Student Body Card Sales Fall Short Of Number Needed For Budget, Says Tom Taylor, A. S. B. Prexy

Sales of Associated Student Body cards fall short of the mark they must reach to meet the budget approved last year. Tom Taylor, student body president, announced at the Council meeting Tuesday night.

Not quite 2000 cards have been sold to date and the goal set is 2250 cards, Taylor said. According to Dean of Men Paul

Pitman, 2450 students were registered in the college by Tuesday night and the enrollment was increasing.

CHECK MADE

Denny Morrissey, head of student body card sales, announced that a check has been made as to who have cards and who do not, and stated the privileges devolved from the card made it indispensable to any student attending San Jose State college.

Morrissey announced that all rushees must possess an ASB card in order to join a sorority.

Benefits to be derived from a card are admission to all sports events, pre-game rallies, dances, and a daily issue of the Spartan

SUBSCRIPTIONS FOR LA TORRE ACCEPTED NOW

Office staff of La Torre, San Jose State's yearbook publication, will be on duty today and tomorrow from 1 to 3 p. m. to accept advance subscriptions to this year's edition at the special rate of \$3.00 which will be in effect for the next week or two.

Price of La Torre will rise after that time, Business Manager Jerry Becker has announced.

The yearbook is published each spring quarter as a pictorial resume of college social, academic, and athletic activities.

Becker and Editor Barbara Kurz have prophesied that the quality of the book will be up to last year's standard, which was considered the best ever.

"Despite the drop in student enrollment, if we make enough advance sales La Torre should maintain its high standard," says Becker.

Miss Kurz replaced Ken Stephens as yearbook editor when the latter enlisted in the army signal corps.

Daily. Also a big item, Morrissey declared, is the use of the Health service derived from owning an ASB card.

REFUNDS GIVEN

The council took up the matter of refunds for students buying ASB cards and decided full refunds would be given on cards turned in up to 5 p. m. Friday.

Duplicate cards may be purchased in case of loss. Duplicate cards bought during the present quarter will cost \$2.50; winter quarter, \$1.00; and spring, 50 cents. If the original card is found within a certain length of time, a refund on the purchase of the duplicate will be given the student, the council decided.

Appeal Issued For Red Cross On-Campus Work

An urgent appeal for women of San Jose State to help the Red Cross by knitting and sewing clothing for the armed forces was sent out today by Mrs. Winters, general chairman of the service organization's unit here at the college.

With its new headquarters for this program, complete with modern sewing equipment, the Red Cross hopes to send out an ever increasing number of these vitally needed garments. This new office is located in Room 32 of the Main building and women interested in performing important war service work are asked to come to this room in their spare hours and aid in making the clothing. The new headquarters is open from 9 a. m. until 4 p. m. every school day including the noon hour.

Miss Martha Thomas of the Home Economics department, in charge of making men's hospital garments, and Dean Helen Dimmick, at the head of the knitting department, last year supervised the making of 1438 articles which were distributed to the men in the service by the Red Cross.

The college unit received high recognition for their help last year, with four women being awarded service pins for one hundred hours work. These were Jeannette Manha, Georgette Costere, Nadine Gaggia and Lucille Capponi. In addition to these veterans there are others who have many hours of service to their credit and who have signed up as captains for this quarter's work.

It is expected that others will receive service pins and other awards for outstanding work in this field, according to captains and chairmen of the Washington Square unit.

Last year's headquarters were situated in the Home Economics building and were moved to their new location for added convenience.

SQUAD LEAVES FOR WHITTIER; ROBINSON'S ACCURATE PASSES EXPECTED TO GIVE POETS TROUBLE

After an hour of rough scrimmage featuring the precision passing of fullback Bert Robinson, head coach Tiny Hartranft named the squad of thirty-six players who will entrain for Whittier tomorrow evening.

Robinson, whose passing has not been up to snuff of late, uncorked some bullet-like heaves with unerring accuracy to ends Woody Gibson and Hal Crisler. Bert, backed up by Danny Conforti and Jack Porter, is expected to give the well coached Poet squad plenty of trouble both on the ground and through the air lanes.

