

Spartans Battle Powerful Sun Devils

San Jose-Stockton Mayors Sign Game Pact Monday

San Jose Downtown Ceremony Opens Official Homecoming

New Club Formed For Men Who Can't Afford Fraternities

The Mark E's, a newly established organization for men, will go before the Student Activities Board for approval as a recognized, independent organization, according to Associate Dean of Students, Miss Helen Dimmick.

A statement of purpose and related facts were submitted to Dean Dimmick yesterday, and results of the committee's decision will be made available Monday.

Carl Christensen, secretary of the Mark E's, said the club will attempt to provide athletic, social and service activities for men who are unable to afford the cost of a fraternity.

"Real Fellowship"
"We want to make this club a real fellowship for those who are working their way through school or who are going on the GI bill," Christensen commented.

The club has had two meetings and temporary officers include: Roland Wauer, president; Carl Christensen, secretary; and George Calderwood, sports manager.

A dance following the SJS-Arizona football game will be held Saturday night for the members and their guests.

La Torre Pictures

Senior sign ups for La Torre pictures still are being taken in the La Torre office, Room 49.

All seniors who are being graduated in February, June or at the end of summer session and wish to have their pictures in the college yearbook, must sign up in the La Torre office as soon as possible.

An Inter-City Pact Signing between the mayors of San Jose and Stockton will take place in front of the Bank of America Building Monday Oct. 10 at 10:30 a.m. to determine which mayor will parade humbly through the enemy camp.

The pact provides that the winning team of the San Jose State College and COP football game can dream up a punishment for the losing team's mayor, homecoming queen and student body president.

After last year's defeat, San Jose's Mayor George Starbird and Homecoming Queen Trish Meyers rode through the streets of Stockton on a donkey. Starbird had to

make a speech on the Stockton Courthouse steps about the good points of Stockton.

Mayor Dean DeCarli of Stockton, Starbird of San Jose, Joan Dalton, 1954 homecoming queen, and Don Hubbard, student body president and a host of San Jose dignitaries will meet in front of the Civic Auditorium Monday morning and ride in an open convertible lead by screaming motorcycles to the pact signing site.

Associated Press, United Press, KN-TV, KSJO and KEEN will cover the parade according to Sal Millan, publicity director of the San Jose Chamber of Commerce.

Mayor Starbird recalled last year's humiliating experience with good natured rancor. "If I have to ride that animal twice I will feel that I have done my share," the mayor laughed referring the last year's ride through the Stockton streets on a shaggy donkey.

If COP loses the football game this year, Starbird plans to have the Stockton mayor, homecoming queen and student body president ride down 1st St. on the 1800 lb. bull that was featured at this year's Santa Clara County Fair.

Rushees Must Pick Up All Bids Today
Today is the day that all rushees must pick up their bids in the Student Union from 1:30 to 4 p.m.

Before the prospective pledge leaves the Student Union he must decide on the one fraternity of his choice. A rushee can select a fraternity which he may not have listed on his preference list if one such fraternity offers the student a bid.

Students turned in their list of fraternity choices yesterday in Dean Robert Martin's office.

It is the usual procedure of the fraternities to hold a "get together" with pledges after they have accepted their bids.

Student Court Convenes
Student Court will meet this afternoon at 2:30 p.m. in the Student Union for installation of officers and discussion of election plans, according to Bob Becker, newly appointed Chief Justice of the court.

The final date that candidates running for ASB offices may turn in their signed petitions is still set for Monday at 2:30 p.m., Becker said.

Col. Rex W. Beach, chief liaison group J, Air Force ROTC, is visiting San Jose State College this week in order to coordinate work between the SJS Air ROTC and Air Force headquarters. Col. Beach also is attending the AFROTC conferences here this week along with his liaison team assistant, Lt. Col. O. H. Seatz.

The liaison chief and Lt. Col. Seatz met earlier this week with college President John T. Wahlquist to discuss ROTC problems and instruction. Lt. Col. W. E. Mullin, acting professor of air science for the SJS air unit was also present at the meeting. The liaison team is visiting Air ROTC classrooms and holding critiques with instructors this week.

