SAN JOSE, CALIFORNIA, THURSDAY, OCTOBER 6, 1952 No. 17

Rally and Parade Preparation Rooters for COP Contest

Auditorium Is Site of Game Rally Tonight

The pre-COP game pep rally, featuring all-SJS talent, will be held at 8 o'clock this evening in Morris Dailey auditorium. It will be presented by the Rally committee.

Coach Bob Bronzan will attend to talk to rooters, and mimeographed copies of all San Jose State college yells and songs will be distributed, reported Chuck Wing, Rally committee chairman.

Entertainment for the show will feature Eva Pallette, record pantomimes; Bill Anders and Bob Helm, guitar-vocal duo and other acts on which arrangements have been completed, reported Bob Cousins, entertainment chairman for the Rally committee.

The yell leaders and song girls will be on hand in full force to raise the enthusiasm of Spartan rooters.

Spartans who are planning to attend the game are reminded that they must wear white if they wish to sit in the center section at Stockton. Wing reported that holding tickets for that section will not seat rooters unless they are dressed in white.

SJS Sending 5000 Rooters to COP Game, Says Felse

More than 5,000 San Jose State college students have obtained tickets for Saturday night's SJS-College of the Pacific football game at Pacific Memorial stadium in Stockton but a few still are available, said William Felse, graduate manager, yesterday.

Deadline for obtaining ducats is today at 12 o'clock. Positively no tickets will be available after that time.

Miss Mary Ellen Martinez, ticket manager, observes that Saturday night's turnout of Spartans should be the largest ever noted at a game away from home.

At 5 p.m. yesterday there were still 500 seats on hand but the Graduate Manager's office predicted that the remaining ducats would be gone by deadline today.

There are some guest tickets remaining to be sold for \$3.

Faculty Men Hear Talk on Schools

Rev. Harold Shelley of the First Unitarian church in San Jose will speak about Proposition 3, tax exemption for parochial schools, at the regular 12:30 p.m. Men's Faculty club luncheon tomorrow at the club house, 230 S. Eighth street.

Men faculty members must make reservations for the luncheon by noon today. They may sign the club bulletin board or call Dean Stanley Benz' office.

The Weather

Morning and evening fog will continue to keep temperatures down in the 60's today and tomorrow.

Skies will clear in the afternoons.

Low tonight will be 46 to 52, according to the weatherman.

COP-Game Rides Still Available

The car pool booth for the COP game will continue operation today and tomorrow from 9 o'clock in the morning until 3:30 in the afternoon, reported Chuck Wing, Rally committee chairman.

The booth, which is for the convenience of Spartan rooters wanting rides or riders to the game, is operated by members of the Rally committee, Spartan Shields, Spartan Spears and Alpha Phi Omega.

Zoology Group Will Travel To Yosemite

An overnight field trip to Yosemite National park Oct. 18-19 is planned by students from Dr. Ralph Smith's zoology classes. Approximately 15 persons will make the trip, Dr. Smith said.

"One of the two purposes for this trip," he explained, "will be to give students a first hand opportunity to study the life zone of the national park and to observe the animals that occur in this arid region."

"To collect reptiles and amphibians that we find on the way to the park is the second purpose for the trip. These live specimens will be added to the Animal Parade displayed on the second floor of the Science building."

Bob Hiller, park ranger and graduate from San Jose State college, will guide them through the park and the museum, Dr. Smith said.

Senior Photo Deadline Near

All graduating seniors — including summer session graduates — who have not had their pictures taken for La Torre may do so today and tomorrow, according to Carole Simmons and Dick Zimmerman, co-editors of the yearbook.

The Keith Cole Studio, 41 N. First street, will be open from 9 a.m. until noon and from 1 p.m. until 4:30 p.m. No appointments are necessary, the co-editors said. Men are reminded to wear a white shirt and tie. The fee for the picture is \$1.35.

Juniors Plan Mixer With J.C. Transfers

Juniors and junior college transfers will have a chance to become better acquainted at a "mixer" scheduled for Oct. 23, from 8 p.m. to 11 p.m., in Newman hall.

Social dancing, entertainment and refreshments are being planned by the mixer committee headed by Joan Aubrey.

It also was decided at the Junior class council meeting this week to wait until elections, Oct. 24, to elect a vice president for the Junior class.

