

Drop Deadline Nears

Last day to drop classes will be Friday, Oct. 26, according to the Registrar's Office. Students wishing to drop courses without having their grade-point averages lowered should drop them before that date.

Booths Open To Pick Best Campus Gams

Juniors launched their annual Gorgeous Gams Contest today in a blaze of beefcake. Posters for the candidates appeared this morning bearing photos of the most gorgeous gams on campus.

Voting procedure is simple. Just drop a coin into the container of the candidate of your choice. Each penny will count one vote—"stuffing" the containers is permitted. The voting booths will be located under the Library Arch and in the Inner Quad.

The winner, to be announced Friday at 4 p.m., will be awarded the services of "slave girls" who will carry his books to class Monday.

A percentage of the proceeds will be donated to the Campus Chest Fund, as has been done in previous years.

Last year's winner, Al Walburg, sponsored by Ivy Hall collected \$99.63 during that contest.

Carroll Perkins is the chairman of this year's contest.

Co-Rec Adds New Activities

Because of a continuous rise in attendance at Co-Rec every Wednesday evening, the committee has decided to better its activities by adding new programs and improving the old ones. Party games and fox trots were added last week to the evening entertainment and they were so popular that both events will be repeated tonight.

Tonight's Co-Rec, starting at 7:30 p.m. in the women's gym, will include:

- 7:30-8:15 Get acquainted fun
- 8:15-9:00 Folk and square dance, get together
- 8:15-9:00 Ping pong tournament and table tennis
- 8:15-9:00 Badminton
- 8:15-10:00 Games, such as shuffle board, checkers, ring toss, chess, etc.
- 9:00-10:00 Volleyball, social dance, social dance instruction.

Airliner Crashes in Pacific; 31 Safe in Dramatic Rescue

SAN FRANCISCO—A crippled Pan American Airways Strato-clipper ditched and broke in two yesterday in the "calm" Pacific Ocean 1045 miles southwest of here and all 31 persons aboard were rescued.

Twenty-one minutes after the four engined plane en route from Honolulu to San Francisco touched down atop the four-to-five-foot swells at 8:16 a.m., PST, the last of the 24 passengers and seven crewmen were taken aboard the U.S. Coast Guard Weather Cutter Ponchartrain in a dramatic sea rescue. Crash victims were reported in good condition.

S. J. CRAFT CRASHES

PORTLAND—A light airplane, carrying three passengers listed as San Jose residents, crashed Tuesday a few miles south of here in rugged country. The plane was reported enroute to San Jose from Medford, Ore.

The victims were tentatively identified by Clackamas County Coroner Leslie Peake as Don Cramer, Edward F. Currier, and Bethel Anne Darby, all of San Jose, Calif. The fourth person, identified as a man, had no wallet on his body.

Not Martians - But Still Invaders

INVADERS—Members of the Sophomore Class Mixer Committee, pictured above, "invaded" Monday's meeting of the Freshman Class to inform the Freshmen what type of clothing should be worn at Friday's Mixer. To emphasize their point, the members were dressed in the style for Friday—sweatshirts, cut-off pants and/or Bermudas. Both the Freshmen and Sophomores claimed a moral victory in the "invasion."

Sophs Out To End Jinx; Seek Win in Fall Mixer

The Frosh-Soph Mixer, the semi-annual battle for class supremacy, will be held Friday in the Women's Gym from 7:30-11 p.m., according to Bill Sturgeon, Soph Class president.

It will be held provided the Frosh show up," say the Sophs who are sponsoring the affair. Feeling and spirit in both classes appears to be running high and attendance is expected to be the greatest ever.

Dress for the first big social event for the Frosh will be beach-

comber attire. Bermuda shorts and sweaters or sweat shirts and cut-off pants will suffice. If anyone cannot come up with the aforementioned outfits then he will be quite acceptable in "anything raunchy."

PLAQUE IS PRIZE

The mixer plaque, the grand prize for the winning class, will be awarded on a points-scored basis. Points will be awarded for attendance, one for each class member attending, and games and entertainment.

Heading the games will be the tug o' war, normally a highlight of the evening. Both classes reportedly are lining up plenty of beef for this one.

According to present plans, the first half-hour will be used for student sign-ups and making of name tags. Teams will be chosen to compete in the scheduled games. Then from 8-9 p.m. the games will be completed and the winners of each division named, with points being awarded.

