Locals Now Own 4-2 Season Mark

By BILL TUNNELL

Well, the "jinx" worked again.

For the tenth time in the rivalry between Stanford and San Jose State, the "Big Red Machine" gridders walked over the Spartans, 35-13, Saturday in Stanford Stadium. The game proved to be the Spartans' only sloppy contest this season, and as always it came against the Indians.

Variety Show Opens Annual Celebration

Homecoming gets underway tomorrow night at 7:30 o'clock in Morris Dailey auditorium when "Spartan Serenade," a 22-act variety show, opens the 1952 festivities.

According to Barbara Matney, chairman of the show, "It will be one of the greatest shows ever to hit the campus and will feature high-caliber talent."

It will be a semi-dress affair with many alumni attending and it will be the first Homecoming

Homecoming Meet

An important meeting of the Homecoming committee will be held in the Student Union today at 4 p.m., according to John Bishop, Homecoming chairman.

Variety show ever held in the five-year history of Homecoming at San Jose State college.

John Bishop, Homecoming chairman, urges all students to attend the show as the week of celebrating officially commences at the opening curtain.

Bill Cancilla, queen contest chairman, is slated to introduce the 25 coeds who will be competing for queen of the 1952 Homecoming. A committee of five outside judges will name the winner and two attendants at the end of the two and one-half-hour show.

Joe Juliano alumni director, reports that the alumni will be presented in the production with three acts.

Benz Says No Action Yet On 'Greek' Show

The personnel Deans' committee has reached no decision thus far on action to be taken against fraternities and sororities accused of "objectionable" acts in the all-Greek show held last Monday, according to Dean of Men Stanley Benz.

Mayer Says--Peace Through Education

Dr. Milton Mayer, lecturer for the Great Books foundation, told students and faculty Friday that a program of exchange students with Germany would be the best way to eliminate the antagonism and uncertainty of the German people toward the U.S.

Dr. Mayer, who returned from Germany two weeks ago, spoke on "Germany and the Prospects for Peace." He explained that Germany feels that she is "in the middle" of the controversy between the U.S. and Russia.

Dr. Mayer advocated "international relations on a local level" to replace the present situation in which German people contact only our military and diplomatic people, and not the students and civilians.

Witness Questioned in Treason Trial of Sgt.

NEW YORK (UP)—The treason trial of former Army Sgt. John David Provoe will resume today with a Japanese-American witness facing his third day of questioning.

Capt. Richard M. Sakakida, 32, a U.S. Air Force intelligence officer stationed at Tokyo, will be cross examined further by attorneys defending Provoe against charges that he betrayed his comrades in Japanese prison camps during World War II.

Sakakida has testified he saw Provoe offer his services to the Japanese after the fall of Corregidor in May, 1942.

Convicts End Riot

MENARD, ILL. (UP)—Rebellious convicts ended their week-long riot at Menard State prison

Comedy Runs 'Til Saturday

"The Importance of Being Earnest," Victorian comedy-farce produced by the Speech and Drama department, will continue its six-day run Wednesday. Tickets are on sale in the Speech office.

The show will run through Saturday in the Little Theater. Admission is 50 cents with student body cards and 75 cents general admission. Curtain time is 8:15 p.m.

The John Kerr directed production stars Bert Graf and Richard Risso, supported by Cleo Cebulla, Marion Roehm, Marion Sparks, Pat Coyle, Fred Hare, Lewis Campbell and Jack Byers.

Speaks At Chapel

Dave Tatsuno, a wartime intern in a Japanese-American relocation camp, will tell why "I Still Have Faith" in a chapel service tomorrow morning in the college Memorial Chapel.

The service will start at 10:45 a.m.

Court Sets Trial

Four students—Gene Standfield, Joan Williams, Jeanne Luther and Paul Sakamoto—have been summoned to appear before the Student Court, Nov. 14, to face charges of violating the ASB election code, Don Binder, chief justice of the Student Court, said Friday.

Sakamoto was elected Sophomore class treasurer.

Frosh Blood Day Opens Today; Donors Needed

Freshman Blood Day, the first such project sponsored by a Freshman class here, will open officially today at 12 noon, according to co-chairman Doreane Dunaway.

