PREFERENTIAL BALLOT USED TO ELECT PRESIDENT TODAY

Emergency Measure Eliminates Need For Repeated Run-Off Elections

San Jose State college will have a new student body president

Due to the emergency measure passed by the Student Council Monday night changing the election today from Australian to preferential ballot, there will be no need for another run-off following to-

Emerson Arends, Doug Morrison, and Harold Riddle will go up before student balloting today from 8 a.m. until 4:15 p.m. in the battle to choose a new ASB prexy.

Science department, an ardent advocator of the preferential system IS PROTESTED for student elections, today outlined the plan for voters. "Using the preferential ballot, students in order of their choice," Mr. Settles said. "Students must give an honest opinion; if there is an attempt to "rig" the election, it usually backfires in that the least popular candidate is elected," Mr. Settles explained.

All women are asked to vote on the AWS constitution in today's election. Sample constitutions are available for study on the bulleting board outside the Dean of Women's office.

The winner of the presidential race today will join outgoing prexy, Marty Taylor, in a trip to Vancouver, B. C. Thursday morning to attend a Western ASB President's convention. Taylor and the new executive will travel by (8) air for the three-day meet, returning Sunday afternoon.

Paul Hurmuses, late of the Spartan Daily, is in the northwest to cover the event for the paper.

Senior Calendar Set By Council

A semi-tentative senior class activity calendar was formulated by members of the council yesterday at the weekly council meeting.

First big activity of the class will take place May 18 when the in Santa Cruz for the day. Following a day at the beach the class has been invited to Mrs. Phyl Lamborn's place for a barbecue. Her place is located a mile

Senior activity calendar: May 27, council party; June 8, council party at George Milias' home in Gilroy; June 14, senior ball; June her apart from the other musi-15. baccalaureate; June 16, class clans as a whole, although sevpicnic trip to Mt. Hamilton observatory; June 17, faculty reception; June 18, class picnic at Dee Portal's ranch; June 19, class banquet; June 20, graduation.

Mr. Claude Settles of the Social BALLOT CHANGE

We, the undersigned, the three remaining contestants for the ofshould vote for all three candidates fice of the President of the student body of San Jose State college, do hereby protest the late decision of the Student Council to wit: That the Preferential ballot be used in the run-off election in lieu of the determined Australian ballot.

We have reached the decision for the following reasons:

- (1) A student body vote of last year decreed that the preferential ballot, previously used, be replaced by the Australian voting system.
- (2) That the primary vote was conducted through the use of the Australian system, a simple majority. The elimi-nated candidate has every right in the world to contest this entire election.
- We feel that considerable amount of confusion would result with the changing of the voting system . . . That it would be distressful to "change horses in the middle of the stream."

THREE STUDENTS TO REPRESENT SJS AT CAMP

Acting on a report submitted by Bruce McNell Monday night, the Student Council appointed three students to represent San Jose State college at the summer training camp at Miniwanca, Michigan.

Barbara Brewster, Adeline Clark, and Bill Swasey, all sophomores, were selected by McNeil's committee and approved by the Council, Richard Blum and Dorothea Brookover are alternates.

John Peterson appeared on behalf of the Spardl Gras committee and asked for a special appropriation of \$125 to take care of motion pictures of that event. He reported that Mr. Milton Lanyon of the Art department has consented to take the movies with the support of Student body funds. The appropriation passed by the Council.

The constitution of the Desert club, an organization sponsored by the Church of Latter Day Saints, was read and the group was given on-campus recognition for one quarter on a probationary

Contemporaries Feature Recital

Three selections by contemporary composers will be heard for the first time in San Jose on the program of the Twelfth Annual Evening of Chamber Music to be presented Friday in the college Little Theater at 8:15. Miss Frances Robinson will direct the recital.

"Transfigured Night," by Arnold Schoenberg, a trio, "Three Nocturnes," by Ernest Bloch, and "Rakastava," by the Finnish composer Jean Sibelius, are the compositions to be played during the evening.

Bruce Stewart, bass, will sing arias from Handel and Mozart, accompanied by the Chamber Music players. Mr. Benning Dexter, of the Music faculty, also will be featured with the Chamber Music players in the selection "Piano by Bach.

According to Miss Robinson, the question in an address before composition is not a virtuoso piece teacher training students in room but a concerto of chamber music dimensions, performed with the score, and the solo assignments Education club president, all stuare divided equally between the dents interested in teaching are keyboard and the string group.

Prizes consist of everything from steak dinners to flying lessons, according to Ellsworth. They will be awarded to persons holding yearbook stubs with the lucky numbers. The stub holder must today concerning the Tenney bills, be present to win.

Entertainment features Billy White and his colored combo with 'Sweetie," the girl vocalist. Billy White, Jr. also will perform on the drums. Local attractions are Frank Blake, who will do a takeoff on Al Jolson, and Bob Mac-Fadyen and Nelson Rockefeller, boogie artists.

Surprise personality of the evening is La Torre's Spardi Gras queen candidate who will be introduced for the first time.

