Campus Chest Totals \$935 As of Friday

A total of \$935 had been collected in the Campus Chest drive as of 5 o'clock Friday afternoon, according to Jerry Ball, treasurer for the drive.

If collectors met with success at the football game Friday night, another \$150 or \$200 was expected, Bernie Rapley, chairman of the drive, said. This would still leave the total short of the goal of \$1500 that was set for the college.

A check for \$600 was made out Friday afternoon payable to the Community Chest, Ball said. Dr. Milburn D. Wright of the commerce department, who is campus representative for the Community Chest, was scheduled to present this check to the Community Chest sometime today. The rest of the 63 per cent of the total that was pledged to the Community Chest will be given to them when all money has been collected.

The sum of \$146 was collected at the rally Thursday night, Ball said.

Class Officer Applications Now at Union

Applications for offices in the sophomore, junior and senior classes now are available in the Student Union, according to Don Binder, chief justice of the Student Court.

Offices to be filled at the election are president, vice president, secretary, and treasurer of each of the three classes and one male and one female sophomore justice.

Applications must be returned to the ASB office in the Student Union by tomorrow noon.

Petitions will be available in the Graduate Manager's office for candidates whose applications have been approved.

These petitions, signed by 50 student body members, must be returned to the application box in the Student Union by Friday.

Campus campaigning will begin Monday and the election will be held Friday.

Researcher Says Polio Vaccine May Soon Be Mass Produced

BERKELEY, Cal. (UP)—Mass production of a vaccine to fight polio and "ultimate feeding of the vaccine by mouth" was announced here Friday at the opening of the new University of California \$2,000,000 biochemistry building.

Lost B-29 May Be in Russia
TOKYO (UP)—The Air Force said Friday the B-29 Superfort which disappeared Tuesday in northern Japan near Russia "may have glided across the international boundary" and crashed.

The Superfort was approached by a fast-flying plane from Russian territory before its image disappeared on radar instruments tracking the paths of both aircraft.

Loser Gets the Prize

CONTRARY TO THE usual tradition, the spoils went to the loser after Friday's San Jose State-Fresno football encounter. The unorthodox award, which was originated in 1940, is thought to be the only one of its type in the United States.

COP Tickets

Today at noon is last chance to pick up a ticket for Saturday night's San Jose State-College of Pacific football game at Stockton.

Tickets may be obtained in the Graduate Manager's office upon presentation of an ASB card.

Guest tickets may be purchased for \$3.

Positively no more tickets will be released after noon today, according to Miss Mary Ellen Martinez, ticket manager.

Council To Decide On Fee Question

The Senior class council will take final action on the setting of senior graduation fees today at a 3:30 p.m. meeting in Room 39, according to President Ed Jacobowsky.

A special committee on fees, appointed by Jacobowsky last week, will make a report recommending that June graduates pay \$15 and December and March graduates pay \$10.

Jacobowsky has come out in favor of the committee recommendation saying, "That sounds like a fair solution to me."

Faculty Trio Attend Meet

Dr. Harry T. Jensen, Graduate Study division head, Mrs. Helen Dimmick and Mrs. Grace Rowe are representing the college at the California School Supervisors' association annual meeting which started yesterday in Long Beach.

Purpose of the session, which will last until Oct. 15, is to discuss problems which have arisen during the year in school districts throughout the state.

Dr. Jensen is on the nominating and teacher education committees.

Mrs. Rowe will give a report to the teacher education committee Wednesday on her book, "Handbook for Supervising Teachers."

Extension Course In Motion Study Open to Industry

The Engineering division is offering an extension course in time and motion study especially designed for foremen and supervisors of Food Machinery corporation, according to Dr. Jesse Zimmerman, associate professor of engineering.

Dr. Zimmerman is instructing the class. The foremen and supervisors are members of the John Bean Western division of the corporation.

Classes meet Tuesdays at 11 a.m. and Thursdays at 4:30 p.m. in the conference room of the plant.

Persons from other industries may take the course upon request.

Typical Weather

With the confidence typical of a weatherman who thinks he has found a "system," our Pacific Coast forecaster made a blanket statement—fair today and tomorrow, with possible morning fog. As an afterthought, afternoon temperatures may rise to the mid-80's.