The Red Cross fleet of cars will shuttle donors to the Blood center from the Student Union at 15 minute intervals after the opening, Edna Eckhardt, the other co-chairman, said.

Approximately 50 appointments are still not filled for tomorrow.

Don Clouse, chairman of the all-campus drive, commenting on the shortage said, "I'm sure that in a college of this size there are 50 more persons willing to help the freshmen make this project a complete success."

Miss Eckhardt reminded students under 21 to have their parent-release slips with them at the Blood center.

The Blood Day booth at the Library Arch will be open from 8:30 a.m. to 4 p.m. today to make appointments for tomorrow, Miss Eckhardt announced.

Official to Outline Scholarship Plan

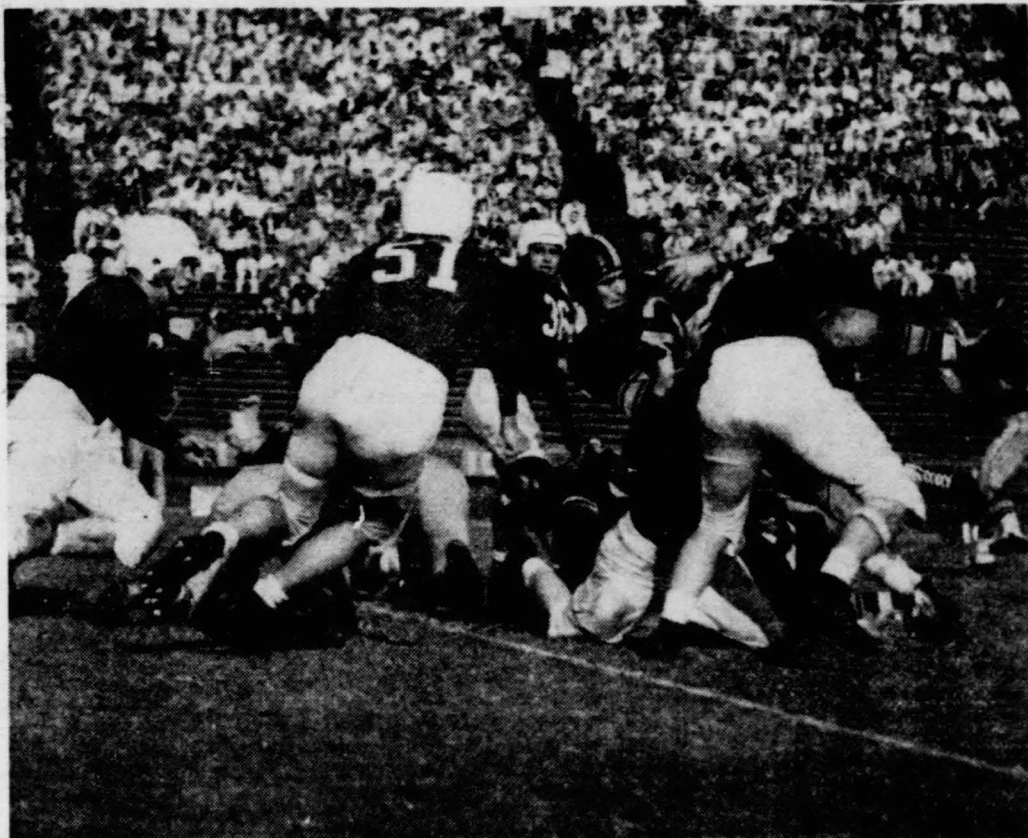

Dr. C. L. Suffield, Rotary club representative, will outline application procedure and requirements for a Rotary club graduate scholarship to the Senior class at a meeting today.

The scholarship is for foreign study and pays expenses up to \$3400.

The meeting will be held at 3:30 o'clock this afternoon in Room 39, according to Class President Ken Scannell.

Election Weather

Washington (UP)—The Weather Bureau said Friday the election day weather outlook is for "pre-vaillingly fair and mild conditions" over most of the nation.

MAKING SEVERAL yards in the first quarter of the San Jose State-Stanford football game at Palo Alto Saturday is Bill Walker, Spartan fullback, who is met by a host of Stanford tacklers on the San Jose State 30 yard line. Al Kirkland, 201 pound defensive tackle, is the Indian stopping Osborne. To the left of Osborne, coming in on the play is Bill Storum. Win Wedge, defensive guard, is No. 36, behind Osborne. A hard charging Stanford line stopped the Spartans' highly touted ground game for the better part of Saturday's contest. Final score was Indians, 35; Spartans, 13.