Dee Jukich was appointed chairman for the Junior Prom to be held in the spring quarter of next year.

College Band, Song Girls To Bow at Parade

San Jose State college's entrance in the Homecoming parade at Stockton, preceeding the SJS-COP game Saturday, will include the college band and banner and decorated autos, in addition to the float.

A number of decorated convertibles, bearing the song girls and other Spartan coeds, will be entered in the 4 p.m. parade, Chuck Wing, Rally committee chairman reported.

The college's float, which was constructed by the Rally committee will feature Mr. Spartan cracking his whip over a group of caged COP Tigers, Wing reported.

The float and the SJS-COP victory bell will be carried in the parade on a truck donated by the Howard Kelly movers.

Spartan rooters attending the COP game in Stockton Saturday have been invited to attend an after-game dance, which will be held in the Stockton Civic auditorium.

Tom Evans, ASB president, received the invitation in a letter from Bob Steres, vice president of the COP student body. Evans added that Steres requested a large turn-out of Spartans for this Homecoming dance.

Enrollment Is Higher Than Expected, West

Contrary to national predictions of a decrease in autumn college enrollments, the college has had an increase in registration figures.

Joe H. West, dean of students, estimated earlier this year that enrollment would be 6950. Campus figures now total 6893, compared to last year's 6718.

"Educators and counselors have been successful in showing high school graduates the importance of a college education," Dean West declared in accounting for the increase.

Young men also have been encouraged by deferments to start an education that they will be reasonably sure of completing, he pointed out.

Architect Speaks On Modern Living

A functional house with radiant heat is the best type for contemporary living, Hollis Logue, a San Jose architect, told Dr. C. L. Suffield's real estate appraisal class yesterday.

The architect took exception to the text which the class is using, and said that Cape Cod and California ranch style homes, and "relics" from another era are not conducive, nor necessary to good modern living.

P.E. Society Meets

The Western Society of Physical Education for College Women will hold its 28th annual conference at Asilomar tomorrow, Saturday and Sunday. Faculty members of the college's Physical Education department will attend.

Council Approves Proposed Budget

The Student Council yesterday accepted the budget for 1952-53 recommended by the board of control.

The council accepted the resignation of Doc Weaver from the position of representative-at-large and moved to appoint automatically the candidate who wins the position in the Nov. 24 ASB election.

Five applications were received for the position before deadline yesterday, according to Don Binder, chief justice of the Student Court.

Also on the ballot will be a constitutional amendment. Students will be asked to approve or disapprove insertion of a clause to extend the restricted privilege card to resident extension students.

The amendment was added to the ballot by two-thirds vote of the council because extension students at Parks Air base have requested the cards.

A poll of graduate students will also be included on the ballot to enable the council to see if graduates want a representative on the council.

A recommendation of the board of control that AMS be allowed to spend only one-third of the intramural budget during fall quarter was accepted.

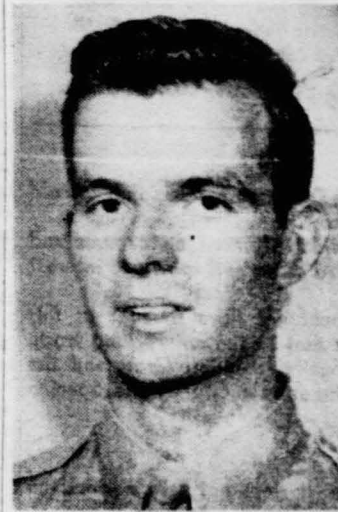

Seymour Abrahams resigned as the Student Council's representative to the Fairness committee but was chosen to fill one of the student positions, with Jack Furay, Joyce Malone, Art Peterson and Mary Alice Grimes. Joan DiChristina was appointed as the council's representative. Duane Fuorina was appointed as the student member of the Radio and Television committee.

Pat Patton was picked as the female member of the Lecture committee and the student body president will appoint a male student to the same committee because the council took no action. Catherine Sperry was named student member of the Publications committee.

Phil Goodwin introduced Gene Stanfield, whom he has picked as co-chairman for the first coffee hour, to be held Oct. 28, 9:30 to 11 a.m. in the Student Union.

The bylaws, to be submitted for approval next week, are to include the purposes of the Awards committee, which are to be worked out in the meantime by Dr. E. W. Clements, student body adviser, and James Craig, chairman of last year's temporary awards committee.

