Council Approves Election Dates

San Jose State College

Vol. 41

SAN JOSE, CALIFORNIA, THURSDAY, OCT. 9, 1952

No. 12

—photo by Parker

YOUR STUDENT COUNCIL is shown in session. Clockwise around the table are Jean Ann Bailey, ASB representative-at-large; Tom Evans, president; Mary Pahl, recording secretary; John Aitken, vice president; Tom Mullan, treasurer; Sey-

mour Abrahams, senior class representative, and Marv Scarper, junior class representative. Outside the windows in the background workmen are noisily constructing the new Speech and Drama building, but the Council must talk on.

Fresno Show Tops Tonight's Rally

Fresno State college's exchange rally, "Show Time," will be held in the Morris Dailey auditorium at 8 o'clock tonight along with other pre-game festivities, according to Chuck Wing, Rally committee chairman.

The semi-professional troupe will put on a show similar to last year's production, Wing said.

The Rally committee chairman praised last year's production highly and said the show promises to be good entertainment. He asked for complete support of the student body for the affair.

This year's song girls will be introduced at the rally, Wing said. They are Francine Lawson, Jackie Young, Mary Walker, Barbara Pippin, Nancy Northrop and Arlene Gentry.

Seats in the rooting section for the Fresno-SJS game Friday will be available on a "first come" basis, Wing reminded Spartan rooters. He urged a large "white shirted turnout" and explained that no one will be allowed in the center section who is not wearing white.

Music Addition

Patrick Meierotto, former instructor at the University of Indiana, is the newest addition to the Music department staff, Dr. Lyle Downey, department head, announced Tuesday.

Mr. Meierotto will teach classes in piano and theory.

He received his MA from the University of Indiana and his BA from Colorado college in 1950. Before entering college he studied at the Biarritz university, France.

Have a Candy Bar?

The Rev. Mr. James Martin, Student Y adviser, reached into his vest pocket, pulled out a chocolate bar and announced, "It's a boy."

Foregoing the traditional cigar, the beaming cleric handed out candy bars yesterday to announce the birth of his second child, David Douglas, at 3:48 o'clock Tuesday morning.

The Martins' first child is a girl.

The Reverend Mr. Martin said his wife, Mary, is doing "very well," as is David Douglas.

Students Top List on Test

Seventeen police majors from the college were among the 24 qualifiers for the eligibility list for jobs with the local police department, according to Donald Macrae, personnel director for the City of San Jose.

Three other students from the college also qualified, he said. They were pre-legal, business and social science majors.

The top three scores on the civil service examination were turned in by police majors.

"The fact that 20 out of the top 24 qualifiers were college students is not surprising in view of the fact that they have had more training, particularly in the case of the police majors, Macrae said.

The test was taken by 34 persons. An additional 20 persons applied but were not qualified to take the written examination.

Ike, Adlai Speech Excerpts on Radio

Excerpts from recent campaign speeches of both the Democratic and Republican parties will be featured on "Peoples and Problems," the weekly radio program of the Industrial Relations Institute heard at 12:30 p.m. Sunday from Station KEEN.

Tape recordings from the San Francisco speeches of Eisenhower and Stevenson will be combined with interpretive narration to explain the workings of political campaigns, reported H. Paul Eckert, associate director of the institute.

New College Bus

Delivery of a new bus, seating 47, was made to the college yesterday by the Crown Coach company of Los Angeles, according

'Reduce Fees' Recommends Special Group

A special student committee on senior fees voted late yesterday afternoon to recommend a \$15 fee for June graduates and a \$10 fee for December and March graduates.

December and March graduates wishing to attend Senior week activities would be required to pay \$15.

The committee recommendation will go before the Senior class council Monday for a decision.

Anne Burt, committee member, who is in favor of reducing fees further for seniors not planning to attend class activities, said she believes "both sides of this question should be presented to the President's Council" before any final action is taken by that group.

In the past all graduates have paid the same fee regardless of the time of their graduation or number of class functions they attended.

Draft Deferment Tests Available

Applications for the Dec. 4, 1952 and April 23, 1953 college qualification tests are now available at local draft boards throughout the country, according to the Selective Service examining section.

Students whose academic year ends Jan. 1953 are urged to take the Dec. 4 test, so they will have a test score in their cover sheets before the year closes.

