## 3000 Jam Polls, Ogle, Elect Ten

Sheila O'Brien, Judy Allen, Helen Barker, Ziska Baum, Janice Hill, Susan McIntyre, Nancy Newman, Diane Perry, Lana Porter and LaDonna Schulz were chosen the 10 Homecoming queen finalists yesterday in a record breaking election.

Over 3000 student voters narrowed the field of 30 candidates to 10 finalists in the largest balloting recorded for Homecoming queen at SJS.

"We would like to thank all candidates and their sponsoring organizations for the cooperation given in the election, and we are especially grateful to the voters for their enthusiasm," Joyce Rowson, queen committee chairman, said after a five hour ballot count.

Final tabulations were completed at 8:30 last night in the Student Union by the committee. The 1958 Homecoming queen and her 4 attendants will be chosen Nov. 6 during a fashion show in the Morris Dailey Auditorium.

"A Japanese Garden" is theme of the show with finalists modeling sport clothes and formals before five judges to be selected from the San Jose area.

Women will be judged on poise, ease and grace, and each is to be personally interviewed by the judges before the contest.

No admission will be charged for the 8 p.m. show opened to the public.

Announcement of the queen will highlight the Coronation Ball, Nov. 7 in Exposition Hall of the Santa Clara County fair grounds.

Ray Hackett will provide music for the 9-1 formal dance. Free bids are available at the Student Affairs Business Office, according to Kay Croxford, dance publicity chairman.

Sponsoring the finalists are: Sheila O'Brien, Delta Sigma Phi; Helen Barker, Phi Sigma Kappa; Ziska Baum, Kappa Kappa Gamma; Judy Allen, Alpha Phi Omega; Janice Hill, Marimur Hall; Susan McIntyre, Kappa Alpha Theta; Diane Perry, Delta Gamma; Lana Porter, Kappa Alpha; Nancy Newman, Alpha Tau Omega and LaDonna Schulz, Sigma Nu.

Nov. 15 is San Jose State's Homecoming day.

## High School Adopts SJS Fight Song

Cupertino High School has adopted the "Spartan Fight Song" of San Jose State as its new official song, it was learned here yesterday.

The high school student body voted to adopt the melody of the fight song during an election held about two weeks ago, according to a report from the office of high school principal George Fernandez.

SJS President John T. Wahlquist was unavailable for comment late yesterday afternoon, but in a letter written to the high school dated yesterday, he said:

"The students and faculty of SJS are honored to learn that Cupertino High School has chosen the music of the 'Fight Song' as its official song.

"We understand that the music will not be commercially exploited, but rather will be supplied with your own lyrics and song by your students for years to come.

"We hope that the music will become as stirring an expression of your school spirit as it has ours."

William Feise, student affairs business office manager, said yesterday a SJS graduate now teaching at the high school had asked permission to use the song's melody.

## Prop. 17 Would Cut Taxes; Prop. 18 Seeks 'Open Shop'

Editor's Note: This is the final in a series of articles dealing with propositions on the Nov. 4 general ballot. Today, the Spartan Daily analyzes propositions 17 and 18.

By RUDY DEL RIO

Proposition 17 would cut down the state sales tax from three to two per cent and would revise the present state income tax rate. The new rate would lower the tax to 1/2 of one per cent for incomes below \$5000 and increase it to 46 per cent on incomes above \$50,000.

Backers of this tax revising measure contend that it will add \$70 to \$90 million in purchasing power to California's economy. Proponents argue that the higher income tax rates will offset any loss from the lowered sales tax.

Proponents further contend that passage of proposition 17 would result in a more just taxation in that it would give tax relief to 90% of taxpayers while increasing taxes on the wealthy upper 10%.

Opponents argue that the one per cent cut in sales tax could not be offset by the raise of the income tax in the upper brackets. This would result in a \$200 to \$250 million deficit, they contend. Although the measure would increase income tax collections by \$164 million, the high taxation would drive people and business away from California, opponents argue. Opponents argue that revenue losses would hinder state programs such as hospitals, schooling, bond and loan programs.