The show, to be presented in the Morris Dailey auditorium, will begin at 7:30 instead of 7 p.m. as announced previously. Yearbooks will be on sale in the outer quad until tomorrow.

Picnic Tickets Still Available

"Tickets for the sophomore picnic at Alum Rock park Friday night will remain on sale until tomorrow," announces Pat Walsh, class president. "Ticket sales originally were scheduled to end today, but due to the increased demand we are holding sales open for one more day."

This year's 49'r picnic will feature dancing, food, games, prizes, entertainment, and campfire singing. Bruce 'Diz' McNeil will lead the group in singing at the picnic, which will last from 5 until midnight.

"Tickets are priced at 50 cents, and each sophomore is invited to bring a friend," says Sophie, the 49'r mule. "It is a good bet to attend. Where else can you take the California Teacher's associaa date for only \$1.00 and have a wonderful time? Insure yourself of a good time Friday night by purchasing a ticket today."

> There will be an important meeting Thursday night in room 117 at 6 p. m., according to Miss Walsh. Final plans for the picnic will be discussed and plans will be made for the frosh-soph mixer, which will be held on May 16. The meeting will be over in time to attend the La Torre rally, Miss Walsh says.

KEEP THOSE BOTTLES QUIET!

Although some may be inclined to doubt it, and others may lack the intestinal fortitude to give it a try, there is a certain group within this country that holds steadfastly to the opinion that it is possible to attend a public function, dance, sports event, or whathave-you, and enjoy the proceedings without the relaxing effect that can be obtained from an occasional nip from a hip flask.

This year, as always in the past, an ugly rumor is getting around that the annual celebration of Spardi Gras is an administrational pain in the neck and that this gala Roman holiday is about to be given the old heave-ho.

Now, from the general tone of this, one might get the impression that the amount of hard liquor to be consumed during the campus carnival is the feature attraction. Please don't be mislead. Statistics, we are confident, will prove that many of us are clean living young things whose sobriety is beyond question.

Drinking, if we may use the term, is only one of the many things that makes the administration inclined to believe that Spardi Gras has outlived its usefulness both as a tradition and a student activity here on Washington Square.

Too much time, high ranking officials contend, is being taken away from one hundred and eighty days alloted for the running of San Jose State college as an educational institution by this half-day of fun and frolic. Frequent violations of administrational rules about parking of cars on the campus and control of general uproar during the carnival have also aided in giving it a one way ticket to nevernever land.

Is Spardi Gras worth preserving? We think so. Let's keep it around.

Off the Wire

WASHINGTON, May 5 (UP)-Gen. Omar Bradley, veterans administrator, said today it is "perfectly clear" that subsistence payments to veterans taking educational training do not cover living costs, but he warned against making them too high.

Testifying before a Senate labor subcommittee, he neither endorsed nor disapproved numerous bills to raise monthly allowances for veteran-students. But he did say the proposals raised the question of making education so attractive that "many veterans would go to school for the money that's in it."

He said that Congress, rather than the veterans administrator, should be responsible for establishing policy on payments made to veterans under the G. I. Bill of Rights. He supported legislation giving the administrator power to pay less than the subsistence limits set by Congress for veterans taking part-time training.

RALPH ROMERO MAKES GOOD AS PITCHER

By TOM ROWEN

Ralph Romero, bespectacled Spartan pitcher who will start the first game today at Stockton against COP, is another local boy on the Spartan baseball team. Ralph played three years of basketball and baseball for the Bulldogs before coming to San Jose State to star on the hardwoods and diamond.

He was selected on the All-PAL baseball team as a pitcher in 1942, 1943, and 1944. He also made the All-PAL basketball team in 1943 and 1944. In 1945 and 1946, he played baseball for the Armed Guard Center at Treasure Island while in the Navy.

Ralph has four victories to his credit this season, having defeated San Diego State, Santa Barbara college, Fresno State, and COP. His defeats were by St. Mary's and University of California, both non-conference teams.

"I like baseball better than basketball," Ralph said after pitching San Jose to victory over Fresno. "Basketball is an interesting game, but Abner Doubleday's game gets my vote."

Ralph is a freshman and is majoring in physical education.

Thrust and Parry

The Athletic department decided by a vote that it would not back the Rodeo Team in the border conference Intercollegiate Rodeo to be held at Flagstaff Arizona. We still have a team that wishes to participate, but it seems that the only way we can do this is to follow the example set by the ski team. It had to pay its own expense to all meets and finished the season by winning the CCAA meet. We don't expect to win the Rodeo, but we would not embarrass the school in our efforts

PASSEY, SMYTHE DIAMONDMEN FACE COP

Battle Tigers In Stockton This Afternoon

By TOM ROWEN

San Jose State's baseball team goes to Stockton today to play fourth place COP in a double header at Oak Park. The first game will start at 2 p.m. with the nocturnal nightcap getting underway

Today's game winds up the 1947 season for the Spartans unless San Jose comes through with a double win today and COP can knock over the Aztecs twice on May 17 when the Tigers and San Diego tangle in a twin bill at Stockton. COP and the Aztecs have another double header to play the Border City.