General Student Body Election Today For Homecoming Queen Semi-Finals

Polling commenced this morning to nominate 10 contestants for homecoming queen and will last until 3:30 in the booths set up by Alpha Phi Omega in the Inner Quad.

The homecoming queen committee, headed by Jan Heter, will count the votes this afternoon. Sponsoring organizations of the 10 winning girls will be notified as soon as the votes are counted.

"As this is the only direct opportunity the student body has to vote for their Homecoming queen, I wish every one of you would vote, if at all possible. The choice is going to be a hard one. This is the cutest group of girls I've ever seen entered in a Homecoming queen contest," Miss Heter said.

The 10 contestants will appear in a fashion show Thursday Oct. 13 in Morris Dailey Auditorium.

They will model campus clothes and formal at that time. Judges will select four of the girls to enter the final race for the largest beauty contest of the year.

The queen will be named at the Coronation Ball on Friday, Oct. 14 in the Civic Auditorium at 11 p.m.

The Homecoming queens will reign during the following homecoming week. She will be featured in the homecoming parade on Oct. 22 at 5 p.m. and will be presented before the COP-SJS football tilt the same evening. She will also preside over many luncheons in San Jose during the week.

Frosh Fund Committee

The Freshman Class fund raising committee will meet today at 3:30 p.m. in Room 24, according to Gene Bui, chairman of the committee.

All interested students are urged to be present.

Ulm In, Bass Out For Arizona-SJS Contest Saturday

by Jim Eggert

The SJS Spartans, undefeated, untied and unscored upon, meet their most formidable foe thus far this season, Arizona State (Tempe), tomorrow night at 8 o'clock in Spartan Stadium.

The Sun Devils are also unbeaten, although they were tied 20-20 by Wichita and possess a varied offense that has rolled up 90 points in three games this season. This will be the seventh meeting of the two schools, the Spartans having won all but one in the series thus far.

The Spartans must miss the services of first string guard Tom Bass, who was stricken with polio. Otherwise, they are sound physically. Joe Ulm, leading ground gainer for the Golden Raiders this year, will return to action after missing the Hawaii game. Thus the SJS offense should be at peak efficiency.

And the Spartans must be sharp offensively if they are to outlast the powerful Sun Devil attack. Running from the single wing, double wing, winged T, straight T and spread formations similar to the Michigan State style of attack, the Sun Devils have shown awesome ground gaining power in beating Midwestern 28-7, San Diego Navy 42-0 and tying Wichita.

Bobby Mulgado, 185-lb. halfback, provides Tempe with its big spark. He is the top running threat and is hitting 75 per cent on passes from his tailback slot. Mulgado

(2nd row, left to right) Marilyn Van Dyke, Judy Raubenheimer, Pat Lawless, Barbara Dale, Gail Wood, Carolyn Kirby, and Erin Kavanaugh. 3rd row, left to right) Bev Covlin, Eline Chial, Harriet Tyson, Sue Doyle, Pat Parker, Shelmar Stuart, and Karlaen Tolles. Not pictured are Gail Dahlen, Sandra Lederman, Robin Wurzburg, and Gail Wilson. —photo by Williams.

Rally Members Ask ASB To Obey Rules

Students are asked by the Rally Committee to conform to the following rules if they are going to sit in the routing section, according to Jim Curmatt, publicity chairman.

1) Wear some article of white. Coats may be worn at all times except during intermission. A white background is necessary for the card tricks.

2) Fill in toward the center. Gaps in the card section can ruin the whole effect.

3) Sit on a number painted on the bench. The master plan calls for a specified number of persons per bench. Extra people or people out of place can spoil the stunt.

4) Return the cards to the aisle after the card tricks are over. A member of the Rally Committee will collect them.

HALF TIME TO FEATURE T.V.
Half time activities down on the playing field for the Arizona State game will be known as "Television in Review," according to Robert Feister, director of the San Jose State Band.

The Band's opening number is the theme song used on all of the Gillette shows, "Look Sharp."