Low tonight, 48 to 54 degrees.

By BILL TUNNELL

Sparked by the brilliant quarterbacking of Lynn Aplanalp, a highly aroused Spartan football squad crushed the Fresno State Bulldogs, 40-6, in Spartan stadium, Friday night before 10,000 spectators.

The Golden Raiders lost no time in scoring. On their second play from scrimmage, Larry Matthews, the Spartans speedy halfback, broke

Leser's Plaque Retained by Bulldog Camp

By DICK DEGNON

There was more to the San Jose State victory over Fresno State Friday night than the locals' making

it five triumphs in a row over their Central Valley rivals.

The Bulldogs, much to their dismay, once again went home with the "uncoveted" plaque that goes to the loser of the annual series.

There probably are SJS graduate students who don't know anything about the plaque, as the Bulldogs have retained it for the past four years.

The idea originated in 1940 through a mutual agreement between the two student councils.

The rules set up were that the plaque was supposed to go to the loser and hang in a prominent place on its campus.

Fresno State college took home the prize the year of its inception. In 1941 the two teams fought to a 0-0 tie and Fresno once again kept it. San Jose State college students first got a glimpse of it in 1942 when they lost 6-0 to the Bulldogs.

Football was abandoned from 1943-45 because of the war, and the plaque hung over the door of the Student Union for four years. The two teams resumed the plaque-war in 1946 with real vigor and Sparta got rid of it, temporarily, as they tripped the Bulldogs 13-2.

But it came right back to the college the following year as Fresno eked out a narrow 21-20 win.

From then on it was a case of students not even knowing what the plaque looked like, as the Golden Raiders "lost" the trophy for four years in a row with victories over their long-time rivals.

Huston Film To Be Shown Tomorrow

"The Story of San Pietro," a motion picture produced by John Huston during World War II, will be shown tomorrow morning at 10:30 and 11:30 o'clock in Morris Dailey auditorium, according to Dr. Richard B. Lewis, coordinator of audio-visual services.

Acclaimed one of the "great artistic films of the war," the picture will be of special interest to music, drama and history majors, Dr. Lewis said.

The film is the second in a series of pictures of general interest that the Audio-Visual Service center plans to screen this year.

Senior Meeting

The senior council will meet today at 3:30 p.m. in Room 39, according to Ed Jacobowsky, class president.

off right tackle and rambled 74 yards for the initial score. Dale Summers, right guard, threw a key block on the Bulldog linebacker, to break Matthews into the clear.

The local club worked for their second touchdown in the first quarter. Aplanalp drove himself from six yards out them 76 yards in 10 plays, scoring on a quarterback keep. The big play of this drive was halfback Bill Walker's 31-yard dash off left tackle.

Coach Bob Bronzan's boys scored early in the second quarter on a sustained march from their own 30 yard line. It took the Spartans 15 plays to score this touchdown. After a series of penalties, Bob Hamilton, fullback, finally crashed over from 1 foot out. Tackle George Porter never got a chance to try for his third after point kick. The pass from center was high and the attempt by quarterback Larry Rice to run the ball was unsuccessful when his knee touched the ground. The score now read 20-0.

The Spartans scored again in the second quarter when Jerry Hamilton, quarterback, made a brilliant run from the 18-yard line for the fourth tally. This ended the scoring in the second quarter and the score at the half was 27-0.

Opening the second half, Fresno scored their only touchdown. George Fisch took the second half kickoff and ran it back 74 yards to end up on the 6-yard line. On the next play Larry Willoughby, Bulldog fullback, scored. The after point kick was no good, leaving the score at 27-6.

Coach Bronzan's squad scored once in the third quarter. They traveled 74 yards in ten plays, with Aplanalp passing to Walker for the score from nine yards out. Porter again converted, making the score read 34-6.

The final scoring drive was made by the Spartans with one minute left in the game. Bob Hamilton scored from 1 yard out to make the score 40-6. Porter's kick was blocked, leaving this as the final score.

