Nick Szydłowski: So I welcome you and please.

1355

04:02:31.980 --> 04:02:33.810

Nick Szydłowski: Begin your presentation whenever you're ready.

1356

04:02:40.740 --> 04:02:42.150

Marvellous-Mary Ogunobo: Hello good.

1357

04:02:59.760 --> 04:03:00.930

Marvellous-Mary Ogunobo: share my screen.

1358

04:03:15.420 --> 04:03:16.590

Marvellous-Mary Ogunobo: Can you see my screen.

1359

04:03:19.080 --> 04:03:20.430

Nick Szydowski: I can't see your screen.

1360

04:03:26.670 --> 04:03:28.140

Marvellous-Mary Ogunobo: You can see my screen.

1361

04:03:29.310 --> 04:03:31.590

Nick Szydowski: No, I can see your picture, but not your screen.

1362

04:03:38.190 --> 04:03:38.640

Marvellous-Mary Ogunobo: Okay.

1363

04:03:40.830 --> 04:03:41.550

Marvellous-Mary Ogunobo: What about now.

1364

04:03:42.720 --> 04:03:44.100

Nick Szydowski: Yes, there it is.

1365

04:03:44.640 --> 04:03:46.020

Marvellous-Mary Ogunobo: Okay, thank you.

1366

04:03:46.260 --> 04:03:46.620

awesome.

1367

04:03:48.660 --> 04:03:49.080

Marvellous-Mary Ogunobo: yeah.

1368

04:04:02.460 --> 04:04:03.540

Marvellous-Mary Ogunobo: Oh, I.

1369

04:04:05.370 --> 04:04:05.850

Marvellous-Mary Ogunobo: See.

1370

04:04:07.140 --> 04:04:09.480

Nick Szydowski: We had it for a second just take your time.

1371

04:04:10.650 --> 04:04:11.250

Marvellous-Mary Ogunobo: Okay.

1372

04:04:12.300 --> 04:04:13.920

Marvellous-Mary Ogunobo: How to assess my.

1373

04:04:19.710 --> 04:04:20.280

Marvellous-Mary Ogunobo: Okay.

1374

04:04:22.080 --> 04:04:23.010

Marvellous-Mary Ogunobo: Hello everyone.

1375

04:04:24.390 --> 04:04:24.810

Marvellous-Mary Ogunobo: So.

1376

04:04:26.970 --> 04:04:28.800

Marvellous-Mary Ogunobo: I guess you can all see my screen right now.

1377

04:04:30.660 --> 04:04:38.970

Nick Szydowski: I'll get this if you start, I have this I have your site to my email, so I can pull them up and share them for you, but if, but you can get going, if you stay and then.

1378

04:04:39.780 --> 04:04:42.420

Marvellous-Mary Ogunobo: yeah so I'm.

1379

04:04:43.770 --> 04:04:53.940

Marvellous-Mary Ogunobo: Talking about open access and information literacy and basically the rule of Librarians and purple NASA scan information, the trees and.

1380

04:04:54.990 --> 04:05:09.510

Marvellous-Mary Ogunobo: I really don't have some intense talk about because of the your time and it's a nice thing that so many people have spoken about openness so really then conditionally place but does to chip in a be.

1381

04:05:11.400 --> 04:05:12.810

Marvellous-Mary Ogunobo: An open access.

1382

04:05:16.320 --> 04:05:19.320

Marvellous-Mary Ogunobo: We all know that to very extremely important.

1383

04:05:20.550 --> 04:05:25.140

Marvellous-Mary Ogunobo: point us in this world, I needed for Skype communication.

1384

04:05:26.730 --> 04:05:31.140

Marvellous-Mary Ogunobo: And one of them is open houses and the other is information literacy.

1385

04:05:33.240 --> 04:05:33.450

Marvellous-Mary Ogunobo: So.

1386

04:05:37.740 --> 04:05:39.000

Marvellous-Mary Ogunobo: Open houses is.

1387

04:05:48.870 --> 04:05:54.510

Marvellous-Mary Ogunobo: So open access is that quiet do in librarianship we face the fear of fitted.

1388

04:05:55.650 --> 04:05:56.460

Marvellous-Mary Ogunobo: online.

1389

04:06:02.730 --> 04:06:05.070

Marvellous-Mary Ogunobo: Availability of journals and materials.

1390

04:06:06.150 --> 04:06:07.050

Marvellous-Mary Ogunobo: The most important.

1391

04:06:09.300 --> 04:06:10.530

Marvellous-Mary Ogunobo: The most important point in.

1392

04:06:13.140 --> 04:06:21.270

Marvellous-Mary Ogunobo: In the rule of Librarians open access is that Librarians are those who provide this information consumers of information.

