

# State Approves \$35,000 Move

## Legislature May Deny SJS Funds

San Jose State College's proposed 31 million dollar five-year building program may be defeated if it goes before the State Legislature this January, according to Assemblyman Wallace D. Henderson (D-Fresno).

The United Press Sacramento bureau told Spartan Daily yesterday that the 31 million dollars is SJS' portion of a 168 million dollar state college building program now in the hands of California's Construction Planning subcommittee.

Henderson, who last year went down in defeat while battling in favor of enlarging state college building programs said, "I doubt whether the Legislature will approve 168 million dollars in view of the state's financial condition."

Recommendations to the Legislature regarding money for state college building programs probably will come from California's Senate Education committee which will study SJS' needs in a special visit Nov. 4.

The 31 million dollars of the proposed building program slated for SJS includes construction of residence halls for 350 men and 350 women, an engineering building addition, a police and military science building, an industrial arts structure, music hall addition, laboratory school, library additions, and science building addition.

## Revelries Board Asks Show Admission Raise

A recommended increase in the Revelries admission price was voted by the Revelries Board yesterday. The new admission would be 75 cents for students and \$1 general admission if approved by the Student Council. Last year's show price was 60 cents for students and 90 cents general.

The increase is being recommended so the board can give the audience a better program sheet and cover other technical expenses of the show.

Also voted by the board was a recommendation that the Council appoint Don Douglas business manager for the show. Douglas was student body treasurer when he

## Parade List Now Complete

Alpha Tau Omega is now on the official Homecoming float parade list, Vern Perry, Homecoming committee chairman, announced yesterday so that "everybody who should be on it is signed up."

Perry explained that the fraternity's name was omitted from the list announced earlier through a "mix-up" and had actually already entered as fraternity President Dick Brady said Wednesday.

Over-all theme for the parade this year is to be "Down On the Farm" and the procession is slated to be broken up into three divisions, fraternity, sorority and independent.

The Student Council, meeting yesterday afternoon, set a \$150 limit on float budgets while the Inter-Fraternity Council laid down a \$50 maximum, in a recent meeting.

## Get Your Number

What's YOUR number? If you're signed up for the Public Safety lecture series to be given at 11:30 a.m. Monday, Wednesday and Friday, better make sure you know your Morris Dailey Auditorium seat number. It can be checked in Room 122. All three of the lectures must be attended to satisfy requirements, according to Dr. Gertrude Cavins, of the Dean of Instruction's office.

## Full House Sees Rajah at Rally

A jam-packed house saw Sparta Rajah return to the Oregon game rally in Morris Dailey Auditorium last night.

The stage was "covered" with harem girls, a contortionist, Persian dancers, and the "original" Persian pep band, and a cast of "thousands."

Theme of the rally was "Ancient Bagdad." The program included a safari and the "Rope Climbers" singers.

The song girls and yell leaders also performed for the rally. The main plot was a homecoming feast given by a Sparta Rajah after his return from an inspection of his money vaults.

attended San Francisco City College.

The show will run from Feb. 14 to 19, with the first night as an invitational premier.

Organization night will be Wednesday, Feb. 16, it was announced at the meeting. This is the night that fraternities, sororities and living groups purchase blocks of tickets and attend as a united group.

Tuesday night, Feb. 15, has been set as high school and junior college night. Any student, however, may attend this performance.

## Student Slashes Wrists; at Agnew For Observation

James E. Allen, 23, SJS pre-professional student, was taken to Agnew State Mental Hospital Tuesday for observation after police reported he slashed his wrists early Monday in the bathroom of his apartment at 559 S. 2nd St.

Police said Allen was discovered at approximately 3 a.m. by roommate Warren W. Weiss, also an SJS student, who talked Allen into getting up and then drove him to the San Jose Hospital. Allen's injuries were not serious.

## Sales Near End

Send home editions of the Spartan Daily go into their final day of sale today in the Library Arch. A few copies of the edition, packed with pictures and features, are still available. Cost is 18 cents if students wish them mailed home or 15 cents across the counter.

## UN Week Event

## Career Minister Speaks Before Students Today

Maxwell M. Hamilton, career minister of the U.S. Foreign Service, will talk on "The United Nations," today at 1:30 p.m. in the Concert Hall, according to Bob Harris, UN Week chairman.

Hamilton's speech will be the highlight event of the International Relations Club's activities in observance of UN Week, Oct. 17 to 24. In his 32-year foreign service career, Hamilton has devoted most of his time to specialization in Far Eastern affairs.