Undergraduates wishing deferment on the I-S classification must have a "satisfactory" score of 70 on the test, and carry a 15 unit per quarter academic load.

Graduate students who began their studies after July 1, 1951, must make a score of 75 or better on the test.

The college deferment test is open only to those students who intend to request student deferment, are satisfactorily pursuing a full-time instruction course, and have not previously taken the college qualification test.

to E. S. Thompson, business manager.

The \$14,000 vehicle will be used to transport students to and from gym classes at Spartan field, Thompson said.

By LELAND JOACHIM

The Student Council yesterday, meeting at first with 12 members and dwindling to eight, pushed through a lengthy agenda topped by the scheduling of class elections.

Other important actions were the formation of an ASB Awards committee, the appointment of a parliamentarian, and the passing of a resolution to send five students to a World Student Service Fund convention at La Honda Friday, Saturday and Sunday.

Campus Chest Contributions Aid 'Y' Group

Money contributed to the Campus Chest drive will "go forth and multiply, and return a hundred-fold" according to budget figures of the Student Y.

Although the campus goal is only \$1500, the Student Y alone will receive \$3982 from the Community Chest this year, if the total goal of the community of San Jose—\$383,946—is reached, reported the Rev. James Martin, Student Y adviser.

Bernie Rapley, chairman of the drive, reported that, as of Tuesday, only \$628 had been collected. The largest part of this was collected on campus Monday, when \$570 was turned in by student collectors.

The Rally committee will help in the drive tonight at the Fresno State rally. The drive will end Friday night after the football game.

Fair Today

The weatherman gradually is slipping into a rut. He says: generally fair today and tomorrow; little change in temperature.

High temperature both days will be in the mid-70's; low tonight will be 48 to 53 degrees.

More Needed In '53 Draft

DENVER COLO. (UP) — Brig. Gen. Louis H. Renfrow, deputy director of selective service, says it probably will be necessary to tighten up on deferments, and possibly lower physical standards, to meet 1953 draft quotas.

In a speech before the general conference of the National Guard association here yesterday, Renfrow said the armed forces will need "well over" 1,000,000 men to maintain their planned strength through 1953.

But he presented figures showing that only 771,152 are likely to be available in the 19 through 25 manpower pool.

He did not suggest which categories might be affected by a tightening of deferment policies.

Unarmed U.S. Hospital Plane Attacked by Soviet Fighters

Soviet fighters fired on an unarmed U.S. hospital plane in the air corridor between West Germany and Berlin yesterday and may have shot down an American B-29 Superfortress over Northern Japan Tuesday.

Truce Talks Off
PANMUNJOM, Korea (UP) — The United Nations called a halt to the futile Korean truce meetings yesterday until the Reds accept allied proposals for breaking the prisoner deadlock or offer a better plan themselves.

Crash Kills 116
HARROW, England (UP) — Three British passenger trains piled up here yesterday and Scotland Yard announced late today 116 persons were killed.

Forty-five of the dead had not been identified. Another 170 were injured in the smash-up and were

Applications for sophomore, junior and senior offices can be obtained Friday at 9 a.m. in the ASB office in the Student Union, according to the schedule. The election will be held Oct. 24.

The freshman class election will be Dec. 5 and applications will be available Nov. 24.

Bill Eckert was appointed parliamentarian. The council voted to pay half the convention expenses of the La Honda delegates.

Don Clouse, chairman of the Blood drive, reported that a one-day drive will not be held this quarter, as was suggested at last week's meeting. The Red Cross Blood center prefers that Tuesday and Friday of each week be specified as a day for students to donate.

Phil Goodwin was appointed to arrange a fall quarter coffee hour.

Midway in the meeting it was brought to the attention of the council that only eight members of the original twelve members still were present. Dave Doerr, Constitution committee chairman, commented that it "is a pretty sorry showing when so few of the members" are present to conduct business.

Doerr explained that motions could be passed by general consent, but they would only have to be approved at the next meeting, because a quorum, technically, is "eight and two-thirds members."

The thirteenth member of the council, Doc Weaver, representative-at-large, has never attended a meeting this quarter, Tom Evans, ASB president, said.

