SAN JOSE, CALIFORNIA, TUESDAY, OCTOBER 21, 1952

No. 20

Enrollment--6903; Men Predominate

Men still outnumber women here, 3694 to 3209, but final totals indicate that freshmen women enrolled in state college outnumber men 1081 to 1036.

Campus enrollment is now 6903, according to C. W. Quinley Jr., acting registrar. Last year's total is 6718.

The Freshman class, totaling 2725, is the largest this quarter. Other totals are sophomores, 1378; juniors, 1388; seniors, 1074, and graduate students, 338.

Last year's class totals are freshmen, 2296; sophomores, 1331; juniors, 1461; seniors, 1195, and graduates, 435.

State college enrollment is 6195 and junior college total is 708.

College transfers this year total 1023, compared with last year's 951.

Freshmen entering from high school totaling 1771, showed a marked rise over last year's total of 1458, Quinley announced.

Twenty-four adults entered school without high school diplomas.

Students returning to school after one quarter or more absence, total 291, 32 less than last year's 323.

Tri Sigma Meeting Features Election, Guest Speakers

Guest speakers and an election will highlight a meeting of Tri Sigma, a club for social service majors, tonight at 7:30 o'clock in the Student Union.

Edgar C. Baldock, head of the social service department at the East Field Home is scheduled to speak. Also speaking will be alumnae Marcha Royce, Donna Monroe, and Ellen Copeland.

Miss Monroe, past president, and Miss Copeland, past treasurer, are employed by the Santa Clara County Welfare department.

An election for a new vice president will be held to replace Jim Fox, who was drafted last summer.

The Weather

Don't bother with this if you already know that it is fair this morning, with little change in temperature from yesterday.

If you're that observant, you may be able to predict from past experience that the temperature will rise to 80 today and fall to somewhere between 50 and 56 degrees tonight.

Group To Discuss Five Propositions

Five of the propositions appearing on the Nov. 4 ballot will come under fire tomorrow night at 7:30 o'clock in Room 24.

A forum sponsored by the Student Y will consider Propositions 3, 5, 6, 11 and 13.

The background and explanation of each of the controversial issues will be presented and then the meeting will be thrown open to the audience for discussion, according to Bill Hushaw, chairman of the Student Y Committee for Effective Citizenship.

Contact 'Daily'

Candidates for election Friday should see either Walt Roessing, editor, or Cliff Majersik, news editor, in the Spartan Daily office, B93, as soon as possible to have a campaign statement published in the paper.

The statement should be approximately 50 words long. Photographs also will be taken of class presidential candidates.

Adkins Gets Deed to Trailer

—photo by Ryder

RECEIVING THE DEED to his new trailer home is Chuck Adkins, second from right. Presenting the deed are, left to right, Bob Dean, Ken Scannell and Mel Binkley. Scannell and Binkley were co-chairmen of the drive to raise funds for a trailer for the Olympic boxing champion and his family. Adkins moved in Saturday.

Oral Reading Hour On Tap; Open to All

The college's Oral Reading group will hold its bi-monthly program this afternoon at 3:30 o'clock in Room 8 of the Women's gym, according to Mrs. Courtney Brooks, assistant professor of speech.

Taking part in the program are students from Speech 3A and 10, instructed by Dr. Lawrence Mouat and Mrs. Brooks. The students are Darwin Hageman, Evelyn M. Jackson, Michael Hallinan, Jeanne Perry, Johnny Vlahos and Tom Rogers.

Coffee and cookies will be served after the program which is free to all who wish to attend.

Dr. Mouat will be chairman for the day and Dr. Dorothy Kaucher will welcome the group.

Students Face Sentence Soon

Three students will appear before Municipal Judge Percy O'Connor Thursday for sentencing on a charge of battering three parking meters with a hammer and a heavy wrench.

Sophomores David Bardelmeier, 18, and Frank Bohn, 19, and freshman Richard Flener, 18, plead guilty Friday morning.

Hold Services This Morning

The regular Student Y chapel service will be held this morning at 10:45 o'clock in the college Memorial Chapel.