Proposition 18 would prohibit union membership as a condition of employment. Its effect would be to ban the union shop.

Sponsors of the measure argue that union membership should be voluntary. Presently some employers may hire on condition that the employee join the union after a certain length of time or face dismissal. Backers contend that passage of this measure would guarantee more democracy in labor unions by making leaders more sensitive

to wishes of union members.

Opponents hotly argue that this "right to work" law is, in reality, the "right to wreck" unions. Its effect, opponents contend, would be to lower income and buying power by creating a cheap labor market.

Opponents point out that California has a 60% higher per capita income than the average of states with "right to work" laws. Passage of this proposition would crumble the social protections built up over the years by unions, opponents argue.

## Sacramento State Poll Shows Low Political IQ

SACRAMENTO (UPI)—If you know that Rep. Clair Engle is the Democratic candidate for U.S. Senator in California's election Tuesday, you know more about politics than three out of five Sacramento State College students.

The Sacramento State student newspaper today revealed the results of a straw poll among students on questions pertaining to Tuesday's election.

Of the 299 students questioned by the paper, only 118 knew the answer to the question, "who is the Democratic party candidate for U.S. Senator?"

David Roberts, editor of the student newspaper, The Hornet, said he could see no justification for a conclusion that Sacramento State students were less informed than students on other campuses.

A total of nine questions were asked in the poll. Rest of the nine questions included:

1. Who is the Republican candidate for governor?
2. What is Edmund G. "Pat" Brown's present state of California position?
3. At the last session of the state legislature a compromise was reached leading to the establishment of a state water program. True or false?
4. Name either candidate for attorney general of California.

5. The ballot propositions, if approved, will become part of the state administrative code. True or false?
6. Proposition 17, the Tax Bill, will, if approved, increase the total revenue collected by California. True or false?
7. Position of state superintendent of public instruction is an elective position. True or false?
8. Proposition 18, "Right to Work Law," would forbid membership in labor unions. True or false?

Here are the answers:

1. U.S. Sen. William F. Knowland; 2. Attorney General; 3. False; 4. Either Rep. Patrick Hillings (R) or Judge Stanley Mosk (D); 5. False, they would become part of the Constitution; 6. False, state officials say it would seriously reduce state revenues; 7. True; 8. False, it would forbid employers and unions to sign contracts requiring all employees to join the union as a condition for holding their jobs.

Only 12 of the 299 students quizzed got all nine questions right. That means that only four out of 100 students know all the answers.

Average student taking the test missed 41 per cent of the questions.

## Prospective Marine Officers Hear Offers

Training programs for officer commissions in the United States Marine Corps will be outlined for interested students today through Thursday in the Outer Quad.

Major W. G. Crocker and Captain R. C. Schulze will conduct interviews between 9 a.m. and 3 p.m. Aviation and line programs will be explained during the interviews.

## OUTSTANDING CADET

SJS Vice President William J. Dusel, center, presents summer camp trophy to Cadet Lt. Col. Richard G. Rose at awards ceremony Tuesday. Rose also received Association of the United States Army medal for leading Spartan cadets at camp. Looking on at left is Capt. Richard E. George, assistant professor of military science and tactics. Fourteen awards were presented in all.

## How Ghost It?

## Unspookable Scribe Finds School Spirit

By BOB WILSON

Scurrying down the hall of the science building, following Wayne Howard, graduate zoology major, I kept thinking that this was a ridiculous idea. I mean—who ever interviewed a skeleton before?

"He should be in here," said Howard as he opened the door to room S313.

"How ghost it?" said George the skeleton as we entered. "Man, what a crazy looking xylophone!" I said.

"George," said Howard, "this student would like to ask you a few questions."

The emaciated one sat down, looked at me and whispered, "Shoot, ah, wait... you better not, that's how I got in my present condition. Just fire away... I mean what do you want to know?"

"Well, this being the night for black cats, witches, goblins and spooks, I was just wondering if you were going haunting tonight?"

"Nope, I've haunted from ghost to ghost, 12 years I haunted the Vampire State Building in New York, but I had to give up and retire. I lost my skeleton key."

