

Football Scrimmage Squad To Be Formed For Fall Practice

By DANIEL WECK

Football is once again to be played in the Spartan Stadium by Spartan gridders! According to Coach Bill Hubbard, a scrimmage team is being formed. "There will be no formal games, but if there is a big enough turnout at tomorrow's chalk-talk the department intends to hold a number of practice scrimmages at which spectators will be allowed. The dates and opponents for these games will be announced later," said Hubbard.

"The entire situation depends on the turnout," Hubbard continued. "In the past, practice for Sparta and for the teams which we were accustomed to play, never started later than September 1. After a session of Spring practice, a squad was chosen to come back to State early to begin practice. This year the Spring practice turnout was not as large as in years past, and spring practice was halted before a definite conclusion could be reached as to the merits of the respective players.

"At that time, the war was still raging, and it didn't look like it could be concluded very soon, so it was impossible to make a definite schedule then.

"Tomorrow afternoon, in the small gym, there will be an important meeting of all men who are interested in football. I would like to emphasize the importance of this meeting to all the men whose desires lie in that direction. Wednesday afternoon at the fieldhouse, the equipment will be issued, and on Wednesday night will be held the physical examination for all of those on the squad."

Coach Hubbard, better known as "Bill," says, "It is physically impossible to put a team on the field for at least two weeks, and by that time it will be after most of our usual competitors have closed their

(Continued on Page 4)

Daily Stops Free Mailing Service To Armed Forces

Spartan Daily will no longer conduct free mailing service for former students in the armed forces.

Since conscription began in 1940, the Daily has mailed thousands of issues to men and women stationed in the United States and overseas. A circulation crew of four to six persons was maintained during the five year period, to keep the papers moving daily to the Post Office and to keep abreast of changes of address.

Hundreds of letters of appreciation from service men and women attest to the popularity of the mailing service, conducted as a good will gesture by the college.

Changes In Class Schedule Announced

ART DEPARTMENT—

Add: 1A.56 Jewelry (10:00-12:00) MWF Franklin (3)

1A.56 Jewelry (1:00-3:00) MWF A29 Franklin (3).

COMMERCE DEPARTMENT

Add: Com. 2E Two Year International Business Machines Program. Special arrangements have been made with the I.B.M. Company for the training of a limited number of I.B.M. operators, demonstrators, and service-salesmen. This quarter Commerce 50A—IBM LECTURE & LAB—is being offered.

Com. 4E Four Year Office Management Program. This new program should be of special interest to Business Administration majors and others whose future plans may include business and office management.

FIRST QUARTERLY EVENTS

ENROLLMENT HITS 2,500; MANY TURNED AWAY DUE TO INADEQUATE HOUSING

Registration for the fall quarter has been estimated at approximately an enrollment of 2,500 students. Registrar Joe West stated that if housing

facilities had not been lacking, the enrollment would have reached almost 3,000. Due to this difficulty between 200 and 300 persons have already been turned away.

Personnel tests were taken by 1143 freshmen and transfer students of which not more than 200 were transfers. This year's enrollment shows a 30 per cent increase in new students over that of 1944, and an estimated increase of 27 per cent in the total number of students registered.

Last year's total enrollment for the fall quarter was 1974 students compared with the possible 2500 students registered this fall.

1946 LA TORRE ON SALE IN MEN'S GYM

Starting Registration Day, the 1946 La Torre will go on sale for a limited time at the reduced price of \$3.00. Students may order them in the Men's Gym on their way out after completing registration. After the two days of registration, members of La Torre staff will be on hand in the Publications office from 9 a.m. until 4 p.m. to take orders for the yearbook.

Students who have not yet received their 1945 annuals may do so by presenting their stub receipts to any member of the La Torre staff in the Publications office between 9 in the morning and 4 in the afternoon. The yearbook has not yet been mailed to owners, as publication was unusually late. Mailing will be done in the next two weeks.

may be secured at the Commerce office, room 137A.

MATHEMATICS DEPARTMENT

Add: 1:00 Aero 11A General Aeronautics MTWF 107 (4).

Aero. 30 Aeronautics Lab. (2:00-5:00) TTh S22 (2).

1:00 Math. 31 Review Through Analytic Geometry MWF 119 (3).

A review course primarily for veterans who have had college courses through analytic geometry but who need a refresher course before taking additional mathematics.

SPEECH DEPARTMENT

Add: 10:00 Sp. 126A Devl. of Drama MWF 157 Clancy (3).

2:00 Sp. 2A Fund. of Speech MWF 157 Gillis (3).

