeth Loeffler, supervising director of the plays, announced yesterday.

"All students who are interested may tryout for a part in these plays, which will be directed by advanced drama students," Miss Loeffler said. "There will be only ten rehearsals for each play and these will be in the afternoons at a time that is convenient for the students."

Co-editor Moreno Urges Reservation Of Yearbook Now

Copies of the 272-page college yearbook, LaTorre, may be purchased in advance of publication at the Graduate Manager's office, at the senior picture sign-up booth in the library arch, or from any member of the yearbook staff, announced co-editor Art Moreno, recently.

Of the \$13,980 required to publish the book this year, only \$900 has been advanced by the Student Council, Moreno added. The remaining \$13,080 must be raised through sale of the books and advertising space.

Faculty adviser for the book is Mrs. Dolores Spurgeon, assistant professor in the Journalism department.

Ollie Matson Tallies Thrice In USF Win

By HAL BORCHERT

It is said in sporting circles that experience almost always pays off. This old axiom was given further proof Friday night when the University of San Francisco Dons defeated the San Jose State college Spartans 42-7.

The Dons, loaded with ten seniors on the first string all in tip-top shape, had too much power for the injury-riddled and slightly less experienced Spartans.

The San Jose State eleven showed a vast improvement over their first meeting with the men from Fog City but their old nemesis Ollie Matson couldn't be stopped once again. The fullback flash dashed to three touchdowns on runs of 18 and 46 yards, and another from two yards out. Matson had a beautiful 53-yard t.d. jaunt called back when one of his team mates was detected holding.

Quarterback Ed Brown, who demolished the Spartans in their last meeting with his pin point throwing, couldn't find the range Friday night. Brown completed only one aerial in ten attempts and had two intercepted. His field generalship, however, was another story. He detected weaknesses in the San Jose line in the second half and sent his backs into the secondary too often for comfort.

The story wasn't all Matson and Brown, however. A little halfback named Joe Scudero was in the hair of the San Jose line and secondary throughout the game. Scudero scooted 125 yards in 15 carries for an 8.33 average and one touchdown.

Burl Toler, one of the finest tackles on the West coast, proved (continued on page 3)

Flying 20 Club To Pick Team

Selection of a team to represent San Jose State college in an annual Pacific coast-intercollegiate air meet at Los Angeles in November will be made at the Flying 20 club's meeting tomorrow in Room 121 at 7:30 p.m., according to Bob Kruse, club secretary.

Among the Pacific coast colleges expected to attend the air meet are the University of Washington, University of California, University of California at Los Angeles and University of Southern California, Kruse said. The meet is a two day affair, he explained.

Certain legislation will have to be approved at the meeting also, Kruse said.

"We are still interested in gaining more women members in the Flying 20," the club's secretary states. So far the organization has two female members and another who has shown interest in membership, he reported.

Several members of San Mateo Junior college are expected to be at the meeting. The visitors are considering the possibility of forming a flying club at their institution and want to gain better knowledge of this type of club, Kruse explained.

Will Meet Alumni

Dr. Vernon A. Ouellette, new placement officer, and Alumni Director Joe Juliano travel today to Placerville to meet with members of the alumni in that area.

Dr. Ouellette will tell the group of his work in placement, show sketches of the chapel now under construction, and explain the building program at SJS. He also will bring before the group the new graduate program outlined by Dean J. C. DeVoss.

MEMBERS OF THE "BLUE NOTES"—musical combo from USF, do their utmost to raise Spartan spirit for last Friday night's football game. The "Notes" were part of the program which was received enthusiastically by a capacity crowd in Morris Dailey auditorium Thursday night.

A new tradition arose at the rally. A coffin, which Richard "Doc" Weaver said might appear at any time or any place, opened to reveal the "spirit of USF". The spirit supposedly had died at Friday night's football game.

The popular Travelaires did their part to make the rally a success by singing several numbers. Joyce Buswell and Mr. Spartan were among other top entertainers.