Larry Matthews was the stand-out runner for the Spartan cause, picking up 173 yards in 11 carries. He gained consistently, time after time through the Bulldog forward wall. Bob Hamilton also stood out as a runner. He was called into the game early when Dick Stults, the locals' big gun, was injured.

The starting line for the Spartans showed snap and precision blocking, signs of a well coached club. The forward wall was Stan Wacholz and Bob Amaral, ends; George Porter and Sal Cardinalli, tackles; Clarence Orr and Summers, guards; and Jack Carhart at center.

The defensive team kept the high scoring Bulldogs caged for most of the night. Only at one time in the third quarter was the Fresno team moving with any regularity. Bruce Halladay, linebacker; Jon Peterson and Jim Kajioka, tackles; Russ Phillips, end; and Larry Rich and Benny Pierce, halfbacks, were the defensive stars for the Golden Raiders.

Aplanalp drove the Bulldog defense crazy with his passes. He completed 7 out of 11 attempts for 112 yards. His all around generalship kept the Spartans moving.

Stults was the only injury of the game and his was considered minor. He will be ready for the College of Pacific game Saturday night at Stockton.

Council Should Accept Fee Cut Proposal

A special committee on senior fees last week voted to recommend a \$15 fee for June graduates and a \$10 sum for December and March grads.

This afternoon the Senior class council will hear the committee's official recommendation.

We feel that the student committee on senior fees has made a very wise decision and the class council should accept the proposal at today's session.

No additional time should be wasted in making a final decision on the graduation fee. December graduates must pay their money soon at the Graduate Manager's office and must have a fair allowance of time in which to pay the sum, whatever it may be.

Anne Burt, committee member, has stated she feels that "both sides of this question should be presented to the President's Council before any final action is taken by the Senior class council."

But we feel that the committee member's suggestion is foolish. The President's Council must approve or disallow the Senior council's final decision, anyway, so what would be the point in waiting?

This problem has been thought about, discussed and argued long enough. It's time NOW for some definite action!

Blood Chairman Speaks

By DON CLOUSE

Blood Drive Chairman

There has been considerable misunderstanding because of the postponement, at last week's Student Council meeting, of the Blood drive, which was originally scheduled for Oct. 21-22-23.

The Blood drive was postponed for these reasons: first, it was felt that a drive scheduled in February could be much more successful; second, the students and organizations that have volunteered for the Blood drive in the past were the same people who were working on the Campus Chest and other activities.

It was necessary for the Campus Chest to be held at the time it was held since it was running in conjunction with the city Chest drive. The publicity from the city Chest drive has helped the Campus Chest drive more successful than if it were held later in the

year. With both the Blood drive and the Campus Chest drive running simultaneously on campus, there would have been considerably greater confusion than if one drive only were held at one time. Thus, it was necessary for the Blood drive to be postponed. Mr. Anderson of the Blood center, and the Student Council were in complete agreement with this and the above statements.

As chairman of the Blood drive, I am glad that so many expressed concern about its postponement. Those people who are concerned are urged to attend the meeting scheduled for Monday, Oct. 13, at 3 p.m. in Room 25, or to contact me personally through the Student Council office in the Student Union.

Since the Blood drive has been postponed, and since the Red Cross Blood center had expected a quota of blood from San Jose State college students, the Red Cross Blood center will be greatly appreciative if students will go to the Blood center and donate blood on any Tuesday from 10:30 a.m. to 1 p.m. and 2 to 5 p.m. or on Fridays from 10:30 to 1 and 2 to 7 o'clock in the evening, during the month of October. Students wishing to donate blood at the Red Cross Blood center are asked to bring to the center their parent's signature on a release blank, which is obtainable at the Student Council office. It also is required not to eat for four hours before donating blood. It should be remembered that a blood drive is now scheduled on the campus for February, and that students who donate during the month of October at the Red Cross Blood center can also donate to the campus Blood drive in February.

LET'S DO OUR PART AND HELP THE BLOOD CENTER SEND BLOOD TO THE ARMED SERVICES IN KOREA!!

Thrust and Parry

Too Little Publicity?

Thrust and Parry especially Bill Tunnell:

"Press Box Chatter" expressed the thought Tuesday that one of the reasons Spartan teams didn't draw was the lack of newspaper publicity.