"I see. Well, how do you like working for the college?"

"Pay isn't good, but I'm invited to dinner quite often. I'm a good after-dinner spooker."

The next embalmed few minutes were laid to rest by George talking about the places he has haunted.

"I like to be a ghost writer," George said seriously, "but I haven't got enough spirit."

"Well, I have to be going," I said, edging towards the door.

"Oh, play it ghoul, daddy-o, play it ghoul," George shouted.

"Oh, this is tomb much for me," I whispered, holding my head and closing the door behind me.

## Student Pays 'Non-Resident' Fee Under Protest; Will Fight

By BILL KNOWLES

The controversial non-resident fee placed upon Mrs. Dorothy Benjamin, SJS sophomore recreation major, even though she has lived in San Jose since 1953, has been paid under protest by the student.

Mrs. Benjamin told the Spartan Daily late yesterday that the American Civil Liberties Union office in San Francisco, had informed her that she "had a good case" and referred her to a San Jose lawyer for further legal maneuvering.

## Seniors' Pictures Planned Monday

Senior Class group pictures will be taken for the La Torre Monday at 3:30 in TH155.

All seniors who attend class meetings or who are interested in attending the meetings are asked to attend Monday, according to Jack Wise, publicity chairman.

There is no regular class meeting scheduled for Monday. Due to the number of seniors who haven't had their pictures taken yet, deadline for La Torre individual photos will be moved up to Wednesday.

The ACLU told the student that it could not bear expense of the case, but suggested further action through a lawyer here.

Norman Howard, of the Wax and Howard attorney partnership here, told the Daily yesterday he had not had time to research the case but intended to examine the codes thoroughly on behalf of his client.

## CHALLENGES DECISION

Mrs. Benjamin is challenging the decision of Russell V. Roessler, attorney retained by SJS for residence matters, that she is a non-resident because of her marriage last spring to Eddi Benjamin, bacteriology major.

Her appeal will be based on a section of the state education code which defines student residences for tuition-paying purposes at state colleges. She maintains that because she has supported herself for the past year, she is definitely a California resident under this provision.

The education code section she cited states that it supersedes the government code section on which Roessler made his original decision.

## Dope Charges Jail Stanford Assistant

PALO ALTO—A Stanford University library assistant was held in jail here yesterday on charges of obtaining drugs under false pretenses and using the library's photo-copying machine to make a copy of a \$100 bill.

A suspicious pharmacist called police who arrested Wallace Lee Jace, 23, of Mountain View.

## CALIF.—SMUT CAPITAL

SAN FRANCISCO—Sen. William F. Knowland told a University of San Francisco rally yesterday that California has become the "smut capital" of the nation. He charged his opponent for governor, Atty. Gen. Edmund G. Brown, has done nothing to combat pornographic literature and photographs in the state.

## A-BLAST SETS RECORD

ATOMIC TEST SITE, Nev.—The most powerful underground explosion ever fired by man, a "Hiroshima" sized nuclear device, was touched off yesterday beneath a lonely desert mesa.

With the force of 20,000 tons of TNT, the blast rumbled like an earthquake across the test site near Las Vegas. Experts said it may have registered on seismographs around the world.

## 'DEAD' MINERS RESCUED

## 'The Good Earth' Flickers Tonight

"The Good Earth," starring Paul Muni, Louise Rainer and Walter Connolly, is this week's Friday Flick.

The movie will be shown tonight at 7:30 in Morris Dailey Auditorium. Admission is 25 cents per person.

Based on a novel by Pearl S. Buck, the film concerns one man and his family facing the struggles and hardships of China.

to stand up in, were brought to the surface yesterday in good condition.

Despite the survivors' belief that there was no hope for anybody still in the mine, rescue workers burrowed into the debris again.

## AMERICANS THE 'RUDEST'

NEW YORK—A Springfield, Mass., school teacher who served

as a guide at the Brussels World's Fair, said yesterday that Americans were the rudest people to visit the fair. The teacher, Miss Yvette Poirier, 23, was asked by a reporter to name the rudest national group. "I shouldn't say this, but it was the Americans," she replied.

