

## HOMEcoming SEMI-FINALISTS

QUEEN HOPEFULS—Above are the ten candidates selected to compete in the semi-finals for 1962 Homecoming Queen. They are, from left to right: Joyce Anthony, Lisa Phelan, Pamela Nelson, Patricia Argilla, Elaine Halvorsen, Pamela Carleton, Lu Carter, Jane Winter, Sharon Moy and Judy Allen.

son, Patricia Argilla, Elaine Halvorsen, Pamela Carleton, Lu Carter, Jane Winter, Sharon Moy and Judy Allen.

# Semi-Finalists Chosen For Homecoming Title

## Candidates Start Busy Slate Today

Ten Homecoming Queen candidates will be kept busy starting today with dress fittings at Joseph Magnin's for the Queen's fashion show on Wednesday, Oct. 16, at 7:30 in Morris Dailey Auditorium. The fashion show is being presented by the Homecoming Queen Committee, with the cooperation of Joseph Magnin's of Valley Fair, for the purpose of letting students and other interested persons see the Homecoming Queen hopefuls as well as the latest fall fashions. Programs will be handed out at this time with descriptive sketches of each of the candidates. Monday, five of the women will be guests on the Frank Darien Show, KNTV, from 5:30 to 6:15. The other five candidates will appear on Darien's show Wednesday at the same time. Voting by the student body for (Continued on Page 8)

The 1962 Homecoming Queen semi-finalists were announced last night by Mike Hooper, Homecoming chairman, and Phyllis Smith, Homecoming Queen Committee chairman.

The women to be considered for Homecoming Queen are: Judy Allen, Joyce Anthony, Patricia Argilla, Pamela Carleton, Lu Carter, Elaine Halvorsen, Sharon Moy, Pamela Nelson, Lisa Phelan, and Jane Winter.

The ten semi-finalists were chosen from 43 candidates after a private interview with judges Tuesday and an informal interview at a tea given Wednesday.

The women will be presented to the student body at a fashion show in Morris Dailey Auditorium Tuesday, and their pictures will also be placed at both poll stations during voting hours on Wednesday and Thursday.

### QUEEN CANDIDATES

Competing for the Homecoming Queen crown will be:

**Judy Allen**, 5-foot 4½-inch, blue-eyed blonde, from Monrovia, Judy, 19, is a resident of Hoover Hall and is sponsored by Markham Hall. Her major is elementary education, and she enjoys swimming, reading, water skiing, sailing and sewing.

**Joyce Anthony**, 5-foot 5-inch, hazel-eyed sociology major with dark brown hair, is from San Mateo. Joyce, 20, likes snow skiing, reading, cooking, sewing and music. She is a member of, and sponsored by, Kappa Alpha Theta sorority.

**Patricia Argilla**, a 5-foot 5½-inch, blue-eyed blonde, is from Redwood City. She is a nursing major and enjoys swimming, reading and tennis. Patricia, 20, is a member of

Alpha Phi and is sponsored by Omega Delta Nu.

### FASHION MODEL

**Pamela Carleton**, a 5-foot 9-inch, brown-eyed elementary education and speech correction major, is from Los Gatos. She has brown hair, is 21, and a member of Kappa Alpha Theta sorority. Her hobbies are swimming, tennis, golf, water and snow skiing, and fashion modeling. Pamela is sponsored by Sigma Alpha Epsilon.

**Lu Carter**, a physical education major from Bakersfield, has brown hair and eyes, and is 5-foot 6½-inches tall. She enjoys swimming, skiing and sewing. Lu, 19, is a resident of Washburn Hall and is sponsored by Allen Hall.

**Elaine Halvorsen**, 21, is an elementary education major from Los Angeles. She has brown hair and blue eyes, and is 5-foot 6-inches tall. Elaine enjoys outdoor sports, modeling, designing and dancing. Elaine is being sponsored by Phi Sigma Kappa and Moulder Hall.

### SOCIOLOGY MAJOR

**Sharon Moy**, a 5-foot 5-inch, brown hair and blue-eyed sociology major, is from Stockton. She likes music and dancing, water skiing and surfing. Sharon, 20, is a member of Gamma Phi Beta and is sponsored by Delta Upsilon.

**Pamela Nelson**, 19, is from San Jose. She is a marketing major and enjoys water and snow skiing, tennis and track. Pamela is 5-foot 5½ inches tall, has brown hair and eyes. She is a member of Alpha Phi and is sponsored by Alpha Phi Omega and her own sorority.

**Lisa Phelan**, a 5-foot 5-inch blonde with blue eyes, is from Oakland. She is 19, elementary education major, and enjoys tennis, music and sewing. Lisa is a member of Kappa Alpha Theta and is sponsored by Sigma Chi.

**Jane Winter**, a kindergarten-primary education major from San Jose, is 20 years old. She has blonde hair and brown eyes, is 5-foot 8 inches tall. Jane enjoys traveling, sports, dancing and meeting people. She is a member of Chi Omega sorority and is sponsored by Delta Sigma Phi.

## Harry Von Zell Speaks Today On Communism

"The Enigma of Communism" will be the topic of this afternoon's speech by former radio and television personality Harry Von Zell in TH55 at 2:30 p.m.

The talk will be sponsored by Students Against Communism (SAC).

Von Zell is currently on a speaking tour designed to inform young Americans on the importance of the Communist threat in America.

Formerly an announcer on radio and television, Von Zell is remembered for his position on the George Burns and Gracie Allen Show. His current tour will also take him to Stanford University and Foothill College.

The talk is the first in a planned series by Students Against Communism. There will be no charge for admission, and the public is invited to attend. A question-and-answer period will follow the speech.

### Coronation Ball

"Spardi at Sparta" will be the theme for this year's Homecoming Queen Coronation Ball. It will be held at the Civic Auditorium Oct. 19 from 9 p.m. to 1 a.m., according to Marsha Pearson, dance chairman.

A Grecian garden will be the setting for the dance. The evening will be highlighted by the announcement of the Homecoming Queen and her court.

Music will be provided by Walt Tolson's 15-piece orchestra from San Francisco.

Students may pick up bids Oct. 18 and 19 in front of the Spartan Bookstore and cafeteria. Bids will be given free to student body card holders, Miss Pearson reports.

## U.S.-Russian Dilemma Told at Talk

A grim picture of two nations locked by mutual distrust into an arms race which could destroy them both was painted yesterday afternoon by Dr. Laurence Birns, assistant professor of history.

Dr. Birns' talk was sponsored by the Student Peace Union (SPU).

Dr. Birns traced the historical development of the cold war and the arms race, but emphasized that the defense situation today is different than it ever has been before, because of the existence of nuclear weapons.

Disarmament, Dr. Birns said, is not politically possible at this time; the United States cannot begin disarmament because of political considerations, and the Russians cannot because the U.S. already has too big an edge.

Arms control is "the best thing we can hope for at this time," he said, emphasizing that arms control is not the same thing as disarmament.

Arms control, he explained, means essentially that each nation would only have deterrent power—missiles capable of hitting cities—instead of offensive missiles which could pinpoint military targets.

Some arms control measures are removal of "soft" liquid fuel missiles, which would not be useful in retaliation, and removal of U.S. bases ringing the Soviet Union, Birns concluded.

## GOP Candidate Speaks Today At YR Meeting

Joseph F. "Joe" Donovan, Republican candidate for the newly-created 9th District congressional seat, will speak at this morning's meeting of the SJS Young Republicans in S142 at 11 a.m.

The GOP hopeful will discuss his proposal for a 60-person advisory council on non-partisan and bipartisan matters for the newly-created district.

Donovan is presently Executive Secretary of the Santa Clara County Medical Society.

Saturday morning, the YR's plan a work party for Al Alves, candidate for the assembly seat from the 25th assembly district.

YR President Ron Birchard invites all interested students to meet at 9:30 at 1204 E. Santa Clara St., or in the parking lot behind the College Union on San Carlos Street between Sixth and Seventh Streets.

The club will spend the day at San Jose area supermarkets, campaigning with leaflets and stickers.

## Industries Send Reps To Campus Tomorrow

Boeing, IBM, U.S. Steel and Standard Oil are four of more than 24 industries sending representatives to the annual "Careers in Engineering Day" which starts tomorrow morning at 8, in the Engineering Building.