That column was a good way to see that the team gets even less. Besides, I doubt the truth of the statement.

Bill Feist has been generous with his praise of the locals. He has plugged the sale of season tickets and in general has attempted to create a favorable impression of the Spartans among the local fans. I believe that even Bill Tunnell would agree that it's pretty much of a toss-up between San Jose State college and Santa Clara university as to which school receives the most space in the Mercury and News.

Don't blame the local sheets if people want to read about Cal and Stanford. You have to sell papers to keep your job. A big game will always creep into newspapers. To the public there's more at stake when a PCC team takes the field.

How much can newspapers do to change public opinion? Remember the 1948 election? Somewhere along the way, Tunnell, you must have heard some heretic say that the effect of newspapers isn't as great as editors like to think. Sad but true.

If you insist on building up San Jose sports, start on your own paper. I can find out about the World Series elsewhere, so why didn't you allot more space to freshman and intramural football in the edition in which the column in question appears? Is there more interest in the fall classic? Well, get on your soapbox and reform us heathens!

Sure I'd like to see San Jose get more space in the Mercury and News, but let's face the facts. Don't call them down for their treatment of the news when they're as anxious to fill Spartan Stadium as you are.

By the way did you hear the sportscast that said if the fans didn't fill the stadium Friday night, they didn't deserve any sports? I'd say the college has a pretty good press.

Tunnell, if I were you, I'd expound the several other reasons you said there might be for the failure of the fans to support the Spartans. If you're short of material for your column, don't blast newspapers for something of which they aren't guilty. Among other things it's bad public relations.

HERB DAVID,
ASB 1013.

School Measures Termed Important

Sacramento (UP) — Two measures of vital importance to California public schools will be submitted to the voters on Nov. 4.

One is labeled Proposition 2. It is a constitutional amendment which would increase from \$120 to \$180 a pupil the amount of state support and it would boost state aid to schools by a minimum of \$70,000,000 a year.

The other school measure is Proposition 24 and is designed to help speed up classroom construction to house about half a million children who now are on double session or otherwise lack adequate facilities. Proposition 24 provides for a \$185,000,000 bond issue which will be loaned to local districts.

Sponsoring Proposition 2 is the California teachers association, which represents 60,000 of the state's 70,000 credentialed teachers.

Proponents of Number 2 claim the measure can be financed with no increase in state taxes and is necessary to meet the effects of inflation on the school dollar and to ease the tax burden on local property owners.

Court Chief Lists Office Requisites

Chief Justice Don Binder of the Student Court has released requirements, terms of office and duties of sophomore, junior and senior class officers to be elected Oct. 24.

All officers have the same requirements and terms, Binder said.

REQUIREMENTS: Candidate must be an ASB member, on clear standing at the time of taking office, a declared member of his class not more than six units deficient for his class. He must have been an active member of his respective class council for at least one of the three quarters previous to nomination, and shall not hold any other ASB office at the time of application. An active member of a class council shall be a person who has attended three consecutive meetings of his class council.

TERM OF OFFICE: The class officer shall take office immediately upon election and shall serve one-half year.

The duties of executive officers are as follows:

PRESIDENT: He shall be the chief executive of the class, preside over its meetings, act as ex-officio member of all class committees, coordinate all activities of the class, and stand ready to serve the class at all times.

VICE PRESIDENT: The class vice president shall take the place of the president in his absence, assist the president in all his duties, protect the general welfare of the class and perform all additional duties which may be specified.

SECRETARY: The class secretary shall keep and make available the necessary record of all class functions and carry on correspondence in behalf of the class.

TREASURER: The class treasurer shall be the chief financial officer, maintaining and distributing the necessary funds in accordance with the class constitution and decisions of the class council. As with all other class officers he shall attend all meetings and perform all duties necessary.

In addition to executive officers, one male and one female sophomore justice will be elected.

REQUIREMENTS: They shall be ASB members of clear standing and shall have been enrolled in the college for at least one year. They shall not hold any other ASB elective office at the time of application; shall have completed 39 to 69 units of work at the time of the election.