An open meeting held yesterday produced recommendations that the Awards committee include five students, the Spartan Daily editor, representatives of AMS and AWS (juniors), two other students and another faculty member besides Dr. Clements, Mr. Craig and William Felse, graduate manager.

TOM MULLAN
... keeper of the keys

Frat Advisers Confer Today

Fraternity advisers will meet with Stanley C. Benz, dean of men, this afternoon at 3:30 o'clock in Room 116.

On the agenda for the meeting are objectives of the fraternities for the year. Objectives to be discussed are scholarship, education, social activities, and service to the college and community.

The rest of the meeting will be devoted to social regulations, the fall rushing program, and house-mothers, Dean Benz said.

'Cassandra 38' On Air Sunday

"Cassandra 38," fourth program in the series "To Secure These Rights," sponsored by the Radio Guild, will be heard Sunday evening at 6 o'clock over station KEEN.

Written and directed by Robert I. Guy, assistant professor of speech in charge of radio curriculum, the play is a tribute to G.I.'s in Korea, according to Clyde Allen, guild publicity director.

The cast includes Ralph Roland, Clyde Allen, Jim Cockrell, Bob Somerville, John Piotti, Jack Thompson, Tom Luce, and Jack Batten.

UNITED PRESS ROUNDUP

Reward Upped to \$5000 In Multiple Killing Case

SAN FRANCISCO (UP) — The reward for solution of last week's murder of Chester, Calif., grocer Gard Young and three children rose to \$5,000 yesterday.

Harvey L. Sorensen, secretary manager of United Grocers Ltd., said that his organization was offering a \$3,000 reward for the capture and conviction of Young's killer or killers.

Sorensen said that Young was a member of United Grocers which has its headquarters here.

Earlier Gov. Earl Warren had announced the State of California would pay \$1,000 reward and Jack Duffy, a Chico auto dealer, said last night that he would pay \$1,000 reward.

Britain Rejects Iranian Demand

LONDON (UP) — Foreign Secretary Anthony Eden revealed yesterday that Britain has rejected

demands of Iranian Premier Mohammed Mossadeq for payment of \$137,200,000 to Iran as a condition for settlement of the Anglo-Iranian oil dispute.

Eisenhower's Earnings

NEW YORK (UP) — Dwight D. Eisenhower completed politics' personal income circle yesterday with the disclosure he earned \$888,033.99 during the 10-year period ending last Dec. 31.

Eisenhower said in a summary of joint federal income tax returns which he and his wife had filed that they retained \$671,221.28 after taxes.

U.S. Casualties Up 885

WASHINGTON (UP) — American battle casualties in Korea now total 121,154, an increase of 885 over those reported last week, the Defense department announced yesterday.

Hail the Spirited Frosh!

We would like to congratulate the freshmen for deciding to hold a Freshman Blood day later this quarter.

The decision to hold such a project after an on campus and an off campus campaign were postponed shows real spirit and interest in community affairs.

It's too bad the Senior class could not have thought of this plan first and now has to take a back seat to the enterprising frosh.

We know the college, the community, the Red Cross and the men in Korea will appreciate the enthusiasm shown by the Spartan Freshmen.

A Non-Partisan Paper

The Spartan Daily is non-partisan. It does not take a stand on political issues, such as the current presidential campaign.

Personal views backing a certain candidate or proposal should appear only in a paid advertisement—AS DID ADLAI STEVENSON ADVERTISEMENT ON PAGE 2 OF YESTERDAY'S DAILY.

Meet You at the Rally Tonight

Tonight a pre-COP football game pep rally will be held in Morris Dailey auditorium, beginning at 8 o'clock. The program will feature an all-Spartan cast.

This season's grid contest with the Stockton Tigers is one of the big games of the year and students should pack the campus auditorium to its rafters if they want to show Coach Bob Bronzan and his football team that Sparta is behind them.

Students jammed into Morris Dailey auditorium last week for the Fresno State college rally, but a last-minute cancellation by the Bulldog entertainers left Chuck Wing and the rest of the Rally committee in an unenviable position.

Bob Cousins, Rally committee entertainment chairman, was quoted in the Daily Tuesday, "No cancellations of entertainment this time!"

This evening's rally should be well worth your time—so let's show the football team that we are backing them to the hilt this season.