SKITS TO FOLLOW

Following the games, each class will present 15 minutes of entertainment. Bruce Bush, who is said to be a very funny fellow by Connie Kersey, frosh class president, will handle the emcee work.

At 10 p.m., while the judges are determining a winner, a dance band will come on the scene and play for the final hour of the mixer. The band has not yet been decided.

A check of the records discloses that the Soph Class has never won a fall semester mixer. No information is available on the spring mixer, however, the several teachers and older students contacted, could not remember the Sophs ever winning a mixer.

Past procedure has been for the Frosh to win the plaque by an overwhelming number of points only to lose it to the Sophs who somehow always manage to steal it.

Newman Club To Hold 'Cookout'

Newman Club is holding a "Cookout" at Alum Rock Park at 6 o'clock tonight, according to Walt Phillips, club president. Election of officers will be held.

Persons who can take riders and those who need rides are asked to meet at Newman Hall, 79 S. 5th St. at 5 o'clock, Phillips said.

Miss Joyce Backus, head librarian, will be chairman of the library committee, while Glenn Hartman will be chairman of the physical education committee. Serving with Miss Backus will be Esther Shephard, professor of English; Richard Lewis, professor of education; Henry Meckel, professor of education, and William Poytress, professor of economics.

On the committee with Hartman will be Walt McPherson, associate professor of physical education, Dr. C. Grant Burton, executive dean, Dr. Stanley Benz, dean of students, and Danny Hill, athletic publicity director.

The dedication services will be separate events. The physical education addition opened in the spring while the new wing of the library opened yesterday.

Allen Group Denies Report

SACRAMENTO, Oct. 16 (UP)—

A legislative committee yesterday called an Attorney General's report, alleging inhumane treatment of Modesto State Hospital patients, inaccurate, hearsay, and without foundation.

A subcommittee of the Assembly social welfare committee, headed by Assemblyman Bruce F. Allen, (R-San Jose), released a report on its preliminary conclusions.

"California State Mental Hospitals do not have the conditions of brutality, sadism, torture or beating of patients which have been alleged to exist," the report said.

The group said the Attorney General's 37-page report was inaccurate in quoting witnesses, was based on unverified hearsay and was so lacking in credibility that it should be paid no attention.

Rally Group Maps Denver Whoopla

Rally Committee members will meet at 7:30 o'clock tonight in Morris Dailey Auditorium to discuss plans for the Homecoming game against Denver.

Card stunts for the game also will be an important topic of the meeting, according to Nancy Wilsford, publicity chairman.

A dramatic reading of Hermann Hagedorn's free verse poem, "The Bomb That Fell on America" will be presented tonight at 7:30 o'clock at the Student Y. The reading will be given by the Christian Faith and Heritage Commission, according to Tom Taylor, commission chairman.

Crew Makes Waffles Like Bride's Biscuits

Huge "waffle slabs" now are being poured on the San Jose State campus, but they're nothing a hungry student could use to

satisfy his hunger. The term "waffle slab" is used by workmen to refer to the floors that are being poured for the classroom building, being constructed across from the Spartan Shop.

A special feature of the construction of the building is that the floors and roof of the three-story structure are all being poured now—one on top of the other. The only thing that separates the layers is a coating of wax.

When the time comes to complete the building, the layers will be raised by special hydraulic jacks. This is the first construction work in the Santa Clara Valley using the "layer" procedure according to the job foreman.

Large quantities of sawdust also are being used. Wet sawdust is spread over the layers of cement to prevent them from cracking as they dry.

Progress also is being made on both the Administration Building and Science Building additions. Bright orange window frames are now being placed in the Science Building. Completed projects include the Men's Gym and the Library addition, which opened yesterday.

During the period from 1956-61, \$26,649,037 has been proposed for construction here. The greatest portion of this money would be spent between 1957-59, when approximately \$16 million will be allotted for expansion, according to Executive Dean C. Grant Burton.

Roof Raising Coming Soon

"WAFFLE SLABS"—Workmen make preparations for pouring one of the "waffle slabs", or floors, for the classroom building being constructed across from the Spartan Shop. All of the building's floors and the roof will be poured now—one on top of the other. Following the completion of the roof, the roof and floors will be raised in place and the building completed.