He was chief of the division of Far Eastern Affairs from 1937 to 1943 and Minister Counselor to the American Embassy at Moscow in 1943-44. In the years 1949-52, he was the United States representative and chairman of the 13-nation Far Eastern Commission, which formulated occupation policies for Japan. He held the rank of ambassador.

Immediately following Hamilton's speech, students are invited to the Student Union for refreshments and an informal discussion with the guest speaker, Harris said.

San Jose State's audio-visual department will tape-record Hamilton's speech, as it did Dr. Suri's, for future broadcast over KEEN.

United Nations Day, Sunday, will be observed with the presentation of a 30-minute drama, "The United Nations," written by Robert I. Guy, college Radio-TV director. Students of the Radio-TV Guild will take part in the production over KEEN at 6 p.m.

## Speaker Calls Present Day 'Aspirin' Age

We are living in an "aspirin" age in which the province of the arts is to bring integration and wholeness to the world, Dr. John Dodds, director of the School of Humanities at Stanford, told a Dedication Day audience yesterday in the Little Theater of the new Speech and Drama Building.

Dr. Dodds, speaking on "The Arts and Modern Man," stated that the human race today is in the position of a man in a raft approaching a waterfall. Only through the arts, he said, can man discover a sense of values which will enable him to achieve a measure of order out of chaotic modern existence.

Before introducing Dr. Dodds to the near-capacity audience, President John T. Wahlquist praised the million-dollar speech and drama structure as "one of the finest of its kind in the country." He expressed the expectation that the building will become the "cultural center of the community."

## Space Deadline

Tuesday is the deadline! There will be no organization contracts for space in the 1955 La Torre accepted after Oct. 26, according to Jim Cottrell, business manager.

He stated that so far 200 pages of SJS activities have been planned, but few contracts for space from organizations received. There is a number of contracts still in the Student Union boxes.

### For Budget Year

## 'Extra' Funds Actually Are Usual Practice

SACRAMENTO, Oct. 21 (UP) — The State Department of Education signed an order today, subject to approval of the State Department of Finance, to give San Jose State College about \$35,000 more for support in the current budget year.

The amount comes from student fees contributed by full-time students enrolled at the college in excess of the authorized 6400.

Department of Education officials said the allocation of the extra fees back to the college was "the usual practice" and did not mean an actual increase in support for the institution originally voted by the Legislature.

"We're simply letting them spend the amount they take in in extra fees, the same as other colleges," a department official said. "We feel quite sure the Department of Finance will approve."

### WAHLQUIST ELATED

"It will be a Godsend," SJS President John T. Wahlquist said upon learning the news. However, he said he as yet has received no official word from the Department of Education.

He declared that this is what SJS requested in September.

If the money is granted to SJS, it will make possible the hiring of several additional teachers, readers to help teachers with over-crowded classes, and persons for other necessary jobs as well as the purchasing of needed equipment.

President Wahlquist said he has received no word from the Department of Education regarding a story which broke in metropolitan stories last week stating that the SJS 6400 student ceiling had been broken and an additional \$16,000 in student fees granted the college.

## Panhellenic Dance At Castlewood CC

## Special Reading Room For Science Students

Special books for science and technology students may be obtained in the Science and Technology Reading Room, according to Mrs. Helen Allen, science librarian.

More than 400 students a day use the room for studying and research, she said. The room is used mainly by students studying mathematics, astronomy, physics, chemistry, paleontology, biology, botany, zoology, geology, medicine, engineering, agriculture, domestic economy, business, chemical technology, manufacturing, mechanical trades and buildings.

The room has material, however, that interests other students such as "Chemical's Who's Who" which mentions SJS instructor Dr. Murray Clark. "The American Men of Science", which has a list of SJS teachers such as Dr. Carl D. Duncan, Dr. Alexander A. McCallum, Dr. Burt M. Morris and Dr. Charles W. Telford.

Books of the histories of aviation and automobile can also be found in this room as well as

books of interest to nature students, such as "Birds of California."

There are a number of technical publications to aid the students. The room subscribes to about 430 magazines. It has 12 special periodical indexes to assist in finding special information. Plastic raised typographical maps of different areas and the United States are available as are special periodical magazines and books in the courses mentioned.

## Business Students To Survey SJS Purchasing Habits

Don't be alarmed next week if someone comes up to you and asks, "How much money did you spend for clothes while attending SJS last year?" It is just a student survey being conducted by members of Business 135B, Buying for Retail Stores.

Purpose of the survey is to discover the habits of SJS men and women in purchasing apparel. Separate surveys will be conducted for women and for men.

Inquiries will include factors that lead to the purchasing of clothes, three favorite apparel stores, possession of a charge account in an apparel store and readership of Spartan Daily advertisements.