Stanford 'Hospitality'

Uncouth and rude conduct was charged to Stanford students by Spartans following an exchange rally at the Stanford basketball pavilion Thursday evening.

This college was invited by Stanford to join in a rally, but we did not expect such poor treatment from a school which should know better.

Chuck Wing, Rally committee chairman, said "despite continuous noise and vulgar remarks from Stanfordites during the San Jose portion of the program, I tried to keep it going. After it became apparent that the rally was turning into a farce, I cut several of our acts from the show."

Many students returning to the campus after the rally were incensed because of the uncouth treatment received. We did nothing to provoke such antagonistic action. In fact, we think Spartan students controlled themselves extremely well. If we had not it might have caused an unfortunate incident.

Next time the students on the Farm should try acting like the perfect hosts they are not.

Council Buys Photos—With ASB Fund

The Student Council last week adopted a resolution to pay for their individual La Torre pictures out of the council fund. This move was opposed by Jerry Ball and Jean Ann Bailey.

Miss Bailey said she thought it was unfair for the students to have their money spent for Student Council pictures.

We are in complete agreement with the two dissenting council members. Why should the students pay for the council members to have individual photos in the yearbook?

To use an example. In the case of the Spartan Daily the editor and business manager could take money out of the Spartan Daily fund for individual photos if they wished to do so. But instead, we pay for the La Torre "mug shots" ourselves because we don't think it would be fair for the students if we used fund money.

Most members of campus organizations do not use money from student body funds to pay for individual La Torre photos. Why does the Student Council, then, follow such a course? We would like to know the answer.

Cycle Riders Must Conform

Owners of motorcycles flagrantly have disobeyed city parking regulations this quarter. Every day some cycle rider leaves his vehicle parked in a driveway or too close to a fire hydrant around the campus and arouses the ire of San Jose police officials.

There is no reason for disregarding parking violations for motorcycles. Just last week a new parking space was opened for those students who ride motorcycles at Ninth and San Antonio streets. Other parking lots for both motorcycles and automobiles are available at Eighth and San Antonio streets and at Eighth and San Carlos streets.

According to Dr. Stanley C. Benz, dean of men, San Jose traffic officers "have been complaining about motorcycle parking around campus. But, they've held back on issuing citations until the college could determine whether or not something could be done to ease the situation."

Something has been done. It is up to the motorcycle riders now to obey the law and cease to arouse the ire of San Jose traffic officers, college officials and home owners.

Photo Deadline Is Nov. 13

Due to lack of response from the third of the Senior class who have not been photographed for La Torre, the deadline has been extended, Carole Simmons and Dick Zimmerman, co-editors of the yearbook, announced.

Thursday, Nov. 13, is the new date and seniors who have not been photographed must make an appointment by signing the sheet on the bulletin board in the La Torre office, B95, the co-editors said.

Pictures will be taken at the Keith Cole studio, 41 N. First street, according to Zimmerman and Miss Simmons.

Frosh Candidate Requirements Set

Freshmen who expect to run for a class office in the Dec. 5 election are required to attend at least three class council meetings before they are eligible, Harrison W. McCreath, class co-adviser, announced.

The class council is to be divided into two groups, one meeting today and the other tomorrow at 3:30 in B60, Mr. McCreath said.

SJS Badminton

AMS President Tom Berrey, said Friday that late entries in the All College Badminton Tournament will be accepted at the Women's gym as late as 5 p.m. today.

The annual event, which started with preliminaries last Thursday afternoon probably will run all of this week, according to Berrey.

The competition is open to all ASB card holders and equipment is furnished by the school.

SPARTAN QUARTERBACK Lynn Aplanalp is seen with a look of grim determination picking up 12 yards in final quarter of Saturday's football tussle with Stanford. Aplanalp went back to pass, couldn't spot a receiver, and ambled around right end for a Spartan first down. Ted Tanner, ace Indian linebacker, is coming up to stop the San Jose State passing whiz. Just after shot was taken Aplanalp did a complete flip when hit by Tanner. Bob Osborne offensive left half-back, is the Spartan behind Aplanalp who took out Bob Hoegh, Cardinal defensive right end. The Indians scored three times in the first half to go on to defeat the Golden Raiders, 35-13, in Stanford stadium.