Intelligent Voting Only, Please

If you can't vote intelligently, don't vote at all. We've all heard that one before, but it is surprising the number of persons who pay as little heed to it as they do to campaign issues. San Jose State students proved at least one point in their large, orderly turn-out at last week's political rallies. They proved that interest in politics and candidates is not waning in this year's presidential election—at least not on this campus. Apparently State students want to hear the issues.

This comes in the face of oft-repeated remarks heard in past months to the effect that, "like can't be beaten." In other words, what is the use of paying attention to the 1956 campaign.

The voters will decide on Nov. 6 whether or not "like can't be beaten." One thing is certain. He won't even be given a close contest if the electorate takes this attitude.

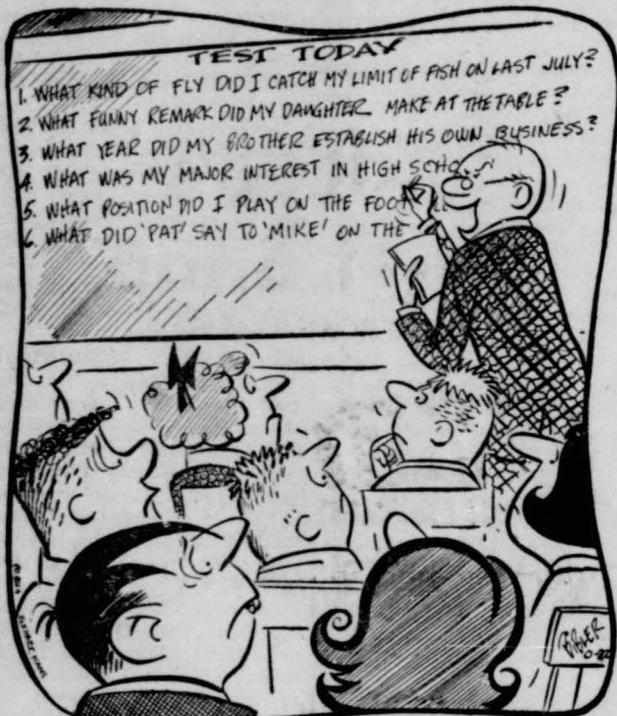

The most unintelligent remark heard so far, though, is "The airwaves and newspaper columns are too cluttered up lately with campaign oratory."

Persons expressing this opinion probably would rather watch Love Lucy on television, or limit their newspaper reading to the sport pages and comic strips. This philosophy doesn't lend itself to intelligent voting.

Perhaps it is just as well that these persons refrain from dabbling in politics. As far as we can see, anyway, their vote in November would be worthless.

In fact, we will stick our necks out, and to heck with public opinion, and urge a small-turn-out at the polls. A small but well-informed electorate, that is. Sure, it would be wonderful if there could be a large turn-out of well-informed voters, but that is asking the impossible.

"REMEMBER—I SAID THE TEST WOULD BE OVER CLASS DISCUSSIONS!"

Sports Car Group Plans Auto Rally; SJS Club Plans To Be Discussed

By JIM HUSHAW

Although sports car driving may be classified as a sport, it is also a feature. A feature to the many lucky owners of sports cars who speed around the San Jose campus.

Sports car owners are eager to unite with other sports car fans and enjoy an afternoon or evening of sports car driving. One such evening is nearing.

Plans have been completed for the Oct. 27 Second Annual Spook Rally by the Kings Highway Motor Club, according to Don Fix, SJS student and secretary of the club.

Participants from six Bay Area sports car clubs, including the Stanford club and Spartan enthusiasts, are expected to take part in the rally.

INTEREST INCREASING

"The interest in sports cars has increased tremendously in recent weeks," Fix said. "I have been approached by several persons interested in forming a San Jose State club."

A meeting of the Kings Highway Motor Club will be held tomorrow evening at 8 o'clock at the Nipa Hut on El Camino between Atherton and Redwood City. "This would be good chance for interested persons to meet and talk over plans for a local club," Fix stated.

The Spook Rally will be held in the true spirit of Halloween, combining a time and distance

event with surprises, laughs and various gimmicks.

STOPS ALONG THE ROUTE

A running time of eight hours, with generous rest and coffee stops along the well-planned scenic route, will make up the rally.

There will be special awards to drivers and navigators of the first three place cars. Silver dashboard plaques will be awarded to cars in the first ten places and suitable plaques will be mailed to all contestants after the rally.