The representatives are interested in engineering students and each is scheduled to give four half-hour talks. These sessions are to give the students an idea of what the companies are looking for, what the firms do, and the training and education programs available to the students.

The program is a public relations visit and not a recruiting visit. It is open to all engineering students.

E. P. Anderson, professor of electrical engineering, said the Career Day is "... time-wise, an economic opportunity for students to learn what the employer has to offer the graduate. It is essential that they become aware of this as early as possible," he said.

According to Dr. Warren W. Wood, assistant professor of general engineering, the program also gives the college an opportunity to become acquainted with the different companies.

Dr. Wood added that the faculty members use these meetings to learn current trends in the industry and what courses in the SJS curriculum should be emphasized.

Registration for the program is being held today, Oct. 12, until 2 p.m., in the lobby of the Engineering Building. Students may also register tomorrow between 8 and 9 a.m. There is a 50-cent charge for signing up.

Both the Men's and Women's Gyms will open their doors again this Saturday for weekend Co-Rec. Scheduled times are 12:30-4:30 p.m. for both gyms.

Basketball is on tap at the Men's Gym, while the Women's Gym will feature volleyball, badminton, ping pong, shuffleboard and croquet. The trampoline will be available for use between 1-3 p.m., and the pool between 1-4.

Women are required to wear caps in the swimming pool and all swimmers must furnish their own suits. Towels, however, will be provided the swimmers.

Co-Rec has also scheduled an outdoor dance at the Women's Gym volleyball courts, for Saturday, Oct. 20, from 8-11 p.m.

A local band, The Pharaohs, will play for the event. In the event of rain, the dance will move inside the Women's Gym.

Homecoming novelty and marching band entry deadline is Monday. Applications should be returned to the College Union, according to Al Malyon, Homecoming Parade chairman.

## World War II Film 'Battle Cry', Slated On Screen Tonight

"Battle Cry," considered by critics to be one of the greatest of the World War II film dramas, will be shown tonight at 7:30 in Morris Dailey Auditorium, as the Senior Class presents this semester's fourth Friday Flick.

A tough battalion commander, played by Van Heflin, tries to shape his recruits into battle-hardened soldiers for the Saipan campaign. One of his outfit's training exercises is a 120 mile march.

Starring with Heflin are Aldo Ray, Mona Freeman, Nancy Olson, Tab Hunter, Raymond Massey, ex-Marine Captain James Whitmore, Dorothy Malone, Anne Francis and Fess Parker.

Admission to the film is 25 cents.

## Co-Rec Features Activities, Dance

Both the Men's and Women's Gyms will open their doors again this Saturday for weekend Co-Rec. Scheduled times are 12:30-4:30 p.m. for both gyms.

Basketball is on tap at the Men's Gym, while the Women's Gym will feature volleyball, badminton, ping pong, shuffleboard and croquet. The trampoline will be available for use between 1-3 p.m., and the pool between 1-4.

Women are required to wear caps in the swimming pool and all swimmers must furnish their own suits. Towels, however, will be provided the swimmers.

Co-Rec has also scheduled an outdoor dance at the Women's Gym volleyball courts, for Saturday, Oct. 20, from 8-11 p.m.

A local band, The Pharaohs, will play for the event. In the event of rain, the dance will move inside the Women's Gym.

Homecoming novelty and marching band entry deadline is Monday. Applications should be returned to the College Union, according to Al Malyon, Homecoming Parade chairman.

## Finishing Touches Delay New Garage Opening

A planned Monday opening of the five-level campus garage has been delayed for an indefinite period. According to Glen E. Guttormsen, SJS business manager, there are still a number of "finishing touches" to be completed before the facility is available.

Work is still in progress on the stairway railings, installment of fire extinguishers and the paving leading into the Seventh Street parking addition.

Upon completion, the \$2,500,000 structure will house in excess of 2,000 automobiles, with additional slots for small cars and two-wheeled motor vehicles.

A tilted floor construction creates a continuous driving lane from the fifth to the first level of the garage.

Enough room is claimed to be

available in the garage to enable parking for every interested campus employee and student.

A \$13 per semester parking fee will be charged and will be prorated this semester when the building is opened, which is hoped for within a few weeks.

Success of the parking center may determine the value of additional garages at a future date. However, Guttormsen pointed out that these building plans have not reached financial discussion at this time.

Today is the application deadline for student-faculty committee positions. Forms must be in the College Union by 5 p.m.

According to Bob Weers, ASB executive secretary, there are 15 committees and approximately 30 posts to be filled.

"The student-faculty committees offer the student an opportunity to work with faculty members who are often experts in their fields," he commented. "This is the only official student voice in college affairs," Weers added.

Applicants will sign for interviews upon returning their forms. The interviews are scheduled for Monday and Tuesday.

Deadline Tuesday For Korean Vets

One hundred students have not signed their September attendance slips for Korean veterans and war orphan compensation, the Korean Vets Office announced yesterday.

Those students not signing before Oct. 16 will have their checks delayed. A spokesman for the Vets Office said most of the 100 have been contacted by phone, but they still have not responded. The Vets Office stressed the fact that students signing their attendance cards late cause a problem in the bookkeeping system.

Notice of the sign-up date deadline is always posted on the bulletin board in the Vets Office, Administration Building, Room 102.

The Oct. 16 date is a courtesy extension of the deadline two weeks ago, the Vets Office said.

Peacock To Hatch

This semester's issue of the Peacock will be presented in living color Friday, Oct. 26.

The 16-page color supplement is the only one of its kind in the world. Its contents are entirely student-produced by the Journalism and Advertising Department.

Peacock's theme will be Homecoming and will present articles depicting various aspects of Homecoming activities.

### Business or Pleasure?

For years on this campus, there has been a running debate over whether or not SJS is a "big party-school."

It all depends on how you define "party-school." If you think it means one big blast day in and day out, then it seems SJS misses the boat. At midterm time, as well as during finals, there's a definite lull in social activities and many a tired-looking student moping about.

On the other hand, if party-school means a lot of good times and fun interspersed with a lot of hard work and study, SJS fits in quite nicely.

For here, students seem to mix the two well. Proof of this is the many social items turned in for this column. If people were partying too much, then they wouldn't be able to stay in school and thus, no parties at all.

Here are some of the students who seem to be able to successfully mix business and pleasure.

#### LONG UNDERWEAR

The ATO's went Oakie for their annual Oakie Stomp last week. The dress must have been a sight to behold — grubbies, long underwear and various nutty garb.

Sunday, the fraternity will look on the more serious side with installation ceremonies for new members. New members include Jerry Colletto, Dick Henry, Bud Goad, Gary Steere, Jim Baugh, Dick Ashworth, Joe Calcagno, Steve Abreu, Ray Harris, Pete Snell, Jim Hood and Gary Ables.

#### MIXER WITH USC

A mixer dance with the senior men of the University of Santa Clara will be in order from 8-12 tonight for the ladies of the Catholic Women's Center.

Sigma Phi Epsilon has initiated nine new members. They are Bill Welk, Ron Smith, Paul Erickson, James Carr, Mike Heneveld, Art Robero, Jerry Wood, Ron Candray and Jack Perkins.

Seven women have been initiated into Kappa Alpha Theta. New members are Leslie Biddle, Karen Clawson, Sharon Hale, Enid LeTourneau, Pam Henning, Carole Walker and Nancy Whitcombe.

Sigma Kappa held a dessert in honor of their new initiates. Honored were Sue Bernardi, Dottie Gray, Julie Camlin, Bonnie Lewis, Pat Dering, Judy Riggs, Sue Searfino and Sue Carpenter.

### HAPPINESS CAN'T BUY MONEY

Can education bring happiness?

This is a question that in recent years has caused much lively debate and several hundred stabbings among American college professors. Some contend that if a student's intellect is sufficiently aroused, happiness will automatically follow. Others say that to concentrate on the intellect and ignore the rest of the personality can only lead to misery.

I myself favor the second view, and I offer in evidence the well-known case of Agathe Fusco.

Agathe, a forestry major, never got anything less than a straight "A," was awarded her B.T. (Bachelor of Trees) in only two years, her M.S.B. (Master of Sap and Bark) in only three, and her D.B.C. (Doctor of Blight and Cutworms) in only four.

Academic glory was hers. Her intellect was the envy of every intellect fan on campus. But was she happy? The answer, alas, was no. Agathe — she knew not why — was miserable, so miserable, in fact, that one day while walking across campus, she was suddenly so overcome with melancholy that she flung herself, weeping, upon the statue of the Founder.

