Campaigns Will Start Tomorrow

"Politikin" will move into full swing on the SJS campus tomorrow when 20 candidates for class offices and Student Court positions begin staking out election posters in preparation for elections, Oct. 15.

Election of a homecoming queen will be held at the same time, Chief Justice Stan Croonquist announced yesterday. Candidates will be named later this week.

Candidates given final approval yesterday by Croonquist are Percy Rivers, senior class president; Joyanne Scott, senior secretary; Leah Vaysie and Missy O'Neill.

For Junior class positions, Bob Lindsay, president; Gini Watson and Rosemarie Pedone, vice-president; Rosemary Magnasco, secretary; Barbara Murphy, treasurer.

Sophomore class officers, Al Behr, president; George Brown and Stella Armento, vice-president; Sally Ferris and Carolyn Stelling, secretary; Bruce Bush, Carolyn Spillane and Jim Tormey, treasurer.

For Sophomore Male Justice, Gary Clark; Sophomore Female Justice, Nada Stepovich and Madeline Planchon.

Elections will be held in the Inner Quad, Croonquist announced, and students from individual classes will get ballots for those classes. In case of rain, voting booths will be moved to the foyer of Morris Dailey Auditorium.

Information as to election rules and poster regulations can be obtained in the Student Union, Croonquist announced.

SDS Studies Health Plan

A "pilot study" now being conducted at San Diego State College may determine the future health program at San Jose State, according to E. S. Thompson, college business manager.

Decided upon last year by the Council of State College Presidents, provisions of the program include one physician and one nurse per 1000 students and additional office and technician personnel. Cost of the program to SJS students would be \$5 which would help defray a portion of the cost, Thompson explained.

San Jose State now has one physician per 2000 students and one nurse per 1500 students. A student fee of \$2 meets a small portion of the total cost.

San Diego was chosen as an experimental site because it had the building facilities to accommodate the program.

"Since we've had a 'going' health program for a number of years, the San Diego pilot study won't be particularly conclusive in regards to our college," Miss Margaret Twombly, health department head, commented.

Solons Will Study SJS on Nov. 4

Record enrollment and overcrowded conditions at San Jose State College will get an official once-over by California's Senate Education committee in a special visit to the campus on Nov. 4, according to President John T. Wahlquist.

Chairmaned by Senator Nelson Dilworth, the interim committee will spend two days in the San Jose area on a dual-purpose trip to study education problems here.

Purple, White

Homecoming Ball Color Theme Gets Approval of SAC

Royal purple and white will be the theme colors for the Coronation Ball which will be held on Nov. 5 in the Civic Auditorium, according to Jim Cottrell, Social Affairs committee chairman.

The sides, roof and stage of the auditorium will be decorated with crepe paper streamers of purple and white, Cottrell stated.

The Queen's throne will be placed back of the band on the stage. Coronation crests will be placed along the walls, at the front door and on the stage. A huge crown will hang from the ceiling in the middle of the auditorium. The throne will be behind a curtain until 11 p.m. when the queen will be announced.

The decorations for the ball received final approval at a meeting of the Social Affairs committee Thursday. The group also made preliminary plans for the queen's float for the Homecoming parade.

AFROTC Sends Blood to Don True

Thirty pints of blood from the AFROTC Credit Blood club have been sent to Ft. Miley's Hospital for former SJS student, Don True. Maj. William Wetsel, assistant professor of air science and tactics, announced yesterday.

Wetsel said he hopes the blood supply of the club will be replenished by the joint AFROTC-ROTC fall blood drive today and tomorrow. "All students, regardless of whether or not they are enrolled in the military program, are urged to give blood during the drive," he added.

Art Lund, head of the AFROTC Cadet Council and ASB president, approved the donation to True.

Members of Alpha Tau Omega, True's fraternity, also have donated blood during his critical illness. He was reported in need of more than 100 pints of blood last week.

Democrats Outnumber Republicans

SACRAMENTO (UP) — The general election of Nov. 2 will find 5,885,237 Californians eligible to vote, with Democrats outnumbering Republicans about 4 to 3, the Secretary of State's Office has announced.

The Democrats gained ground in registrations since the June primaries, increasing 154,827 for a total of 3,266,831 Democrats eligible. The Republicans made a gain of 66,837 for a total of 2,415,249 eligible.

NO DRASTIC MOVE!

WASHINGTON (UP) — The United States wants Nationalist China to avoid any drastic military moves that could spark a major war in the Far East, according to high administration officials. They took the position, how-

ever, that the Nationalists have the right and duty to pursue "sensible military actions" to neutralize sizeable Red forces on the China mainland that could invade Nationalist islands.