Following the rally, Fix plans to hold a meeting with the entrants from San Jose State.

From this conference Fix will be able to tell if a sports car club may be in the offing. "The work of forming a sports car club is very hard," Fix said. "It will take the interest of several students to put one over."

STARTS FROM MACY LOT

The Spook Rally will start from Macy's Hillsdale parking lot at 9 p.m. An entry fee of \$3 per car will be taken then, after each car passes the mechanical inspection. The speeds will be in accordance with the California State non-racing activities code, which makes the insurance on the cars good.

The test will be one of skill, not speed, something that makes sports car driving a practical and sensible pastime.

Emotional Writer?

Dear Thrust and Paray:

Open letter to D. O'Connor, who dwells in Never-Never Land:

Stanford drew a bye last week, mauling us for the 13th time in 14 tries, and for the utmost in ridiculous optimism, I give you O'Connor, Spard's true-blue type-writer jockey.

Thursday, O'Connor allowed emotionism to take over where common sense should have prevailed. The result was an unrealistic column saying, "When you come right down to it they (Stanford) aren't so mighty."

With a straight face he typed that Hughes had the ability to push Paul Wiggins out of the stadium. A look at the unvarnished facts shows us that Wiggins all but ate Hughes and his playmates for lunch. Saying that any Spartan lineman can push Wiggins around isn't simply ludicrous, it is being grossly dishonest to a proven all-American.

Stanford played without three of its four top ends, and three other starters, including Bob Long, perhaps the best play diagnostician on the team. Only when their second and third stringers cavorted did SJS make it interesting.

Outside of Art Powell, our team's meat-and-potatoes, Boutte, and possibly Riley, we were sadly and badly out-classed. To hide these facts because of flagwaving loyalty would be erroneous reporting.

This is not to glorify an already established Stanford team nor to belittle SJS. It's an assault against the synthetic O'Connor article for its fanaticism.

Stanford could have rolled up 50 points or more. Every 10 years or so, if we grab the preponderance of breaks, the Spartans might catch lightning in a bottle. But if is an elephant-sized word.

If Aunt Minnie had a mustache she'd be Uncle Louie.

What purpose is being served by letting Stanford stomp us? If the Indians aren't giving us enough of the steamroller treatment, let's schedule Michigan State, Oklahoma, or TCU. Then let us call the Humane Society.

On the final TD Jackie Douglas faked the entire SJS team into a awkward committance, then

seemed to smirk as he lobbed the ball to laughing Paul Camera.

Rather than pat ourselves on the back and lie "how wonderfully big time-ish we are," what's wrong with honestly admitting "we didn't have it."

Don't Be Active?

Dear Thrust and Paray:

To the person interested in helping out with student government:

Well, the first thing to do is start attending Council meetings. Eventually a committee will be appointed and eventually you will become a member of the committee. Attend your class meetings.

When you feel you know enough about the workings of school government, run for an office. If you wage an earnest campaign, sooner or later you will win. The more offices you run for, the more you win; the more you win, the lower your grades go; the lower your grades go, the longer you stay in school to attain graduation status. Naturally, the longer you stay in school, the more time you have to do all this active work in student government.

Then, after gaining these offices, you don't hear, "Great job, etc." It's "Why didn't you do this?" or "How come this?" To the individuals who want to become active: Stay where you are; you're better off.

WEST CHESTER, Pa. — (UP)—Edward Hoopes was cleaning out some papers that had belonged to his father and came across a yellow slip of paper—a note for \$5.

It had been issued in 1852, and was signed by Washington Townsend, cashier, and William Darlington, president of the Bank of Chester County.

So Hoopes took the note to the bank, turned it in, and received a \$5 bill. Nobody remembered why it had been issued 104 years ago.

Reinhart Drops to Sixth, Team to Third in Passing

Despite a relatively poor aerial showing against Stanford, San Jose State dropped only one notch, to third place among the nation's major intercollegiate football powers in the amount of yardage gained via forward passing per game.

San Jose and Stanford entered the contest in second and third place, respectively, behind Washington State. The Cougars were blanked by UCLA, 28-0, and dropped to second while Stanford vaulted into the top spot.

The Spartan passers have completed 43 of 90 attempts for 585 yards or a 195 yards per contest.