By and by a liberal arts major named R. Twinkle Plenty came by with his yoyo. He noted Agathe's condition. "How come you're so unhappy, hey?" said R. Twinkle.

"Suppose you tell me, you dumb old liberal arts major," replied Agathe peevishly.

Have you ever smoked a Marlboro cigarette?

"All right, I will," said R. Twinkle. "You are unhappy for two reasons. First, because you have been so busy stuffing your intellect that you have gone and starved your psyche. I've got nothing against learning, mind you, but a person oughtn't to neglect the pleasant, gentle amenities of life — the fun things. Have you, for instance, ever been to a dance?"

Agathe shook her head.

"Have you ever watched a sunset? Written a poem? Smoked a Marlboro Cigarette?"

Agathe shook her head.

"Well, we'll fix that right now!" said R. Twinkle and gave her a Marlboro and struck a match.

She puffed, and then for the first time in twelve or fifteen years, she smiled. "Wow!" she cried. "Marlboros are a fun thing! What flavor! What filter! What pack or box! What a lot to like! From now on I will smoke Marlboros, and never have another unhappy day!"

"Hold!" said R. Twinkle. "Marlboros alone will not solve your problem — only half of it. Remember I said there were two things making you unhappy?"

"Oh, yeah," said Agathe. "What's the other one?"

"How long have you had that bear trap on your foot?" said R. Twinkle.

"I stepped on it during a field trip in my freshman year," said Agathe. "I keep meaning to have it taken off."

"Allow me," said R. Twinkle and removed it.

"Land sakes, what a relief!" said Agathe, now totally happy, and took R. Twinkle's hand and led him to a Marlboro vendor's and then to a justice of the peace.

Today Agathe is a perfectly fulfilled woman, both intellect-wise and personality-wise. She lives in a darling split-level house with R. Twinkle and their 17 children, and she still keeps busy in the forestry game. Only last month, in fact, she became Consultant on Sawdust to the American Butchers Guild, she was named an Honorary Sequoia by the park commissioner of Las Vegas, and she published a best-selling book called *I was a Slippery Elm for the FBI*.

The makers of Marlboro are pleased that Agathe is finally out of the woods — and so will you be if your goal is smoking pleasure. Just try a Marlboro.

## LITTLE MAN ON CAMPUS

"I'M AFRAID THIS WASHES UP HENLEY UP AS A PASS RECEIVER!"

## Marshal Tito Keeps Red 'Bad Boy' Tag

By PHIL NEWSOM  
UPI Foreign News Analyst

As a communist, Yugoslavia's Marshal Tito always has made it clear that in case of a war between East and West, he would be on the side of the Soviet Union.

But as a Yugoslav he also has insisted that Yugoslavia would attain the Communist Utopia by its own path, independent of Moscow.

It was this bit of independence which induced the United States to extend to Tito over the years aid totaling around a billion dollars. It also led Congress in the most recently passed foreign aid bill to continue President Kennedy's discretionary powers to give him more aid in the form of food, medicine and clothing.

As for the Kremlin, it expelled Tito from the Cominform in 1948 and he remained in the deep freeze until the Bulganin-Khrushchev visit to Belgrade in 1955. In that visit the Kremlin leaders apologized for past treatment and in a joint declaration with Tito said that every nation had the right to develop its own social system and its own form of socialism.

#### BACK INTO FREEZER

Things seemed better for a while, but then came 1956 and Soviet intervention in the Hungarian revolt. Tito denounced the action as a "fatal error" and joined the United States in backing a resolution in the United Nations demanding immediate evacuation of Soviet troops from Hungary.

Back he went into the Kremlin freezer.

There the situation remained until about a year ago when Khrushchev's quarrel with Peiping apparently led him to decide on a new effort to consolidate European Communist nations in an economic and political bloc.

The result was last week's visit.

## Thrust and Parry

### 'Military Action Only Means Left'

Editor:

The situation in Ole Miss arose because of the failure of non-forceful methods to persuade Mississippians of the justice of the cause of integration.

The use of indoctrination and conditioning is impossible in the South since these methods of persuasion depend upon the cultural environment which, in the South, is entirely pro-segregation. These are, in fact, the methods by which segregationism is propagated in the South.

Logical reasoning and argument have proved ineffectual. Many integrationists, in fact, claim to be supporting the very ideals which make their positions untenable. In support of this, I need only recall the glowing appeals of segregationists against tyranny, for the Constitution, for the Declaration of Independence, "... that all men are created equal ...", and other traditional political status symbols.

In conclusion, the military police action taken in the Meredith case was the only means left for the persuasion necessary to protect the rights of James Meredith and all other people of his race in the South.

John Paulson  
ASB A4229

### 'Why Doesn't U.S. Convince South?'

Editor:

Let us examine ourselves, as Miss Hartley suggests in her letter (Thrust and Parry, Oct. 11). Surely every responsible American is aware of the problem of segregation; aware that this problem has been around for a long time.

Why then have we allowed this problem to remain unsolved for as long as we have? If we believe in integration, why have we not tried to present our case logically and fairly to the people most concerned, the people of the South?

Why have we only allowed

pressure groups and actions by individuals to become the means of solving the problem? Is this not the worst, the most painful, the wrong way to solve the problem?

Why don't people like James Meredith and the NAACP insist that the federal government convince the people who oppose integration that they are wrong, by the use of logic and intellect, instead of insisting that they can be convinced only by force and coercion.

Force and coercion may make people accept integration, but will it convince them that integration is right?

## Old Theater Has More Than One Claim to Fame

GREIN, Austria (UPI) — The oldest "Stadttheater" (city theater) in the German-speaking world is located in this small town on the Danube in Upper Austria. But its antiquity is only part of the little showplace's claim to fame.

The theater, opened in 1791, is on the second and top floor of the town's ancient courthouse, whose foundations were laid in 1468. In its 171 years of existence, the theater has changed only in customs, not in appearance.

Seldom used for performances now, the theater in its heyday seated about 200 persons, of

whom the more prosperous bought lifetime seats. This gave rise to the term "sperritz" (locked seat) as the patron could bar it with a chain and padlock if he wasn't planning to attend the next show.

The audience brought its own heating equipment — bricks, which were heated in a kitchen below the theater — and placed on the floor in front of the patron so he could keep his feet warm.

The town jail, adjacent to the theater, is located in such a way that an inmate can watch a performance from his cell. The jail is rarely inhabited now, but in the old days the more numerous inmates created a problem. To keep them from disturbing performances by heckling — a common occurrence — the theater management would order up a meal for them to break the monotony of jail fare.

## What Do You Consider The Greatest Invention?

By JODY KINCAID  
Photos by Barry Stevenson

**Kenneth Litterand, senior, engineering:**

"Considering my major, I would say the greatest is electricity. The next, I don't know how it is classified, but I would think atomic power could be listed. Last, although it isn't too well established, I think the conversion of sea water to fresh water."

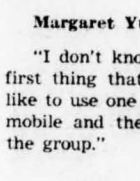

**Jeff Luebbers, freshman, engineering:**

"First I'd say the printing press, and then electricity. Finally I think it's a toss-up between the wheel and the principles of aeronautics, probably the latter."

**Duane Kime, freshman, business-industrial management:**

"I think women would be on my list, although there are lots of people who would say that was debatable. Then I would add such trivial matters as cars and just life in general."

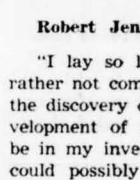

**Margaret Yutzky, junior, social work:**

"I don't know why, but the typewriter is the first thing that I think of, even though I don't like to use one especially. Then I think the automobile and the sewing machine would conclude the group."

**Mary Magnuson, junior, social service:**

"I don't know too much about inventions, but I feel the steam engine would be one of the greatest, the theory of evolution, and I really can't be too sure of the last but philosophical writings would be great contributions."

**Robert Jennings, senior, philosophy:**

"I lay so little stock in inventions that I'd rather not comment. So much is a gimmick. But the discovery of the wheel, and perhaps the development of gunpowder by the Chinese would be in my inventory. I would say the last thing could possibly be the internal combustion engine."

## Art Studio Service Strives To Assist Student Teachers

Student teachers and those enrolled in observation courses are invited to take advantage of the Art Studio Service, located in A104.