Guest speaker will be the Rev. Malcolm Gwaltney, who will discuss the question: "Why Prayer?"

All students are invited to attend this non-denominational service, according to Shirley White, Student Y Worship committee chairman.

UNITED PRESS ROUNDUP

Morse Charges Ike Groups Are Intolerant, Backs Adlai

WASHINGTON — Sen Wayne Morse charged yesterday that "anti-Semitic forces" and "other intolerant groups" are backing GOP Presidential Nominee Dwight D. Eisenhower. He announced he will vote for Gov. Adlai E. Stevenson.

Morse, an Oregon Republican who has often been at odds with his own party, announced Saturday that he had turned against Dwight D. Eisenhower because he could not stomach the GOP candidate's "unconscionable compromises with reactionaries."

A Different Version
EN ROUTE WITH EISENHOWER — Dwight D. Eisenhower as he campaigned through New England yesterday threw back at President Truman the charge that he was "anti-Semitic and anti-Catholic."

Red Tape Delays Final Signature

Except for one minor red-tape technicality, negotiations were completed yesterday for the University of Montana football eleven to fill the open date left by the cancellation of the Pepperdine game, according to Glenn S. (Tiny) Hartranft, Spartan athletic department director. During earlier contacts with the Grizzlies, their one condition for the game being played

Injured Fan Still Critical, Hospital Says

Walter S. Murray, roofer at the COP game who was seriously injured in the accident which killed Albert J. Francis, former SJS student, is reported still in critical condition by sources at St. Paul's hospital in Livermore.

Murray, who is from Oakland, received chest injuries, a broken nose and facial cuts and bruises, hospital sources said. No visitors are allowed until his condition improves.

Class Officers Meet Council

Candidates for Senior class officers in Friday's election were introduced to members of the class council yesterday afternoon at the council meeting.

Following the reading of a letter from the La Torre staff, the council voted to purchase two pages in this year's issue for class activities. Marge Rawson, a member of the Senior Overnight committee, reported on the sites under consideration for the overnight.

Don Binder, chief justice of the Student court, announced that the new class officers will be installed at the next meeting of the class council.

Fraternity Alters Field Trip Plans

Eta Mu Pi members will meet at noon today in front of the Journalism barracks on San Carlos street for a field trip to Apparel City in South San Francisco. Mr. John Aberle, the fraternity's adviser, announced late yesterday.

Mr. Aberle explained that this is a change in plan and there will be no second section of the trip as originally scheduled.

was that a certain monetary guarantee would have to be met. The sum was agreed to by the local department of physical education and a reply was sent to Montana.

The one final formality will be the approval of the game by the Mountain States' board of athletic directors. They set the original sum, so there is no reason to believe that their final approval would go against the game, Hartranft said.

The Grizzlies were a member of the Pacific Coast Conference for a number of years, finally withdrawing at the end of the 1950 season. Their record last year included two victories and seven defeats. They have defeated the University of Denver 17-7 and lost last week to Colorado A&M, 41-0. They go against the University of Oregon this week.

The contest will be played Nov. 14 at Spartan Stadium, the same date as the cancelled Pepperdine game. The Waves' game was called-off by mutual agreement of the two schools, after Pepperdine came up with a number of injuries and drafted men which considerably weakened their squad.

The Spartans were also dicker-ing with the University of Wyoming for the open date, but the plans fell through.

Show Films Today

"Swan Lake Ballet" and two other general interest films will be shown this morning at 10:30 and 11:30 o'clock in Morris Dailey auditorium, according to Dr. Richard B. Lewis, coordinator of audio-visual services.

Library Sends 3 Delegates To Pasadena

Three college Library heads left Friday for Pasadena to attend the annual meeting of the California Library association, being held today through Saturday.

Those attending are Miss Joyce Backus, head librarian; Miss Helen Bullock, head of the education reading room, and Miss Dora Smith, Librarianship department head.

The trio also will attend the School Library association meeting to be held Saturday and Sunday.