1393

04:06:24.180 --> 04:06:32.790

Marvellous-Mary Ogunobo: Information not open access is a broad international movement or six to grant free and open online access to academic information.

1394

04:06:33.990 --> 04:06:36.360

Marvellous-Mary Ogunobo: Such as publications and then join on.

1395

04:06:37.920 --> 04:06:39.210

Marvellous-Mary Ogunobo: It is a crucial medium.

1396

04:06:45.660 --> 04:06:55.680

Marvellous-Mary Ogunobo: Is the crucial medium that gives us access to high quality content on improving for improvement faculty us to them teaching learning experiences in universities.

1397

04:06:56.700 --> 04:07:06.840

Marvellous-Mary Ogunobo: Libraries as drunk uncles we use us with you or low cost us information, using the idea of open houses.

1398

04:07:12.330 --> 04:07:20.820

Marvellous-Mary Ogunobo: I'll just have to move to the library play in open access information literacy I'm sorry this is really lesson or.

1399

04:07:22.680 --> 04:07:25.380

Marvellous-Mary Ogunobo: Librarians provide very.

1400

04:07:30.270 --> 04:07:33.030

Nick Szydowski: I was married is that the right slide for where you are.

1401

04:07:33.900 --> 04:07:34.980

Marvellous-Mary Ogunobo: Oh, he says.

1402

04:07:35.670 --> 04:07:36.870

Nick Szydowski: Is this the right slide.

1403

04:07:38.220 --> 04:07:39.720

Marvellous-Mary Ogunobo: Yes, okay.

1404

04:07:39.990 --> 04:07:42.510

Nick Szydowski: Just let me know when you want me to advance I know.

1405

04:08:04.560 --> 04:08:19.620

Marvellous-Mary Ogunobo: So I'm moving to the rules of rule of Librarians they are natural collaborators in our system information widgets because Librarians are those you have to assess information in a very formal setting.

1406

04:08:21.240 --> 04:08:25.350

Marvellous-Mary Ogunobo: They are doing that and charged for containing amino acids.

1407

04:08:27.060 --> 04:08:31.320

Marvellous-Mary Ogunobo: For purposes in an ethical use of documents when you have them.

1408

04:08:32.340 --> 04:08:47.070

Marvellous-Mary Ogunobo: The hockey stick with us in promoting and integrity and use it administration of open sources in the educational sector because they have a very broad REACH, because they are schooled in the idea of providing.

1409

04:08:48.090 --> 04:08:55.530

Marvellous-Mary Ogunobo: Good information, providing proper information for users, they have the means they have all that it takes.

1410

04:08:57.300 --> 04:09:08.130

Marvellous-Mary Ogunobo: To be able to do this is they have actually been schooled in the ideal Brenda information and passing it to those who need it, consumers of this information.

1411

04:09:08.610 --> 04:09:22.980

Marvellous-Mary Ogunobo: To Librarians in open as incorporating classes, they have the function, they have the chief function of ensuring that information which is everyone who actually needs this information.

1412

04:09:23.790 --> 04:09:40.680

Marvellous-Mary Ogunobo: Is not is wanting to be able to access information, it is another thing to be able to access information properly and to have access to this information ethically and then as this information, the right way to Librarians is very, very important role in ensuring that this.

1413

04:09:42.000 --> 04:09:48.150

Marvellous-Mary Ogunobo: Join us this articles available for people to use, especially in the research is because.

1414

04:09:48.930 --> 04:09:54.480

Marvellous-Mary Ogunobo: It is wanting to be able to solve the Net is wanting to be able to have only limited or restricted access.

1415

04:09:54.930 --> 04:10:03.810

Marvellous-Mary Ogunobo: To information that is online, that is, on the Internet, what it is, so another thing to be able to assess it properly, we both get what you really want.

1416

04:10:04.650 --> 04:10:14.610

Marvellous-Mary Ogunobo: You might have a computer and want to assess and have the licensed assess both if you have the guidance of the library, and you have the guy.

1417

04:10:16.140 --> 04:10:23.820

Marvellous-Mary Ogunobo: And organized setup where you can assess distance it makes it very, very, very easy or smooth.

1418

04:10:24.240 --> 04:10:32.190

Marvellous-Mary Ogunobo: for you to keep this information on how to use them properly, avoiding or on ethical use of information that you've gotten online.

1419

04:10:32.880 --> 04:10:46.200

Marvellous-Mary Ogunobo: This one crucial role that Librarians play in open access and information decrease the ensure that was one is on the path, or in the search for right information, the provide these particular guide.

1420

04:10:46.920 --> 04:11:01.830

Marvellous-Mary Ogunobo: That will leave the person who is looking for the information, who is looking for from journals articles for his research project again proper access to all this information, then font of time, I went talk about.