Doerr, Allen To Debate On Local Issues Here

Robert Doerr, Democrat, and Bruce Allen, Republican, will be joined in open forum debate at 8 o'clock tomorrow evening in the Little Theater. Doerr and Allen are candidates for the State Assembly from this (29th) district.

The forum, produced by the Institute of Industrial Relations, will give students and citizens of San Jose an opportunity to ask both candidates their views on local issues, reported H. Paul

Ecker, associate director of the Institute.

Dean R. Cresap, assistant professor of social science, will act as moderator of the forum. Three main issues which Mr. Cresap plans to cover are:

1. What is your position on the purchase of the Central Valley project by the state of California?
2. Do you favor compulsory fair employment practices legislation?
3. Do you favor any form of state-sponsored health program, and if so, what type?

Both candidates are alumni of SJS and local residents. Doerr is a member of the city council and a teacher at the Willow Glen high school. Allen is a San Jose attorney.

Approximately half of the time allotted for the forum will be devoted to questions from the floor. Mr. Ecker, who is in charge of the forum, reported.

A portion of the forum will be tape recorded for broadcast on "People and Problems," weekly broadcast of the IIR, Sunday afternoon at 12:30 o'clock.

The forum, which is the first presented by the IIR, will begin a monthly series of public service forums to be held at the college, Mr. Ecker reported.

Hutchins Calls College Profs 'Baby-Sitters'

San Francisco (UP) — Robert Maynard Hutchins, former president of the University of Chicago, said here yesterday that American university professors today are nothing more than academic baby sitters and college presidents are only fund-raising public-relations men.

Hutchins came here from Pasadena to make two speeches, one at Town Hall and the other at Berkeley.

In an interview at Bellevue hotel this morning he said that the all-absorbing interest in money, which brings about high-pressure public relations in universities, is a peculiarly American trait. That is the reason Hutchins said university presidents are selected as public-relations men, not educators.

He said the lack of independent thought and criticism—of which he believes the university should be the center—is directly caused by the pressures for conformity to which American universities are subjected. Students are in our universities, he said, because they have no place else to go. "University professors today are nothing more than academic baby-sitters."

Personnel Tests To Be Given Dec. 6

The date of personnel tests for students who haven't yet taken them has been moved to Dec. 6, Dr. Harrison Heath, testing officer, announced yesterday. Previous date was Nov. 15.

Award Applicants

Two SJS applicants for the Fulbright foreign study award will be chosen today by the college's Fulbright faculty committee, Stanley C. Benz, dean of men, announced.

Meetings

Alpha Chi Epsilon: Those who wish to be initiated sign up on the AXE bulletin-board. Initiation is tonight at 8 o'clock in the Student Union.

Delta Phi Delta: Short business meeting and social tonight at 8 o'clock at 101 S. 16th street.

Freshmen: Group D meets today in B60 at 3:30 p.m.

International Student Organization: Meet today at 12:30 p.m. in apartment 4A on Seventh street.

Occupational Therapy: Meet tonight at 7:30 o'clock in B72.

Phi Epsilon Kappa: Meet in the Men's gym tonight at 7:30 o'clock.

San Jose Players: Drama, radio and speech majors and minors, come "meet the crew" at an informal departmental gathering in the Student Union tomorrow night at 8 o'clock.

Sojourners: Meet at the Masonic temple Monday at 6:30 p.m. See bulletin board for activities.

Soph council: The Spartan Daily will take pictures in front of the Women's gym today at 3:30 p.m.

Spartan Shields: Interview committee meets in the Student Union today at 12:30 p.m.

WAA: Swimming club meets tonight at 7:30 o'clock. Council meets today at 4:30 p.m. in the Organization room of the Women's gym.

Wildlife Conservation club: Meet in S210 today at 7:30 p.m.

Young Republicans: Meet tomorrow in S210 at 3:30 p.m.

Candidates Face Split In Congress

"It will not matter greatly whether Stevenson or Eisenhower is elected if Congress is split between the two parties," declared Dr. George G. Bruntz, associate professor of history and political science, yesterday.

"Indications are that the Democrats will hold a majority in the Senate, while the Republicans probably will control the House," said Dr. Bruntz.

The President, in such a situation, will have his hands tied, Dr. Bruntz said. "A stymied govern-

ment" will result, he added, "and the president will face the same problem as did the Hoover and Truman administrations."