Cheers were led by Maurice Richmond, Joe Thornely and Don Nunes, while song girls Judy Zent, Francine Lawson and Gloria Sprague performed.

Spolyar Advocates Need Of Business-like Income

By LUD SPOLYAR, ASB President

Student Government. To many it means a lot, while others don't care. But whether or not a person cares, student government is important in one's college life.

At the present time we are in the midst of planning our financial future.

Everyone knows how important finance is in any organization. Student government here at San Jose State college is no exception.

We have a \$90,000 yearly budget on which we must plan. Student body affairs are not

child's play when this is taken into consideration.

Actually, what I'm trying to say is: We need a set and businesslike income so the student council can give the most efficient and satisfactory service to the students.

The universal student body card law, which we will either accept or reject in an election soon, will aid us in achieving that efficient student government. I speak not only for myself when I advocate an affirmative vote on the universal fee, but for hundreds of others who

have been connected with student body affairs.

We voted in favor of having universal student body cards here on Washington Square, but legal opinion in Sacramento threw us a curve when it said our election wasn't valid. I know all thinking Spartans will vote affirmative in the new election.

I wish everyone would read all the facts and material concerning the election. That way you'll get all the facts, and the true picture of the situation.

Thank you for your interest and sincere judgment.

Fraternities Are Maturing

Fraternities at San Jose State college are presently considering a proposal which would do away with "hell" week. This is a serious decision for the fraternities to make. We believe they are finally aiming in the right direction when they consider placing a ban on hazing.

The reason for this sudden change is that the "frats" are planning to do something constructive in the community in the way of a "help" week for their pledges.

This idea is not original; many other colleges, Indiana university, as an example, are participating in such a project. The plan is certainly a more mature and serious minded outlook on the part of the local campus organizations.

At Indiana university "frat" pledges conduct baby-sitting services, give time to cleaning buildings, which belong to welfare groups, aid unfortunate people and conduct a week of "help your neighbor" policy. These are only a few of the things which can be done by campus fraternities.

It is rumored that one local fraternity is planning to have its pledges paint a San Jose church. Other groups are considering such worthy projects.

We are happy to see that this college's fraternal groups are interested in such a noteworthy plan. Let's hope some organization gets the ball rolling in the right direction on this campus to conduct a "help" week instead of a "hell" week.

UNITED PRESS ROUNDUP

Predicts '52 Statehood For Hawaiian Islands

Gov. Orren E. Long of Hawaii said Friday that the territory has a 50-50 chance of attaining statehood next year if Congress can be convinced that no Communist activity threatens the island.

He maintained that the port and

agricultural members of the left-wing International Longshoremen Workers union follow the thinking of their leaders only as far as wages and hours are concerned and "nothing beyond that."

Long mentioned Sen. Hugh Butler of Nebraska as leading the opposition to admitting Hawaii as a state on grounds that Communism is a threat there.

"But even Senator Butler concedes that Hawaii should be granted statehood ultimately," Long said. "The only difficulty centers on the timing."

Long said that another block to admitting Hawaii is "psychological." He said the "objection that Hawaii is 2200 miles off shore has no practical significance with modern means of communication and transportation."

Frat Could Use Glass Blower

Members of Alpha Eta Rho fraternity came to the conclusion recently that they could use the services of a glass blower, according to Andy Princeau, publicity director of the fraternity.

Princeau explained that the organization has on display in the Aeronautics office a plaque which was presented to them by the Spartan Flyers club last year.

When he tried to install the plaque in the AER bulletin board outside of the Morris Dailey auditorium, Princeau said, he found that he could not close the glass cover.

"I tried taking it (the plaque) apart; I even thought about shaving the back of the plaque, but if I did that there wouldn't be anything left," Princeau moaned. "About the only thing left to do is change the bulletin board. Know any glass blowers?"