Following this the band will form the number 714 and play "Dragnet." Then the band will form two large eyes and play the theme song from the Mr. Peepers T.V. show.

The next formation is a tower and for this the band will play "Halls of Ivy." The fifth formation is a large V. The band will play the "Victory at Sea March" and then swing into the San Jose State fight song.

Fremont High School band under the direction of Douglas Harville, will represent Arizona State at Saturday's game. Music from the combined bands of San Jose State and Fremont High School will accompany the flag raising ceremony.

ALUMS PLAN REUNION
The San Jose State Alumni Association has planned a reunion at Havenly Foods after the Arizona State game Saturday night. The reunion is free to SJS Alumni and members of the faculty. Havenly Foods is on Bayshore Highway near Julian. There will be music for dancing.

Peninsula Crew Members Flew Plane Downed in Wyoming, Killed 61 Persons

DENVER, Oct. 6 (UP)—Two of the three crew members aboard the United Airlines plane that crashed carrying 61 persons near Medicine Bow Peak, Wyoming, were listed as being from the Peninsula Area. They are Capt. C. C. Cook, 34, Menlo Park, and First Officer R. D. Salisbury, 33, of Palo Alto.

United Airlines said that the plane had not reported in by radio at its customary check point over Rock Springs, Wyo., on its flight to Salt Lake City from Denver.

The 44th Air Force rescue squadron at Lowry Air Force Base immediately dispatched two amphibian search planes to cover the route the missing plane would have taken.

The Air Force said four more planes would be sent into the search immediately.

Skies were generally clear but there had been some snow-fall last night and early this morning in the high mountain region of northern Colorado and southern Wyoming, around which the plane would have skirted on its flight to Salt Lake City. Winds of 30 to 40 miles an hour were also reported

in southern Wyoming, hampering light plane activity in the search. The area is the same general region in which a United DC-6 crashed in June, 1951, killing some 50 crew members and passengers near Fort Collins, Colo.

The estimated arrival time for the flight in Salt Lake City that was posted Wednesday was one hour and six minutes behind schedule.

Although no radio contact from the airplane was received after it left Denver, a spokesman for the airline in Salt Lake City said none were required en route as they were believed to be today.

Customarily, the pilot might have radioed to check points on the way, but the next required contact would have been for his approach to the Salt Lake City Airport, as he crossed over the rugged Wasatch Mountains just east of the Utah capital.

The Air Traffic Control Center in Salt Lake City said the plane carried enough gasoline to keep it aloft only until 10:18 a.m. MST. It was officially listed as overdue at that time by United Air Lines.

Air Force Top Brass Arrive For Campus Military Confab

Col. Beach, Liaison Officer, Visits College AFROTC Unit

Col. Rex W. Beach, chief liaison group J, Air Force ROTC, is visiting San Jose State College this week in order to coordinate work between the SJS Air ROTC and Air Force headquarters. Col. Beach also is attending the AFROTC conferences here this week along with his liaison team assistant, Lt. Col. O. H. Seatz.

The liaison chief and Lt. Col. Seatz met earlier this week with college President John T. Wahlquist to discuss ROTC problems and instruction. Lt. Col. W. E. Mullin, acting professor of air science for the SJS air unit was also present at the meeting. The liaison team is visiting Air ROTC classrooms and holding critiques with instructors this week.

(Continued on Page 2)

USAF Sub-Area Conferences Meet at SJS for Two Days

San Jose State College will be host today and tomorrow to 21 United States Air Force field grade officers here to participate in two conferences on Air ROTC. Air Force ROTC detachments from nine western colleges will be represented.

This is the first time San Jose State College has been selected as the sight for an USAF sub-area conference, according to Lt. Col. W. E. Mullin, acting professor of air science at SJS.

Two separate conferences are scheduled for the visiting USAF officers, a "Professor of Air Science" conference and "Training Officers" conference. Col. R. W. Beach, chief, liaison group J, selected the San Jose site for the meeting.