The Rally committee obtained permission to take the SJS-COP bell, mounted on a truck, to the homecoming parade at Stockton. Partly to guard the bell, suggests Chuck Wing, chairman of the Rally committee, organizations will send cars, in which girls will ride.

The Spartan Shields were given permission to sell Coca-Cola at the home boxing meets and novice tourney.

ASB receptionists were invited to next week's council meeting to observe procedure.

Receptionists at the present time are Gretta Peterson, June Hartwell Darlene Stadler Bobby Enochs, Gail Governale, Jessie Matsumoto, Sandy Pullan, Nancy Davenport, Sue Chapman, Shirley Knapp, Charlotte Wood and Pat Patton. Most of the receptionists are lower division students, and members of the Rally committee.

Acheson Issues Warning

WASHINGTON (UP) — Secretary of State Dean Acheson has told Sen. William F. Knowland that breaking diplomatic relations with Russia—as proposed by the California Republican—"would be a step of the utmost seriousness with world-wide consequences."

Record California Tax Bill

SAN FRANCISCO (UP) — During the fiscal year 1951-52 California taxpayers paid \$6,744,499,000 (B) in taxes for all three levels of government—federal, state and local—the largest tax bill in history for the state, according to the California State Chamber of Commerce.

Drive or Not, They Still Need Blood

Students have an opportunity to give blood now despite the lack of a campus drive this quarter.

If Spartans do give, the fact that they are from the campus will go a long way in cementing better relations with the Santa Clara Valley Blood center. Too, it will give some of the much-needed fluid to the fighting men in Korea.

Individuals or groups who wish to donate blood at this time do not have to provide their own transportation. The local center, at 440 N. First street, will supply students with private transportation or a bus, if necessary, on Tuesdays from 10:30 a.m. to 5:15 p.m., or on Fridays from 10:30 a.m. to 7 p.m.

We urge students to take the following figures into consideration. Approximately 700 pints are used by residents in this area every month and another 800 are sent overseas to Korea. The Blood center is eager to maintain the above quota each month and more if possible.

Students from this college can take a valuable part in the community by donating their blood now. Give now, and again at the campus drive, in February.

Meetings

Alpha Gamma: Meet at 7:30 o'clock tonight at 240 S. Eighth street to discuss Sunday afternoon's barbecue and sketch trip.

AMS: All team captains for intra-mural football games meet in the Student Union today at 2:30 p.m.

Beta Beta Beta: Meet tomorrow in Room S204 at 10:30 a.m.

Christian Science: Meet in Room 21 tonight at 7:30.

Delta Phi Delta: Meet in Room A1 today at 4:30 p.m.

IA Majors and Minors: Bring lunch to orientation meeting in IA quad today at 11:30 a.m.

Kappa Delta Pi: Get tickets for barbecue, to be held outside the Women's gym on Oct. 16 from 5 to 7 p.m., before Oct. 15. They are on sale for 25 cents in Room 161.

Newman club: After-Rally dance tonight at Newman hall, 'til midnight, admission 25 cents.

OT Club Barbecue committee: Meet today at 3:30 p.m. in B72 to discuss change in plans for barbecue.

Publicity and Advertising committee: Meet today in B8 at 1:30 p.m. to work on projects for Frosh-Soph Mixer. Bring rulers, erasers, pencils and paint brushes.

Spartan Chi: Meet in Room 210, the Library, tonight at 7:30.

Spartan Oriole: After-game dance in the Student Union tomorrow night at 10:30.

Young Republicans: Meet in S210 tomorrow at 3:30 p.m.

WAA: Co-rec meets tonight in the Women's gym from 7:30 to 9 o'clock.

Social Affairs: Very important meeting in Student Union today at 2:30 p.m.

Chairman Elected

New officers were elected at Tuesday's meeting of the council of division chairmen, according to Dr. Dwight Bentel, chairman of the Division of Journalism and Police.

Dr. Carl Duncan, chairman of the Division of Natural Science, succeeded Dr. Bentel as head of the group. Dr. Leo Kibby, chairman of the Division of Social Science, replaces Dr. Earl Atkinson, chairman of the Division of Business, as secretary.

Volunteers Needed To Help Red Cross, Camp Fire Groups

Volunteers are needed by the campus Community Service committee, to work for Camp Fire girl groups and the Red Cross in San Jose.