TERM OF OFFICE: Shall be elected by the student body at large in the fall quarter and serve one year from the first day of the winter quarter when they take office.

DUTIES: To serve on the Student Court.

Warren Calls Television Talk

Sacramento (UP) — A statewide conference to "explore the needs and possible uses of television in education" in California was called yesterday by Gov. Earl Warren for Dec. 15-16.

Warren called the conference

at the request of an earlier conference on the same subject. That 70-man group met at the call of Dr. Roy E. Simpson, superintendent of public instruction, but failed in two days to reach any conclusion.

10,000 Faithful Welcome Bronzan's Raiders Home

By BILL FARR

Some ten thousand football faithful clicked through the turnstiles of Spartan stadium last Friday night to give a regal welcome to Coach Bob Bronzan's gridiron heroes.

The Golden Raiders disappointed no one, except maybe Fresno, and the throng whooped and hollered about it as much as can be expected in a 40-6 rout. A tigerish attitude held the crowd at the game's outset but its mood changed to one of sympathetic meekness when it became apparent that the locals were steam rolling the undermanned but gallant Bulldogs.

That is true of everyone but the cheerleaders. The higher the score the louder they squealed for more. Despite that, we'll put our okay sign on the Spartan pep crew. Those pom-pom and song girls have more bounce to the ounce than even Pepsi.

There were so many stars in the game it would be impossible to name all of them for fear that we would leave out someone. One thing for sure, Mr. Lynn Alpanalp further enhanced his chances of becoming All-Coast.

The consensus of the railbirds was that the Bronzanmen have a "hard" ball club. They run, tackle and hustle hard. Santa Clara rooters were bemoaning their fate and a few sprinkled Stanford supporters were admitting that the ensuing battle between the Spartans and the Indians should be rated a toss-up.

Nattily dressed in blue and

white, the visiting musicians, reputed to be one of the best bands on the coast, presented a soiree of dance numbers including "Darktown Strutter's Ball" and a fancy tango number. They formed a cane and hat for the "Strutter's Ball" and a sombrero for the South American piece.

(Writer's note: I wonder if that Fresno drum major had a pogo stick in his shorts? He was really strutting it.)

Equally as chic in their gold and white uniforms were the San Jose State band members. The group saluted the political parties in musical fashion.

Leading off was a formation symbolizing the Republican Party to the tune of "There's Going to be a Great Day!" the party's song standard. Following this the Democrat's "Happy Days Are Here Again" was played.

Going bi-partisan, the band

played "God Bless America" and formed a "Vote U.S.A." The crowd went for the show, mingling goodnatured cheers with booth depending on their party affiliation.

Another humorous part of the program was the display of a dog house for the Fresno Bulldog and the very suggestive symbol of a fire hydrant placed near it.

One thing can be said for the San Joaquin valley lads and lassies. They have fine spirit. Never did they stop pulling for their team.

Well, the Spartans brought their road show home and the fans thought it was terrific. Many of them will be journeying to Stockton next week for the College of Pacific set-to. We'd venture to say almost all of them and a few more will be back two weeks from now when Brigham Young university comes to our village.

Frogmen Hopeful Over UC Chances

By BILL FARR

Optimistic after their highly creditable showing against the powerful Stanford university team the Spartan water poloers have high hopes of bringing back the hides of the California Bears when they trek to Berkeley Wednesday.

The "moral victory" over the Pacific Coast champion Indians eliminated the locals from their usual "week sister" role and made them a power to be reckoned with.

The Stanfords of 1952 are supposedly better than the team that went undefeated in college play last year and are reputedly one of the strongest outfits in the nation.

Holding them 4-3 was quite a feather in the cap of Coach Charlie Walker and his charges. A rather unique defense bottled up the heavy-scoring contingent from the Farm.

Whether the same defense will stop Cal in its spacious natatorium remains to be seen. The larger the pool, the less effective the defense will prove to be.

To combat the somewhat more talented swimmers of other schools, the Spartans have been working on a theory of sacrificing offense for defense. They pull back all but one forward and thus force the opposition to at-

tempt their scores from virtually mid-pool.