MUSIC DEPARTMENT

Change; Mus. 130 Adv. Piano MW M102 Mrs. Eagan (1) from 8:00 to 9:00 MW.

REG DANCE IN MEN'S GYM TOMORROW NIGHT WILL BE SPORT-STAG AFFAIR

Beginning this season's activities will be the traditional "Reg" dance to be held tomorrow night in the Men's gymnasium from 9 to 12. The dance will be a stag affair, designed to help both old and new students to get acquainted.

The quarterly affair is sponsored by the Social Affairs committee, and will be free to all ASB card holders, and 40 cents to those without cards. Milo Badger, Student Body president, urges everyone to start off the quarter right by attending the first dance of the year.

The dance will be strictly sport, with school clothes the correct attire. Off-the-record music will be played, and cokes will be sold during the evening, announces Claire Engle, Social Affairs committee chairman. "There will be both sweet and swing music and fun for all, so don't miss this first big evening of the year," Miss Engle declares.

SECOND 'O DAY' TOMORROW FOR FRESHMEN

San Jose State's second annual "O Day," or Orientation Day, will introduce an expected 1200 freshman and transfer students to the campus, its buildings, faculty, traditions and student affairs, tomorrow.

At 10 o'clock in the morning, all new students will convene in the Morris Dailey Auditorium, attendance being compulsory, and for the remainder of the program they will be wards and guests of the faculty of San Jose State.

The 10 o'clock assembly will serve as an introduction to the orientation day program and its leaders. Dr. P. Victor Peterson, Science department head, is director of Orientation Day, with Dr. Robert Rhodes handling all detailed arrangements. Practically all the faculty will be involved, either as guides or as hosts in the various buildings.

The assembly will be followed by tours around the campus, for

(Continued on Page 2)

Dean Pitman Returns

Having completed his M. A. degree in education at the University of Southern California, Dean of Men Paul M. Pitman has returned to San Jose State college after a year's absence.

Dean Pitman will resume his duties as adviser of the Student Council and director of freshman orientation. His activities in many fields in the past made him one of the busiest members of the faculty.

As head of freshman orientation, Dean Pitman announces that organization of that class will take place this Thursday, and the meetings and programs for the quarter will be at noon every Thursday.

Student Council To Start Fall Planning At First Meeting

Organization of plans for the coming year will be charted at the first meeting of the student council to be held tonight at eight in the Student Union.

Milo Badger, ASB president, states that there will be a very full program for this quarter, including, he hopes, scrimmages with football teams of other California universities.

"The first and most important thing for every student to do," states Badger, "is to buy an ASB card. You will find many uses for your card, including all games, social affairs, dances, the right to vote and join organizations, and free treatment in the health department."

Badger also added that there may be a Frosh football team that will give real competition to other colleges, and admittance to these games will be by ASB cards.

Two-Year Courses In Engineering Begin This Quarter

Starting this quarter, two-year courses will be available in semi-professional engineering. Industrial Technology will be the type of course offered by technical institutes, and will include courses for electronic technicians, plant electricians, maintenance technicians, stationary engineers and chemical technicians.

The program will be under the general direction of Dr. Ralph J. Smith, associate professor of engineering, in cooperation with the Mathematics, Industrial Arts and Natural Science departments.

"The program will be flexible," reports Dr. Smith, "and can be adapted to special requirements where previous work, experience or military training indicates. A student with highly specialized knowledge in a particular field may receive more general training in the basic subjects. A student with a broad technical experience can be supplied with a field of specialization and thereby made more employable. This type of training should appeal to returning service men who want technical training but cannot undertake a four-year college course."

Mystery Thriller Tryouts Begin Next Monday, October 8

Tryouts for "Ladies in Retirement," the first play of the year, will be held in the Little Theater Monday, October 8, from 4 to 6 p.m., announces Dr. Hugh W. Gillis, head of the Speech Department. All students trying out must be members of the student body.

"Ladies in Retirement" is a mystery thriller, dealing with a woman and her two insane sisters who live with a retired actress. To provide a home for her sisters, whom the actress won't have around, the woman kills the actress and hides the body. The crime is discovered by a blackmailing nephew.

Filled with suspense and eerie atmosphere, the play is set in England on the moors in the 1890's. Costumes of the period will be used.

Parts include: Ellen, the lead; her two demented sisters; the actress who is killed; a cockney maid; a Catholic sister; and the nephew, a sinister, smart-aleck cockney.

Mr. James Butler, new member of the Speech department will direct the play. Mr. J. W. Johnson will design the settings and supervise their construction. Al Johnson will be assistant technical director in charge of construction.