Local Camp Fire groups, which meet at 3:30 p.m. during the week, are looking for girls to act as assistant leaders.

Also needed are girls to do general office work at the Red Cross headquarters. Last year 20 girls volunteered and worked faithfully once a week, Pat Engerud, committee chairman, said.

Men and women also may volunteer to prepare bottles for the blood bank. Men are needed who are interested in being on call to set up mobile units around town for blood runs.

Those interested may obtain further information from Miss Engerud in the Student Union office on Tuesday and Thursday at 10:30 a.m. or 2:30 p.m.

Show Tryouts Set For This Afternoon

If you have talent you are wanted for the Homecoming variety show.

Tryouts will be held today in the Morris Dailey auditorium from 3 to 5 p.m.

Barbara Matney, chairman of the variety show, has put out a call for both men and women singers, dancers, comedians and any other type talent that could be used in Homecoming's first variety show, which will be presented Nov. 4.

File Grad Blanks

Technical students planning to receive the associate of arts degree in December should file application blanks in Room 120 by Oct. 17, if they haven't already done so, according to Dr. Harrison Heath, coordinator of technical program.

Actions Speak Louder

Dear Donna Zschokke and other griping students:

You've been talking and writing about the "mistake" our Student Council has made in postponing the Blood drive until February. If you want to donate your needed blood now, don't wait, do as I do; make an appointment with the Red Cross Blood center on N. First street.

Don't raise your blood pressure, as displayed by those silly T and P articles I've been reading, or you won't be allowed to give blood at all.

Give now, and in February give again!

Yours truly, from a student who thinks your talk is just idle talk.

BOB DEAN,
ASB 128

First In Series Of Visitations To Be Held Sunday

Students are invited to visit St. Paul's Methodist church here Sunday morning in the first of a series of church visitations, reports the Student Y.

The visitation program, sponsored by the Y, includes trips to three other churches this quarter, according to Ed Wright, publicity chairman.

The Rev. Robert Fitch, pastor of St. Paul's church, will speak to the visitors after the services and answer their questions.

The purpose of the program is to show students how the various religious faiths worship, Wright said.

Anne Dench is chairman of the program.

Students planning to go to St. Paul's church Sunday should meet at the Student Y, 272 S. Seventh street, at 10:45 a.m., Wright said.

Contest For Queen Open

Applications for Homecoming queen will be taken until Oct. 20, Bill Cancilla, Homecoming queen contest chairman, announced yesterday.

"It is hoped that every organization on campus will nominate a candidate," stated Cancilla.

The only requirements are that the girl entered be on clear standing and a member of the student body.

Application blanks are in the organizational boxes in the Student Union. They must be submitted by Oct. 20 in order that the contestant qualify for the Homecoming queen contest.

Senior Majors May Go to O.T. Session

Senior occupational therapy majors are invited to a meeting of the Northern California Occupational Therapy association at the El Portal school for cerebral palsied children in San Mateo at 7:30 p.m. Friday, Oct. 10, according to Mrs. Eleanor P. Denison, president of the association and assistant director of the Occupational Therapy department.

According to Mrs. Denison, a business meeting will be held and a report given on the American Occupational Therapy convention, which was held this summer at Milwaukee, Wis.

Relaxation and Recreation Are Goals of Co-Rec Program

Relaxation and recreation are the purposes of Co-rec night, to be held tonight and every Thursday from 7:30 to 10 o'clock in the Women's gym.

The program consists of badminton, volleyball, folk dancing, ping pong, uke playing and community singing.

A table tennis tournament is planned for spring quarter. Mary Grimes is the table tennis director on Thursday nights.

Also scheduled is a volleyball tournament. The teams, open to any student, will consist of four men and four women.

Co-rec has scheduled a badminton tournament for this quarter. Badminton on Thursday nights, is under the leadership of Nancy Camp and Shirley Snyder. Rackets and birds are furnished.

Co-rec participants are required to wear tennis shoes and have an ASB card. For active sports, the girls are advised to wear peddle pushers, shorts, or slacks. The boys should wear denims and tee shirts.

Dressing rooms and showers are provided for both men and women.