PROPOSITION HOTTEST

SACRAMENTO (UP) — Proposition Four to increase maximum old-age pensions from \$80 to \$100 shapes up as the hottest measure on the November ballot in terms of money spent to promote and defeat it.

BUSINESS STABLE?

WASHINGTON (UP) — Government economists said last week business probably will "bump along with ups and downs" in various fields but remain near present levels for the next few months. They said they consider present

economic activities to be at "high levels."

LUCE TO RESIGN?

ROME (UP) — Authoritative diplomatic sources expect Mrs. Clare Boothe Luce to resign within the next few months as United States Ambassador to Italy.

With settlement of the Trieste dispute, Mrs. Luce has scored a major victory in one of America's toughest overseas assignments, and the way appears clear for her to return to the United States.

DECISION POSTPONED

WASHINGTON (UP) — The Senate-House Atomic Energy committee has put off a decision on the controversial Dixon-Yates power contract until after the Nov. 2 elections.

INTEREST IN RELIGION is increasing on campus, according to Ed Wright, president of the Student Christian Council, which sponsors a weekly service in the Memorial Chapel. The chapel service is non-sectarian, with a minister from a different church delivering a speech on a topic of current interest each week. The service is held every Tuesday morning at 9:30 o'clock and all who are interested are invited to attend.

'Frosh Will Never Get Plaque,' Tormey Says

"The freshmen will never get the plaque," according to Jim Tormey, Frosh-Soph Mixer publicity chairman.

The plaque, now in the hands of the sophomores, will be awarded the winner of competition at the Frosh-Soph Mixer to be held Friday evening. In the past the freshmen usually have won the mixer but the plaque disappeared before it was awarded, Tormey said.

Competition at the mixer is based on four categories: attendance, games, dancing and entertainment. Twenty-five points are awarded the winner of each category.

A mixer is held each quarter and the class winning two out of three of the events is awarded a cup. Tormey revealed that the sophomores have the cup, too.

There will be a booth in the Outer Quad where freshmen may sign up for participation in their class' part of the contest, according to Dick Takaha, Freshman class president. He urges all talented freshmen to sign up to help their class win the events.

Sponsor of the mixer is the Sophomore class. Next quarter the frosh will conduct the event. The spring quarter mixer is a joint affair. Paul Thomsen is the mixer chairman for the sophomores.

Seniors Slate December Event For Today's Class Discussions

Main topics for discussion in the Senior class council today are making final plans for the December graduating class banquet and the Junior-Senior Transfer party, according to Joyanne Scott, secretary.

The banquet is scheduled for Dec. 16. Place and speaker have not yet been decided.

Plans also will be made for the Fresno State after-game dance.

The Senior class meets at 3:30 p.m. in Room 127.

FRESHMEN

Freshmen will organize their

strength at their class meeting today for the Frosh-Soph Mixer to be held this Friday evening, Oct. 15, according to Dick Takaha, class president.

The Frosh will meet at 3:30 p.m. in the Morris Dailey Auditorium to make final plans for the competition. President Takaha urges all freshmen to attend the meeting. "We want that plaque," he stressed referring to the award made to the class which wins the competitive event.

SOPHOMORES

Committees working on the Frosh-Soph Mixer will give reports to the Sophomore class council today, at 3:30 p.m., at S-112. Other general business will be discussed.

Right after the council meeting the committees working on the "mixer" will discuss further plans, in the same room.

Election Foul Ball

This quarter, for the first time, the Student Court was able to make a close check on the eligibility of candidates for class offices.

The result—disqualifications, reinstatements and plain confusion.

A new system may be put into action to cover the class attendance clause which turned out to be the foul ball this quarter in ASB election regulations.

This clause of the ASB constitution states that any candidate for class office (that is a senior, junior or sophomore class position), must have attended three meetings of the class during the previous quarters.

Several problems stemming from this clause barred many candidates from running for class office.

The first problem was the confusion arising in class councils when they began drawing up a list of persons who had attended three class council meetings. The Sophomore class, a little more confused than most, sent the Court a careful list of all persons who had attended three consecutive meetings.

The result of this was that nine hopefuls were cut out of running the first day.

The big problem for the Court when several disqualified members protested that they had attended three meetings of their class councils but their names did not appear on the rolls.

This problem was solved when class presidents sent signed letters to the court certifying that the candidates were present during the necessary meetings.

Spartan Daily suggests that a more careful check be made of those present at class meetings. This is an important factor in determining class election eligibility. It seems possible that a bailiff of the Student Court could be made responsible for keeping a close check of class council rolls.

The clause covering attendance also states that a candidate "must be an active member of his respective class council for at least one of the three quarters previous to nomination."