Representatives from downtown department stores and apparel shops are working with members of the class in conducting the survey. Two members of the class are in charge of the survey. Silas Wilson is handling the men's survey and Marzette Oliver, the women's.

## Need Engineers

More electrical engineers are needed, according to a recent survey in which SJS participated. The growing need is reported in the October issue of "Electric West," an industry publication. The survey was made by 15 of the West's largest utility companies and 15 colleges. Utilities questioned represent over 85 per cent of the generating capacity in the 11 western states.

## On Campus with Max Shulman

(Author of "Barefoot Boy With Cheek," etc.)

### WHAT EVERY YOUNG COED SHOULD WEAR

Gather round, girls. Snap open a pack of Philip Morris, light up, relax and enjoy that mild fragrant vintage tobacco while Old Dad tells you about the latest campus fashions.

The key word this year is *casual*. Be casual. Be slapdash. Be rakish. Improvise. Invent your own ensembles—like ski pants with a peek-a-boo blouse, like pajama bottoms with an ermine stole, like a hocky sweater with a dirndl.

(Dirndl, incidentally, is one of the truly fascinating words in the English language. Etymologists have quarreled over its origin for years. Some hold with Professor Manley Ek that Dirndl is a corruption of Dardanelle and is so named because it resembles the skirts worn by the women of that region. This theory is at first glance plausible, but begins to fall apart when you consider that there are no women in the Dardanelle region because of the loathsome local custom of female infanticide.)

(Another theory is advanced by Dr. Clyde Feh. Dirndl, says he, is a contraction of "dairy in the dell" and refers to the milkmaidish appearance of the skirt. But again close examination causes one to abandon a plausible hypothesis. As every child knows, it is not "dairy in the dell" but "farmer in the dell", in which case the skirt should be called not dirndl but *firndl*.)

(There are some who contend we will never know the true origins of dirndl. To those faint hearted Cassandras I say, remember how everyone laughed at Edison and Franklin and Fulton and Marconi and Sigafos. (Sigafos, in case you have forgotten, invented the nostril, without which breathing, as we know it today, would not be possible.) The origins of dirndl will be found, say I, and anyone who believes the contrary is a lily-livered churl and if he'll step outside for a minute, I'll give him a thrashing he won't soon forget.)

But I digress. We were smoking a Philip Morris and talking about the latest campus styles. Casual, we agree, is the key word. But casual need not mean drab. Liven up your outfits with a touch of glamor. Even the lowly dungaree and man-shirt combination can be made exciting if you'll adorn it with a simple necklace of 120 matched diamonds. With Bermuda shorts, wear gold knee-cymbals. Be guided by the famous poet Cosmo Sigafos (whose brother Sam it was who invented the nostril) who wrote:

*Sparkle, my beauty,  
Shimmer and shine,  
The night is young,  
The air's like wine,  
Cling to a leaf,  
Hang on a vine,  
Crawl on your belly,  
It's time to dine.*

(Mr. Sigafos, it should be explained, was writing about a glow-worm. Insects, as everyone knows, are among Mr. Sigafos' favorite subjects for poems. Who can ever forget his immortal *Ode to a Boll Weevil*? Or his *Tumbling Along With the Tumbling Tumblebug*? Or his *Fly Gently, Sweet Aphid*? Mr. Sigafos has been inactive since the invention of DDT.)

But I digress. We were smoking a Philip Morris and discussing fashions. Let us turn now to headwear. The motif in hats this year will be familiar American scenes. There will be models to fit every head—for example, the "Empire State Building" for tall thin heads; the "Jefferson Memorial" for squatty ones; "Niagara Falls" for dry scalps. Feature of the collection is the "Statue of Liberty," complete with a torch that actually burns. This is very handy for lighting your Philip Morris, which is very important because no matter how good Philip Morris are, they're nowhere unless you light them.

We come now to the highlight of this year's fashion parade—a mad fad that's sweeping the chic set at high tone campuses all over the country. All the gals who are in the van, in the swim, and in the know are doing it. Doing what, you ask? Getting tattooed, of course! You just don't rate these days unless you've got at least an anchor on your biceps. If you really want to be the envy of the campus, get yourself a four masted schooner, or a heart with FATHER printed inside of it, or a—

I interrupt this column to bring you a special announcement. A runner has just handed me the following bulletin:

"The origin of the word dirndl has at long last been discovered. On June 27, 1846, Dusty Schwartz, the famous scout and Indian fighter, went into the Golden Nugget Saloon in Cheyenne, Wyoming. The Golden Nugget had just imported a new entertainer from the East. She came out and did her dance in pink tights. Dusty Schwartz had never seen anything like that in his life, and he was much impressed. He watched with keen interest as she did her numbers, and he thought about her all the way home. When he got home, his wife Feldspar was waiting to show him a new skirt she had made for herself. 'How do you like my new skirt, Dusty?' said Feldspar. He looked at the large voluminous garment, then thought of the pink tights on the dancing girl. 'Your skirt is darn dull,' said Dusty. 'Darn dull' was later shortened to 'dirndl' which is how dirndls got their name."