Phi Epsilon Kappa: Meet Thursday at 1:15 p.m. in the Student Union. All PEKs who plan to be active members this year are requested to fill out an address card in the P.E. office by Oct. 16.

Sojourners Club: Meet tonight at 7 p.m. in Room 11. After the meeting, all Master Masons will visit a local lodge.

Social Affairs Committee: Meet today at 2:30 o'clock in the Student Union.

Senior Class Council: Meet today at 3:30 o'clock in the Student Union.

Junior Class Council: Meet today at 3:30 p.m. in Room 24.

Sigma Sigma Fraternity: Meet tonight at 7 p.m. at the Unitarian church.

Freshman Camp Committee: Meet today at 4:30 p.m. in the Student Union.

Tau Delta Phi: Sign up before tomorrow on the Tower door for Thursday's luncheon.

WAA: Women's badminton will be held every Wednesday at 7 p.m. in the Women's gym.

The gym will be open for tennis and orchesis every Tuesday afternoon at 3:30 p.m. Modern dance club will meet on Tuesday nights at 7 o'clock.

Monday afternoons at 3:30 o'clock will be open for women's hockey and fencing.

Women's Swim club will meet every Thursday at 7 p.m. in the Women's gym.

Mumby, Faculty Mate Meet Again

A 21-year-old friendship, which began in Lucknow, India, in 1930, was renewed Thursday when Dr. C. M. Thacore, president of Lucknow Christian college, and E. W. "Ted" Mumby, assistant professor of physical education, met at Washington Square.

Dr. Thacore visited here before returning to India. He spent four months in the United States.

Wrestling Coach Mumby taught in the Lucknow institution from 1921 to 1941. The two met in 1931 when Dr. Thacore joined the faculty as an English instructor. Later Dr. Thacore became head of the English department and, in 1949, president of the college.

The college is supported by the Methodist denomination and its president has been visiting Methodist institutions in this country.

Dr. M. Reitzel To Display Art At Exhibition

Dr. Marques E. Reitzel, head of the Art department, has been invited to stage a one-man show of his paintings at the University club of Sacramento during the month of November.

Selections for the exhibit will be made from his work of the past ten years. Included will be several landscapes painted in the Pescadero area, where Dr. and Mrs. Reitzel have a summer art school.

Dr. Reitzel will be the guest of honor at a luncheon at the Sacramento University club on Saturday, Oct. 28, in connection with the opening of his show. Harold Ward, head of the Art department at Sacramento State college, has made arrangements for the exhibit of Dr. Reitzel's paintings in the California capital.

Raiders Drop Third Tilt

(Continued from page 1)

on an off-tackle smash from seven yards out. The Spartans had played them on even terms up to this time but a recovered fumble on the San Jose 24-yard line gave the Dons the break they needed and they quickly capitalized on it. Four minutes later the Dons found paydirt again with Ollie Matson scoring his first t.d. of the evening on an 18-yarder. The sprint climaxed a Don drive that went 56 yards in five plays with Scudero, Matson and Carley sharing the yardage.

Early in the second quarter Burl Toler tackled Al Matthews in the end zone and the Dons were out in front 16-0.

The Spartans then enjoyed their short siege of glory and brought the score up to 16-7 when Hamilton passed 25 yards to Gibby Mendonsa. A fumble by Ollie Matson set up the score as the Spartans worth to Joe Kuharich's crew by playing close to 60 minutes.

Despite the 35-point difference on the scoreboard, the Spartans looked good. Coach Bob Bronzan was pleased with the performance of his boys for they never gave up. The breakaway ability and speed of the Don backs was the big difference. Along the line and on pass defense the Spartans were greatly improved over the last Frisco contest.

If any players could be singled out they would have to be Keith Carpenter and Jerry Hamilton. Carpenter played both offense and defense for almost the entire game after offensive center Tom Cuffe was injured early in the first quarter. Hamilton filling in for injured Lynn Aplanalp was hitting his receivers on his passes and did some fine running when his men were covered.

