Spartans Primed To Take Fresno Staters In Sacramento Meet

Meeting in SACRAMENTO will be BIG TEST FOR BLESSEY'S SPARTAN TRACK

Admitting that the winning of Conference laurels Saturday rests on the hands of the 220 yarders and the 110 yard hurdles men in the meet, Coach George Blessey's aggregation are, nevertheless, optimistic.

You see, there's a chance—and it is not too large a chance—of a shock somewhere, any place. The single event of the meet on which the Fresno boys place second, may be the jumping off place of their biggest upset, of their biggest win.

A shock anywhere would make the margin

Editor's Note: This is the last of a series of articles by Mr. Blessey dealing with Far Western Conference trackmen. Tomorrow he will write on the 110 yard hurdles.

The 110 yard hurdles race is the premier event of the track season and will see the finest class of hurdlers the West Coast has to offer.

The event will be held in Sacramento Thursday evening, May 3rd, at 8:00 p.m. The meet will be held on the track of the University of California, where the great University of California trackmen have held their meet ever since the days of Captain Finney, the great University of California coach.

Notebook Notes

Harry Blackwood

All those careless comments concerning the weather remind me that we sometimes get wholly会上的忧虑和正规化,以及对未来的担忧。我必须考虑未来的计划,并制定策略来应对这种局面。我不能放松警惕,以免被我们的对手发现我们的弱点。我必须时刻保持警觉,以防他们采取任何行动。

Finally, I would like to express my sincere gratitude to all those who have supported me throughout this project. Without their help, I would not have been able to complete this work. Thank you all very much.

Do You Know?

While getting coffee, I came across a fascinating article about the history of coffee. It turns out that coffee was originally grown in Ethiopia and has been cultivated for thousands of years. The article also mentions that coffee was first roasted in Europe during the 14th century. It's amazing to think about how much coffee has changed over time.

Murdock and Bishop Bring One-Half and Two-Point Form Card

Here we go! The season’s premier meet is steadily being conducted. These meets of the previous years have presented their masters in the public eye. However, in line of future developments, a few explanations are just delayed. For instance, it will hold but will be a chance to pick both sports. On the basis of his performance against Jane Brown in the dual meet, the Fresno student could not be situated any better in the favor of the match of the weekend. The more he developed the mind of the public, the more he became known as a leader and a success of the track.

A few explanations of were Santi-Pritchard.

Low hurdles—Henry (C), Wilson, Murdock, and Bishop.
High hurdles—Denham (F), Murphy, Taylor, and Robinson.
Broad jump—Salvato (S), Hardin (W), Taylor (S), Ikon, and Bishop.

Intra-Mural

Today is absolutely the last day for entering the intramural basketball tournament, and we are asking you to think about it. Any late applications for this purpose of organizing a new team will not be accepted. For the first time in the history of the intramural program, a new team will be formed. However, it is not easy to find a new team without a lot of effort. The first step of practice is to find the best players in the intramural program.

The early start of practice is important, and the team that finishes last field and score a goal will be crowned the champions of the intramural program. The second step is to practice with some outside players. The third step is to practice with some outside players. However, the first step is important, and the team that finishes last field and score a goal will be crowned the champions of the intramural program.

In the laws of the intramural program, the number of players on each team is limited to 12. The second step is to practice with some outside players, and the third step is to practice with some outside players. However, the first step is important, and the team that finishes last field and score a goal will be crowned the champions of the intramural program.
