College Wins NCAT Trophy For TV Shows

San Jose State, a comparative novice with only three year's experience in educational television production, won the Northern California Academy of Television trophy Saturday night for "Outstanding Public Service Program in 1954."

Accepted by Robert I. Guy, assistant professor of drama at SJS in charge of television, "For the students of San Jose State," the winged trophy and award were presented at the Academy's Sixth Annual Awards Banquet at the Fairmont Hotel in San Francisco.

Read to an audience of some 400 persons, including guest of honor Liberace, text of the award was:

"For the all-around excellence of its student television productions 'Antigone' and 'Thin Like Tortillas,' presented in cooperation with KPIX; for encouraging high standards and ideals in television production and programming through its courses in television techniques; an award for Outstanding Public Service in 1954 is presented to San Jose State College."

"Competition for NCAT awards is very keen," commented Guy. "This is a great honor for San Jose State."

The Northern California Academy is composed of 13 stations from an area bounded by Salinas on the south, Sacramento on the east and Chico on the north.

Appearing in May last year, SJS's version of "Antigone" was adapted by Guy from a campus stage presentation of the play.

"Thin Like Tortillas," written by Olive Engwicht, a graduate student at SJS, was produced in November.

Costumes for both shows were created by Bernice Prisk, associate professor of drama.

Rollin Buckman, instructor of drama, constructed sets for the two TV productions.

Bill for SJS TV shows is paid by the Student Council and usually is near \$1,100 as compared to the \$35,000 a commercial show would cost. SJS productions reach an audience estimated at 300,000 viewers by KPIX.

San Jose State had never produced a television program before Guy became a member of the faculty three years ago.

According to Guy, SJS's TV presentations are made possible by KPIX and its program manager William Dempsey.

Interviewers Visit Campus

Representatives will be on campus today and tomorrow to interview teaching candidates who are interested in positions in California cities, according to Mrs. Doris K. Edgar, director of teacher placement.

Advance appointments are required, Mrs. Edgar said, and they may be made in the Placement Office, Room 100.

State To Open Gym Work Bids In Two Months

Construction bids for the addition to the men's gymnasium are slated to be advertised by the State Public Works Department within the next two months, according to a United Press report. No definite date has been set for the calling of bids although the department approved tentative plans for the gym last month.

The addition which will extend eastward from the present gym, is slated to be a two-story structure costing \$612,000.

Sakamoto Indicts ISO for Violation

Indictment of the International Students Organization on charges of violating the campus advertising code was requested Friday by Paul Sakamoto, Student Activities Board chairman, according to Don Atkinson, Student Court prosecuting attorney.

A written request for the indictment was given to Atkinson for action at the courts Tuesday meeting. It charges that ISO did not sign in the advertising book before placing a poster last Wednesday, and then put it on a lamp post in the Outer Quad, an off-limits location.

Late Classes To Accompany FTE Increase

Approximately 500 to 600 students will enroll in late afternoon and evening classes next fall if the proposed 8510 full time equivalent enrollment is passed, according to Dean of Instruction Fred Harclerod.

Harclerod plans call for an enrollment of 5 to 7 per cent of the expanded student body in late classes to comply with the state regulations governing room capacities.

Under the present policy outlined by the state Department of Finance, 7994 FTE students are provided for with the present classroom facilities.

Late courses not requiring spaced learning probably would be offered on a once-a-week basis.

Department and division heads are now working on schedules which would fit into the 8510 FTE plan, and a general meeting to coordinate these schedules is planned for March 10.

The late afternoon and evening classes would constitute a threat to the student with a part-time job. However, Harclerod indicated that students possibly could do their work in the morning hours, with the bulk of their classes falling in the post-noon class periods.

President John T. Wahliquist is currently on a business trip through the United States interviewing and lining up the 93 new instructors which would be added if the plan now before the state legislature is passed.

Wintermist Ball

More than 400 persons danced to the music of Ray Hackert's orchestra at the Wintermist Ball Friday night at Civic Auditorium. Four thousand blue and silver three-dimensional stars were used in decoration for the winter setting.

Thrust and Parry

Attendance Clause

Thrust and Parry:
I believe that Paul Sakamoto has the right idea about the eligibility rules concerning class of office candidates. But if the 13 per cent receive another chance to vote upon changing the rules they should vote for the status quo.

In December, I spoke out against the proposed constitutional amendment and approximately 7 per cent of the student body approved the amendment for the whole student body. I still feel that the class attendance clause is not the answer to better candidates and that, as shown by the latest election, many offices are unopposed.

Instead of criticizing the 13 per cent who bothered to vote or the 87 per cent who didn't bother to vote in the recent election, I should like to offer a few possible solutions to the "government by minority."

1. Allow the situation to remain as it has been and from time to time make gestures toward increasing interest in the student government.

2. Repeal the attendance clause.

Iota Delta Phi Has Initiation For Neophytes

Fourteen pledges became actives of Iota Delta Phi, French honor society at initiation ceremonies held in the College Chapel last night at 7 o'clock. After President Mary Martin performed the ceremony, the French club had dinner at L'Omelette in Palo Alto.

The fourteen new members are Noemi Baiza, Francis Betancourt, Marion Freeman, Marion Reid, Carol Waymure, Monica Parenti, Raquelle Felt, Jerry Jefferson, Terry Milsted, Irene Du Brau, Betty Atkinson, Ellen Yeaw, Roberta Lewis and Kanella Vrenios. Dr. Harold Miller, professor of English, was made an honorary member of the society.

Institute a concentrated program to "get the vote out" at the next election. If this fails to arouse the voters and to increase the number of candidates I suggest the following:

3. Reduce the student government to a committee for social functions to be appointed by the administration. Return all the judicial, legislative and executive powers to the administration. If the loss of self-government fails to arouse the "sleeping dog" then I feel that all hope for student government is lost.