## Spartans To Face Mustangs, SCYC In Four-Mile Race

SJS cross country runners will attempt to outdistance Cal Poly and Santa Clara Youth Center harriers when the trio meet this afternoon at 3:30 o'clock on the local course.

Fans will have a chance to view the race on the unique Spartan four-mile course that keeps the runners in sight during the entire jaunt.

Golden Raider hopes will be resting on Coach Lloyd "Bud" Winter's "big four," Don Hubbard, Don Berry, Duane Ludlow and Mel Stroud.

Coach Winter hopes to pick a good No. 5 man from among Jim Green, Frank Wulfstange, Dick Gromer, Bob Azevedo and Tom Santiago.

Lack of experience was blamed for San Jose's opening defeat Saturday at Cal.

## Frosh Tie Preps

SJS freshmen water polo players came closer than ever before to winning a match this season when they tied James Lick High School, 8-8, Wednesday.

Mike Thornton and Phil Ferguson led the point makers with three each, Garold Talley and Bob Henning each tallied once.

## Soccer Team Loses Halfback

Chances for an upset victory over California's soccer team received a severe jolt when Halfback Tony Bell dropped from school recently.

Coach Julie Menendez had singled out Bell as the outstanding player for SJS last Saturday against USF.

Meanwhile, the Spartan soccer squad prepped for their engagement tomorrow morning with the Bears on the local field at 10 o'clock hoping for its first victory.

San Jose State, after an 11-year absence from collegiate soccer, dropped its first two tilts to Stanford, 6-1, and USF, 5-1.

The locals will be strengthened by the return of a healthy George Wallace, who missed the last encounter because of a pulled muscle sustained in the Stanford opener. Wallace will fill the vacant halfback post.

## Grid Title Chase

In the first freshman football statistics released this season, Tackle Leroy Givins led the Frosh with 24 hits in 24 attempts for "Mr. Pass Protector" honors, while End Russ Camilleri paced the yearlings with 180 points in the chase for the "Mr. Downfield" title.

## Hope To Bag Oregon Duck At Eugene

By GIL CHESTERTON

Sports Editor

Coach Bob Bronzan leads a grid safari into the wilds of Eugene today when the Spartan pigskinners board a United flight to Oregon on a duck hunt.

The Duck that Coach Bronzan hopes to bag is a victory over the Webfoots tomorrow afternoon in the Eugene stadium. Game time is 2:15 o'clock.

The contest will be aired over radio station KEEN at 2 p.m.

Showers are listed as a likely prospect, warned the Oregon weatherman. He previously forecast clear skies for the battle.

The Spartans will be seeking their fourth victory. The Webfoots sport a 2-5 record this season. They led the Northerners 52 minutes of the encounter last season before losing their first game to Oregon, 26-13.

The only bright spots on the Duck slate are victories over winless Idaho, 41-0, and Cal, 33-27. Oregon was beaten by Utah, 7-6, Stanford, 18-13, and USC, 24-14.

SJS trounced Idaho, 38-6, Utah State, 20-0, and Arizona State, 19-12. Their only setback was by California, 45-0.

Oregon, a pre-season favorite for the Rose Bowl, is paced by All-American candidate George Shaw, Halfback Dick James and Center Ron Pheister.

Shaw is national total offense leader and second to Cal's Paul Larson in the passing department. His favorite receiver is James, who is ranked second nationally in pass catching.

Pheister is a potential All-Coast center.

The contest could turn into a duel between Shaw and Golden Raider QB Benny Pierce, who ranked fourth in national passing and 10th in total offense until last week's open date. Pierce is still 10th in aerial artistry, boasting a 55.9 percent completion mark.

Probable starting line-up:

SJS	Oregon
Hardy	LER
Adams	LTR
Galas	LGR
Yagi	C
Louderback	RGL
Crawford	RTL
Wessman	REL
Pierce	Q
Hiram	LHR

## Shutouts End Opening Week

Three games rounded out the first week of intramural football action yesterday.

Fernando's Hideaway disposed of Newman Club, 31-0, in the only Independent loop game Wednesday. It was the season opener for both clubs.