Today and yesterday the SJS group were to visit Long Beach and San Diego city school department libraries and curriculum laboratories.

Miss Backus has been named on a five-member committee for the study of California state college library buildings. Her appointment was made by Dr. J. Burton Vasche, associate superintendent of public instruction. The naming of the committee had been authorized by the Council of State College Presidents.

Others members of the committee are Dr. Henry M. Madden of Fresno, Dr. David L. Bryant of Long Beach, Dr. A. C. Lambert of Los Angeles, and Dr. J. B. Enochs, State Department of Education representative.

... And Sudden Death

One former student was killed and another roofer seriously injured in an automobile accident early Sunday morning while they were returning to San Jose from the College of Pacific football contest in Stockton.

According to the State Highway patrol, they were passing a long string of cars when their car hit loose gravel and skidded out of control into a bridge railing. It is tragic that something like this had to happen. If more care were taken by everyone who drives an automobile, many persons in the nation wouldn't be killed each year.

YOU could be next! YOU could be fatally or seriously injured any hour of the day or night! But, also, you can save your own life.

You can do it by being more courteous on the highway, whether you or the other person is in the right. After all, if you're killed in an accident it wouldn't make much difference whether you had the right of way or not.

Speed must be kept to the minimum, not maximum. It is better to get there ten minutes late than not at all. An automobile should be thoroughly checked regularly so that no mechanical failures may occur, too.

Take it easy when next you get behind the wheel. Remember, that you are responsible for the other people in the car and anyone else involved in an accident. Think when you drive and you'll be alive to drive that much longer.

How You Gonna GET 'Em Down on the Farm?

A special roofers' train to Stanford for the Indian contest Nov. 1 would prove advantageous to the student body in three ways.

First, such a train would be safer than traveling on the "Bloody Bayshore" or on the crowded El Camino Real. Students could ride back in safety and comfort after dark.

Second, the "Stanford special" should prove to be very economical. The cost per student has been estimated as being very inexpensive.

Third, such a group of students would add to the spirit of the tilt. Let's make arrangements NOW for such a train!

Student-Voters Will Need Absentee Ballots

Some SERVICE organization on campus now has an opportunity to perform a great aid to many Spartan students.

In two weeks a number of students will be eligible to vote. But many of these eligible voters will be able to vote only in their places of residence, which are not in San Jose.

Absentee ballots must be sent for by these local voters. And this must be done immediately, for the time between now and the national election is short.

Some service organization on campus can aid these students by preparing and issuing applications for absentee ballots. These applications would require a minimum of effort from students who wish to obtain absentee ballots.

We would like to see every eligible Spartan voter cast his ballot Nov. 4. Some far-sighted service group can help make this possible.

Thrust and Parry

Inquisition (?) Ends

Dear Thrust and Parry:

The recent action by the California high court which cited the U.C. faculty loyalty-oath as unconstitutional should be appreciated by all college students. The ruling against the U.C. Board of Regents' control of thought marks a step out of hysterical Inquisition rule.

Although five years old, the oath argument is still intense, as witness the case in Oklahoma where school teachers this week are seeking the same ruling.

Certainly a loyalty oath will make Communists harder to find than they are today, and make the Marxian philosophy even more attractive to the rabid few who love the escapist feeling of being in the "underground."

Communists, like dope addicts, seem unimpressed by "force" laws. The Reds probably regard their belief as a religion, and their action as a crusade similar to that of religious people of all countries who go to the jungles to convert contented natives. Minus the loyalty oath, the Communists could just as easily be found and prosecuted, for surely no Communists will admit they are traitors.

Realizing the difficulty of digging out these Communists, the lawmakers will be inclined to establish stronger laws.

There will be very few people, used to our standard of living, who will be seriously swayed by the collective-enterprise dictatorship of Communist Russia. To control these few weaklings who would doubtless seek some other radical outlet for their frustration, the government might impose a too-strong law against the remainder of the patriotic citizenry and seriously jeopardize our freedom.

Let the calm debate over new theories of government continue and reason will surely bring gradually-acceptable improvement and strengthening of our system.