This service is offered to help in the designing and preparing of visual aids for the classroom, such as bulletin boards, charts, flash cards, posters and three-dimensional displays.

During the Art Studio's hours, an art assistant will be present to help students with any design or construction problems connected with their teaching or observing assignments.

Graduate art students Dorothy S. Courtney and Peter Teneau will serve as assistants.

Supplies will be provided. However, these will be limited to that material required for the production of teaching aids. Student teachers will not be given material to distribute in their classes.

Education students, other than student teachers and observers, may use the studio facilities and assistance only upon presentation of written requests from their instructors or written consent from the head of the art department. They must provide their own materials.

Teachers and observers, however, will be given first preference, as the studio is primarily designed for their use, Mr. Teneau said.

The studio will remain open from 2:30 to 6:30 p.m. on Mondays, Wednesdays, and Fridays, and from 6 p.m. to 10 p.m. on Tuesdays and Thursdays. It will remain open for the entire semester through final week.

### EDUCATION ON TIME

NEW YORK (UPI) — Pay-as-you-learn financing achieved new prominence as a fact of campus life this fall when the largest crop of college freshmen in the nation's history enrolled.

Robert J. Keir, president of the Tuition Plan, Inc., largest of the institutions specializing in financing of academic costs, said more than half of this year's 1,110,000 freshmen use credit of one sort or another to pay college bills.

## 'WHO'S WHO' OF MUSIC

### Phi Mu Alpha Plans Recital

Music ranging from the Baroque to the contemporary will be presented by the SJS chapter of Phi Mu Alpha Sinfonia Oct. 30, at 8:15 in Concert Hall.

Phi Mu Alpha Sinfonia is a professional music fraternity whose roster reads like a "Who's Who" of the music world.

The recital will include music of such widely separated composers as Vivaldi, a Baroque master and Hindemith, one of the giants of modern music.

Also included on the program are works by Bauril, Galliard, Wal-Berg, Bach and Poulenc.

Highlighting the program will be a performance of Three Pieces for clarinet and bassoon by Stanley Tice, an SJS student.

The fraternity was founded in October of 1898 by Ossian E. Mills, at the New England Conservatory of Music in Boston.

The name was changed to Phi Mu Alpha Sinfonia, then director of the school of music.

The name was changed to Phi Mu Alpha Sinfonia Fraternity in 1905.

The present membership supports 202 chapters and 46 alumni chapters.

The local chapter of Phi Mu Alpha was granted a charter in 1929. Current president is Allan Stitt. Dr. Robert Hare, associate professor of music, is faculty adviser.

The original membership at SJS numbered 19. Of the original 19, two are still at the college. They are Dr. Forrest J. Baird and Thomas Eagan, both professors of music.

Six of the 19 are currently teaching music in various parts of California.

Five years ago the local chapter had a membership of 12. This semester membership has climbed to 40.

Membership at SJS is based on an interest in music, a B average in music courses and a C overall average.

SPARTAN DAILY-4

## For the Record

By BOB PACINI  
Fine Arts Editor

### THE MYSTICAL AND THE EXOTIC

Music and dance of India dominates the stage of the Civic Auditorium tonight beginning at 8:30 when the curtain rises on the Uday Shankar Hindu Dancers.

Mystical dances, authentic Indian music and exotic costumes make the production one of the best introductions to Hindu folk music and dance.

The dance group is in this country under the auspices of international impresario Saul Hurok.

### THEATER GUILD OPENING

The San Jose Theater Guild opens its 1962-63 season tonight with a performance of Tennessee Williams' study in tenderness and brutality, "A Streetcar Named Desire." The play will be repeated tomorrow night and again next Friday and Saturday.

The productions are staged in the Montgomery Theater, in Civic Auditorium.

The Theater Guild is also scheduling for later production, Shakespeare's "Othello," and "Dial M for Murder."

### MASTERS RECITAL

Sidney Gowdey, an SJS graduate student will present her masters degree recital Tuesday evening at 8:30 in Concert Hall. Mrs. Gowdey, a graduate of the University of Washington, was a Bay Area resident. She has taught music at Olympic Junior College at Bremerton, Wash.

Mrs. Gowdey's program will include the Prelude and Fugue in B flat from Bach's "Well Tempered Clavier," the opus 109 Sonata of Beethoven and the complete opus 28 Preludes of Chopin.

### ANCIENT THEATER ART

The Foo Hsing Children's Theater of Taiwan brings a fascinating evening of Chinese folk tales, acrobatics, dance and music to the Masonic Auditorium in San Francisco, Oct. 24-28.

Audiences will have an opportunity to see one of the theater's oldest arts, the ancient traditional face-painting of the Chinese Theater, more than 2,000 years old.

Face-painting is of prime importance in the Chinese Theater. Actors pride themselves on the skill and often take as long as four hours to apply makeup.

### MOZART AND GOODMAN

Mozart and Benny Goodman will combine forces in Morris Dailey Auditorium Oct. 25 when the famed clarinetist performs with the Oakland Symphony Mozart's Concerto for Clarinet and Orchestra in A Major.

Goodman, who is probably more well known for his work on the band stand, has also appeared with most of America's symphony orchestras.

The performance will be free to students and faculty. General admission will be \$1.50.

## Photo Schedule Starts Monday For LaTorre

La Torre, the campus yearbook, has set up a photo schedule, to begin next week, according to Business Manager Ron Hall. All the photos will be taken in the Inner Quad, weather permitting. Any deviation from the schedule, due to inclement weather, will be posted on the La Torre staff room door, J117.

Freshmen are scheduled for Tuesday and Thursday from 11 a.m. to 12:30 p.m. and 2 to 4 p.m. Sophomores are scheduled for Monday, from 2 to 4 p.m., and juniors on Wednesday, from 2 to 4 p.m. The deadline for La Torre residence contracts has been extended into next week.

Residence groups that wish to be photographed and have not received contracts, should contact the La Torre staff, J117.

## Lone Male Position 'Old Hat' to Prof

By BOB DUNN

To be the sole male among a group of women is a situation hopefully anticipated by many men, disdained by relatively few, but just plain "old hat" to Dr. Laurence Smardan, associate professor of home economics.

Dr. Smardan has become relatively used to his position as the first and only male in the SJS home economics department. He reports however, that more and more men are becoming home economic teachers, specializing primarily in the areas of child development and family relationships.

### REMAINS BLASE

The lone male faculty member in the department has another reason for remaining blase about the whole affair. It seems the situation is about the same at home. His household consists of a wife and three daughters.

Dr. Smardan came to SJS in 1959, as a temporary replacement for Dr. Mary Ellen Durrett, who was on leave of absence at the time.

His initial assignment was the child development lab, although he primarily teaches courses in family relationships and preparation for marriage now.

Teaching in this area, Dr. Smardan makes no claim to being "the answer man." He feels rather that these courses are designed to encourage serious thought to the many factors influencing interpersonal relationships within the fam-

ily. His special concern is aiding the students in thinking through the wise choice of a marital partner.

Dr. Smardan received his B.A. and M.S. from the University of Southern California, and his Ph.D. from Cornell University in Ithaca, N.Y.

### EX-MARRIAGE COUNSELOR

He became intensely interested in teaching family relationships after working for three years as a marriage counselor in Los Angeles.

It was then that he sensed that many serious marital problems could be avoided if the individuals concerned knew how to cope with them. "Serious thought to the marriage relationship prior to marriage is extremely important," he emphasized.

Dr. Smardan chose teaching in this area as the best means of reaching the widest audience of future married persons and future teachers.

## 'Camp' Bylaws Change Seen

ASE Graduate Representative Rod Diridon has been named chairman of a special examination committee to look into possible alteration of Spartacamp, Orientation, and Freshman Camp committee bylaws.

The group will attempt to develop "the most equitable selection process possible" for counselors and committee members in these activities.

Those assisting Diridon in the examination are: Dr. Lowell M. Walter, chief counselor in student personnel, Dr. Royce G. Jones, personnel counselor, and Associate Deans of Students, Dr. Robert S. Martin and Janet D. Douglas.

ASE President Bill Hauck will serve in an ex-officio capacity.

Mary Ann Fudge will serve as past chairman of Freshman Camp. John Olsen, as past chairman of Spartacamp, Sue Curia, as past sano as Student Council Representative, and Bob Weers as Executive Branch Representative.