"Most people feel that the presidential election is much more important than it really is," opined Dr. Bruntz. "I'm looking to the Congressional elections as being much more important."

Commenting on Republican chances in the South, Dr. Bruntz expressed doubt that Eisenhower's campaign will be able to overcome the Democratic tradition there.

Dr. Bruntz labeled the endorsement of Stevenson by John L. Lewis as "no real indication of labor's vote in the election." He explained that labor does not always follow its leaders in casting ballots.

Gym Open for Co-Rec Night

All ASE card holders are invited to come to the Women's gym tonight from 7 to 10 o'clock for an evening of fun and recreation, according to Jim Givens, Co-Rec publicity chairman.

The regular Co-Rec activities of badminton, volleyball, table tennis, folk dancing and uke lessons are being offered.

The Co-Rec committee for this quarter consists of Norm Hirschman and Barbara Hoepner, co-chairmen; Jacquie Lum, treasurer; and Barbara Braun, Barbara Beane, Nancy Camp, Shirley Snyder, Joanne Adkins, Mary Grimes, Carolyn Murr, Shirley Ann Jones, Bobby Lund, Marilyn Jensen, Barbara Weikert, Jim Givens, and Pat Nickley, committee members in charge of the activities offered on Co-Rec nights.

'Med' School Man Here Tomorrow

Appointments to see Dr. W. B. Parker, registrar of Washington Medical school, St. Louis, Mo., may be made by prospective medical students in Room 110, according to Mrs. Lillian Scott of the Dean of Instruction's office.

Dr. Parker will be on campus tomorrow. Students who plan to attend a medical school in the 1953-54 school year should see him at that time, Mrs. Scott stated.

Daily Report on Spartan Athletics

Thursday, Oct. 16, 1952

SPARTAN DAILY 3

Golden Raiders In Toss-up Tilt

Coach Bob Bronzan ran his Spartan footballers through a tough scrimmage yesterday in preparation for their encounter with the College of Pacific Tigers Saturday night at 8 o'clock in Pacific Memorial stadium in Stockton.

The record seems to indicate that the underdog will come out on top in the contest. In past performances through the years, the supposedly weaker teams have risen up and stomped their rival.

This year may be a little different in that the game seems to be a toss-up. Both teams have impressive records this season, each team losing only one and in both cases to national powerhouses.

COP lost its opener to the University of California, while winning impressive victories over Utah State and Texas Tech.

The Spartans also lost their initial contest of the season to a powerful University of Colorado eleven, 20-14. They have won the rest of their games from San Diego State, 40-7, Arizona State at Tempe, 21-14, and Fresno State, 40-6.

The game will pit two fine passers against each other, Lynn Aplanalp, the Spartans' all-Coast candidate, and Roy Ottoson, the Bengals' field general, will tangle in the air. On the ground it will be a duel between the Golden Raiders' Dick Stults and Larry Matthews and the Tigers' Tom McCormick. Stults is ranked tenth in the nation in rushing and sports a 6.2 per carry average. Matthews, although not the workhorse that Stults is, has an 11.6 per carry average.

McCormick is said to be one of the most dangerous runners in Bengal history. He will go into the game lacking only a few yards of breaking the school

record for the most yardage gained by a back.

Coach Bronzan's starting offensive line will remain the same as last week's, with Bob Amaral and Stan Wacholz, ends; George Por-

STAN WACHOLZ

... Spartan End

ter and Sal Cardinalli, tackles; Clarence Orr and Dale Summers, guards; Jack Carhart, center; Larry Matthews and Bill Walker, halfbacks; Stults, fullback; and Aplanalp at quarter.

Reports from the Bengal campus say that the stadium will be sold out for the game with 30,000 people expected to attend.

Injuries To Key Players Vex Cuffe

Injuries to several key players have caused freshman football coach Tom Cuffe some consternation about who will be in the starting lineup when his footballers meet the College of Pacific frosh Friday afternoon in Spartan stadium.

Bob Anderson, Stan Winn and Lee Walton were on Cuffe's injured list. All are tackles. On a more optimistic plane, it was announced that Pat Hiram, swift Hawaiian halfback, is back in uniform again after being out with a pulled thigh muscle.

The COP tilt will be the season opener for the Spartababes, and the U'l Bengals will be playing their second encounter. They dropped their opener to the Santa Clara frosh 19-0 last week.