Co-rec officers are Betty Wiser, president; Barbara Haipner, vice-president; Joan Bordenave, recording secretary; and Sharon Winklebleck, historian. Miss Ardit Frost, physical education instructor, is the faculty adviser.

SPORTS

Daily Report on Spartan Athletics

Spartans Battle Fresno Tomorrow

Golden Raider gridsters will be going after their eleventh victory against the Fresno State Bulldogs tomorrow night at eight o'clock in Spartan stadium, in their first home game of the season.

Over a number of years the two teams have met 20 times with the Spartans winning 10, losing seven and tying three. Last year's game was won by the local club, 32-6, and featured the fancy Spartan quarterback, Lynn Aplanalp, who again leads Coach Bob Bronzan's men this season.

Aplanalp tied the school record for the best passing percentage in a single game by completing 15 out of 18 for an 87.5 completion average.

Three other school records were also set in last year's tussle. Frank Morris, fullback, got on the books

BILL PERRY
... Spartan Line Coach

for the most passes received in one game with seven and also he accounted for the most points ever scored in a single game by a Spartan with 24.

Bob Osborne, who will be seen at the halfback spot tomorrow night, was also in on the record-setting spree. He set a single game record for the most yards gained on pass receptions with 115.

The locals are not expected to go on a scoring orgy in this game as the Bulldogs will be much stronger this season than in the past. They were endowed with a number of returning lettermen, including Larry Willoughby, a 190-pound halfback, who is reported to be as fast as any back fielded by Coach Bronzan.

The Spartan coaching staff sent their charges through a stiff offensive and defensive workout yesterday in preparation for the game.

Coach Bronzan said that he knows very little about the Bulldogs offense. They have been known to run and pass from at least five different formations this season.

Little information can be gained from this in that the Fresnoans have yet to be pressed this season. They are undefeated thus far, having triumphed both the Cal Aggies and Pepperdine. They defeated the former team by a score of 41-6 and ran over the hapless Waves 60-7.

Only one change in the starting offensive line up will be made, according to Coach Bronzan. Bill Walker will replace Al Matthews. The remainder of the starting squad which was successful in defeating Arizona State 21-14, last

week, will be: Bob Amaral and Stan Wacholz, ends; George Porter and Sal Cardinali, tackles; Dale Summers, and Clarence Orr, guards; Jack Carhart, center; Walker and Larry Matthews, halfbacks; Dick Stults, fullback, and Aplanalp, quarterback.

Seals Renew Contract With Tommy Heath

Santa Paula, Calif., Oct. 8 (UP)—Tommy Heath, manager of the San Francisco Seals, disclosed today he has signed a 1953 contract to boss the Seals despite their poor showing in the Pacific coast league race this past season.

Heath, seemingly undaunted by the Seals finishing next to last, also revealed that he will be receiving \$3000 more this year than he made last year.

En route to his Ventura home where he will spend the winter, Heath said he hopes the Seals will be able to work out an agreement with the local pro club, formerly the Ventura Braves of the Boston Braves farm chain, so Ventura can retain its California league franchise.

Judo Squad On Road

Three members of the crack college judo team will journey to Eureka tomorrow night to perform an exhibition at a Republican party rally to be held in the Eureka National Guard Armory.

Jim Foster and Tom Barton, two stars of last year's squad who will be returning this year, will demonstrate judo tactics and techniques to an expected capacity crowd.

ASB Card Good For Home Games

Students are again reminded that they will be admitted to all home football games for 1952, with the exception of the San Jose State-Santa Clara contest by presenting an ASB card at the gate, according to Graduate Manager's office.

Students who plan to attend the Oct. 13 San Jose State-College of the Pacific grid game at Stockton must pick up their ducats before next Monday at noon.

Guest tickets to tomorrow's Fresno State encounter are available in the Graduate Managers office for \$1.20 and guest ducats to the SJS-COP tilt are \$3.

Football Picks

Tomorrows edition will present the first "Football Picks" column, a weekly Friday feature during the grid season. Looking into the crystal ball to give their predictions on the top games of the week will be staff prognosticators Bill Tunnell, Walt Roessing, Ed Jacobowsky, Dick Degnon and Bill Farr.