LIAISON TEAM VISITS AIR ROTC. The Group J liaison team was on campus this week for a visit of the facilities here. Shown above (left to right) Col. Rex W. Beach, chief, liaison group J; Lt. Col. W. E. Mullin, acting professor of air science at SJS; Lt. Col. O. H. Seatz, asst. chief, liaison group J and Maj. W. L. Wetzel, director of training, San Jose State College.

Col. Beach said that he and President Wahlquist discussed the temporary barracks facilities now used by the Air ROTC unit here. Col. Beach said, "The president stated he would like to have better facilities for the Air ROTC unit, but can see no possibility for improvement in the near future."

Col. Beach praised the support that SJS has given its Air ROTC unit. "I am very happy with the Air ROTC operation here, especially the increased enrollment, which indicates support of the program by the institution as well as work by the San Jose State College Air ROTC personnel," he said.

Commenting further on the increased Air ROTC enrollment, the colonel stated that the present instructor staff is adequate but if enrollment in the air training program continues on the upward trend, "instructor strength would be increased to meet the load." The liaison leader emphasized the importance of college ROTC trained officers in the U.S. Air Force today.

The press is not only free, it is powerful. That power is ours. It is the proudest man can enjoy. It was not gained for us by aristocracies, but it sprang from the people, and, with an immortal instinct, it has always worked for the people.

— Benjamin Disraeli

For What It's Worth

By ELEANOR NORRIS

Seems to me that there is some divided feeling on this campus about that subject—student government. You may think the whole thing is a little over-worked and wish I'd just forget about the whole thing. The problem is, student government is here to stay. It's just one of those things you can't ignore.

Right now, the whole subject is in the public eye because of appointments to campus committees. But that's over and done. What I want to talk about is elections coming up the week of Oct. 20.

Have you ever heard students say, "I don't feel a part of the campus?" Maybe you feel that way yourself, as if all this school means is classes, tests, studying, and maybe a date on Saturday.

If you ever get this feeling, why not take another look at this student government subject? Of course, it does take a little effort on your part to get the necessary signatures on the petition. And then there is campaigning during election week. But if you come out on top of the heap—you're in!

Of course this is just one person's stated opinion. If you never get that feeling of being slightly lopsided as far as activities go, then forget it. I leave it up to you—take it for what it's worth.

Girls Invited To Tea

Kappa Phi invites all Methodist preference girls to attend a Rose Tea Sunday between 3 and 5 p.m. at Wesley Hall, First Methodist Church, 24 N. 5th St., according to Carolyn Stelling, publicity chairman.

LITTLE MAN ON CAMPUS

by Dick Bibler

"SAY, THOSE WERE PRETTY TOUGH 'FIRST DAY' ASSIGNMENTS, HUH?"

Meetings

Canterbury Club will meet in front of the Music Building at 1:30 p.m. Sunday, for their swimming party; bring lunches.

Channing Club will meet Sunday, at 7:30 p.m. in the Fireside Room of the Unitarian Church. A panel discussion will be held. Coffee and cookies will be served.

Collegiate Christian Fellowship will meet Monday night at 7 o'clock in the Student Union. Dr. Clarence Sands, minister of the First Baptist

Church of San Jose, will speak on "Jesus Christ in the Student World." Group singing and refreshments will be included in the program. The event is open to all students with a special invitation to new students on campus.

Freshman Class will meet Monday at 3:30 p.m. in the Morris Dailey Auditorium. Candidates for class officers must give a one minute qualification speech.

Hui-O-Kamaaina will meet Monday night at 7 o'clock in Room 107. This will be an important meeting, and all new students are invited to attend.

Spartan Chi members. A reminder that the social chairman's address is 723 N. 4th St.

Wesley Foundation will hold an open house in the Wesley Hall of the First Methodist Church after the game Saturday night. All students are invited to attend.

Sophs To Appoint Chairmen Monday

All sophomores are urged to attend an important class meeting next Monday at 3:30 p.m. in Room 117. Chairmen for the Georgeous Gams Contest, discussion on the contest itself and plans for the Fresh-Soph Mixer are on the agenda.