The quake received a 4.5 reading on University of California seismographs. No severe damage has been reported.

## SJS Organization Leaders Assemble At Activities Talk

Presidents and social chairmen of the various campus organizations gathered together last night in a compulsory mass meeting to receive the new Organization Handbook and reviewed the current rules concerning activities of campus groups.

Robert L. Baron, activities adviser of the college, discussed the current policies which govern overnight trips by campus groups.

Bill Douglas, Student Activities Board chairman, stated that the new Organizational Handbook contains all the rules and regulations pertaining to the conduct of campus groups.

Rules for campus selling and advertising regulations for social functions are just a few of the items outlined in the Handbook. The SAB also outlines the activities calendar for the year.

Douglas also added that revised organizational officer lists are to be turned in to the Student Activities Office, Admin. 242, by today.

## Mantovanni Time

A feature album music show at 12:45 follows the regular sports and newscast on KOED today. Bob George will emcee the half-hour show which features the music of Mantovanni.

At 1:15, a program of music "just for listening" will be presented, according to Kevin Swanson, radio station manager.

## Mat Men To Sign

Varsity and freshman wrestling enthusiasts can sign for the 1958 season in MG207 at 3:30 p.m. Monday, according to Coach Hugh Mumby.

# Spartans Bound for Boise

By RALPH CHATOIAN

San Jose State's grid squad is due to arrive in Boise, Idaho, this morning at 10:20 for the football game tomorrow with the Idaho Vandals. Kick-off is slated for 1:30 p.m. The radio description will be broadcast over Station KEEN at 12:30.

The DC-6, carrying the Spartan grid squad—ranked third in the nation in total passing with an average of 154.4 yards per game—left San Francisco Airport at 8 a.m.

Bob Titchenal, head grid mentor, said yesterday the Spartan grid squad will run around the powerful Vandal defense or throw over it. He has a lot of respect for the inner line of Idaho.

When one looks at the size of the pesky Vandal line he can realize why the Spartans will find the going rough in the middle.

The center, two tackles and two guards total 1125 lbs. of body. This the SJS squad will have to move. The center, Stan Fanning, measures 6-4 and weighs a hefty 235 lbs. The Vandal left tackle, Jim Prestel, weighs 235 lbs. also, but is an inch taller, 6-5. The right tackle, Pete Johnson, is 6-4 and weighs 220 lbs.

The opening right guard positions on the Vandal squad is held down by John Roussos. He stands an even 6-0 and weighs 220 lbs. The other guard, Dale Hill, is the smallest inner lineman on the Idaho starting squad. He is 5-9 and weighs 215 lbs.

Spartan starting quarterback, Emmett Lee, will probably be flipping the pigskin in the air, trying to spread out the Vandal defense. Halfbacks Oneal Cuterry, Doug McChesney and Ray Norton will be called upon to run the wide sweeps around the ends.

If the defense of the Idahoans goes wide trying to stop the Spartan wide game and aerial barrages, Lee, the Spartan signal caller, will get a chance to call for smashes through the inner line.

The game could prove to be a battle of defenses as both San Jose State and Idaho have proved a powerful squad defensive-wise. It is possible that two touchdowns by one squad could win the game.

Jim Wright, 6-3, 230 lb. tackle, will see plenty of action against the tough Idaho Vandal front wall, tomorrow afternoon in Boise. Wright, a junior, has seen action in all of the Spartan games this season. —Spartafoto.

## Spartan Tankers Upset Athenians, 10-9, in Thriller

SJS' varsity water-polo squad last night upset a powerful Oakland Athens Club, 10-9, before a packed audience at Spartan pool.

With less than 20 seconds remaining in the game Roger Scalf took a pass from Pete Ueberroth and sank the winning tally.

The Athens Club had tied the score at 9-9 with less than two minutes remaining in the game when Kirk Bathgate scored from close range.