That scheme worked against Stanford in the congested SJS tank, which is 20 yards long and 35 feet in width, but it may have to be modified in the Cal pool, which measures 25 yards in length and is 42 feet wide.

Despite defensive concentration, the San Jose offense is still a threat with tall Chet Keil in the hole. He tallied all three points in last week's game.

Other stars of the tilt were Captain Bill Finch, Fred Postal, Taylor Hathaway and Jay Flood. Flood showed that he is a capable replacement for Jack Hibner, goalie ace of the last couple of years.

Main threats of the California team are Al Lauderbach, Jim Ross and Bob Chapman. They led the Bears to a 10-5 victory in their den and an 8-7 overtime edge down here in 1951.

Also in the visitor's lineup will be Bill Armstrong, who played at SJS as a freshman a few years back. He then went to West Point and has now migrated to the Berkeley institution.

Armstrong and Spartans Postal, Keil, and Hathaway were all teammates at Palo Alto High school.

Coach Walker says his present freshman aggregation is one of the finest he's had under his wing in many a season. They jumped on the victory trail by outclassing the highly regarded Palo Alto High team 11-2 last Wednesday.

Big scorers in the victory were Don Eads, formerly of Sequoia High school and Ken Wightman from Hayward High school. Eads whipped in five scores while Wightman was close behind with four.

Also commended for good performances were Don Schlote, Paul Bataille, Dick Threlfall and Dale Anderson.

Anderson, who spent his prep days at Santa Clara, did a terrific job of bottling up Bill Gibson, the Palo Alto scoring threat. Varsity players rate him as one of the top defensive prospects for the years to come.

The freshmen dropped their first game 16-9 to Sequoia of Redwood City. They also battle the University of California, frosh version, on Wednesday. The frosh game starts at 3:30 p.m. with the varsity battle slated for 4:30 p.m.

One of the highlights of this year's season will be the California State Championships, tentatively scheduled for the Spartan pool on Dec. 6.

Walker announced that Don Lee, a first string last year, and Don Hibner, who would have been a regular in the present campaign, have dropped from the squad.

SPARTAN DAILY 3

Sproul Says Alums Keeping Entrance Requirements Down

Long Beach, Calif. (UP)—President Robert Gordon Sproul of the University of California thinks "football-minded" alumni are hampering efforts to raise college entrance requirements.

Sproul told the convention of the California Association of School Administrators recently that higher entrance requirements are needed to relieve overcrowding on the university's eight campuses.

But foot-ball-minded alumni op-

pose raising the entrance requirements "because of the possible effect on Cal's football fortunes," he said.

Sproul said he believed the university should be for students of exceptional ability.

"Students who have not shown exceptional ability should be encouraged to attend junior or state colleges," he said. "By reserving the university for the above average student, the school can do him justice."

Sign-up Booth Provides Rides, Riders To Game

Spartan rooters who want rides or riders for the trip to the COP Homecoming game next week end should sign up this week at booths in the Library Arch, according to Chuck Wing, Rally committee chairman.

The booths will be operated by the Spartan Shields, Spartan Spears and Alpha Phi Omega to provide transportation for all who wish to see the game.

Wing asked for strong support of the Spartan gridders at the game in Stockton. He reminded rooters that SJS is sending a float to be entered in the parade, and added that spirit for the game should run high.

Reports were heard at the weekly meeting of the Rally committee in the Student Union before it divided into separate working groups.

Wing estimated the turn-out of students at "about 300." This large group was separated into five main sub-committees, with a P.A. system serving to page different members of the committee who were lost in the throng.

The five sub-committees and their chairmen are: Cliff Majersik, public relations; Bob Cousins, entertainment; Sunji Ito, maintenance; Darlene Clayton and Ken Scannell, COP Homecoming float and Ron Souza and Hank Mathney, Lincoln-Willow Glen Lions club parade float.

Forensic Meeting At UC Tomorrow

Several members of the college forensic squad will attend the Northern California Forensic association's first roundtable discussion of the quarter tomorrow night at the University of California, according to Dr. Lawrence H. Mouat, associate professor of speech.