The Dons started the ball rolling late in the first period with Scudero taking the touchdown honors tans went 37 yards in six plays.

A drive early in the third quarter gave the Dons another six points. Vince Sakowski scored from two yards out and the 'Frisicans had driven 74 yards in nine plays.

Matson added his second tally with a two yard drive over center climaxing a drive that went 58 yards in seven plays.

The Dons had another touchdown called back in the fourth period on a penalty. Jim Boggan broke loose on a 33-yard jaunt but a holding penalty nullified it. On the next play Matson ran around right end for 48 yards.

Dick Huxley scored the final touchdown for the Dons on a six-yard run around end. Sub quarterback Bill Henneberry engineered the drive that went 50 yards in eight plays.

SHORT SHOTS . . .

Coach Bob Bronzan commenting after the game said he would put the Dons with the top-ten in the country. . . . Bronzan reports that there were no serious injuries. . . . Lynn Aplanalp's eye infection will keep him out of the line-up indefinitely, says Bronzan. It might clear up in a few days or it might take weeks.

Officials Needed For Mural Tilts

Anyone interested in officiating at intramural football games is asked to contact Bill Perry, intramural athletic director, in the Men's gym.

Perry indicated that at least six officials will be needed to take care of the daily intramural league schedule. The league will get under way sometime this week, Perry commented, so that it is essential that those interested sign-up immediately. Officials will receive \$1 a game, for one hour's work.

SIDELINES

with
ROY HURLBERT

USF's daring and dangerous Dons may have terrorized San Jose State grid fans for the last time following their 42-7 job Saturday night before a stunned crowd in Spartan stadium.

The Don dynasty is about to come to a finish as of this year. Coach Joe Kuharich's fine team virtually will graduate as a unit next June. When Matson, Brown, Toler, Marchetti and their roughhouse mates wave goodbye to the Hilltop, USF will have as many vacancies as a cabin at Santa Cruz in winter time.

Kuharich's great outfit long will be recalled by Golden Raider athletes and grandstanders. Since Matson took over with his pals three years ago, the Spartans haven't won a game against the Dons. Added to the 39-2 rout in San Francisco and Saturday night's 42-7, the San Franciscans have a record of seven straight over the Spartans. The series stands 8-2, the Dons by six lengths.

Upstairs in press box row Saturday night enjoying the show were USFers Jim Ryan and hefty Dick Stanfel, All-Coast guard for the Dons last year. Ryan, Kuharich's backfield coach, was working the field phone, tipping the coaching staff downstairs on the field. The former Don QB was busy and sweating during the first half, but kept off the-line in the last 30 minutes when the Dons were safely in front.

Stanfel, property of the pro-Detroit Lions, watched the Don linemen with eagle eyes, probably noting a few items of advice for Line Coach Brad Lynn. Stanfel hurt his knee back east and won't rejoin the Detroit team until next year.

A special half-time ceremony featured the San Jose State college band in a lively serenade honoring the visitors. The Spartan rooting section joined in with a colorful display of card stunts. One over-Hadacolled Spartan enthusiast proudly waved a Confederate flag from the center of the white-shirted SJS yelling section. From a well-known campus fraternity, no doubt.

California's amateur golf champ, Junior Ken Venturi, was presented with a trophy for his sterling links play by Spartan Athletic Director Bill Hubbard, during the half-time spectacle.

Spartan Harriers Show Good Form In Intra-squad Meet

Good team balance and a fine early season performance by newcomer Joe Tyler highlighted the SJS cross country team debut Friday at Spartan stadium.

Tyler, a transfer student from Los Angeles, rambled over the three and seven tenths mile course in 19.30 minutes and finished in strong shape to garner first place in the SJS intra-squad meet. Bob McMullen, top miler on the Spartan track, finished second in 19.51. Running the distance for the first time, big Bob was gasping for breath as he approached the finish line, but as Coach Don Bryant stated, "He shows a lot of promise."