JOHN BOWMAN,
ASB 6785

Speaks for Doerr

Dear Thrust and Parry:

On Friday evening, Oct. 17, 1952, at the Little Theater Demo-

cratic candidate for the 29th Assembly seat, Robert C. Doerr, declared: "There is a definite need for fair employment practices legislation in California . . . Many instances of discrimination against Negroes and persons of Mexican descent in this county have come to my attention, proving to me that discrimination does exist here at this time."

Citing his introduction of city FEPC measures to the San Jose City Council, Councilman Doerr asserted, "On the floor of the California Assembly I shall work for the passage of FEPC for California."

Yours respectively,
SANFORD WEINBERG,
ASB 5791
campus campaign leader
for Robert Doerr

Ed. Note: An error was made in Monday's Daily by a beginning student who is sorry that he misquoted Mr. Doerr. We feel that the reporter has profited by this experience.

Spread Formation

Dear Thrust and Parry:

It was disappointing to sit through the COP game and not have a cheerleader in front of our section. Many SJS students arrived a little late to sit in the main root-

.. Press Box Chatter ..

By BILL TUNNELL

The first words that were spoken by Coach Bob Bronzan to his Spartan gridders following their hair-raising win over College of Pacific, 26-21, were, "You are the greatest bunch of fellows that I have ever coached or have been associated with during my coaching career. The way you came back from almost certain defeat would make any coach proud of you."

Well, most of us would go along with that. When the Spartans' diminutive halfback, Roy Hiram, broke loose with that 39-yard ramble with 24 seconds left on the scoreboard clock, most of the large local following vocally agreed with Coach Bronzan that they were a great bunch of boys.

The strange thing about that cheer was that it was delayed for about five seconds. There had been so many penalties in the game that most of the fans took one quick look back up the field for handkerchiefs before letting go. Then the place took on a good resemblance to absolute bedlam.

Hiram was practically mobbed. He didn't get to the dressing room until ten minutes after the rest of the team reached their quarters. No wild display took place in the dressing room, it was almost as if everyone was so happy they didn't want to say anything to spoil it. They weren't surprised that they had won, they knew before the game that they could. Even during Hiram's run that same feeling of superiority prevailed, as what was probably the greatest series of blocks by any Spartan team was thrown.

They aren't conceited. They show a lot of spirit and they know they're good. They proved it against the Tigers.

Rumor has it that Coach Bronzan called that last scoring play. That certainly takes nothing from the team which executed it perfectly and only adds to the established brilliancy of Coach Bronzan. His defensive set-up confused the Tigers at most points of the game, with the possible exception of their great halfback Tom McCormick, who along with the Spartans' Lynn Aplanalp, played a great game of football. If the hole didn't open for McCormick he still made yardage.

Frosh Football Staff Still Optimistic Despite COP Loss

By BILL FARR

Coach Tom Cuffe and his assistants, Gibby Mendonsa and Archie Chagonjian, were optimistic about their team's chances in future outings, despite the 18-2 thumping they took from the College of Pacific eleven Friday night.

Cuffe and Chagonjian both stated they were partly to blame for the loss because they had given their charges very little schooling in defensive adaptation. The defensive lineup proved it can be tough by the play it displayed in the second half.

The defensive unit looked good in comparison to the offense that the locals "failed" to display. A good quarterback is the Spartababes' primary need. A trio of field generals completed only one pass out of 18 Friday night.

If anyone could be singled out of the rather lacksadaisical Spartan performance as being a stand-out, it would have been Pat Hiram, brother of Roy Hiram, Saturday night's hero at COP. He showed good speed and drive while running from the halfback spot.

Raiders Grasp Independent Grid Title

After their victory over the College of Pacific Friday night the Golden Raiders of Sparta claimed the independent grid championship of the Pacific Coast, and they suggested that if that win won't justify that claim the statistics will.

What other team, independent or otherwise, can boast runners with the yard per carry averages of Dick Stults, Larry Matthews, Bob Hamilton, Bill Walker and Roy Hiram.