Indians Edge Spartans In Water Polo

Coach Charlie Walker's varsity water polo team gave the vaunted Stanford university splashers quite a run for their money before bowing to the Indians 4-3 last night in the college tank.

A triumvirate of factors were responsible for the Spartans holding the visitors and even making a victory look possible in the final quarter.

The foremost of these was the unique "Kappa Alpha" defense used to bottle up Stanford scoring threats Don Osborne, Burt Holiday and Jim Gaughran. From the defensive standpoint soph goalie Jay Flood was another heavy contributor to the fine showing displayed by the locals in the opener for both teams.

The only SJS man to dent the scoring column was long and lanky Chet Keil. He put the Spartans ahead after four minutes of play only to have Holiday and Gaughran tally twice apiece. In the third canto Keil made it 4-2 and with slightly less than three minutes to go in the final quarter he brought it up to 4-3.

Walker's boys had control of the ball for the major part of the remaining time but were unable to tie it up.

Next adversary on the calendar for the spirited splashers of Spartan will be University of California on Wednesday. After last night's showing against the defending PCC champs the outlook for a successful season seems optimistic.

The freshman team took the measure of Palo Alto high school in an afternoon game with Don Eads' five goals pacing an 11-2 win.

Winter Says Track Squad Looks Good

Local cross-country track men are getting into shape, this season, faster than ever, said Coach Bud Winter today.

Inter-squad tryouts for the team will be held Oct. 23, he announced. Named on the cross-country schedule so far are Cal Poly, San Francisco State, Stanford, the Aztec Invitational and California cross-country championship meet to be held in San Diego, Nov. 15. University of California may be added to the schedule.

This will mark the first year Stanford has participated in the event.

Reporting approximately 100 men out for track, Coach Winter expressed the desire to have any interested novices try out. An inter squad meet has been scheduled for Dec. 5. Novices are urged to enter and medals will be given for special events.

Coach Winter also advised it would be to the advantage of intra-fraternity track contenders to work out early this year. The annual meet between fraternities has been held in June prior to this year.

McPherson Announces '52-'53 Casaba Slate

By JIM CASSELL

Today finds the Spartan basketballers in their second day of scrimmage. Coach Walt McPherson, with nearly 40 men working out, will attempt to cut his Varsity team to working size.

The team, at present, is handicapped by the absence of its returning lettermen. Lee Jensen,

WALT MCPHERSON

forward, recently underwent an operation on his knee and is uncertain as to how soon he will be able to play. Don Edwards, forward and center, is handicapped by having to hold down a job that interferes with his playing. Stan Wacholz, center, will not be available until football is out of the way.

Coach McPherson, whose team will play in the newly established California Intercollegiate Basketball association, has announced the game schedule as follows:

Dec. 2—Sacramento state—away.
Dec. 5—Fresno state—here.
Dec. 9—San Francisco state—here.

Dec. 12—Olympic Club (tentative).

Dec. 18—San Diego Naval Training Center—here.

Dec. 26—Stanford—here.

Dec. 27—Santa Clara—here.

Jan. 2—U. of San Francisco, away.

Jan. 6—San Francisco Y.M.I.—here.

Jan. 13—Santa Clara—here.

Jan. 17—Pepperdine—here.

Jan. 20—St. Mary's—away.

Jan. 23-24—Utah State—away.

Jan. 28—San Francisco State—away.

Jan. 31—College of Pacific—away.

Feb. 6—California Polytechnic—away.

Feb. 7—Loyola—away.

Feb. 10—St. Mary's—here.

Feb. 13—College of Pacific—here.

Feb. 14—Sacramento State—here.

Feb. 17—Fresno State—away.

Feb. 20—University of San Francisco—here.

Feb. 24—Santa Clara—here.

Feb. 27-28—San Diego State—here.

Freshmen Are Smarter Says English Division

Results of the English A examinations given in June and September show that the Freshman class this year is "smarter" than last year's—at least from the English department's point of view.

Of the 883 freshmen who took the test last month, 40 per cent passed and 60 per cent failed, as compared to 36 per cent passing and 64 per cent failing during the same period last year.

The September figures were not as high as those made by the June examinees, when 47 per cent of the 1,059 students made passing scores. In June, 1951, 39 per cent passed.