Captain Paul Jennings, paced by Tyler, edged McMullen's group 27 to 28 (in cross country meets low score wins). Also scoring points for the victorious Jennings team were Jennings who came in fifth, Al Weber, sixth, Bob Navarretta seventh, and Bob Azavedo eighth. Picking up markers for the McMullen men in addition to the captain were Larry Purley third,

who finished with a powerful kick, Paul Bowen fourth, Mike Gurrero ninth, and Dave Finch tenth.

Top thrill of the afternoon was the fourth place battle between Jennings and Bowen. Jennings had a slight lead as the two harriers approached the finish line, but Bowen sprinted the final 100 yards to nose out his foe.

Slowed down by illness, former Spartan Dore Purdy finished behind Weber in the time of 21.19. Mike Ryan served as clerk of the course and starter. Bob Adams was the scorer. The Spartan Harriers will ramble against San Francisco State on Friday.

Spartans Splash Broncos In Water Polo, 10 to 3

San Jose State college's varsity water polo team splashed to their initial victory of the season over the University of Santa Clara yesterday afternoon in the loser's pool, 10 to 3.

The Spartan mermen evened their season record at one and one after losing to Stanford in the opener last week in Spartan pool.

Forward Chet Keil led Coach Charley Walker's frogmen with three goals as all the Spartan starters shared in the scoring. Backs Taylor Hathaway and Chesley Douglas trailed Keil with two

goals apiece. The final three points were split among team captain Fred Postal, goalie, Dick Lebedeff and Don Hibner, both backs.

The victory marked the third straight triumph over the Broncos by the Spartans in the last two seasons. The two teams meet again in a rematch, Nov. 16, in Spartan pool.

California's Golden Bears present rugged opposition this Wednesday when the varsity and freshmen journey to Berkeley in a dual meet.

Fireside Meetings Will Begin Tonite

In an effort to aid relations between students and faculty members, a series of Faculty Firesides will begin tonight at 7:30 o'clock at the home of Dean and Mrs. Stanley Benz, 1775 Guadalupe street, according to Jim Martin, executive secretary of the Student Y.

The firesides are planned for every other week. Each time a small group of students will visit the home of an instructor and have an opportunity to chat informally and become acquainted with the faculty.

This time 15 students will be allowed to visit. Spartans interested may sign up at the Student Y on Seventh street. Transportation will be furnished. Students will meet at the Y before "dropping in on the Benz."

STANLEY BENZ

Campus Chest to Raise Funds For Year in One Large Drive

In its first meeting of the current quarter, the Campus Chest committee decided Thursday to limit its fund raising activities to one big drive for the entire year, according to Shirley Crandall, chairman of the committee.

Collections from the drive, which will begin Nov. 5 and run through Nov. 9, will be divided among such charitable organizations as the March of Dimes, the Community Chest and the World Student Service Fund.

Miss Crandall said that except

in case of an emergency such as last year's Lanini Seeing-eye Dog drive there are no other drives planned for this year.

Combined quota for both students and faculty of San Jose State college is \$7985. Last year the quota was \$7000.

Members of the committee who attended the meeting were Shirley Crandall, chairman; Pat Falangar, secretary; Chuck Wing, treasurer; Seymour Abrahams, Student Council representative; Carol Larson, junior class representative, and Lee Leidig, WSSF representative. Advisers to the committee are President T. W. MacQuarrie and Dean Joe H. West.

Tau Delta Phi Elects Boos As Magistrate

Harry Boos was elected grand magistrate of Tau Delta Phi honor society Wednesday night when the group held its first meeting of the year. Other officers elected were: Don Schultz, magistrate; John Gallaher, master of finance; Dick Weimer, master of records; and Al Hooning, master of entrance.

The scholastic honor society's semi-weekly luncheons in the tower have been changed to Thursday. The first luncheon will be held Thursday, Oct. 18, from 11:30 a.m. to 1:30 p.m., and all members must sign up for the luncheon on the tower door before tomorrow.