The most illustrious of the lot probably is Stults. A fast starter and tremendously powerful, he has amassed 479 yards in 78 carries for a 6.1 per carry average.

Larry Matthews maintains an average of 10.1 yards per carry in 31 ball carriages. Walker has the same average in 17 attempts.

Stults' "replacement," Bob Hamilton, boasts a 5.9 average in 30 tries. The highest average possessed by a Spartan back belongs to "Hero" Hiram, with a 12.3 mark in 12 carries.

In addition to all this ground power the Spartans are equally as dangerous in the air with Lynn Aplanalp at the controls. The blonde field general has attempted 86 passes and completed 44 of them for a fine 51.2 percentage.

Aplanalp is also a running threat, having carried the ball 47 times for 124 yards and an average carry of 2.6. That isn't phenomenal in itself but is there another T quarterback on the coast who has averaged ANY gain?

Coach Bob Bronzan announced that Dale Sumers, first string guard, who didn't play in the second half of the COP game, was forced to sit out the action due to a back injury. Barring further mishap, Sumers will be ready for the Stanford game.

Basketball Squad Cut Predicted ... McPherson

Basketball Coach Walt McPherson said yesterday that his Varsity team, now standing at 28 men, probably will be cut to 20 men sometime this week. The Frosh team, with 29 men maneuvering for the squad, also will be cut to approximately 20 men.

Good news from McPherson was the fact that Lee Jensen, returning varsity forward, is attending practices regularly now, having recovered from a recent knee operation.

SPARTAN DAILY 3

Watermen To Seek Win At Santa Clara Tonight

The San Jose State water polo team will be seeking its first win of the 1952 season when it visits the University of Santa Clara tonight at 8 o'clock.

Not much is known of the Broncos, but they are not reputed to be very strong. The Spartans rule as the favorites off their creditable, if not victorious, efforts against the Stanford and Cal p.w. erhouses.

Coach Charlie Walker announced yesterday afternoon that the San Francisco State-Spartan clash, originally scheduled for 8 o'clock tomorrow night, has been moved up to 5 p.m.

Walker said the reason for the time change was that he and his players are planning to attend a showing of the men's and wom-

en's Olympic swimming films being presented Wednesday evening at Hayward high school.

The varsity will play its third game of the week on Friday night as the night-cap of a doubleheader in the local pool. The opponent will be the California Water Polo club. The frosh take on Sequoia high school.

Social Affairs Calls for More Male Members

Social affairs need more men. This was stressed at the Social Affairs committee meeting held recently in the Student Union, according to Pete Silva, publicity chairman.

The group will meet today at 2:30 p.m. in the Student Union. It is hoped that more men will turn out, said Silva.

Silva said the main items on the social calendar now are plans for Homecoming game festivities and the choosing of committees. Committee chairmen are Del Bowles, decorations; Nancy Kelley, police; Fred Hart, band; Barbara Graul, patrons, and Pete Silva, publicity.

A coffee hour also will be held Oct. 28 in the Student Union. Phil Goodwin is chairman for this event.

Point System Awards Plaque

A point system based upon entertainment, games and attendance will decide which class will win the coveted Soph-Frosh mixer plaque Wednesday night.

Each class will be judged 25 per cent per category on entertainment, attendance, volleyball and tug-of-war. Dodgeball and

bean-bag football will be extra attractions for those who do not thrive on competition.

The sophomore committee in charge of games is headed by Nina Feeslink and includes Betty Dwyer and Mary Grimes. The sophomore entertainment is being arranged by Joan Williams and Marty Smith.

Pool Enlists 9 COP Cars

Nine cars, accommodating 38 in Stockton Saturday, were provided by the car pool booth in the Library Arch last week.

There were five ride-seekers who signed up without finding transportation through the sign-up booth, reported Frances Roach of the Rally committee.

PREXY LEAVES BY AIR

President John Wahlquist and Col. R. M. Bristol, Air Science and Tactics department head, were to leave this morning from the San Francisco airport for a conference at Maxwell Air Force base, Ala.