The topic to be discussed is "To What Extent Should Power Be Concentrated in the Executive Branch of the Federal Government." Members of the NCFEA include Santa Clara, U.C., San Jose State college, COP, Stanford, USF, St. Mary's, San Francisco State college, CCSF and Stockton J.C.

More members are needed for the forensic squad, Dr. Mouat said. Students interested in participating in the squad's many activities this year should contact him in his office, 165A.

Bishop Calls Meet

John Bishop, Homecoming chairman, has called a special meeting of all Homecoming committees for today at 4 p.m. in the Student Union.

"All committees and those heading committees must be present for this session, it is an important one," stated Bishop.

Ten Approved To Study for M.A. Degree

Final approval for admission to master of arts candidacy was granted to 10 students at Wednesday's meeting of the Graduate Study committee, according to Dr. Harry T. Jensen, Graduate Study division head.

Five students also were approved as candidates for the general secondary credential.

Those who were accepted for MA training were Paul Barton, Paul Cooper, William Drennon, Emerson Duarte, George Enderlin, Charles Geyer, Bruce Marble, Aubrun Powell, Arthur Rice and Harold Riddle.

The five who were granted approval in the general secondary field were Glendawlyn Cox, John Gallagher, Louis Gregory, Marjorie Rawson and Lorraine Austin.

The next meeting of the Graduate Study committee is scheduled for Oct. 29.

Ducat Deadline

Tomorrow is the deadline for Student Y members to buy tickets for their membership dinner, according to Ed Wright, publicity chairman.

The dinner will be held Wednesday in Alexander hall of the YMCA.

Tickets are 75 cents each. Attendance has been limited to 100 persons.

IRI Will Quiz Doerr, Allen In Open Forum

Alumni Robert Doerr and Bruce Allen, Democratic and Republican candidates, respectively, for state assemblyman, will appear in an open forum in the Little Theater at 8 p.m. next Friday, according to H. Paul Ecker, of the Industrial Relations Institute.

The candidates will be quizzed by Dean R. Cresap, assistant professor of social science. Mr. Cresap will ask the candidates these questions:

1. What is your position on purchase of the Central Valley project by the state of California? 2. Do you favor compulsory fair employment practices legislation? 3. Do you favor any type of state sponsored health program, and if so, what kind?

The public is invited to attend the forum and ask questions of the forum speakers, reports Mr. Ecker, who is in charge of the forum.

Male Lead Quits Drama Cast; Bert Graff to Take Top Role

Bert Graff will replace Holt Wood as the first lead in the Speech and Drama department's production of "The Importance of Being Earnest," John B. Kerr, director, announced Friday.

Wood dropped out of the cast Thursday after discovering that daily rehearsals were interfering with his studies and outside work.

Hillel Group Meets Tonight

The B'nai B'rith Hillel foundation, student Jewish center, will be host to all Jewish students at its regular meeting tonight in the YMCA at 8 o'clock, according to Marcia Fleisfeder, publicity chairman.

Speaker will be Rabbi Jehudah M. Cohen, director of Hillel at UCLA and western regional Hillel supervisor.

A social hour and dance will follow the meeting.

Special feature will be a demonstration of Israeli dancing by a class under the instruction of Carolyn Marr.

Hillel meetings are open to all interested persons, Miss Fleisfeder said.

The play has been in rehearsal for two weeks.

Graff, a senior English major, will take the role of Jack Worthing. He has appeared in numerous Little Theater and summer session productions.

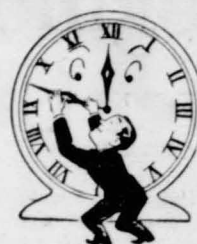

The cast change will not interfere in any way with the opening of the play Oct. 31, Mr. Kerr said.

Richard Risso will play Algernon Moncrieff, second lead. Also in the cast are Patricia Coyle, Marion Sparks, Marion Roehm, Cleo Cebulla, Lewis Campbell, Fred Hare and Jack Byers.

Tickets will go on sale Oct. 20 in the speech office.

Dogs Weep Too

CORINTH, Miss. (U.P.) — The mother dog gently picked up the dead puppy in her mouth and carried it across the highway where she buried it in a wooded spot. "When she came back, she had real tears in her eyes," said R. F. Ross.