High scorers for the Spartans were Ueberroth, with four tallies and Lon Christensen with three. Scalf, along with his winning tally, notched one other for a total of two for the night.

## Cross Country Team To Face Rugged Test

Spartan cross country tracksters meet their biggest obstacle of the season tomorrow at Stanford at 10 a.m. when they match strides with top distance men from California, USC, and Stanford.

SJS' harriers have been successful in all their previous outings. The Spartans edged California last week and outpointed Stanford in an earlier, informal meet.

## Frosh Play Today

SJS' undefeated frosh gridders travel to Fresno to battle for win No. 5 against a ferocious band of Bulldog Pups, this afternoon. The Spartababes will be missing a few key men due to injuries.

Distance aces Bill Morgan and Don Kelly provide the Spartans with a dynamic one-two finishing punch. Kelly ran a respectable 19:43, while Morgan placed second with 19:52 at the Berkeley meet.

Coach Bud Winter will be counting on reliable team point support from Sam Holt, Frank Wulfange and Tom Broome. Holt placed fifth, while Wulfange and Broome finished in the top ten in the Cal meet. Winter is also hopeful that promising Jerry Howell, Ted Ragsdale and Bill Dani will make a strong showing.

Max Truex, about the biggest name in cross country, heads the talented USC Trojan squad. Biggest threats from California are Alan Gaylor and Brian Matravers. Gaylor and Matravers finished third and fourth in the Spartan encounter.

## Good Bros. Win 24-6, KA Remains Unbeaten

By GREGORY H. BROWN

Good Brothers (4-0) took command in the Independent League intramural action yesterday with a 24-6 rout of The Zoo (2-3). With its victory the Brothers have a 4-0 season mark.  
PiKA Alums (4-1) rang up 35 points to score a lopsided win over the winless ROTC (0-5) who were held scoreless. Troy Haney and Bob Pace shredded the ROTC secondary with a dazzling display of passing artistry. Feature of the game was a 55-yard punt return by Art Pasquinelli for an Alum TD.

## West Coast Scout To Speak Monday

Marv Owen, former Detroit Tiger baseball star—in the Greenberg-Gehrig era, will speak Monday at 3:30 p.m. in the Men's Gym, Rm. 201. Owen is presently the head scout on the West Coast for the same Tiger team.

His topic, as yet unannounced, will probably deal with the third base position, according to Ed Sobczak Spartan horsehide mentor.

The Group remained on the heels of the leading Good Brothers by coping its third victory without a setback by walking over Baker Hall (2-2) 26-7. Jim Hensley stole the star spotlight in this one by firing four scoring pitches. Two of the aerials were gathered in by Rudy Mecioques with Al Lemes and Bob Smith snaring one apiece.

Loose Ends (4-1) remained in the title hunt with a 26-12 win over the Yanagans (3-1). Other scores were Newman Knights (3-2) over the Outcasts (1-4) 2-0, and Kirby's Killers (3-2) victors over 567 Lodge (0-4) 2-0.

Kappa Alpha (4-0) remained the only defeated squad in the IFC League by downing a tough Theta Xi (1-3) team 20-18. No statistics on the game were available.

Delta Epsilon (4-1) kept within reaching distance of KA by bouncing Alpha Tau Omega (2-2) 21-6 making all three conversions. Pass interceptions by Gil Egeland and Fred Perry accounted for two scores and Ron Roe found the waiting arms of Egeland with a 10 ft Rudy Mecioques with Al Lemes.

A Bob Goodby to Jim Scapatoe pass accounted for the only ATO counter.

Theta Chi (3-2) brought their record over the .500 mark with a 26-0 shutout over Phi Sigma Kappa (1-3). Daryle Adams and Bill Boggie teamed up to drive the Phi Sig's "buggy."

In other Greek contests Lambda Chi Alpha (3-2) fell prey to Sigma Alpha Epsilon (2-2) 16-13, PiKA tromped Sigma Nu (0-5) 18-7 and Sigma Chi (1-3) and Sigma Phi Epsilon (2-1) fought to a 6-6 deadlock.