Runners Race PCC Foes

Track Coach Bud Winter, has predicted that the forthcoming cross-country meet to be held at Stanford Nov. 8 between Stanford, Cal, USC and SJS will be one of the outstanding events of the season.

This being the first time the Spartan tracksters have entered a Pacific Coast Conference competition, Coach Winter sees chances of making a good showing against the big names with his up and coming team.

The season so far finds Stanford rated one of the best coast teams with such outstanding men as Bob Reed, Wilfred King and Lee Simon. USC's Art Garcia has reportedly been running over everyone in the cross-country event down south. These mighty forces, plus Cal, promise plenty of competition for the Spartans in this big contest.

Aimonetti Scores Three Times In Spartababes' Win

Big Bill Aimonetti, 220 pounds of crashing fullback, brought the San Jose State Frosh out of the doldrums of defeat Friday night by scoring three touchdowns in the Spartababes' 20-7 triumph over the College of Marin in a game played under the lights, in Kentfield.

Aimonetti, an all-county prep fullback for two years while attending the then adjacent San Jose High school, scored all three touchdowns on line plunges after sustained drives had brought the Spartans deep into enemy territory.

San Jose opened the scoring in the first period as Aimonetti went off tackle from one yard out. Marin scored in the second period and the score was tied 7-7 at half-time.

Showing offensive power for the first time this season the local freshmen came back after the half and drove down to the three where Aimonetti bulled through center for the touchdown. Touchdown number three came in the same fashion early in the last quarter.

Coach Tom Cuffe was very pleased with his team's showing and especially with the work of Aimonetti.

Cal Aggies Conquer Spartan Waterpoloers

San Jose State dropped a nip-and-tuck 7-6 decision to the California School of Agriculture Friday afternoon in a game played in the Davis pool.

The AquaSpartans next game is slated for Wednesday night against their one-time conquerors, the University of California.

In Friday's tilt the lead shifted back and forth during the first three quarters with the Aggies finally taking command in the final period.

At the outset of the fourth quarter the winners' took a commanding 6-4 lead. San Jose pulled to 6-5 midway in the quarter only to have Aggies' star Bill "Hoppy" Hopkins score to cinch the game. The Spartans made it 7-6 with two minutes to go but couldn't put in the tying tally.

Chet Keil was the Spartan scoring leader with four goals and Taylor Hathaway collected two. Hopkins whipped in five scores for the winners.

Chimes To Play Every Day for Homecoming

The college chimes will play every day this week to mark the fifth annual San Jose State college Homecoming. Joline Howard, head carillonneur, announced Friday.

The chimes will ring out the college hymn, "Hail, Spartans, Hail," other college songs including "Halls of Ivy" and the Brigham Young university hymn.

Miss Howard will play the chimes each day from 12:20 to 12:30 p.m. and one of her two assistants will play the chimes at some other 10 minute period, probably from 11:20 to 11:30 a.m.

The assistants are Helen Smith and Nan Grisham.

Harclerod Assumes Duties

Dr. Fred F. Harclerod, the college's new dean of instruction, is slated to assume his duties today, according to the President's office.

One of the new dean's responsibilities will be working out the details of the junior college split at SJS, which is scheduled for completion in June or September of 1953.

Dr. Harclerod is a graduate of the Colorado State College of Education, where he received his A.B. and M.A. degrees, and Stanford

university, where he obtained his Ph.D. degree in 1948.

His most recent position was chairman of the Division of Education at San Diego State college. Dr. Harclerod supervised the recent junior college split at that institution. He succeeds Dean Jay C. Elder, who resigned last June.

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

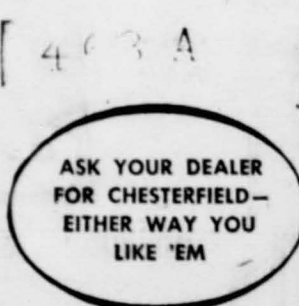

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough

examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."