## Accountants Plan Initiation Tonight

Dr. Phil Barrett, minister of the First Presbyterian Church of San Jose, will address members of Alpha Eta Sigma, honorary accounting society, at its Initiation Banquet tonight at 7:30, at the Berry Farm in Santa Clara.

Those wishing to attend are asked to sign up in TH118 this afternoon.

## Swan Co-Author

Joe E. Swan, assistant professor of journalism, is among co-authors who contributed to a new journalism textbook, Modern Journalism, published this month by Pitman Publishing Corp., New York City.

## Newmanites Plan 3 Point Program

The SJS Newman Club will hold its regular meeting Sunday at 8 p.m. in the lounge of the Catholic Women's Center, according to Rev. Father Cyril V. Leach, club chaplain.

The meeting will feature informal group discussion about the Catholic Church and other topics of interest to students, Father Leach said.

The Newman Club features a three-point program for Catholics and other students. Social, religious, and educational programs are being planned by the club for the coming semester.

# Spartan City—No Taxes, No Pets, Just Children

(Editor's Note: This is the second in a weekly series dealing with business enterprises connected with San Jose State.)

By JANE HOYT

Nestled on either side of Spartan Stadium is a city within a city, governed by its own mayor and city council. Although there are no city taxes, money for civic de-

velopment is derived from public utilities such as telephones and candy bar machines.

No pets are allowed in this city, but children are welcome.

Spartan City, a low-rent housing development for married students, operates with its own governing board to iron out local problems. Forty-eight units have a single bedroom each; 100 units have two bedrooms each for families with children.

Total cost per month averages \$42.

To be eligible to apply to live in Spartan City, a couple must already be married when applying.

Each apartment comes furnished except for a refrigerator. Spouses may add a decorator's touch with drapes, knick-knacks, and rugs. Couples must also furnish housewares such as dishes, an ironing board, and other "wife equipment."

Facilities of Spartan City include a maintenance department, a children's playground with equipment, and a minimum of 12 units

(undergraduates) or a minimum of nine units for graduates.

A long waiting list verifies the popularity of low-cost housing to student couples. The housing office reports a waiting list of 90. A couple must wait nine months to a year before their name heads the list, but anyone can live in Spartan City if he is willing to wait.

Each apartment comes furnished except for a refrigerator. Spouses may add a decorator's touch with drapes, knick-knacks, and rugs. Couples must also furnish housewares such as dishes, an ironing board, and other "wife equipment."

## 'WILD BILL' HITS THE DUST

—Photo by Bob Hall

COMEDY SKIT—Four members of Kappa Kappa Gamma sorority will perform an original western melodrama skit for the 6:40 pre-game activities tomorrow. "Wild Bill Hiccup" is the title of their effort. The cast includes, from left to right, Barbara Murphy, (kneeling), Carol Collins, (reclining), Carole Betega and Sydney Wood, (standing).

## 'Send Home' Dailies Due Wednesday

The special "Send Home Edition" of the Spartan Daily will be hot off the press Wednesday morning.

Sponsored and edited by Sigma Delta Chi, professional journalism society, this year's edition will feature stories concerning the rapid growth of the SJS campus.

"The purpose of the special edition is to give the parents and friends of SJS students a good idea of the cultural and educational opportunities offered on campus," said Keith Takahashi, president of the journalism society.

## Tension Affects Inter-State Deals

GREENVILLE, Miss. (UPI)—

The state's racial strife has affected business dealings between some Mississippi and northern firms, it was revealed Wednesday.

Koestler Tile Company said it recently ordered 1,000 correspondence forms from Recent Stand Forms, Inc., Philadelphia. Koestler said it received this reply:

"Thank you for your order for 1,000 form-1100. I'm afraid we are going to have to hold up your order until the government of Mississippi settles its differences with the government of the United States.

There is nothing personal in this, of course, but it troubles our conscience to do business with a state that is in rebellion against the federal government."

TV DISCUSSION—Father Cyril V. Leach, second from left, SJS Newman Club chaplain, and a group of SJS students will be featured Sunday morning at 10 in a televised discussion on KPIX, Channel 5, in San Francisco. Topic of the program will be "Should Theology Have a Place on the Secular Campus?" "Many people don't realize," Father Leach said yesterday, "that in many secular schools in the United States theology is a regularly taught subject. We tried to bring this out in the discussion," he said, "the fact that there is a precedent." Other participants in Sunday's program will be, reading clockwise from Father Leach, Jan Constantino, ASB President Bill Hauck, Judy Harris, Gloria Ferrari, Bety Sauer, Dave Loomis, and Pam Henning.

## Clubs Talk About Cuba

Representatives from two campus political clubs will be featured Sunday evening in a discussion of the Cuban situation from a religious standpoint. The program is scheduled for the Fireside Room of Grace Baptist Church, 10th and San Salvador Sts., at 6:15 p.m.

Brian Paddock, President of the Student Peace Union, and Bill Pollack of the Young Republicans will discuss the question, "What is the Christian Attitude Toward Cuba?" The discussion is one of a weekly program of topics sponsored by the Roger Williams Fellowship of the Grace Baptist Church. The public is invited to attend the discussions and also a dinner given by the fellowship each Sunday evening at 5:40 p.m. in the Fireside Room of the church.

## Asilomar Meeting Draws Rec Staff

Recreation Department faculty members will depart today for Asilomar, where they will attend a weekend conference of the Recreation Educators of Northern California State Colleges.

The semi-annual conference provides the educators an opportunity to discuss mutual problems common to the recreation departments of all the state colleges.

SJS Recreation Department faculty planning to attend are: Dr. Mary Wiley, head of the department, Associate Professor Ardith Frost, Assistant Professors Mae Stadler and Kenneth Kim, and Lenore Thompson, instructor.

## TV Course Reg To End Tomorrow

Students or teachers who wish to enroll in the televised extension course, "Classroom Communication," (ED XTV 133) have until tomorrow to send in their registrations, according to Dr. Robert M. Diamond, associate professor of education and program supervisor of instructional television services, producer of the series.

The program is televised Saturday mornings at 9:30 over KNTV, Channel 11.

### RECEIVE ONE UNIT

The course, geared to student teachers and teachers, had an enrollment of 92 as of yesterday afternoon. One unit of upper division credit may be earned by those enrolled in the course.

Tomorrow's presentation, the second in the series, will feature Dr. John M. Hofstrand, associate professor of elementary education, as moderator. Guest instructors will be Dr. Gertrude B. Corcoran, associate professor of education, and William B. Spring, assistant professor of education.

### FORD COORDINATES

Dr. G. W. Ford, head of the department of secondary education, is coordinator of the series.

Further information may be obtained by contacting the Instructional Television Center, TH32, Ext. 2448.

Students from Monterey to Redwood City have enrolled in the course. Registration fee is \$10.

## Prof To Appear On Channel 11

Dr. Arturo B. Fallico, professor of philosophy, will be featured in a discussion of his book, "Art and Existentialism," Saturday morning at 10 on KNTV, Channel 11, in the second of the "Perspective" series.

The program, the second of four devoted to San Jose State authors, is televised weekly under the direction of the radio and television area of the Speech and Drama Department.

Dr. Clarence E. Flick, associate professor of drama, is producer for this week's presentation, and Howard Reed is student director.

## 'Showcase' Aims Gabfest Sunday

A recording of the final moments of the recent talk-a-thon between Markham and Hoover Halls will be broadcast over radio station KLOK, 1170 k.c., Sunday at 9:30 p.m. by the Spartan Radio-TV News Center, on the program, "Showcase, San Jose State."

The dormitories completed a 504-hour telephone conversation Tuesday. This, they claim, is the longest phone call ever placed.

This recording will be one of the items on the Center's newscast which features recordings of persons on campus who make news during the week.

### GENEROUS

NEW YORK (UPI) — Need money? With 40 years to pay, no payments for 10 years, and low interest rates?

It's easy if you are an underdeveloped country. Such nations hereafter will have 40 years to repay any loan issued for an industrial project by the Agency for International Development under a new-style, \$7.2 billion, five-year foreign aid program.

People eat at Tico's Tacos because Tico's is famous for spicy Mexican dishes including tacos, enchiladas, rice and beans. Tico's also offers the

## Communists, Indians Fight Near Tibet

NEW DELHI (UPI) — A Foreign Ministry spokesman yesterday reported "severe" fighting between Indian and Communist Chinese forces in the disputed border area between Tibet and India's Northeast Frontier Agency.