Coach Wallace "Chief" Newman is reported to have a small but determined bunch of gridlers that figure to give the Spartans a busy afternoon. Judging from scouting results, the Whittier eleven is a more rugged and seasoned team than Pomona. Despite the 51 to 0 defeat last week by a rambling Fresno outfit, the Poet combination is not to be underrated, says Coach Hartranft.

WEIDENHOFER RETURNS

Strengthening the Big Gold machine considerably was the return this week of guard Hans Weidenhofer. Hans, a veteran of the 1941 campaign, will bolster the right side of the line both on offense and particularly on defense, where he is a vicious tackler.

Although last Saturday's game was not much of a criteria on which to base predictions for the remainder of the season, the coaching staff is optimistic and has high hopes for a successful campaign if some of the new transfers and freshmen live up to advance notices.

PARTON LOOKS GOOD

One of the best of the new crop of footballers is halfback Billy Parton, a speedster from Southern California. Parton was very effective on wide reverses against Pomona and should develop into a real breakaway threat before

Tryouts Slated For First Play Of Fall Season

Tryouts for "The Male Animal," the first play to be produced on-campus this year, will be held in the college Little Theater Monday, October 5, at 4 p. m., it was announced today. Ted Hatlen, speech instructor, will direct the play.

Hatlen has issued an invitation to all interested students to try out, and stresses the fact that previous experience is not necessary. Student Body card holders who wish to try out will find copies of the play on reserve in the Library. There are many good parts in the play for both men and women, the director stated.

"The Male Animal" should prove a very popular production to playgoers suffering from "war nerves" as it is an extremely fast-moving and humorous play with a record of a long run on Broadway and a successful motion picture version, Hatlen declared.

It is scheduled to open on the night of October 29.

many more games. Another scat back deserving notice is Bob Fisher, bounding little right half, who dug up huge chunks of yardage Saturday with his scooter tactics. Danny Conforti, booming full with a whiplike passing arm, may press Robinson hard for starting honors before long.

STUDENT EXCHANGE ASSOCIATED WITH WHOLESALE UNIT; STOCK INCREASED TO SUPPLY DEMAND

The Student Book Exchange is now associated with the Wholesale Book company, announces Marshall Kelley, president of the Exchange.

He states that in the past the sales of the Exchange have been limited to the number of books turned in by the students, but that now the Exchange has increased its stock from outside sources to supply the growing demand.

FORMER SPARTAN DIES AT MIDWAY; RECEIVES AWARD

For service in the battle of Midway, First Lieutenant Herb Mayes, former State science major, posthumously received the Distinguished Service Cross, it was recently verified.

A first pilot in command of one of the four torpedo bombers which scored a direct hit on a Jap carrier, Mayes was reported killed in action early this summer. He received his degree here in 1939.

Also declared killed in action recently were two more former San Jose State students, William Newby, a liberal arts student who left in June of 1940, and Peter Knudsen Jr., a commerce major who left here in December of 1941.

PRICES SAME

Book prices will be the same as in the past two years of operation. The Book Exchange is operated as a student co-operative store. There is a minimum service charge for expenses, but all work done by the students is voluntary, according to Kelley.

Even with the increased stock, the exchange is still unable to supply the demands for books. Students having copies of textbooks still used in classes are asked to turn them into the exchange. The books will be sold for the students and in one week the money or the unsold books will be available for the seller. Five per cent is charged on sold books, while there is no charge for books not sold.

MEETING TONIGHT

Students interested in the work of the exchange are invited to attend a meeting tonight at 7:30 in the student union. Several clerks are needed to work during free hours, according to Kelley.

Frosh "Get Acquainted" Dance Scheduled Friday Night In Gym

It will be "get acquainted night" for all first year students tomorrow evening at a "Freshman Fling" in the Men's gym from 7:30 to 11.

Music will be "off the record" and yell leader Ed Kincaid will provide incidental entertainment.

The mixer will be a closed affair for freshmen only with stags welcomed. Student council

members will be guests of the class, announces Don Campbell, Social Affairs committee chairman.