"Ladies in Retirement" was written by Edward Percy and Reginald Denham and was produced on Broadway in 1940 with Flora Robson in the lead. It was later made into a movie, starring Ida Lupino. Copies of the play are on reserve in the library for those who wish to read it before the tryouts.

ASB CARDS ON SALE TODAY IN ART WING

Associated Student Body cards will be on sale all day today and for the next week, announces Mary Hooten, ASB treasurer. They will be sold in the corridor of the art wing, and Miss Hooten urges all students to purchase their cards immediately.

"Associated Student Body cards are a very important step in becoming a full-fledged active student in San Jose State college," she states. "A card entitles its owner to many privileges which make college life so enjoyable."

The price of the card for one year is \$11. Faculty members and student officials give their opinions on the importance of the purchasing of an ASB card.

Dean of Women Helen Dimmick says: "Buying a student body card makes one a part of college life, and the student activities are a vital part of education. The Associated Women's Activities requires a student body card for membership, and through A.W.A.

(Continued on Page 3)

Building Program Advances; Music Plans Approved

San Jose State college's building program is moving steadily ahead, according to latest reports from President T. W. MacQuarrie, who announces that plans for the new Music building have now been approved.

The building, to be situated on the present site of the volley ball courts, will include a 616-seat concert hall and 50 student practice rooms.

Preliminary sketches also have been made of proposed additions to the Student Union and Library buildings, an enlarged Women's gym, including a swimming pool, and new Engineering and Administration building.

JUST AMONG OURSELVES

By DR. T. W. MacQUARRIE

A hearty welcome to everybody! Looks like old times around here — faculty returning from the wars, students moving about in crowds, veterans everywhere, good spirit.

I hope all of you have been able to find acceptable places to live—I hope. Housing is our most serious problem with little relief in sight. I don't know how many students had to go home because they couldn't find rooms, but it may be as many as five hundred.

One thing. The very fact that you are in college shows that you have some intelligence, and I hereby suggest that you use it. Ask questions. Find your own way about. Make some mistakes. You'll be a senior some day and know everything.

One more thing. It isn't always the beginning spurt that counts. The long haul, the mid quarter and beyond, character, that's what wins.

Oh, yes, and one more thing. Look out for your own property. Certain poor creatures come to this campus to steal from you. If you are careless you may lose something of value. Usually we can't get it back, but eventually we do get the crooks. Take care of yourselves. We can't protect you all the time.

Have a good time this year, a good, satisfying time that you'll be glad to remember.

Come in and see me when you can.

Twenty-Three New Instructors On College Faculty

Faculty changes for the current school year just released by the President's office list 23 new instructors, 25 returning from leaves of absence, and 8 taking leaves of absence or resigning.

New faculty members, some of whom will be part-time are:

Dr. Stephen S. Kayser, Gilbert A. Franklin, Bradford M. Miller, and Miss Marian Moreland of the Art department.

Miss Rachel Miller, RN replacing Miss Grace Plum of the Health department, who is on leave.

Miss Gladys Balrd and Mrs. Leona Stein Cutting of the Home Economics department.

Mrs. Marjorie G. Martin and Charles J. Boorkman of the Library department, replacing Mrs. Gertrude M. Nunes and Miss Elizabeth Groves, both of whom have resigned.

Miss Violet E. Thomas of the Music department, filling the vacancy left by the resignation of Mrs. Margaret Weyand.

Miss Mary Stevens Wiley of the Women's Physical Education department.

Dr. Benjamin F. Naylor of the Natural Science department, replacing Dr. Elton S. Stinson, who is on leave of absence.

James H. Butler of the Speech department.

Faculty members returning from leave include James Clancy, Miss Wilda Merrit, and Miss Helen Min-

(Continued on Page 4)

Former Spartan Married Recently

Arthur Jacobus, Mus 1/c, son of L. B. Jacobus, member of the custodian staff on campus, was married recently to Miss Anita Freedman of Arlington, "Jake", before he enlisted in the Navy, attended State until his junior year and was a member of the college symphony orchestra.

He has nearly four years overseas duty to his credit and was aboard the USS Indianapolis for 14 months, playing with the ship's band on all occasions. After his enlistment is up in November, 1945, he and his wife plan to settle in the Santa Clara valley and go into the bee business.

Campus Tours, Lunch, Assembly, Entertainment, Planned For 'O Day'

(Continued from Page 1)

which the main body of students will be divided into smaller groups, according to the colored number tags which each new student will receive along with his registration booklet. Dr. Rhodes emphasizes that all students, freshmen or transfers, receiving the tags are required to attend the "O Day" activities, and states that they should be certain to bring the tags with them tomorrow, as the tags entitle them to their lunch, as well as denoting the group assignment for the campus tours.