The spokesman said the Indians had suffered 17 "casualties" in the clash which erupted Wednesday in the Thang Lha ridge area near the Indian frontier post of Dhola. He declined to say how many Indians had been killed among the 17 "casualties," but claimed the "Chinese suffered heavier casualties."

The Chinese Communists said 33 Red soldiers were killed or wounded in the fighting. A Peiping Radio broadcast said the bodies of six Indian soldiers were found on the battlefield near the settlement of Chitung.

The Indian spokesman said the Chinese "intruders" attacked the Indian border post on the ridge early Wednesday. Communist China claimed the Indians attacked Chinese positions.

"Severe" fighting was reported continuing at more than one point in the area late today, he said.

## Officers Elected By Honor Society

As a result of Tuesday's elections, Chris Buckner will serve as president of the newly-organized lower-division women's honor society, Alpha Lambda Delta.

Assisting her are: Diane Nisewanger, vice president; Connie Trimble, secretary; Martha Muttowski, treasurer; and Carolyn Breunier, historian.

Also elected were Karen Riffel, junior adviser, and Sharon Reimel, senior adviser.

## SJS Coeds in Finals For 'Miss Teenage S.F.'

Two SJS coeds are finalists in the "Miss Teenage San Francisco" contest, a contest sponsored by four national business firms. Judi Thompson, freshman exploratory major from San Jose, and Donna Souleles, freshman secondary education major from Alameda, are among the 20 women who will be judged tomorrow night on the stage of the Fox Theater in San Francisco.

The two SJS women were among the more than 2,000 teenagers who entered the competition to select a typical teenage woman to represent San Francisco.

The women are being judged on beauty, personality, poise, and talent. The winner of the local competition will go to Dallas, Tex., to compete in the "Miss Teenage USA" contest.

Final judging will be based on appearance of contestants in formal and sports attire, and exhibition of talents. Folksingers Peter, Paul, and Mary will appear during the breaks in the competition.

Miss Thompson, a 17 year-old blonde, is no stranger to beauty contests. She was runner-up in the "Miss Eastside" contest in San Jose, and was chosen as queen of

E Company of the California National Guard. She was a pompon girl at James Lick High School in San Jose, and was active in student government. She likes swimming and skiing, and enjoys "having a good time."

Miss Souleles is also used to beauty competition, as she was second runner up in the "Maid of Hayward" contest. A graduate of Mount Eden High School in Hayward, she is seeking her secondary education credential and wants to teach physical education. Among her interests and hobbies are modern dance, water skiing, and swimming.

## Scholarship Forms Now Available For Foreign Study

Persons interested in graduate study or research abroad in a Fulbright scholarship should contact Donald R. Ryan, assistant to the dean of students and campus Fulbright adviser, immediately in Adm269 to get their application forms and any additional information needed.

The deadline for these government scholarship applications is Monday. Mailing instructions are on the application.

Scholarships in this program are provided for in the Fulbright-Hays Act.

## Winnie Ruth Judd Eludes Police Net In Phoenix Area

PHOENIX (UPI) — The search for escaped trunk murderer Winnie Ruth Judd, 37, yesterday centered in Phoenix although detectives said they were checking a report that the former "tiger woman" may have fled to Minnesota.

Police said they suspected the inmate of the Arizona State Mental Hospital still was in the Phoenix area after reviewing information collected in her latest escape attempt.

Police said past information indicated Mrs. Judd never learned to drive a car and when last seen had only \$5 in her possession which would rule out air or train travel to Minnesota.

Investigators also pointed out that in six previous escape attempts the woman never left Phoenix.

All available law enforcement officers were alerted to participate in the search for Mrs. Judd, who was convicted of slaying her two roommates in 1931. She was originally sentenced to hang but was judged insane and committed to the state mental hospital for life.

Her victims were Hedvig Samuelson and Ann Lerol, who lived with her in a Phoenix apartment.

## Spartan Mermen Meet Pacific, Fresno State

Hoping to stay in contention for Northern California Water Polo League crown, San Jose State's mermen will take to the road this weekend and test the unknown abilities of University of Pacific and Fresno State.

The Spartan aquamen, now 1-1 in league play by result of a convincing 9-5 conquest of Foothill Wednesday, must win against UOP tonight if they expect to have any chance of gaining ground on the league-leading Stanford Indians, 2-0.

Coach Lee Walton was extremely pleased with his team's triumph over Foothill, calling it "one of our best performances of the year."

Walton was particularly strong in praise for defensive whiz Bob Lee. Lee held usually high-scoring Foothill forward Bill Birch to one goal, his lowest output of the season.

Jim Monsees, who lead all scorers with three goals, played his best game of the year, according to Walton. John Henry and Jim Baugh were also lauded by the Spartan mentor for their outstanding defensive play.

Steve Skold, Herm Radloff and Baugh tossed in two scores each to follow Monsees. The left-handed Monsees leads the locals in season scoring with 29 goals, while Skold has hit 24.

Coach Bill Antilla's Tigers aren't

regarded as title contenders in the Nor Cal league, but are usually tough in their own pool.

Jim Bailey, a fast-swimming sophomore, and four returning lettermen form the nucleus of the UOP squad.

The frosh poloists snapped a long-standing school record by winning its eleventh consecutive match of the season, a narrow 7-4 verdict over Foothill's junior varsity.

## Yankees-Giants Resume World Series Action

SAN FRANCISCO (UPI) — A steady rain forced cancellation yesterday of scheduled workouts of the New York Yankees and San Francisco Giants at Candlestick Park.

The two teams had been slated to stage workouts in preparation for the sixth game of the World Series Friday.

The weatherman wasn't too optimistic about the future, either.

"The present storm was scheduled to pass over the Bay Area early yesterday afternoon, but another one far out to sea is on the way in," reported the Weather Bureau. "We do not know if it would arrive in time

to stop the scheduled game today."

Meanwhile, Manager Ralph Houk of the Yankees pondered whether to pitch Whitey Ford, Bill Stafford or one of the second-line hurlers.

The odds-makers in New York rated it even money if it is Stafford against Billy Pierce, who is scheduled to go for the Giants. If Ford hurls, the odds-makers have it 6½ to 5 for the Yankees. The series odds still list the Yankees at 3½ to 1.

Dark has announced he'll definitely go with Pierce, 35, the crafty southpaw who never has lost a game in Candlestick Park

and boasts a 12-0 record there. If Pierce wins, then it probably will be Billy O'Dell in the seventh game.

"It'll go seven games," said manager Alvin Dark, "whoever takes the seventh takes it all." "We have a great record in our own park," said 35-year-old left-hander Billy Pierce, who'll pitch the sixth game when the World Series returns to San Francisco today with the New York Yankees leading in victories 3-2. "We still have a good chance to win it."

Pierce lost the opener at San Francisco last Thursday but he'll have four days of rest before his next start and he vows he'll be ready to prevent the Yankees from winning their 20th world championship. He has won 12 games while losing only one in that park.

In the Giant clubhouse after Wednesday's 5-3 defeat on an eighth inning homer by Tom Tresh good for three runs off Jack Sanford, most of the losers still were full of fight. But not Sanford.

"This is the one we wanted to win, the big one," he said in a barely audible voice.

But after holding the Yankees to two runs on three hits for seven innings, Sanford gave up singles to Tony Kubek and Bobby Richardson with one out in the eighth and then Tresh homered to wrap up the victory.

"I tried for a strike on the outside corner but it was a fast ball right up the middle and that was it," Sanford said. "I was trying to strike him out with two men on and Mickey Mantle coming up next."

"It was the worst game we have played in a long time," Dark said, but he refused to elaborate except to parry a question with, "What kind of a first inning do you call that?"

Second baseman Chuck Hiller and first baseman Willie McCovey both made errors in the inning although the Yankees didn't score. Sanford bailed himself out with a double play after catching a liner by Tresh and throwing to first to double Richardson. McCovey tried to turn it into a triple play by throwing to second in an effort to trap Kubek but Tony got back safely.

## Frosh Gridders Open 1962 Season Today

Determined to improve upon his 2-4 losing season of last year, frosh football coach Bob Jones will lead his charges to San Luis Obispo this afternoon in an attempt to defeat a strong Cal Poly J.V. outfit. Kick-off is set at 3.

It will be the Spartababes first of six '62 games, all to be played on the opponents' field.