Cuffe's scout report on that game relates "Pacific has two speedy backs in a couple of fellows by the names of Wills and Perry. Their quarterback, Jacobus, was supposed to have been an all-American in high school."

Frosh, Varsity Water Polo Teams Tumble

Coach Charlie Walker's water polo teams were dealt a double dose of defeat by the University of California Bears yesterday afternoon in the victors' pool.

The varsity got whacked by an 11-2 count and the freshmen suffered a 8-5 demise.

In the varsity game the Polar Bears had all the better of it, both on offense and defense. The Spartans' supposed defensive prowess failed to live up to expectations, mainly because it is designed for a small pool such as the one here, and at Berkeley the pool is much larger, comparatively.

The locals started off on the wrong foot when first string forward Taylor Hathaway was ejected from the game before it was one minute old, on a major foul. Tempers also flared a little later in the contest and this time Cal's Don Smallian was ousted.

At the end of the first quarter the score was tied up at one all. Fred Postal had dribbled in and pushed a shot under the arms of goalie Buddie Kahl for the SJS tally.

Cal moved out to 4-1 at halftime and then made it 7-2 at the third quarter mark. Captain Bill Finch caromed a shot off a defender for San Jose's other marker.

The loss of Hathaway definitely hurt both the attack and defense of the Walkermen. In an effort to plug the hole Coach Walker was forced to rotate the relatively inexperienced trio of Dick Engfer, Mark Setlow and Fred Alvord in the position.

High scorers for California were Dick Ehni, who scored five times and Alan Lauderbach, who chalked up three goals. Chet Keil, the usual high-scorer for the Spartans, failed to score, partially due to the fine defensive work of the opposing guards and in part to his own ineptness when he got shot opportunities.

The frosh game saw the Sparababes three first string guards exit via the foul route before the end of the third quarter and their absence was about the only difference between the two clubs.

"I felt we should have won the frosh game but the loss of Dale Anderson, Paul Bataille and Dick Threlfall on fouls was too much for us. I think our boys will come out on top when the Bear frosh come down here," Coach Walker said.

Ron Eads led San Jose's offensive efforts with three goals while Les Renner and Threlfall scored one each.

The Spartans have a busy schedule next week with three varsity games on tap and one freshman game slated.

Gridders Lost

Matt Vujevich and Jim Kajoka, two defensive stalwarts for Coach Bob Bronzan's grid team, and reserve end Vern Windrath were inducted into the Army on Wednesday.

The loss of Vujevich, a defensive halfback, and Kajoka, a 250-pound defensive tackle, will definitely hamper the Spartans' efforts to stop the passing of COP's Roy Ottoson and the running of Tom McCormick.

Annual Badminton Tourney Date Set

AMS President Tom Berrey announced today that the annual All-College Badminton tournament will be held in the Women's gym, Oct. 30.

Sponsored by the AMS, WAA and Co-Rec, the tournament will be open to ASB card holders only.

Entry blanks must be submitted on or before Oct. 27. Blanks may be obtained at the Student Union or the Co-Rec office, Women's gym, Room 7, Berrey said.

Rackets and birds will be furnished for the tournament.

Berrey also announced plans for a Stag Night to be held in the Student Union.

Ping Pong, Fencing Now Being Offered By Local YMCA

Those interested in ping-pong and fencing are being afforded a chance for competition by the local YMCA. A table tennis tournament is scheduled this weekend and the Y is offering bi-weekly meetings to form a competitive fencing team.

The table tennis tourney, labeled as the Santa Clara Valley championships, will be held Oct. 18 and 19 at the San Jose YMCA gymnasium. Entries will be accepted as late as the opening night of the tournament. Starting time for the tournament is 7 p.m. Saturday.

An entrance fee of fifty cents for all senior divisions will be charged with junior entrants required to pay a quarter. Competitive divisions open are: men's singles, all divisions; intermediate singles, ages 15-17; junior singles, 14 and under; men's doubles, all ages; and women's doubles, all ages.

Wayne Hover, fencing instructor, invites all those interested in organizing a competitive fencing team to visit the Y Tuesday and Thursday evenings at 7:30 o'clock.

Like Wild Life?

All students interested in the conservation of wild life are invited to attend the year's first meeting of the Wild Life Conservation club, according to Stanley Thompson, club president.