Free lunch will be served at 12:40, from specially arranged serving tables on the south lawn under the trees. The lunch is being paid for by the Associated Students, and its preparation managed by Miss Fern M. Geyer of the Home Economics department. The Spartan Spears will assist with the serving.

After lunch there will be a student program of entertainment sponsored by the Student Council, with Pat Cavanaugh and Nancy Lynn arranging the acts.

Tours will be resumed at the conclusion of the program, and will continue until 3:30, when "O Day" will be officially over.

Faculty leaders of the six tour groups include Dr. G. A. McCallum for the first (white) group, assisted by Mrs. Dolores Spurgeon, Dr. Fred Graham, Dr. Earnest Green and Dr. Boris Gregory; Mr. Milburn Wright, head of the second (yellow) group, assisted by Miss Norma Gillespie, Mr. Lyman Daugherty, Mr. Allen Jacobs and Mr. Milton Rendahl; Mr. Donald Sevrans for the third (green) group, assisted by Mrs. Charlotte Rideout, Dr. James Wood, Dr. Carl Olds and Mr. Elmo Robinson.

Dr. Harry Jensen in charge of the fourth (tan) group, assisted by Mrs. Florence Bryant, Dr. Albert Schmoldt, Mr. Dwight Bentel and Mr. Guy George; Mr. Thomas Eagan in charge of the fifth (blue) group, assisted by Mrs. Lydia Boothby, Dr. Harold Miller, Dr. Howard Myers, Mrs. Sarah Wilson and Dr. R. J. Smith. Dr. R. A. Smith will handle the last (red) group, assisted by Mrs. Florence Lovaglia, Mr. J. W. Johnson, Mr. Harry Engwicht, Miss Emily DeVore and Dr. Benjamin Naylor. Alternate guides include Miss Winifred Ferris, Mr. George Matthews and Mrs. Meta Gordoy.

Black Masque and the student council will also assist as guides.

HOURS ANNOUNCED BY SHOP MANAGER

Today the Spartan Shop fountain will begin serving its regular hot lunches at 11 o'clock, states Miss Ada Gardner, manager, and will continue to do so throughout the quarter. It will be open Monday through Thursday from 7:30 a.m. to 4:30 p.m., and on Fridays from 7:30 a.m. until 3 p.m.

Featuring salads, sandwiches and luncheons, the work will be conducted by the same staff as last year.

NOTICE

Cafeteria hours this quarter will be from 11:30 a.m. to 12:45 p.m. Monday through Friday. The cafeteria will open Wednesday, October 3.

Freshmen Attend Camp At Asilomar During Final Week Of Summer Vacation

From 175 to 200 freshmen, in addition to their counselors, have just returned from a riotous weekend of fun and frolic at Freshman Camp. The group returned to San Jose yesterday, having left for the YWCA camp at Asilomar Friday.

The adventure commenced with the group leaving in hired busses and in private automobiles. Included on the program were dancing, both ballroom and folk, community singing, badminton, volleyball, and swimming.

The committee in charge of the Freshman Camp was headed by Co-chairmen Nancy Lynn, and Roy Mieh. Among the upper classmen who went as counselors were: Dot McCullough, Mary Hooton, Pat Cavanagh, Carol Lantz, Phyllis Johnson, Betty Doyle, Pat Dunlavy, Claire Canevari, June Robertson, Bill McFarland, Milo Badger, Dave Webster, and Don Cassidy.

Faculty counselors were: Dean Helen Dimmick, Mrs. Izetta Pritchard, Dr. William Sweeney, Mr. Milton Lanyon, Dean James De Voss, Dean Paul Pitman, Mr. Donald Sevens, Miss Frances Bolton, and Dr. G. A. McCallum.

"The purposes of the camp are two in number," said Co-chair-

man Nancy Lynn: "First, to acquaint the freshmen with other students on campus, primarily those of their own class, but also a few upperclassmen. The second purpose is to give to the freshmen information on college life, problems they will meet in college, acquaint them with the Spartan traditions, and to encourage their school spirit."

Dormitory Set Up

Housing for women this quarter has proved to be somewhat of a problem to the Dean of Women's office. To help overcome the difficulty, two new houses have been set up.

Pratt Hall, situated at 1195 South first street, and housing from 75 to 80 women, has been purchased by the college as a dormitory for women students. The house is not yet completely ready, but the girls have moved in and are taking the inconveniences in their stride.

OVER 200 VETERANS EXPECTED TO REGISTER THIS QUARTER

"We expect that by the end of registration on Tuesday there will be more than 200 veterans in attendance on this campus," estimates Mr. Evert G. Phillips, Veterans Training officers.

