Dear Dr. Miller:

This letter confirms your permission to use two figures from your published research in my Master's Thesis, which is titled Structure of the Skagit Gneiss Complex in Diablo Lake Area, North Cascades, WA. The specific figures are included with this letter.

The requested permission extends to any future revisions and editions of my thesis, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by UMI. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signature of this letter will also confirm that you own the copyright to the above-described material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to Alena Filip at the Graduate Studies and Research office at San Jose State University. Thank you very much.

Sincerely,

Niki Everette Wintzer