Hillel Group Will Discuss Election

Plans for the coming quarter and election of officers will be discussed at the Hillel executive council meeting tonight at 6 o'clock in Alexander hall at the YMCA, according to Ed Klein, religious chairman.

Four of last quarter's officers are no longer here. Officers who were to direct Hillel activities were Dave Stollhoff, president; Beverly Blaustein, recording secretary; Diana Goldsmith, corresponding secretary; and Fred Findberg, member at large.

The weekly meeting will follow the executive session at 8 p.m. All members are asked to attend.

Discuss Plans For SJS-SC Pre-Game Fest

Tentative plans for a rally to be held on the San Jose city hall steps before the Santa Clara-San Jose State college football game were discussed at a meeting of the Rally committee in the Student Union Wednesday night.

Proposals were made that both schools attend the rally.

There will be no rally before the Idaho game, the next one being scheduled for the Loyola contest, according to Tom Mullan, chairman of the Rally committee.

Mullan said that there will be no meeting of the committee next week. The executive committee will meet in the Student Union today at 2:30 p.m.

Re Announcements

All announcements for the Spartan Daily must be written up on the blanks supplied for that purpose and must be in the Spartan Daily office by 1:30 p.m. on the day preceding publication.

Blanks may be obtained in the office in B93 on the circular desk inside the door.

Dean West Attends Meeting to Discuss Terminal Courses

Dean of Students Joe H. West attended a conference on junior college terminal courses at the California Polytechnic institute in San Luis Obispo Saturday.

The conference was held to determine the credit to be given by state colleges for junior college terminal courses. Junior college terminal courses are similar to the technical courses given at San Jose State college, Dean West explained.

Teaching Positions Now Are Available

A first-grade teacher, for morning sessions only, is needed now in the San Jose area, Miss Dorris Robinson, director of teacher placement, announced Friday.

There also are openings in southern California for teachers of mentally retarded and partially deaf children, she said.

Interested persons can contact Miss Robinson in the Placement office, Room 108, for information.

Contact Art Office

"All students wishing to do student teaching in art during winter quarter are to apply immediately at the art office, A9," Miss Clara Bianchi, Art department secretary, announced.

Freshman Camp Plans Reunion Wednesday

A 1951 Freshman camp reunion will be held at the barbecue pit of the Women's gym Wednesday from 5:30 p.m. until 10:30 p.m., according to Tom Mullan, spokesman for the group.

Highlights of the evening will be a 20-minute demonstration and instruction period by ASB President Lud Spolyar on the fine points of the flea hop, and a number by Maggie Murphy which she calls "something special."

Dr. and Mrs. Carl Duncan will be on hand to lead the folk dancing. Records will provide the music and there also will be social dancing.

A trampoline act, arranged by Jack Scheberies, is scheduled for the reunion, and a number of variety shows will be directed by Ingrid Anderson and Joyce Malone. Miss Anderson is in charge of the entire reunion.

Tickets were placed on sale in the library arch last week. Ducats also may be purchased in the Graduate Manager's office, and will go off sale Wednesday, Mullan said.

Ron LaMar is in charge of

ticket sales, and Dorothy Smith and Norma Cates have charge of posters.

All faculty advisers and counselors who were at Freshman camp will attend the reunion, Mullan said.

Good Grooming

PAYS

That's right, good grooming pays dividends—so try and look your best. Send your clothes to a reputable cleaner—namely George's—whose business is thriving on hundreds of satisfied customers.

Lost Anything?

"Students who lose articles should check frequently with the Lost and Found office," Mrs. Betty Street, office director, said Friday. "Items that do not show up at first may be discovered in a few days."

As example, she cited the case of a black sweater lost about two weeks ago. "The sweater is in our office now," she said, "ready for the owner to claim."

The Lost and Found department is located in the Information office, Room 2.