Despite the fact that two regulars will miss the contest, Jones feels that his squad is in good shape and is ready to compete against the more experienced Cal Poly unit.

Absent because of injuries are quarterback Bob Miller and tackle Rich Weber.

Ken Berry, whose passing has been razor sharp in recent workouts, will be the starting QB, while Ned Reilly is also expected to do some signal calling for the Spartan yearlings.

Joining the smooth passing Berry in the backfield will be Bob Harkins (5'10" — 175 pounds) and Charley Harraway (6'2" — 218 pounds) at the running slots, and Irv Cobbs (6'3" — 195 pounds) at flanker back.

Slated to start at the end slots are Lee Tadeny (6'2" — 190) and Bob Davis (6'2" — 195), while Dick Peasley will also see a lot of action.

Fred Heron, a 6'4" 227-pound James Lick High graduate, will replace the injured Webber at left tackle, while Roger Miller (6' — 210) will draw the starting right tackle assignment.

Terry Donahue (5'11" — 180) gets the nod at left guard, while Bill Wilsey (6'1" — 195) will probably be the starting right guard.

Bob Johnston, a 6'2" 205-pound center from Arroyo, rounds out the starting eleven.

# Spartan Grididders Face Idaho Tomorrow

## Football Star Told, 'Gain Some Weight'

By CAROL SWENSEN  
"You've got to gain a little more weight," said Coach Bob Titchenal to the tall, but lanky, young man who stood before him three years ago and was a potential SJS football player.

Since then, this aspirant has become an outstanding end on the Spartan football team. He's known as Dave Johnson, a junior physical education major from Long Beach.

Dave had this first encounter with Titchenal when he came to

the SJS campus with his sister who was then a student here. She hoped that while he was still in high school and undecided as to where he would attend college, he might choose SJS.

Johnson then returned to Woodrow Wilson High School and continued to play an end position on its football team. By his senior year he had caught the most total passes in the school's history and was voted the most valuable player.

It then became time for Dave to choose a college. Nine schools contacted him with offers but he chose SJS because "I always had it in my mind to come here." He added, "I want eventually to teach in this state and San Jose has a good physical education department."

Once back at SJS, this time with a full scholarship, Johnson played for the frosh football team and earned the "best back" award. He also played shortstop on the frosh baseball team and will go out for its varsity this spring. Baseball had also been one of his sports in high school.

Last year Dave did not participate in any sports because of a knee injury. When he joined the varsity team this fall, Coach Titchenal saw a different man. He was 25 pounds heavier and much more experienced in the game of football.

Before the Oregon-SJS game two weeks ago, Dave was rated eleventh in the nation in pass receiving. He has caught nine passes for a total of 155 yards thus far.

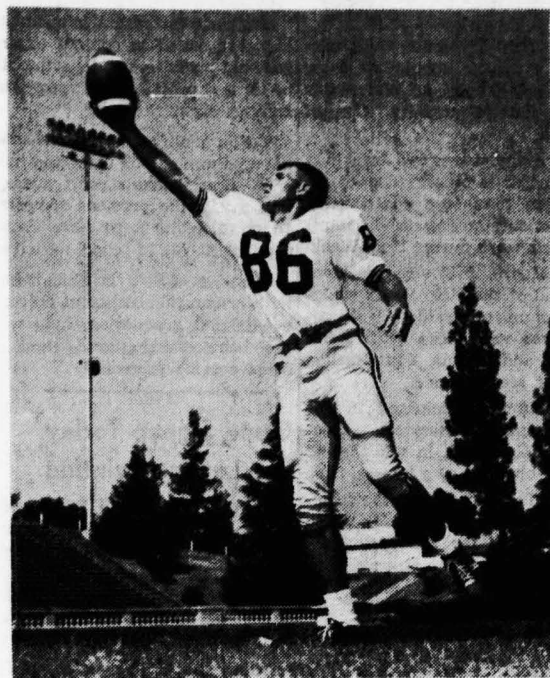

His outstanding game was against Utah State where he caught four passes for 90 yards. He also intercepted one pass in the Oregon game for eight yards.

Johnson feels that the team should "go all the way" in the coming games because now "we're down against teams that are more in our league."

"We've been up against top-notch teams like Cal and Oregon and have had trouble with scoring but we're working on this and we should look good from now on," stated Dave. By the Stanford game "we will have built our confidence up high enough to beat them," he continued.

Dave will be up against "power sweeps" in tomorrow night's game with Idaho but he said "we will beat them but we can't underestimate them because they always give us a good game."

After graduation Johnson will coach high school sports and play pro-football if the opportunity arises.

TOP PASS RECEIVER, end Dave Johnson, will see action in tomorrow's game against Idaho. Johnson has caught nine passes this season for a total of 155 yards. Before the Oregon game, he was rated eleventh in the nation for pass receiving.

## San Jose State Favored For 1st Time This Season

By JOHN HENRY

For the first time this year the San Jose State grididders are favored to win when they meet Idaho Saturday night at 8 in Spartan Stadium.

Both Idaho and San Jose have inexperienced ball clubs, but the Spartans seemed to jell defensively against Oregon last week. Offensively the team didn't do too well but the main obstacle was the big Oregon line which forced the Spartans to run up the middle.

Quarterback Rand Carter, who was running at half speed for the game last week, has improved and will probably start against the Vandals, Coach Bob Titchenal said.

On the other hand, Idaho's No. 1 quarterback, Gary Mires, received an injury to his hand in practice this week that required eight stitches. He is a doubtful starter for Idaho.

In his place the Vandals will probably use No. 2 man, Gary Gagnon. According to the reports the Spartans have on Idaho, Gagnon is the better passer of the two.

Gagnon is a little man, standing 5-10 and weighing only 160 pounds. The injured Mires is 6-1, 190 pounds.

The Vandals starting line finds only one man that weighs less than 200 pounds. Left end Larry Stachler is the "small man" weighing in at 195. The biggest man in the line is 228-pound left tackle Elery Brown. Not far behind is 225-pound center Bob Ames.

If Carter doesn't start for the Spartans, Titchenal plans to use senior quarterback Dave Bonillas.

Everyone else seems to be in top shape, according to Titchenal. Wendell Schell will still be out, however, with a liver ailment.

The Spartans are still looking

for their first win of the season. The general feeling is that this will be a big week. One player summed up the team's feeling by saying, "If we can get our offense going we should be able to win easily. Even if we don't we should win."

Although the Spartans haven't won a game this season they have some impressive individual statistics.

Walt Roberts has an average of 31 yards on kick-off returns to lead the club. Johnny Johnson is second in average at 21 yards.

Little Jerry Colletto has been the workhorse, taking nine kick-offs for 180 yards and an average of 20 yards.

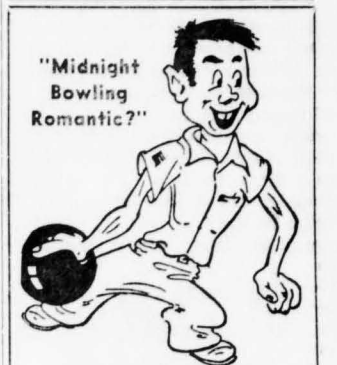

Pete Demos has returned one kick-off for 20 yards and Cass Jackson another for 17.

Colletto is the leader in punt returns, with an average of 16 yards. Roberts is second with two returns for 18 yards.

Larry Doss and Bob Paterson are fighting for the team lead in punting. Paterson has punted eight

times for 339 yards and an average of 42.4 yards. Doss has kicked 14 times for 542 yards and an average of 38.7.

Johnny Johnson leads the squads in scoring with 14 points on two TDs and a two-point PAT. Roberts, Colletto and Elder have six points apiece.

## Undefeated Teams Head Independent Leagues

Upsets and near upsets were in order in Wednesday's independent league games.

In the B league, the Phi Sigs lost its first game when the Pink Tub Annex surprised them and won its first game. The Annex won by a 12-6 margin.

The Phi Sigs' loss allowed the DSP No. 2 team to take sole possession of first place in the B division. But the DSP team had to down the Rebels and did, 19-13.

SAE No. 2 won its second game against one loss by nipping the AFROTC, 13-6.

The Cal-Hawaiians ran its A league record to three straight wins and are now even with the Red Hoard. The Cal-Hawaiians trounced the AROTC, 21-7. But close on these teams' heels is the Beaver squad which has now won its last three games after dropping its first by a forfeit. The Beaver team edged Markham Hall, 7-0.