"Of these, 160 to 200 will be under the so called 'G.I. Bill of Rights', and from 40 to 50 will enroll under the provisions of Public Law 16, better known as

the Vocational Rehabilitation Act," he added. This will be a considerable increase over the 77 veterans who were in attendance at the end of the Spring quarter.

"I would like to urge all veterans who have not already done so to see either Mr. Earl Adams or myself on campus in the Veterans Administration office," Mr. Phillips invites.

STUDENTS BENEFIT BY ASB CARDS

(Continued from Page 1)

are the sports and the jamborees and all other things women enjoy together."

Milo Badger, ASB president, says, "Doing without an ASB card is doing without half of college. The advantages are innumerable, and you are helping the college by being a member of the Associated student body."

"A student gets so much out of a student body card," states George Matthews, Music department head, "that he can't afford to be without one, in my opinion. The right to vote alone, is worth the small cost of one card."

Miss Margaret Twombly, head of the Health department, says, "Membership in the Associated Student Body gives a student the privilege of care without charge in the MacFadden Health cottage, at the advice of the college physician."

"The limit is 30 days for any one college year. The service consists of board and room and simple bed care by a registered nurse under the supervision of the college physician who calls twice daily."

Hugh Gillis, Speech department head, says, "To attend a college and enjoy many of the privileges of the college without contributing to its welfare is analogous to accepting privileges of citizenship in a country without being a citizen. Buying an ASB card is contributing to the welfare of the college as well as benefitting yourself."

RETURNING TO STATE FACULTY

(Continued from Page 2)

eta of the Speech department; Arthur C. Kelley, Commerce; Dr. Elmer H. Staffelbach, Education; Dr. Ezekiel Bogosian, Robert Orem, and Dr. Esther Shepherd, English; Dwight Bentel, Journalism; Mrs. Florence Lovaglia, Mathematics; Mrs. Edith G. Germane, Psychology; Owen M. Broyles and Dr. Olive K. Gilliam, Social Science; and Paul M. Pitman, Dean of Men.

Harry Mercer will be on the English department faculty this quarter, replacing Dr. Lu Emily Pearson, who is absent on sick leave.

Also on leave for the fall quarter are Miss Elsie Toles of the Education department and Miss Martha Thomas of the Home Economics department.

File Applications For Civil Service

State civil service examinations for bookkeeping machine operator will be held by the State Personnel Board on October 25. The starting salary is \$150 a month.

Other examinations to be held are sanitary inspector, \$200 a month, and deputy real estate commissioner, \$240 a month, on October 27.

Applications for these tests should be filed with the board's offices at Sacramento, San Francisco, or Los Angeles, 15 days before the date of the examination.

NOTICE

ALL NEW STUDENTS who have not taken their physical examinations are requested to make their appointments in the Health Office TODAY. Miss Twombly.

Basketball Schedule Being Arranged

The basketball schedule for San Jose State college is in the process of construction. Games are being arranged with the majority of State's pre-war opponents, and several of recent years.

Whether or not San Jose State college will return to conference competition will depend a great deal upon whether Santa Barbara State college, recently taken over by the University of California, will resume membership in the California collegiate conference. If Santa Barbara does not do so, the conference will no longer exist. The other members: Fresno, San Diego, and San Jose will be left out in the cold cruel world as far as membership in a conference is

concerned, except that Fresno, which had been a member of the Far Western Conference and the C.C.C., still retains an active membership in the former conference. San Diego and San Jose have to look elsewhere for collegiate conference membership, but S.J.S.C. will be able to enter just about whichever conference she chooses to join.

On the tentative schedule, still incomplete, are two games each with San Diego, Santa Barbara, San Francisco, Chico, and Humboldt state colleges, and Stanford, Saint Mary's, University of San Francisco, Nevada University, and College of Pacific.

MORE ON FOOTBALL WHICH RETURNS TO STATE THIS FALL

(Continued from Page 1)

season, and after the others have closed their schedule.

"Football is being taken up this fall to satisfy the desire of those students who are interested in the sport, but the Physical Education department refuses to play a haphazard schedule, and so endanger the fine standing that Sparta has on the gridiron."

Famous Artist To Visit Here

Coenraad V. Bos, eminent coach-accompanist who is in the west for a short time playing for Helen Traubel, will give a master class and meet members of the college vocal department on Saturday afternoon, October 6, at about 1:30 p. m.

He is appearing here upon the invitation of Miss Maurine Thompson, voice instructor, who has coached with him for several seasons.