Good luck to Paul Sakamoto!

HIGH JUMP HIGHLIGHT

Herm Wyatt, former San Jose State high jumper, will find the competition keen in next month's Pan-American Games at Mexico City, Brutus Hamilton, 1952 Olympic Games coach, told the United Press last week.

Hamilton observed that the 33-man squad picked by the National AAU officials is a "solid club," but he thinks that several teams from south of the border have darkhorse material.

Hamilton believes that Wyatt's chief competition will come from a Brazilian high jumper who copped fourth in the '52 Olympics. The South American currently is clearing 6 ft. 6 in., while Wyatt recently went over the bar at 6 ft. 10 1/4 in. Hamilton believes that the Brazilian is improving and commented, "He stands 6 ft. 7 in. and you never know how high those guys might go."

Stanford Breaks Pool Record While Topping SJS Mermen

The 150-yard individual medley pool record fell as the Stanford swimming team scored a 64-19 victory over the Spartans Friday afternoon in the SJS pool. Stanford's Weiser splashed to a 33.2 record, erasing the old stan-

dard of 1:33.9 held by Bill Clinton of Treasure Island.

The Indians won all events but the diving. San Jose's Cleghorn edged teammate Wally Ends to cop the three-meter event.

Capt. Dick Threlfall was the only Spartan to win two places with a second in the 50-yard freestyle and a third in the 100-yard freestyle.

Other SJS mermen finishing in third place were Tom Haine in the 220-yard freestyle, Rolly Koivisto in the 150-yard individual medley, Dick Earthman in the 200-yard backstroke, and Abovof in the 440 freestyle, while Crest took second in the 200-yard breast stroke.

Stanford's winners were Grant, Clock and Heim, 300-yard medley relay, 3:03.5; Don Osborne, 220 freestyle, 2:18.6; Gay, 50-yard freestyle; Weiser, 150-yard individual medley; Clemens, 100-yard freestyle; Weiser, 200-yard backstroke; Wilber, 200-yard breaststroke; Osborne, 440-yard freestyle; and Clemens, Aakerman, Gay and Burton, 400-yard relay, 3:40.9.

Rapazzini Cops Tournament Lightweight Championship

By JERRY GANDY

Idaho State College revealed its potential boxing power for the next three years by crowning five champions in the nine weight divisions of the first annual Far Western Freshman Invitational Boxing Tournament Saturday night in Spartan Gym.

The other four championships were divided among San Jose State, Cal Aggies, City College of San Francisco, and College of Sequoias.

Johnny Johnson, 139, Paul Morgan, 155, and Gerald Dahl, 160, copped decisions to give SJS a 3-0 victory in a junior varsity preliminary meet before the finals of the two-day tourney.

Vic Rapazzini, SJS 132-pound entry, easily pounded out a victory over Cal Poly's Bill Fortye for the Spartan championship. Fortye is the No. 1 lightweight on the Cal Poly varsity.

The Idaho State contingent won two of their bouts on TKO's. Heavyweight Wes Lowe floored Pete Davies of Cal Poly twice in the first round before Referee Pete Fransich stopped the bout. Dale Latham, Bengal light heavyweight, won a second-round TKO after battering Ronnie Pimentel of University

of San Francisco.

Idaho State's other winners were Dave Abeyta, who decisioned College of Sequoias' game Rosenda Medina in the 125-pound bout; Ron Rall, varsity 139-pounder who outpointed Roscoe Jones of City College of San Francisco; and Dick Hensen, who edged Gerald Ulrich of SJS in the 156-pound contest.

In one of the speediest bouts of the evening, Rodolfo Ralda of the Cal Aggies defeated Carl Arevalo of SJS to win the 119-pound title.

The welterweight clash pitted a pair of CCSF boxers. After two even rounds, Roger Nunez outslugged teammate Ken Turner in the third to win the closely contested 147-pound championship.

In one of the closest finals, Freddie Martin of College of the Sequoias eked out a victory over SJS's Ron Henry in the 165-pound event. The Spartan middleweight chased Martin around the ring in the third round but was unable to compensate for Martin's strong second-round showing.

SJS Clinches 2nd; Williams Sets Record

By ROD LEE

Carroll Williams sank 14 straight free throws in the second half last night as San Jose State's Spartans turned back the St. Mary's Gaels, 68-58, in Moraga, assuring themselves of at least a tie for second place in the California Basketball Association.

The Spartans connected on 26 out of 27 free throws during the second half and made good on 32 out of 36 for the night to post a remarkable 88.8 percentage.

Williams equalled one CBA record and set another with his free throws. Fourteen straight matched a mark held jointly by Williams and Kenny Sears of Santa Clara and established a record for the most consecutive free throws in one half.

Coupled with three field goals, Williams' charity tosses gained him high scoring honors for the Spartans with 20. Bill Sanchez sparked the Gaels with 25 points before fouling out with 1:30 to play in the game.

Sixteen points by Williams in the second half pulled the game out of the fire for the Spartans after St. Mary's took the lead shortly after the intermission.

The teams battled on even terms with the lead changing hands twice and the score tied four times before San Jose took a commanding 12-point lead with six minutes to play.

In the first half sophomore guard Tom Crane and junior forward John Erceg rose to the occasion to give the Spartans a 32-31 half-time edge. Crane tallied 12 and Erceg 10 in the first 20 minutes.

Although San Jose led from the opening tip-off and opened a 30-22 margin with three minutes to play in the half, St. Mary's went in front 31-30 with nine straight points. Erceg tanked two free throws to put San Jose back in front at half-time.

The win gives the Spartans a six win, five loss record in CBA play with one game to play.