Bob Reinhart, who does most of the Spartan passing, dropped from 5th to 6th in the individual

rankings based on the number of completions. Of 60 passes, Reinhart has completed 32, for 445 yards and five touchdowns.

Reinhart was ranked 13th in total offense, picking up 431 yards in 73 plays, while flanker back Art Powell was 11th in pass receiving with 11 catches for 265 yards.

Scouting reports brought back from the San Diego-Cal Poly tilt by freshman Coach Max Coley indicates that the Spartans will face a big, mature foe in unbeaten Aztecs.

The average age of the San Diego team is 24 years old and the average weight in the starting line more than 220-pounds per man.

Julius Gatowski, tabbed the Aztecs' outstanding lineman by Coley, is only 195-pounds, but is 25 years old. San Diego's first 3 tacklers range in age from 23 to 25 years old. Bill Ledford (260) and Ron Molony (250) are the biggest of the Aztec regulars while Bill Neal is only 230.

The starting San Diego quarterback has the interesting name of Bob Moneymaker. Jim Pyles, Claude Lewis, and Hal Jackson take care of the Aztec running duties.

KT-TX Meet, PSK-Hawks Go In 'Mural Ball

Phi Sigma Kappa, winner by forfeit in their first outing, meets the Hawks, who hold a 1-0 record also after yesterday's contest. The clubs meet at the Rosegarden at 4 p.m. in a Coast League tilt.

Yesterday's action found Delta Upsilon scoring a 12-6 win over Sigma Nu in a National League game. Frank Patonai paced the DU's as he passed for one score to Bob Borgessahni for 15 yards and ran 30 yards for another score. Sigma Nu Dave Engelche returned a punt 60 yards for the losers score.

Delta Sigma Phi topped Lambda Chi Alpha 19-12 in an American League game. Dave York paced the LCA win as he returned a kickoff 65 yards to score and passed for touchdowns of 45 and 55 yards to Don Facciano.

Lambda Chi's Ed Eggert passed 10 yards for one LCA score to Bob Barnes and ran 7 yards for another score.

SPARTAN DAILY Page 3

Olympic Glove Trials Open Tonight in S.F.

Boxing's finest amateur pageant, the three-night Olympic game finals, opens in San Francisco's Cow Palace this evening.

A total of 107 champion boxers will see action in the tournament, from which the 10-man Olympic boxing team will be chosen. The contestants all have won a crown, a prerequisite to entering the scramble for team berths.

The armed services, NCAA, AAU and six regional districts have entered their tournament winners.

San Jose State will be represented by two former Spartans. Mel Ratkovich, a heavyweight, and Joe Rodriguez, a Lieutenant in the Marines, who weighs in at 132, are both scheduled to see action.

Ratkovich and Rodriguez won spots in the trials by winning in the Western Regionals, held in Stockton last week.

Julie Menendez, SJS boxing mentor, will have a hand in the tournament. He will coach the 20-man Air Force boxing team.

Asked about Ratkovich, Menendez said he felt the former Spartan scrapper has improved greatly over last year. "He has a chance, but the competition will be the best he has ever been up against," the coach said.

Water Polo Team Faces Winged-O

The Spartan water polo team gets back into action tonight against the S. F. Olympic Club in a game scheduled for the SJS pool at 8:30 p.m.

Charley Walker's crew will be seeking their first Northern California Water Polo League win. The Olympic Club lost to Cal, 6-4, two weeks ago.

The Spartans will have to come up with their best effort of the season to come up with a win over the experienced San Franciscans.

The frosh team will play Santa Clara High in the preliminary game starting at 7:30 p.m.

J. Paul Sheedy* Was A Lone Wolf Till Wildroot Cream-Oil Gave Him Confidence

"I'm starved for affection", wailed Sheedy, "but the girls think I'm just a cur. Whenever I paws to talk to one she makes tracks for the tall timber and hides." Poor old Sheedy felt so lousy he wanted to pack up and flea. "Don't be such a shaggy dog", said his Den Mother. "Get yourself some Wildroot Cream-Oil and spruce up." Now J. Paul's the most popular wolf in the forest, because his hair looks healthy and handsome, the way Nature intended... neat but not greasy! Try Wildroot Cream-Oil yourself, in the bottle or handy tube. You'll soon be a howling success with the girls.