The meeting will be held Oct. 16 in Room S210 at 7:30 p.m.

Trojans, Cal Head Statistics

LOS ANGELES, Oct. 15 (UP)—Southern California is tops in defense and California is first in offense among Pacific Coast Conference teams, statistics from the PCC commissioner's office showed today.

The Trojans have allowed an average of only 204 yards a game while the Bears' yard-eating offense has averaged 459 yards per contest.

In individual statistics, Johnny Olszewski of Cal led back in rushing and Washington's Don Heinrich topped the passers.

SECOND AT SAN CARLOS

Wahlquist, Col. Bristol To Attend Air Meeting

Dr. John T. Wahlquist, president of the college, and Col. R. M. Bristol, head of the Department of Air Science and Tactics, will attend an Air Force ROTC orientation conference at Maxwell Air Force base, Montgomery, Ala., Oct. 22.

Air Force ROTC heads and college officials from 188 colleges and universities will take part in the program.

According to Brig. Gen. M. K. Deichmann, commandant of the AFROTC program, the purpose of the conference is three-fold:

(1) To acquaint educational executives with proposed changes and improvements in future operation and administration of the AFROTC program.

(2) To review the new AFROTC course of instruction to be inaugurated in the 1953-54 school year.

(3) To emphasize plans of AFROTC headquarters to conduct a carefully developed ROTC program which will be mutually beneficial to the supporting institutions and to the Air Force.

Dr. Wahlquist and Colonel Bristol will leave for Montgomery Tuesday, Oct. 21, by Air Force plane. They will return Thursday, Oct. 23.

Attendance at Weekly Chapel Rises Steadily

Attendance at weekly services held in the Memorial Chapel has shown a steady growth this quarter, according to the Rev. Jim Martin, executive secretary of the Student Y.

The second of the nondenominational services, sponsored by the Student Y, was held Tuesday.

The services were started after the chapel was completed spring quarter. Attendance this year is above what it was last spring.

"These services are not traditional and are not something the students are accustomed to yet," the Rev. Mr. Martin said. "However I am satisfied with the progress we are making," he said.

Monday Deadline To File Study List

Change of program cards must be filed by Monday in the Registrar's office, Room 124, according to C. W. Quinley Jr., acting registrar.

No cards will be accepted after the deadline, he disclosed.

After-Rally Dance Set at Newman

The Newman club will hold a dance tonight in Newman Hall following the COP game rally, according to dance committee co-chairmen Bob Keller and Peg Marsh.

The public is invited. Admission price is 25 cents.

Home Economics Instructor Attends Association Conclave

Mrs. Mary Morgan, new instructor in home economics, represented the department Saturday at the American Home Economics association meeting in Berkeley.

A former clothing specialist for the state of Massachusetts, Mrs. Esther Cooley Page, spoke on short cuts and professional tricks of clothing construction, said Mrs. Morgan.

She added that topical highlights of the recent national convention, "Worth of the Individual," and "The Family in a Democratic Society," were included in

Student Card Sales Soar To Peak Mark

More students purchased ASB cards this year than any other year at San Jose State college, according to figures released yesterday by William Felse, graduate manager.

A total of 6663 ASB cards has been purchased "as of this week. Of that total, 6020 were bought by regular college students. Included in the total are 391 junior college and 643 veteran card holders.

The fall 1951 total found 4596 ASB cards purchased by state college students. However, the compulsory ASB card law didn't go into effect until spring quarter.

Barbecue Planned For O.T. Majors

The Occupational Therapy club invites freshmen, sophomore and transfer O. T. majors to a barbecue Thursday evening, Oct. 23, between the hours of 5 and 7 o'clock, Miss Donna Harkleroad, chairman of the barbecue committee, announced today.

According to Miss Harkleroad, tickets may be bought in the Occupational Therapy office in B73 or from committee members. The barbecue will be held at the campus pit near the Women's gym.

Committee members include Miss Harkleroad, chairman, Bev Brown, Cecelia Cotroneo, Nan Granewich, June Mason, Mary Ruth Morse, and Gladys Thompson.

Music Is Subject

Mrs. Marjorie O'Dell Morgan, Santa Clara county music consultant, will speak on "The Problems of a Music Consultant in a Large Community" tomorrow at 8:30 a.m. in Room 104, according to Dr. Lyle Downey, Music department head.