Sophomores who are unable to attend their class meetings because of conflicting classes and who want to serve on one of the various mixer committees, may do so by signing up; the location of the posted sheet will be announced after Monday's meeting.

La Torre on Sale

La Torre will be on sale Monday and Tuesday from 9:30 a.m. to 3:30 p.m. in the Outer Quad, according to Frank Howey, sales manager for the La Torre.

Students may pay the full \$6 or make a down payment on the year-book.

CSTA Continues Membership Sales

Memberships for the California State Teachers' Assn. continue to sell at \$3.50 each at the booth in the Outer Quad. The membership drive will continue from 9:30 a.m. to 2:30 p.m. daily until next Thursday.

All education majors are eligible for membership in CSTA, whose purpose it is to keep students posted on opportunities in the edu-

cational field. CSTA membership also entitles the member to a subscription to the organization's magazine.

Interested students may secure more information about the association at the membership booth. It was announced that the next meeting of CSTA will be held Thursday, Oct. 13, at 3:30 p.m.

A Campus-to-Career Case History

"I represent 30,000 people"

That's the population of the Mason City, Iowa, area where Jack MacAllister (Iowa U., '50) is Manager for Northwestern Bell Telephone Company. How would you like this kind of job?

"As Telephone Manager I represent Mason City to my company, and vice-versa. Among my customers are bankers, farmers, housewives, merchants . . . each with different questions and problems about telephone service. Through public information and good business

office service, my people and I do our best to furnish the answers.

"My assignment calls for varied activities—sales, public relations, office supervision. One minute I'm describing a new construction program to a group of businessmen . . . the next explaining a new service to a rural customer.

"It's a job with lots of variety and responsibility, and I enjoy every day of it. My supervisor is 75 miles away," says Jack, "and that puts me pretty much on my own—which is the way I like it."

Jack MacAllister graduated with a B.S. in Commerce and started with Northwestern Bell about five years ago. As Telephone Manager at the age of 28, he is typical of the many young men who are building careers in telephone work. Similar opportunities exist today with other Bell telephone companies . . . also with Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your Placement Officer has all the details.

*P. S. Since this case history was prepared, Jack has been promoted. Now a manager at Des Moines, Iowa, he has increased responsibilities.

USAF Units Attend Conferences at SJS

(Continued from Page 1)

Air Force units other than those at colleges will be represented at the two conferences. Officers representing these units are: Col. Beach, Lt. Col. Seatz, asst. chief, liaison group J; Col. D. W. Cox, education branch, headquarters, AFROTC; Lt. Col. H. J. Snider, chief office class & record branch, headquarters, AFROTC and Maj. H. C. Happerich, staff member, headquarters, AFROTC.

Professors of Air Science from western colleges at the conference are Col. O. A. Heinlein, University of Arizona; Col. R. W. Keller, Stanford University; Col. W. M. Masengale Jr., University of New Mexico; Col. E. M. Scattergood, University of California; Lt. Col. O. M. Legg, Fresno State College; Lt. Col. W. E. Mullin, (acting) San Jose State College; Lt. Col. G. E. Munn, New Mexico A&M; Lt. Col. D. H. Murray, San Francisco State College and Lt. Col. E. T. Poole Jr., Arizona State College.

Other USAF officers participating in the conference are Lt. Col. R. B. Files, director of training, University of California; Maj. L. Jaques Jr., director of training, Fresno State College; Maj. E. H. Mantani, director of training, Stanford University; Maj. G. B. Scofield, asst. professor air science, San Francisco State College; Maj. R. V. Truman, director of training, San Francisco State College; Maj. L. S. Smith, asst. professor of air science, University of California and Maj. W. L. Wetsel, director of training, San Jose State College.

The "Professor of Air Science" conference has on its agenda subjects including evaluation of the Air ROTC product, deferment problems, payment of subsistence, and management and production quotas. They are also discussing discharge of cadets from the Army or Naval reserve and the role of women in the Air ROTC program.

Football Practice Will Begin Sunday For Vets Group

Football practice for the Vets Club will begin Sunday, Oct. 9, at 1 p.m., it was decided at the vets first club meeting on Wednesday.