In other B league action, the Raiders trounced the "Libidos" by a 25-0 score.

Moulder Hall won its first game by employing a tough defense against ATO No. 2. The final score

was 12-2 as ATO just did score on a safety.

C league action saw the Saints take a forfeit decision from Fountain Hall.

Activities on the intramural calendar include the "Little 500" bicycle race coming up on Nov. 10 with the time trials on Nov. 3. Four-men teams will be used in the relay type race. Two men will be alternates.

Students are also reminded that the Turkey Trot on Nov. 16 is less than a month away.

## Distance Men Head for Meet

Prepared for its second run of the year, the San Jose State cross country team travels to Sacramento State tomorrow to compete in the capitol school's invitational meet.

Ready to go for the Spartans are the top runners who have shown Coach Dean Miller the most this season. Heading this list are Jeff Fishback, Danny Murphy, Ron Davis, Ben Tucker, Jose Azevedo, Horace Whitehead and Gene Gurule.

Gurule and Murphy are newcomers to the varsity this year. Gurule was an outstanding junior college distance man last year. Murphy placed nationally for the SJS frosh team in 1961.

## Booters Play Cal

San Jose State's soccer team will attempt to snap a four-game losing streak Monday night when it plays host to a strong University of California squad in Spartan Stadium at 8.

Slobodan Galeb, who saw only limited action at fullback last week against USF, will return to his regular position, goalie, against the Bears.

## Student Published Engineering Mag On Sale Monday

"The Rule," official monthly publication of the SJS engineering students, will be on sale beginning Monday. It is one of the four SJS student publications, but differs from the others in that it is completely a spare-time effort by engineering students.

Highlights of this issue are an article by Professor Helmer Nielsen, "Research and San Jose State College," and an article by metallurgical engineering student Bob Johnson, on fundamental crystal structure.

Students in both the science and engineering fields will find the magazine beneficial. In addition to technical articles, the magazine features cartoons, feature articles, and many pictures.

The magazine will be sold Monday and Tuesday at both main entrances to the Engineering Building and in the Outer Quad. Price is 25 cents.

—Photo by Bob Hall

ALL SHOOK UP—Everybody congratulates everybody at IFC trophy presentation. Left to right, IFC President Dave Loomis, Ed Marcos, president of Sigma Chi, which won Help Week trophy; Mike Hooper, president of Alpha Tau Omega, winners of scholarship trophy; and IFC Vice President Bud Moore.

## Sigma Chi, ATO Take Top Awards

Sigma Chi fraternity was presented with the spring semester Help Week trophy at Wednesday night's Inter-Fraternity Council meeting.

The trophy, sponsored by Alpha Tau Omega, is presented each semester to the house contributing the most outstanding service work and house work during Help Week.

Bud Moore, IFC vice president and head of the Help Week evaluation committee, said the competition was very close, with Delta Upsilon and Sigma Phi Epsilon tying for second place.

All houses participated in the IFC community service project during Help Week in addition to working on their own houses.

Alpha Tau Omega won the scholarship trophy with a 2.59 grade point average for the spring semester. The trophy is sponsored each semester by Sigma Chi. ATO's average bested the all-men's average of 2.45.

Phi Sigma Kappa had the highest average for the entire year, averaging 2.46 for the year as compared to the 2.39 average for all men.

### Fulbright Deadline

Monday is the final day students may apply for Fulbright-Hays graduate study grants, according to Don Ryan, assistant to the dean of students.

Interviews for the government sponsored scholarships will be held Monday through Friday, Ryan said.

## Spartan Shields Seeks Members

Spartan Shields, sophomore men's honorary service organization, is seeking new members for the fall semester, according to Ron Smith, publicity chairman.

Students interested in membership are asked to contact organizational advisors, departmental heads and presidents of recognized campus organizations.

To be qualified, a student must have between 15-59 units and have a 2.0 overall grade point average and a 2.25 the previous semester. In addition, he must have shown a past interest in school activities.

Members of Spartan Shields help with orientation, usher at cultural events and graduation, help with the homecoming parade and do other service projects.

## Coed Signup Today For Lounge Painting

Painting of the AWS Lounge will take place tomorrow, according to Sue Curia, AWS president. Any woman student wishing to participate in the project is asked to sign-up downstairs in the College Union.

Painting will be done in shifts, beginning at 9 a.m. Students may volunteer to paint for any length of time.

Miss Curia asked that all painters wear "grubbies." All other materials and tools will be provided.

Refreshments and entertainment will be provided by AWS.

## Campus Demo Club Discusses Problems

Problems of student political clubs were discussed at Wednesday's SJS Democratic Club meeting. The group heard James W. Pratt, assistant professor of political science, talk on the subject.

The club's recently elected officers presided over the meeting. Jesse Torres is the organization's new president. Other officers are: Mavey Watson, vice president; Dorothy Hanson, treasurer; and Lizbeth Lacugo, secretary.

### COME 'N STRUM

PAPEETE, Tahiti (UPI) — A barbershop here provides guitars rather than magazines so customers can play, instead of read, while waiting.

## Queen Candidates' Activities Starting

(Continued from Page 1)  
The Homecoming Queen will be on Oct. 17 and 18, Wednesday and Thursday. Booths will be located outside the Spartan Bookstore and the Spartan Cafeteria with voting hours from 9:30 a.m. to 4 p.m.

The voting by students for the final choice in who the queen and her attendants will be is a variation over past years. Having judges decide on the semi-finalists instead of the finalists was done this year to give the students a greater, more democratic voice in the actual choosing of their Homecoming court.

**ANNOUNCED AT DANCE**  
The five semi-finalists with the largest number of votes will be announced at the street dance Thursday, Oct. 18, from 6:30 to 8 p.m. The dance will be on Eighth Street near the women's dormitories.

The queen and her attendants will be presented for the first time at the Coronation Ball Oct. 19 at the San Jose Civic Auditorium. The dance will be from 9 p.m. to 1 a.m. The theme for the ball, "Sparta at Sparta," will be carried out by decorations of Greek columns and fountains with coloring in gold and white.

The queen's court will be presented at approximately 11 p.m., with the candidates entering and proceeding to the stage under arched sabers formed by the ROTC Saber Brigade.

Mike Hooper, Homecoming Committee chairman, will crown the queen and present her with red roses and a trophy. The queen's court will receive white carnations and trophies.

On Oct. 25 the queen and her court will appear in downtown San Jose to judge the Downtown Merchants' Window Display Contest. Fifty stores are competing in the contest which runs from Monday through to Oct. 27.

The queen and her court will also be present at the bonfire rally Oct. 26, on the Frank Darien "Spartan Salute Oct. 23, the Homecoming Parade Oct. 27 and at the football game that evening.

**Big Auto Insurance Savings Announced**

Women and married men over 21: \$78 less \$15 dividend, or a net of \$63 (based on current 17 per cent dividend). Single men under 25: \$52 less \$48 dividend, or a net of \$4.

## 350 Immunizations Given in One Day By Health Center

Hard work and unexpected demands on Friday afternoon may make some people unhappy.

Not so in the case of the SJS Student Health Center on the days they give immunizations for smallpox, diphtheria, tetanus, typhoid and influenza.

Last Friday, according to Mrs. Helen Smith, director of the nursing staff, 290 people were immunized. Mrs. Smith said that a total of 350 immunizations were given.

The Student Health Service, Mrs. Smith said, is pleased with the response which the students have given to the weekly immunization service.

Mrs. Smith said that immunizations will be given every Friday, 1-4 p.m., with the exception of holidays and breaks, at H130 during the fall and spring semesters.

Plastic, disposable syringes are used for the immunizations, Mrs. Smith said. Used only once and then discarded, the syringes according to Mrs. Smith "allow no chance of cross infection or contamination."

### COIN MOTTO

The first official United States coin (1787) bore the motto "Mind Your Business," a phrase attributed to Benjamin Franklin.

## Teacher Exams Scheduled Nov. 3

A written examination for elementary school teacher applicants will be given Nov. 3, by the San Francisco Unified School District.

The examination is required for all mid-year teaching positions in the San Francisco city schools.

Applicants must register with the San Francisco Unified School District, 135 Van Ness Ave., San Francisco, not later than Oct. 29. Further information may be obtained from the Placement Center, Adm234.