In American league grid play Sigma Pi registered a 14-0 triumph over Theta Xi.

Sigma Nu whitewashed Phi Sigma Kappa, 18-0, to wind up Wednesday's slate of contests.

## Chem Club Elects

Student Affiliates of American Chemical Society officers elected recently are, President Lloyd A. Oksen; Vice-President, Art N. Minassian; and Secretary-Treasurer, Lois M. Lamson.

## Pigskin Pickings

The Spartan Daily peerless pigskin prognosticators have a female to compete with this week in picking the winner of the "Big Five."

Faces of the three male panelists, Bill Hubbard, Gil Chesterton and Glenn Hartranft could be mighty red if Cathy Sanders, PE Department secretary, outdoes them as guest guesser.

The grid menu includes Wisconsin vs. Ohio State, Mississippi vs. Arkansas, California vs. University of Southern California, UCLA vs. Oregon State; and Minnesota vs. Michigan, in the Little Brown Jug game.

Picks, with panelists' records in parenthesis, are:  
Chesterton (11-4)—Wisc., 14; Miss., 12; USC, 7; UCLA, 50; Minn., 6  
Hubbard (10-5)—Ohio State, 7; Ark., 20; Cal., 7; UCLA, 42; Mich., 6  
Hartranft (9-6)—Wisc., 6; Ark., 14; USC, 20; UCLA, 32; Minn., 1  
Sanders (9-6)—Wisc., 6; Ark., 7; Cal., 15; UCLA, 33; Minn., 6

## Exchange Rallies

Four exchange rallies are being tentatively discussed by the entertainment section of the Rally committee, according to Jim Houston, section chairman.

An exchange rally at SJS is planned for Nov. 1 or 2 and a COP exchange rally at SJS is planned for Nov. 4.

Also in discussion stages are exchange rallies with Fresno State. One is planned at SJS on Nov. 19 and the other at Fresno on Nov. 16 and 17.

## Ticket Deadline

Today at 5 p. m. is the deadline to purchase tickets for the first SJS all-Presbyterian student-faculty dinner and get-together, according to Vickie Nicolaus, chairman.

The dinner will be held Tuesday at 6 p. m. at the Westminster Presbyterian Church. Tickets are on sale at the Graduate Manager's Office and the Student Y for 75 cents for students, \$1.25 for others.

## Instructor Asks For More Pistol Team Members

A call for more cadets to strengthen this year's ROTC pistol team was raised yesterday by Capt. William Herring, team instructor.

Cadets now are firing three days a week at the ORC Armory, 155 W. Rosa St. Firing in competition is expected to begin late in November.

Practice sessions are held every Tuesday, Wednesday and Thursday from 1 to 4 p. m.

Herring said cadets not having weapons may check out pistols from the ROTC supply room.

Cadets are reminded that experience is not necessary.

## Rotary Fellowship Deadline Nears

Applications are now being accepted for the 1955-56 Rotary Foundation Fellowship for advanced study abroad. The deadline for filing all papers is Nov. 15, 1954.

Applicants must be between the ages of 20 and 29 as of July 1, 1955, and be able to speak fluently in the language of the country selected.

The Rotary Fellowships provide a year's study in a foreign country and are limited to seniors and graduate students. Study may be in the field of law, education, journalism, social science or agriculture.

## Alpha Phi Omega Regional Conclave Registration Opens at De Anza Hotel

Registration this afternoon will mark the opening of the 14th meeting of the regional convention of Alpha Phi Omega, national service fraternity. Gamma Beta chapter of SJS will be the host for the meeting which continues through Sunday.

Convention headquarters will be the Hotel De Anza with meetings being held in the Speech and Drama and the Engineering Buildings on the SJS campus.

The program will open with a welcoming address by Dr. John T. Wahlquist Saturday morning. Sidney B. North, national secretary of APhiO, will give the principle address at a banquet Saturday night at the De Anza Hotel.

Special topics to be discussed at the meeting are: the national convention site, finance, membership, pledging, chapter leadership, organization, campus service and the role of service in community life.

Convention chairmen are Stan Croonquist, general chairman; Herb Hubert, correspondence; Dave Hannah, time and place; Joe Vallenari, finance; Bill Frizele and Fred Vertel, registration; Norm Tompkins, business; Don Righetti, publicity, and Don Fletcher, art work.

## Lighting System To Get Additions

The campus' new lighting system received a boost yesterday when John H. Amos, director of buildings and grounds, announced that an additional eight aluminum poles will be added to the 25 poles already authorized.

Installation of the poles began last week, but the lights will not go on until all poles have been paced and wired, Amos said.