ROMERO OPENS

The Spartans have won 10 games and lost four in the CCAA while COP has won five and lost 12 in conference play. In nonconference games, the Tigers have won one and lost five while San Jose has won five and lost five.

Coach Walt McPherson yesterday selected Ralph Romero and Bob Pifferini to pitch for the Spartans in this crucial twin bill. Romero and Pifferini defeated the Tigers in the first meeting of the two teams at Municipal stadium.

Coach Hugh McWiliams probably will send Louie Bronzan and Bill McFarland to the hill for COP as they are his best hurlers. These two were the losing hurlers in the previous Spartan - Tiger game.

SAME INFIELD

San Jose will use the same infield that has been taking the field in previous games. Jim Wilson will be behind the plate, George Wehner on first, Wayne Krouskup at second, Captain George Smith at third, and Tex Phillips at short.

The outfield is a question as Ralph Kling hurt his back in practice Monday and may not be able to play. Frank Vizza has an infected toe and is a doubtful starter. Don Lopes still isn't in excellent condition to play a twin bill but probably will play in one game. Jack Kakuuchi, Al Malato, and Jack Marcipan are in fair condition but it is unlikely that Marcipan will be playing after his performance in the Cal Poly game.

Unless San Jose plays San Diego again, three Spartans will be writing finis to their college baseball career today at Oak Park. They are Jim Wilson, Wayne Krouskup, and George Smith. Roy Duarte, pitcher, probably will not return to San Jose next year as

MERMEN SEEK CCAA TITLE IN FRESNO

With a season record of six wins against as many setbacks, San Jose's varsity swimming team will wind up its 1947 season in Fresno this Saturday. Time trials will start at 10 o'clock in the morning, and the finals are slated to get underway at 2 o'clock that afternoon.

The Spartans are assured of at least two individual titles and possibly others. Captain Ed Rudloff should have no difficulty in winning the 200 yard breaststroke championship and Pete Wolff, who has been swimming second to Rudloff all season, can take the runner-up spot. Leo Gaffney, who has been missing from the line up since the start of the quarter, can be expected to annex the diving honors. Either Pat McConnell or James Fenton could take runnerup position here also.

With George Peckham, Rudloff, and Jack Daly, the San Jose team could also take the medley relay of Pacific, in a dual meet in the local pool last Friday night.

The remaining firsts probably will be taken by the Tigers with the Spartans being satisfied with the second and third positions. Other competition is expected from Cal Poly and Santa Barbara. Both schools will enter full teams in

State Thinclads Prep for CCAA **Meet Saturday**

With the California Collegiate Athletic association title in sight, Coach Bud Winter sent his varsity tracksters through a series 31-32 for eighteen to break the of strenuous workouts yesterday existing mark held by Talbert afternoon in preparation for the Smith, former California Open conference meet in Fresno Satur- champ, by one stroke. It was the day night.

Coach Winter will enter a full team in the CCAA get together placing four men in almost every event. Time trials will be held in the afternoon at 2 o'clock.

San Jose rates the edge over the remaining 2C2A foes by virtue of their triumphs over all but one conference team this season. However, little competition is expected from Cal Poly, who was not on the Spartan's schedule this year. San Jose easily turned back San Diego and Santa Barbara, rolled over the College of Pacific, and had very little trouble from last year's conference champs, Fresno State college.

Still on the sidelines are Elwood Clark and Connie Varneck Both have leg injuries and there is a possibility of neither seeing action Saturday. Clark had been title. The trio beat their strong- expected to pick up some points est rival in the tourney, College in the javelin throw and Varneck could have possibly placed in the high jump.

Monday afternoon Coach Winter spent most of his time in correcting mistakes made by his runners and field men in the dual meet with Fresno. Last night the Spartan thinclads poured on the steam, running for times after a period of hard warm-up. No outstanding times or marks were turned in, but none were to far from the usual performances.

HARRIS BREAKS CHABOT MARK WITH RECORD 63

Bobby Harris, Spartan golfing ace and holder of the 1947 Northern California junior title, shattered par on the Lake Chabot country club course in Oakland Sunday with a record-breaking 63.

Leading qualifier in the Oakland city tourney, Harris had a first time Harris had ever played the mountainous Chabot layout, and he found the long holes to his liking.

Coach Bill Hubbard's Spartan golf team added another victim to their win list last week-end when they downed COP 251/2 to 11/2 in San Jose.

This week, Hubbard will send his squad into the CCAA tourney at Fresno as heavy favorites. In the Raisin city the Spartans will meet teams from Santa Barbara, San Diego, COP, and Fresno.

Following the CCAA tourney, the Spartans meet Pacific in the final match of the season on the Tiger's home course in Stockton. If they win both these matches, the locals have a good chance of entering the NCAA championships to be held at Ann Arbor, Michigan during the summer.