Any veteran, whether a club member or not, can come to the practice on the girl's athletic field at 7th and San Fernando St. The Vets Club won the softball championship last year.

During the meeting, plans were discussed for the semester. A dance was scheduled for Friday, Oct. 23, and the next meeting of the club was scheduled for Friday, Oct. 21.

The dance will wind up a clothes hanger drive sponsored by the organization. Admission will be \$1 and 100 hangers. A prize will be awarded to the person collecting the most hangers.

Friday, Oct. 7, 1955

SPARTAN DAILY 3

Al Wool Will Speak To Audubon Society

"Wildlife on the Mount Hamilton Range" will be the topic of

Al Wool, former San Jose State student, tonight when he speaks to the Santa Clara Valley Audubon Society. The meeting of the bird watching organization will be held in the Palo Alto Jr. Museum at 8 o'clock tonight.

John P. Harville, president of the Audubon Society and member of the SJS Science Department, has urged anyone interested to attend the meeting. Movies will be shown on the life of birds of prey that inhabit this area.

Heavy Scoring Seen In SJS-Arizona Tilt

(Continued from Page 1)
switches to left half when the Sun Devils are in the T. Arizona State also has Leon Burton, freshman who scored five touchdowns against San Diego Navy last week, 200-lb.

CLARENCE WESSMAN . . . veteran end

JACK ADAMS . . . Spartans Captain

halfback Gene Mitcham, fullback Bob Sedlar, and quarterbacks Dave Graybill and Tom Shively to back up Mulgodo. Graybill is the chief passing threat when the Sun Devils are in the T. His favorite receiver is 6-4, 200-lb. end Karl Grassel.

The Spartans will counter with just as powerful an offense in Coach Bob Bronzan's split-T. SJS's strength lies in its running game. Bronzan has a host of backs he can call on. Signal caller Tony Teresa runs the optional lateral or keep Split-T play to perfection. However, his passing hasn't been too consistent.

Opening with Teresa in the

Spartababes Face Navy Team Today

The Spartan JV's will be gunning for their second straight victory this afternoon when they clash with the San Diego Navy Air Station at 2 o'clock in Spartan Stadium.

Coach Dale Summers' squad won its opening game of the season in downing Moffett Field 15-7.

The probable starting lineup for the Spartababes are as follows: Dick O'Connor and Ron Phillips, ends; Ish Castellano and Dick Olive, tackles; George Rose and Clarence Soong, guards; Carroll Perkins, center; Chris Pappas, quarterback; Jim McCluskey, fullback; Ed Alario and Dick Gerakos, halfbacks.

Forecasters Pick Gridiron Winners

By JIM EGGERT
(Last Week 10 Right, 1 Wrong)

SJS over Arizona State by 7. . . . Spartan line superior.
Michigan State over Stanford by 7. . . . Don't bet on it.
California over USC by 6. . . . Little to choose from.
UCLA over Oregon State by 28. . . . Bruins still mad.
USC over Washington by 12. . . . Home field helps Huskies.
COP over Idaho by 20. . . . Tigers get breather.
Notre Dame over Miami (Fla.) by 6. . . . The test for Terry.
Michigan over Army by 7. . . . Game of the day.
Oklahoma over Texas by 13. . . . Sooners looking better.
49ers over Chicago Bears by 3. . . . This is unexplainable.
Winston Salem over Bluefield St. by 19. . . . Roger, over and out.

By BOB STRIEGEL
(Last Week 7 Right, 4 Wrong)

SJS over Arizona State by 14. . . . Spartans spear the Devils.
Michigan State over Stanford by 13. . . . Too much for Injuns.
Cal over WSC by 21. . . . Bears continue to progress.
UCLA over Oregon State by 29. . . . Look out Beavers.
USC over Washington by 19. . . . Trojans still going strong.
COP over Idaho by 14. . . . Tigers getting tough.
Chicago Bears over 49ers by 7. . . . That's the way it goes.
Notre Dame over Miami (Fla.) by 14. . . . Can't stop the Irish.
Michigan over Army by 7. . . . A real dilly.
Oklahoma over Texas by 14. . . . Sooners trip their neighbor.
Winston Salem over Bluefield State. . . . A blue day in Bluefield.

backfield probably will be fullback Joe Ulm, the team's leading ground gainer, Stan Beasley and Mel Soong.