Probable patron and patronesses will be Miss Sarah Wilson, Dean Paul Pitman, Dean Helen Dimmick, and Mr. Donald Sevrens.

Refreshments will be served.

Former Spartan Boxing Champ Killed In Accident

Gene Fisk, Spartan boxing captain in 1940, was killed last month when he was caught between two freight cars while switching at Camp Cook Southern Pacific spur track.

Fisk fought at 145 pounds while a member of Dee Portal's milt team. He is survived by his wife, Mrs. Patricia Fisk, and a nine months old baby daughter, Karen, of San Luis Obispo, and his parents, Mr. and Mrs. William Fisk of Atascadero, and a sister, Billie Cosa, of Santa Maria.

Class Elections Set For Monday

Class elections for freshmen, sophomore, junior and senior class officers for the fall quarter are tentatively scheduled for Monday, October 5, according to a report from Tom Taylor, student body president.

Council members to assist at class elections were appointed in the council meeting held Tuesday night in the Student Union.

SERVICE DANCE IN UNION TONIGHT

Opening the fall series of dances for service men, the women's P. E. department will tonight take over the Student Union from 7:30 till 10.

Under the direction of Mrs. Sarah Wilson, the dances will be held every Thursday night for the entertainment of service men from San Jose and locality.

The dances, started in January, have been held in the Women's gym since that time. The summer attendance, according to Mrs. Wilson, was fairly good and with the change of location to the Student Union an increase is expected.

Girls who wish to attend these dances should sign up in the Women's gym. Those who have orange Victory cards are preferred but this week girls may come without them.

Applications for orange cards are being taken in the Dean of Women's office.

In addition to dancing from 7:30 till 10, the Spartan Shop will be open for refreshments, Mrs. Wilson announced.

SPEECH CLINIC

Registration for special help with speech and voice problems is now in progress in rooms 63 and 57. All students desiring such help and all those who have been referred to the Speech Clinic from various classes and from the Speech Clearance tests should report before noon on Thursday, October 1. Office hours from 8 to 12 and from 1 to 4.

JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE
President San Jose State College

Twenty-five hundred students plus! More than we expected.

Now if each one of you will just stick in one dollar for the Community and War Chest, that will make it perfect.

San Jose and the surrounding territory have to raise \$250,000 this year, about two and one-half times as much as last year.

But it's war and we must expect to make an extra effort. There's so much distress, terror, agony in this old world that we, in our beautiful, peaceful valley, will have to help.

They are calling it the War Chest this year. It's a combination of all services except the Red Cross. Greek Relief, Russian Relief, Polish Relief, China Relief, Dutch, British, the Free French, our own Navy, War Prisoners' Aid, and, finally, the U. S. O. "All of our begs in one ask-it."

The schools have been assigned a budget of \$18,000 and some more. The college share is \$6500, not counting the students.

Would it be asking too much to suggest \$1.00 from each student?

I know some of you who have been working in the canneries have already paid that and more. You will not be expected to do it again—unless you are just rolling in it.

Perhaps some of you will want to put in more than one dollar. Some who live in communities where there is no War Chest could take up a collection at home for the good of the cause. Every cent will be acceptable; even \$100 would not be refused.

The faculty and other college employees will have to dig pretty

deep this time to get that \$6500. It will mean not one dollar each, but one per cent of a year's salary. We have had a bit of good fortune in our salaries this year and I think we can do it. What I am concerned about is whether our students will do their part also.

Really, young folks, you would be an inspiration to this whole community if you would do that. The men and women who are spending hours and days downtown trying to collect two-bits here and some folding money there, would find it most heartening if a great group of intelligent young men and women were out to help in such an inspiring way.

Tom Taylor and his council are already working on this problem. I am writing this to you in the hope that it will help. (I hope Tommy and the council don't try to make it \$5.00 instead of \$1.00. They are great go-getters, I know, but I don't think we'll need that much. One dollar will do.)

There will be a short meeting of the Social Affairs committee a noon Thursday in the student union to set a regular meeting date.—Don Campbell.