Dr. Glenn A. Reed, associate professor of English, explained the scores made in June usually are higher because the students come directly from high school and their memories are fresh.

As a group the freshmen comprise a better class with a higher standard than the previous one, he added.

The department has scheduled 30 sections of English A, Ay and Az to handle the number required to take further instruction in the fundamentals of writing and composition. Dr. Reed estimated that there are more than 30 students in each class.

Redwood Trek Scheduled for Next Weekend

Members of the Natural Science department faculty will lead nine field trips for the weekend, Oct. 11-12, according to Dr. James Heath, associate professor of zoology.

Although yesterday was the deadline to pay the \$2.50 cost for food, interested late-comers can join the group if they bring their own food supplies, Dr. Heath said.

Saturday afternoon trips will include insect study, led by Dr. James Tilden; a study of Big Basin vegetation, led by Dr. Carl Sharnsmith; ecology of Redwoods, directed by Dr. Heath; and a nature walk for faculty youngsters, led by Dr. Carl Duncan.

Sunday field trips will be led by Dr. Charles Sibley, bird study; Dr. Arnold Applegarth, amphibians, reptiles and mammals; and Dr. Gordon Edwards, study of insects.

"The Big Basin is one of the largest stands in the southern redwood forest. Here may be found a good many plants and animals which are rarely found outside these special areas, and the field trips are planned to take advantage of the unusual opportunities for observation," Dr. Heath explained.

The group will meet at the Science building at 9 a.m. Saturday and travel in private cars to the park.

Blanks for Coed Swim Meet Must Be In Tomorrow

All applications for the women's inter-house swim meet must be in by tomorrow, according to Juanita Ruck, swim club manager. The applications may be returned to Room 18 in the Women's gym or to the Swim club box in the WAA room.

Women not living in a house also are invited to participate. Application blanks may be picked up in Room 8 in the Women's gym.

The swim meet, which is sponsored by WAA, is scheduled for Oct. 20. If enough teams enter, a preliminary meet will be held Oct. 28.

A perpetual trophy will be awarded the winning team.

Parks Airmen Ask for Cards

Extension students at Camp Parks air base near San Leandro, all of them airmen, want the right to buy student body cards, according to Tom Evans, ASB president.

"The difficulty," said Evans, "is deciding which heading the 150 men enrolled in San Jose State college courses come under; they are neither regular nor limited students since they don't attend classes here."

The student constitution would have to be amended, he continued, since nothing in it provides for extension students.

They may be allowed to purchase restricted privilege cards, said William Felse, graduate manager. Such cards cost three dollars and allow the bearer to attend campus functions, but don't give him the right to participate in student body elections.

When the board of control holds its first meeting today, Evans said, it may suggest to the Student Council that it take action to amend the constitution. The council's proposal would then have to be voted upon by the student body.

"The final decision is up to the students," Evans concluded.

Grad Study Group To Vote On 18 for M.A.

Approval of applicants for general secondary credentials and master of arts degrees was the principal business of the first session of the Graduate Study committee yesterday afternoon.

Dr. Harry T. Jensen, graduate study head, announced yesterday that 24 students are considered for general secondary credentials and 18 are to be voted on for master of arts degrees.

The committee consists of Dr. Jensen, President John T. Wahlquist, Dr. Heber A. Sotzin, head of the Applied Arts division; Dr. Howard Myers, Mathematics department head; Dr. William G. Sweeney, head of the Education and Librarianship division; Joe H. West, dean of students; Dr. James C. DeVoss, executive dean and chairman of the committee, and Mrs. Ada Carver, secretary.

Hartranft Speaks

"Spartan Records and Traditions" will be the subject of Glenn Hartranft, P.E. head, when he speaks tomorrow at 11:30 a.m. in the Morris Dailey auditorium to members of the Freshman Orientation class.

If he doesn't marry, he's a bachelor, a glamorous word. If she doesn't marry, she's an old maid.

Get It Now--X-ray Leaves Campus Today

New students who have yet to get their chests x-rayed, in compliance with the health examination requirement, won't have an opportunity to do so after today, according to Miss Margaret Twombly, Health and Hygiene department head.

Students are requested by Miss Twombly to report directly to the mobile x-ray unit which is located near the arch of the Science building. The unit leaves the campus this afternoon.