This makes it possible for a person to be eligible for a class office if he attended three class council meetings during a full college year, three quarters prior to his candidacy.

It would seem that the prospective student officer should attend meetings of the class council during the quarter immediately preceding the quarter in which he runs for office. We want interested students for class officials.

It would be a good idea for the Court to consider carefully the problems involved and consider some of the suggested solutions.

ROTC Cadets Earn Honors

Five ROTC cadets were named distinguished military students Thursday by President John T. Wahlquist and ROTC head Col. John E. Rogers.

They are: Col. Samuel Yates; lieutenant colonels Winston Dahl and George Wallace; and majors Robert Beveridge and Michael Kubus.

Cadets gain distinguished military student recognition for their high scholastic standing and outstanding military efficiency, Rogers said.

"These cadets maintaining this high standing become distinguished military graduates and may apply for admission into the Army as regular officers," he added.

Student Y Groups Plan Discussions

The Student Y interest groups will meet again at 3:30 o'clock this afternoon at the Y, according to Mel Bowen, publicity chairman.

Topics to be discussed include "Faith, Sex and Love" and "You, the Nation, and the World."

These topics will be discussed at Camp Campbell this weekend. Bowen stated, and it would be to the advantage of those attending the camp to be present at this meeting.

Students who plan to go to Camp Campbell should pay the \$3.25 registration fee. The total cost for the weekend will be \$8.25, which will take care of food, lodging and transportation.

Fees may be paid at the Student Y, Bowen said.

"A labor of love instead of money" said Robert Greenwood, junior librarian, in describing his job as editor and publisher of the literary magazine, Talisman.

Greenwood, junior librarian at SJS, has been working on the magazine for the last three years. The Talisman is published twice a year and has an international circulation. It is circulated in England, the Philippines, Japan and Canada as well as in the United States.

Greenwood originated the magazine with six other persons while he was a graduate student of English at the University of Denver. The group strives to present new writers and points of view in literature.

Future plans for Talisman are to publish quarterly and establish a small press, publish limited editions of poetry, bibliographies and short fiction.

SJS Knocks Off Sun Devils, 19-12

By GIL CHESTERTON

San Jose State's win-happy Spartans can point for victory No. 4 with Oregon University two weeks hence with added vigor after the impressive manner they knocked Arizona State from the unbeaten ranks, 19-12, Saturday night at Tempe.

The Golden Raiders, who have an open date this weekend prepare for the Ducks, displayed

a lightning fast, hard-hitting offense led by Halfback Stan Beasley to strike pay dirt the initial pair of times they had the pigskin.

After halting the Sun Devils on downs following the opening San Jose kickoff, the home-townners marched 75 yards in nine plays with Dave Fanner scoring his first of three TD plunges, this one from the three-yard marker.

The drive was highlighted by a pair of Benny Pierce to Clarence Wessman passes and 17, 12, 7 and 5 yard jaunts by the 165-pound Beasley.

The Spartan line, anchored by Guard Stan Galas, again stopped the vaunted Arizona offense to take possession of the ball at mid-field. Seven plays and 50 yards later, the Washington Square gridders had another teehee much to the dislike of 11,000 partisan fans watching Arizona in the midst of losing their first game in four contests.

Beasley again proved to be the thorn in the Sun Devil's side as he reeled off runs of 17 and 19 yards to move the pigskin the ASC 17. Pierce pitched to Wessman for 12 and a first down on the five where Fanner bulldozed his way over for the tally. Tony Teresa booted the conversion and the Spartans had two quick scores and a 13-0 lead.

Penalties stalled the Golden Raiders in two other marches and it wasn't until final stanza that San Jose hit the scoreboard again.

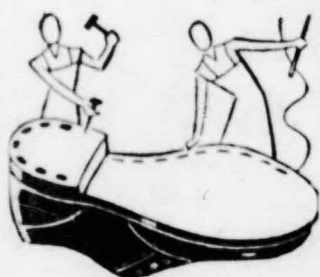

Leading by only one scant point after Arizona had rebounded for two touchdowns, Fanner and Beasley took turns riddling the Sun Devil line to carry SJS 68 yards in 12 plays to ice the game in the fourth quarter. Fanner plunged over guard for the touchdown.

Trio Knotted as Mr. Pass Protector

Among the crop of 42 freshman football players are three who garnered Northern California honors last season, according to Coach Larry Mathews.

Ron Dennis, All-Northern California end from Castlemont High School, Oakland; Russ Camilleri, All-SCVAL end from Campbell; and Richard Spiekerman, Lodi, halfback who played in the high school North-South game during the summer, top the all-star list.

The yearlings meet Fresno State Oct. 29 and College of Pacific Nov. 5, both games in Spartan Stadium at 8 p.m.