1421

04:11:03.150 --> 04:11:05.670

Marvellous-Mary Ogunobo: challenges the Librarians piece in.

1422

04:11:07.410 --> 04:11:17.730

Marvellous-Mary Ogunobo: Assessing in developing countries, especially as we have it in Korea to Nigeria, they are so many challenges that Librarians face.

1423

04:11:19.140 --> 04:11:20.340

Marvellous-Mary Ogunobo: When it comes to.

1424

04:11:22.890 --> 04:11:42.720

Marvellous-Mary Ogunobo: Open access and information literacy, how they come in and we have a few of them, the idea of rapid change that husband goes by the ICT is something that is a huge challenge because Librarians, as we have them in developing countries do not have enough technical know-how how to handle.

1425

04:11:44.190 --> 04:11:59.070

Marvellous-Mary Ogunobo: More than the advanced information communication technology gadgets you find that you can with into a library in places like Nigeria and the library staff will everyone might not know how to.

1426

04:12:00.090 --> 04:12:08.760

Marvellous-Mary Ogunobo: assist you when it comes to using the computer efficient me properly those who are four levels of detail, etc. part of what I've seen to grab a solution.

1427

04:12:10.380 --> 04:12:12.540

Marvellous-Mary Ogunobo: We have lack of guidance and support.

1428

04:12:14.640 --> 04:12:15.180

Marvellous-Mary Ogunobo: We have.

1429

04:12:16.980 --> 04:12:17.910

Marvellous-Mary Ogunobo: Lack of power.

1430

04:12:19.020 --> 04:12:29.790

Marvellous-Mary Ogunobo: They have them lack of government funding we have so many kids that come in, we have full access to the Internet I'm having some difficulties here now and.

1431

04:12:30.420 --> 04:12:34.230

Marvellous-Mary Ogunobo: it's not something that is now deliberate, these are the problems that we face.

1432

04:12:34.680 --> 04:12:44.820

Marvellous-Mary Ogunobo: In developing countries, when comes to use of technology I've said these terms of long ago and I've been following was down time to us and then misbehaving one of these out.

1433

04:12:45.540 --> 04:12:53.760

Marvellous-Mary Ogunobo: keep this in developing countries, even as courses open access and information literacy, even the idea of open access is not well known.

1434

04:12:54.330 --> 04:13:08.220

Marvellous-Mary Ogunobo: To Librarians not well known to students ministers don't know that they have them this the ideal and open with David they can get information that he can get articles to walk on the.

1435

04:13:09.330 --> 04:13:10.230

Marvellous-Mary Ogunobo: assignments on.

1436

04:13:11.700 --> 04:13:18.780

Marvellous-Mary Ogunobo: Food that so many of these challenges come in and it poses a threat to the.

1437

04:13:20.790 --> 04:13:23.280

Marvellous-Mary Ogunobo: Efficiency of Librarians in your role as.

1438

04:13:24.300 --> 04:13:39.300

Marvellous-Mary Ogunobo: Help us in open houses any Commission Tracy and to end this presentation I have few suggestions and recommendations, I feel that Librarians should be given proper training.

1439

04:13:40.650 --> 04:13:46.920

Marvellous-Mary Ogunobo: Proper training in information communication technology in Nigeria, not just.

1440

04:13:48.360 --> 04:14:05.190

Marvellous-Mary Ogunobo: You pick someone, then you employ the person it goes beyond that library started Angela should be given should be checked if they're actually was it called information communication retreats before they can be given the job because most of them can't help you implement to the library.

1441

04:14:06.240 --> 04:14:12.420

Marvellous-Mary Ogunobo: Another thing is that they should maybe the government to provide enough computers.

1442

04:14:13.470 --> 04:14:15.180

Marvellous-Mary Ogunobo: proper access to the.

1443

04:14:16.320 --> 04:14:25.650

Marvellous-Mary Ogunobo: Internet also play you might have power might have Internet but then there's no power grant you access to all this.

1444

04:14:28.650 --> 04:14:37.530

Marvellous-Mary Ogunobo: information that you need to come to the library and there is no power everywhere, sport and then days you can't assistance online because there's no power, you can tell you that, yes.

1445

04:14:37.950 --> 04:14:55.740

Marvellous-Mary Ogunobo: So these are problems that we face in developing countries and I'm using Nigeria because I am an engineer, I see distance and I knew them to these are to recommendations that can help Librarians boost yeah rule as midwives knowledge for.

1446

04:14:57.270 --> 04:15:03.030

Marvellous-Mary Ogunobo: lab we use us information because and then probably Thank you.

1447

04:15:08.910 --> 04:15:15.600

Nick Szydowski: Thank you marvelous Mary and thank you for working through the technical issues there that was great, and thank you for sharing that, with all of us.