## Judoists Place Crown on Line At Palo Alto

SJS' Northern California Tourney Crown will go on the block Sunday at 1 p.m. when the letterman-dominated judo team jaunts to Palo Alto.

Captain Ben Campbell, returning Northern California Champion and third degree black belt holder will head the local aggregation which copped last year's laurels.

Rounding out the traveling group will be John Sepulveda, a second degree black belt holder and first degree black belt holders, Howard Watanabe, Larry Stuefoten and Stan Svensen. Jack Norton, another first degree black beltter is a doubtful participant due to a nose injury suffered this week. The squad will also be bolstered by first degree brown belt holder Larry Smith.

The match in Palo Alto will pit the Spartans against Travis and Castle Air Force Bases, the San Francisco, Oakland and Palo Alto judo clubs and the San Jose Buddhists.

## Soccer Team To Meet Cal

Despite the loss of three games, SJS' varsity soccer team will endeavor to displace a powerful Cal squad from its present second place standing in the Northern California Intercollegiate Conference, Saturday, at 10 a.m. in Spartan Stadium.  
Cal holds a record of 2-1 in this season.

Although the Spartan booters have suffered three losses this season, low scores are indicative of the tight defensive ball the booters play. As a grand total the Spartans have scored six goals to their opponents, 9.

## Community Forum Shows Yugoslavia Film Sunday

The beauty and folklore of Yugoslavia will form the background for a color film to be shown Sunday evening at 7:30 in Morris Dailey Auditorium.

"Adriatic Holiday" will show picturesque Yugoslavia, a country less known to the average American than Russia's Ukraine.

Karl Robinson, a film lecturer with more than 2000 appearances on record, will narrate the film.

The movie includes scenes of the skilled horsemanship of the Alka games, and the Slovenian and Macedonian dances.

Robinson will be introduced by Allen E. Galson, member of the executive committee of the Sunday Evening Community Forum which is sponsoring the film.

The film-lecture will be free, and the public is invited.

## Graduate Electrical Courses Attract 59 Scholars to College

Fifty-nine San Jose State students are currently enrolled in one or more of the three graduate courses in electrical engineering now being offered by the college. Norman O. Gunderson, head of the engineering division, has announced. This is the first year the college has been authorized to give courses in this field.

Of the 59 graduate students, only 12 obtained their bachelor's degrees at San Jose State College. Other institutions represented are the University of California, the University of Washington, Iowa State College, the University of Arizona, California State Polytechnic College, the University of Santa Clara, Stanford University, the University of Colorado, Oregon State College.

The University of Arkansas, Boston College, Brooklyn Polytechnic College, the University of Buffalo, Clarkson College of Technology, Drexel Institute of Technology, Heald's College, Massachusetts Institute of Technology, City College of New York, the University of Nebraska, the University of Pennsylvania, Rensselaer Polytechnic Institute, the University of Rhode Island, Seattle University, Siena College, the University of Southern California and the U.S. Naval Academy.

All but one of the 59 students are currently employed in electronic industries in San Jose and vicinity. Thirteen are employed at Lockheed, seven at IBM, six at Philco, six at Microwave Engineering Laboratories, five at Sperry Gyroscope, five at Varian Associates, four at Sylvania Electronics, three at Kaiser Aircraft and two at Hewlett-Packard.

## Gals Chase Dates Dogpatch Style As 'Sadie Hawkins Day' Hits SJS

Newman Club will hold a Sadie Hawkins dance tomorrow night from 9 to 1 at Newman Hall.

Admission is 25c stag, 35c date, and members free. A final requirement is that all persons attending the dance wear "country" clothes, Dogpatch style.

In keeping with the Sadie Hawkins day tradition made famous in Al Capp's comic strip "L'il Abner," all dates for the dance will be made on a girl-ask-boy basis.

According to Al Capp's "L'il Abner," women of Dogpatch were given the privilege of chasing male citizens in a race held on Sadie Hawkins Day. If caught, a man has to marry his captor.

Newman will have a communion breakfast at Newman Hall following the 9:30 mass at St. Patrick's Church Sunday.