The Spartan defense, which has not given up a point to either Utah State or Hawaii, is the key to a Spartan win. Bronzan has had two weeks to prepare his charges for the varied attack that Dan Devine will throw at them.

Off the record it would seem that the Spartan defensive unit must yield points in this contest, and that the offense must outscore the Sun Devils. The bigger SJS line may prove to be the difference. If the Arizona State backs can't get past the scrimmage line, they can't do any damage.

In each of the previous games between these two schools, both teams have scored heavily, and tomorrow night's clash should be no different. If the Spartan passers are a little sharper than in the past, and the line plays up to the Hawaii game standard the Spartans will come out on top. We think they will by approximately seven points.

Cross Country Men Hold Run Tomorrow

Coach Bud Winter's cross country team will get its first meet-type practice of the season tomorrow in an intra-squad run. After the race, on the SJS cross country course starting at 10:30 p.m., Winter hopes to be able to name his traveling team for the big run Oct. 15 with UCLA, Stanford and California at Stanford.

Don Hubbard, Welvin Stroud, Duane Ludlow and Don Berry, all veterans of last year's "cinderella team" which drubbed Stanford, are the leading contenders for the traveling team.

However Winter has about 15 more boys who are all trying for that traveling squad. Leading these new men are Leon Bennett and Norm Friborg, freshmen, and Keith Antes, Bob Rush, Herb Stockmann, Walt Swarthout and Jerry Thompson.

Water Polo Team Opens Season in Pool Tonight

The SJS water polo team, under the direction of new coach Ed Rudloff, opens its 1955 season tonight at 9 o'clock in Spartan Pool against the powerful Olympic Club of San Francisco. Admission is free.

The Spartans will be led by captain and goalie Ron Mann, a veteran of last year's squad which won nine and lost five. Opening with Mann probably will be veterans Dick Threlfall, Lee Walton and Art Lambert, junior college transfers Jim Vinzant and Stan McConnell, and last year's frosh star Larry Wood.

The Spartans have the depth and experience to have a good season, but they face a real "toughie" tonight. The Olympic Club, which gets the cream of the bay college stars, went to the AAU nationals in Chicago this summer and took second place.

Among the Winged O stars are Jim Gaughran and Jim Lee, former swimming and water polo stars from Stanford, which always

puts out one of the best swimming teams in the nation. Jay Flood, who performed for the Spartans under Charlie Walker a couple of seasons back, is another Olympic Club standout.

Don Smalian and Don Phillips, both from the University of California, and Woody Woodson, a veteran of many years experience, are other prominent clubmen.

Other veterans available for Rudloff's use tonight are Tom Nilsson, James Anderson, and Rollo Kolvisto, and Henry Abowaf, Herb Colt and Perry Rablin off of last year's frosh squad.

The frosh team kicks off its season tonight at 7:30 o'clock against Sequoia High School. Ron and Don Tuttle, first stringers for Palo Alto High School for the last two years, Dick Silva, the best high school goalie in northern California last year and Pete Ueberoth from Fremont High School will lead the Spartababes.

ASB Appointments

Additional appointments announced by the Student Council following Wednesday's mass appointment session are Al Stone to the McFadden Health Board and Roberta Evans and Jean Phillips to the Campus Chest Committee.

Drive with care . . . EVERYWHERE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Bull-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

Every checkered flag signals a
Chevrolet victory in official 1955 stock car
competition—not only against its own field
but against many American and foreign
high-priced cars, too!

Let's translate these victories into your kind of driving. You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways. You've got to have better springing and suspension. For you: safer and happier motoring. You've got to have big, fast-acting brakes and easy, accurate steering. More things that make your driving safer! Come in and drive a Chevrolet yourself.

The safer car wins . . .
and Chevrolet's
the winning car
